The following information is being furnished under Item 2.02--Results of Operations and Financial Condition. On February 24, 2009, United Natural Foods, Inc. (the "Company") issued a press release to report its financial results for the quarter ended January 31, 2009. The press release is furnished as Exhibit 99.1 hereto.

Item 7.01. Regulation FD Disclosure.

On February 24, 2009, during a conference call held to discuss the results of the Company's operations during the second quarter of fiscal 2009, Steven L. Spinner, President and Chief Executive Officer of the Company, made the following statement:

"I mean, the most significant part of the peanut issue for us comes out of our Hershey Imports where we were buying products from [the Peanut Corporation of America] in our manufacturing facility. Obviously that product is recalled all the way back to 2007. We have no recourse with PCA, obviously, at this point. So we think there's going to be some kind of claim that we're going to have to eat that's not reimbursed. We don't think it's overly significant. It has the potential of being \$0.02, possibly \$0.03."

Mr. Spinner's comments were not meant to modify the updated fiscal year 2009 earnings per share guidance set forth in the press release furnished as Exhibit 99.1 hereto or to imply that such guidance should be reduced further to reflect the effect on the Company of such potential claim.

Item 9.01. Financial Statements and Exhibits.

- (a) Financial Statements of Businesses Acquired: Not Applicable
- (b) Pro Forma Financial Information: Not Applicable
- (c) Shell Company Transactions: Not Applicable
- (d) Exhibits.
