PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

INTRODUCTION

The accompanying form of proxy is solicited on behalf of the Board of Trustees (the "Board of Trustees", each individual Trustee serving thereon, a "Trustee") of American Mortgage Acceptance Company ("AMAC" or the "Company") for use at the Annual Meeting of Shareholders of AMAC (the "Meeting") to be held Wednesday, June 11, 2003 at 10:00 A.M. (local time), at the law offices of Paul, Hastings, Janofsky & Walker LLP, 75 East 55th Street, New York, New York, and at any adjournment or postponement thereof. AMAC has first mailed these proxy materials to holders (the "Shareholders") of shares of beneficial interest in AMAC (the "Shares"), on or about April 30, 2003. AMAC's executive offices are located at 625 Madison Avenue, New York, New York 10022 (telephone: (212) 588-1765). Shareholders of record at the close of business on April 16, 2003 (the "Record Date") will be entitled to vote at the Meeting or at any adjournment or postponement thereof.

Shares represented by properly executed proxy cards received by AMAC at or prior to the Meeting will be voted according to the instructions indicated on the proxy card. If no instructions are given, the persons named on the proxy card intend to vote the Shares so represented "FOR" the election of each of the nominees for re-election as Trustees.

Proxies may be revoked by those persons executing proxies at any time before the authority granted thereby is exercised by delivering to AMAC's secretary at or prior to the Meeting a written notice of revocation bearing a later date than the date of the proxy, duly executing a subsequently dated proxy with respect to the same Shares represented by the proxy and delivering it to AMAC's secretary at or before the Meeting or attending the Meeting and voting in person, although attendance at the Meeting will not, by itself, constitute revocation. Any written notice revoking a proxy should be delivered at or prior to the Meeting to the attention of the secretary, American Mortgage Acceptance Company, 625 Madison Avenue, New York, New York 10022.

The Board of Trustees recommends a vote "FOR" each of the Trustees.

As of April 16, 2003, approximately 8,063,630 Shares were outstanding, with each Share entitled to one vote on all matters that may come before the Meeting.

RECENT DEVELOPMENTS

On April 25, 2003, Steven B. Wendel resigned his position of Chief Operating Officer of AMAC in order to pursue other opportunities. AMAC has begun a search for a new Chief Operating Officer. Alan Hirmes, a Trustee and the Senior Vice President of AMAC, will serve as interim Chief Operating Officer until a replacement for Mr. Wendel has been hired.

PROPOSAL BEFORE THE MEETING

ELECTION OF TRUSTEES

At the Meeting, five Trustees are to be elected for one-year terms expiring in 2004. All of the nominees are currently Trustees of AMAC. Trustees are elected by a plurality of the votes cast (assuming the presence of a quorum consisting of a majority of the Shareholders whether present in person or by

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

proxy).

Unless Shareholders otherwise specify, Shares represented by duly executed proxies will be voted "FOR" the indicated nominees for election as Trustees. The Board of Trustees has no reason to believe that any of the nominees will be unable or unwilling to continue to serve as a Trustee if elected. However, in the event that any nominee should be unable or unwilling to serve, the Shares represented by proxies received will be voted for another nominee selected by the Board of Trustees. THE BOARD OF TRUSTEES RECOMMENDS A VOTE "FOR" EACH OF THE LISTED NOMINEES.

The following table sets forth information with respect to each nominee nominated to serve as a Trustee for a term to expire in 2004.

The directors and executive officers of the Advisor are set forth below.

RELATED AMI ASSOCIATES, INC.

Mr. Brenner graduated summa cum laude from the University of Detroit with a Bachelors degree in Business Administration and from the University of Michigan with a Masters of Business Administration, with distinction. Mr. Brenner also serves on the board of Trustees of CharterMac.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires AMAC's officers and Trustees, and persons who own more than ten percent of a registered class of AMAC's equity securities, to file reports of ownership and changes in ownership with the Commission. These persons are required by regulation of the Commission to furnish AMAC with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, AMAC believes that during the fiscal year ended December 31, 2002, AMAC's officers, Trustees and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements.

EXECUTIVE COMPENSATION

TRUSTEES AND MANAGEMENT

AMAC has ten executive officers and five Trustees (three of whom are Independent Trustees). AMAC does not pay or accrue any fees, salaries or other

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

forms of compensation to its officers other than options which may be received under the Share Option Plan. Independent Trustees receive compensation for serving as Independent Trustees at the rate of \$10,000 per year payable in cash, in addition to an expense reimbursement for attending meetings of the Board of Trustees.

The Advisor, at its expense, provides all personnel necessary to conduct AMAC's regular business. The Advisor receives various fees and reimbursements for advisory and other services performed under the Advisory Agreement, as further described in the "MANAGEMENT - Certain Relationships and Related Transactions" section of this Proxy Statement. An affiliate of the Advisor pays all salaries, bonuses and other compensation (other than options which may be received under the Share Option Plan) to the officers of AMAC and the Advisor. Certain members and officers of the sole general partner of the Advisor and certain officers of AMAC receive compensation from the Advisor and its affiliates for services performed for various affiliated entities, which may include services performed for AMAC. Such compensation may be based in part on the performance of AMAC; however, the Advisor believes that any such compensation attributable to services performed for AMAC is immaterial.

