RADA SIGNS A \$1.6 MILLION AGREEMENT WITH A STRATEGIC CUSTOMER FOR THE PRODUCTION OF ITS DIGITAL VIDEO RECORDER

Wednesday January 9, 10:30 am ET

NETANYA, Israel, January 9 /PRNewswire-FirstCall/ - Electronic Industries Ltd. (NASDAQ: RADA - NEWS) announced today that it has signed an agreement with a strategic customer to transfer on a non-exclusive basis the production capabilities for its digital video recorder (DVR).

The DVR is one of RADA's largest selling products worldwide and has been in production for several years.

The agreement is divided into phases. The initial phase, which is valued at approximately \$1.6 million, is for the delivery of test equipment and training in connection with the establishment by the strategic customer of the production infrastructure for the product and for some integration efforts.

RADA expects to receive approximately \$3 million in orders for DVR units in 2008 from the strategic customer in addition to payments for the first phase, and believes that the contract has the potential to generate approximately \$9 million in revenues over the period 2009 through 2014 for the sale of parts, components, sub-assemblies and ground debriefing systems
