## SUPER PHARM

*Rosh Ha ayin, Israel, September 22, 2008* **Partner Communications Company Ltd. ( Partner or the Company ) (NASDAQ and TASE: PTNR), a leading Israeli mobile communications operator,** announces today that following a comprehensive review of Partner's distribution strategy and the effectiveness of its current distribution channels, it decided to terminate its distribution agreement with Super Pharm, one of the drugstore chains in Israel. The distribution agreement will expire on December 31, 2008. Under the agreement Super Pharm is obligated to transfer to Partner, following termination, all its Orange outside kiosks, which account for substantial part of sales of Orange services by Super Pharm.

The Company intends to enhance and expand its in-house distribution channels as part of its strategy to transition to a communication and multimedia service provider, which will include sales of new innovative products and services. Partner believes that the termination of the Agreement benefits the Company and would not have a material effect on the Company's ability to attract new subscribers nor on its financial performance.