SHARE OPTION PLAN

AMAC has adopted an Incentive Share Option Plan (the "Plan"), the purpose of which is (i) to attract and retain qualified persons as Trustees and officers and (ii) to incentivize and more closely align the financial interests of the Advisor and its employees and officers with the interests of the Shareholders by providing the Advisor with substantial financial interest in AMAC's success. The Compensation Committee, which is comprised of Messrs. Allen and Fisch, administers the Plan. Pursuant to the Plan, if AMAC's distributions per Share in the immediately preceding calendar year exceed \$1.45 per Share, the Compensation Committee has the authority to issue options to purchase, in the aggregate, that number of Shares which is equal to three percent of the Shares outstanding as of December 31 of the immediately preceding calendar year (or in the initial year, as of December 31, 1999), provided that the Compensation Committee may only issue, in the aggregate, options to purchase a maximum number of Shares over the life of the Plan equal to 383,863 Shares (i.e., 10% of the Shares outstanding on December 31, 1999).

Subject to the limitations described in the preceding paragraph, if the Compensation Committee does not grant the maximum number of options in any year, then the excess of the number of authorized options over the number of options granted in such year will be added to the number of authorized options in the next succeeding year and will be available for grant by the Compensation Committee in such succeeding year.

All options granted by the Compensation Committee will have an exercise price equal to or greater than the fair market value of the Shares on the date of the grant. The maximum option term is ten years from the date of grant. All Share options granted pursuant to the Plan may vest immediately upon issuance or in accordance with the determination of the Compensation Committee. No options were granted for the years ended December 31, 1999, December 31, 2000, and December 31, 2001. In 2002, AMAC distributed \$1.51 per Share. Therefore, the Compensation Committee was authorized to issue options for the year ended December 31, 2002. On April 11, 2003, the Compensation Committee granted 190,000 options to 25 employees of Related and to Related.

The following table sets forth information concerning the grant of share options to AMAC's trustees or executive officers:

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

NAME	TITLE	OPTIONS GRANTED (1)	PERCENTAGE OF TOTAL OPTIONS GRANTED TO EMPLOYEES IN FISCAL YEAR	PER SHARE EXERCISE PRICE	EXPIRATION DATE
Stuart Rothstein	CFO	52,000	27%	\$15.03	4/11/13
John Sorel	SVP	5,000	3%	15.03	4/11/13
Related Capital Company	Affiliate of Advisor	30,000	16%	15.03	4/11/13
Others (23 people)	Various	103,000	54%	15.03	4/11/13
Total		190,000	100%		

- 1 Options become exercisable one-third on each of the first three anniversaries of the date of grant.
- 2 Assumed annual rates of share price appreciation, as determined by the rules of the Securities and Exchange Commission, for illustrative purposes only. Actual share prices will vary from time to time based upon market factors and the Company's financial performance. No assurance can be given that such rates will be achieved.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee is comprised of two Independent Trustees (Messrs. Allen and Fisch). The role of the Compensation Committee is to administer the policies governing the Plan. Because AMAC does not pay salaries and bonuses to the officers of AMAC or the Advisor, the Compensation Committee does not determine executives' salary levels. Subject to the restrictions contained in the Plan, option compensation is intended to be set at a level competitive with the amounts paid to the management of similarly sized companies in similar industries. The Committee also evaluates the performance of management when determining the number of options to be issued.

AMAC's grants of share options are structured to link the compensation of the officers of AMAC and the officers of the Advisor with AMAC's performance. Through the establishment of the Plan, AMAC has aligned the financial interests of its executives (and the executives of the Advisor) with the results of AMAC's performance, which is intended to enhance Shareholder value. The Compensation Committee may only grant options if certain performance levels are met and is limited in the number of options which may be granted each year (See "Share Option Plan" above). The amount of options which may be granted will be set at levels that the Compensation Committee believes to be consistent with others in AMAC's industry, with such compensation contingent upon AMAC's level of annual and long-term performance.

Section 162(m) was added to the Internal Revenue Code as part of the Omnibus Budget Reconciliation Act of 1993. Section 162(m) limits the deduction for compensation paid to the Chief Executive Officer and the other executive officers to the extent that compensation of a particular executive exceeds \$1,000,000 (less the amount of any "excess parachute payments" as defined in Section 280G of the Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain "performance-based" compensation established by an independent compensation committee which conforms to certain restrictive conditions stated under the Code and related regulations. It is

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

AMAC's goal to have compensation paid to its officers qualify as performance-based compensation deductible for federal income tax purposes under Section 162(m). Given the fact that AMAC is externally managed and the only compensation that currently may be paid to its executives are options pursuant to the Plan, it is unlikely that Section 162(m) will present any concerns.

Although the Board of Trustees has continuing exclusive authority over the management of AMAC, the conduct of its affairs, and the management and disposition of AMAC's assets, the Board of Trustees has delegated to the Advisor, subject to the supervision and review of the Board of Trustees and consistent with the provisions of the Trust Agreement, the power and duty to:

- (ii) seek out and present to AMAC, whether through its own efforts or those of third parties retained by it, suitable and a sufficient number of investment opportunities which are consistent with the investment objectives and policies of AMAC as adopted by the Trustees from time to time;
- (iii) exercise absolute discretion, subject to the Trustees' review, in decisions to originate, acquire, retain, sell or negotiate for the prepayment or restructuring of mortgages and other investments of AMAC;
- (iv) recommend investment opportunities consistent with AMAC's investment objectives and policies and negotiate on behalf of AMAC with respect to potential investments or the disposition thereof;
- (v) upon request, cause an affiliate to serve as the mortgagee of record for the Mortgages of AMAC if such affiliate is qualified to do so and in that capacity to hold escrows on behalf of mortgagors in connection with the servicing of mortgages, which it may deposit with various banks including banks with which it may be affiliated;
- (vi) obtain for AMAC such other services as may be required in acquiring or disposing of investments, disbursing and collecting the funds of AMAC, paying the debts and fulfilling the obligations of AMAC, and handling, prosecuting and settling any claims of AMAC, including foreclosing and otherwise enforcing mortgages and other liens securing investments;
- (vii) obtain for AMAC such services as may be required for property management, mortgage brokerage and servicing, and other activities relating to the investment portfolio of AMAC;
- (viii) evaluate, structure and negotiate potential prepayments or sales of mortgages and other investments and, if applicable, coordinate with government agencies and Fannie Mae and Freddie Mac in connection therewith;
- (ix) monitor annual participating interest payments, monitor operations and expenses of the developments, and verify computations of annual Participating Interest payments;
- (x) from time to time, or as requested by the Board of Trustees, make reports to AMAC as to its performance of the foregoing services; and
- (xi) do all things necessary to assure its ability to render the services contemplated herein.

The Advisory Agreement is renewed annually by AMAC, subject to an evaluation of the performance of the Advisor by the Board of Trustees. The Advisory Agreement may be terminated (i) without cause by the Advisor or (ii) for Cause by a majority of the Independent Trustees, each without penalty, and each upon 60 days' prior written notice to the non-terminating party.

Pursuant to the terms of the Advisory Agreement, the Advisor is entitled to receive the fees and other compensation set forth below:

The Advisor may engage in other business activities related to real estate, mortgage investments or other investments whether similar or dissimilar to those made by AMAC, or act as Advisor to any other person or entity having investment policies whether similar or dissimilar to those of AMAC. Before the Advisor, the officers and directors of the Advisor and all persons controlled by the Advisor and its officers and directors may take advantage of an opportunity for their own account or present or recommend it to others, they are obligated to present such investment opportunity to AMAC if (i) such opportunity is of a character which could be taken by AMAC, (ii) such opportunity is compatible with AMAC's investment objectives and policies and (iii) AMAC has the financial resources to take advantage of such opportunity.

During 2002, the Company made an agreement with the Advisor whereby the Advisor waived approximately \$71,000 in net fees and expense reimbursements in light of higher than usual expenses related to the origination of investments that were never completed.

The Trust Agreement and Advisory Agreement provide that AMAC will indemnify the Advisor and its affiliates under certain circumstances.

The Advisor is entitled to subcontract its obligations under the Advisory Agreement to an affiliate. In accordance with the foregoing, the Advisor has assigned its rights and obligations to Related.

Pursuant to the Advisory Agreement, the Advisor is entitled to receive as compensation a number of shares equal to 1% of all common shares issued by AMAC. In connection with a 2,500,000 common share offering completed by AMAC in February, 2002, the Advisor was issued 25,000 common Shares.

ACCOUNTING AND AUDIT INFORMATION

AUDIT COMMITTEE CHARTER

On June 12, 2002, the Board of Trustees adopted the following Audit Committee Charter. The Audit Committee Charter will be reviewed, updated and approved by the Board of Trustees each year:

ROLE AND INDEPENDENCE

The audit committee of the board of Trustees of American Mortgage Acceptance Company (the "Company") assists the board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and reporting practices of the Company and other such duties as directed by the board. The membership of the Company's audit committee (the "Committee") shall consist of at least three Trustees who are generally knowledgeable in financial and auditing matters, including at least one member with accounting or related financial management expertise. Each member shall be free of any relationship that, in the opinion of the board, would interfere with his or her individual exercise of independent judgment, and shall meet the director independence requirements for serving on the Committee as set forth in the corporate governance standards of the American Stock Exchange. The Committee is expected to maintain free and open communication (including private executive sessions at least annually)

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

with the independent accountants, the internal auditors, if any, and the management of the Company. In discharging this oversight role, the Committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose.

The board of Trustees shall appoint one member of the Committee as chairperson. He or she shall be responsible for leadership of the Committee, including preparing the agenda, presiding over the meetings, making Committee assignments and reporting to the board of Trustees. The chairperson will also maintain regular liaison with the CEO, CFO, and the lead independent audit partner.

RESPONSIBILITIES

The Committee's primary responsibilities include:

Recommending to the board the independent accountant to be selected or retained to audit the financial statements of the Company. In so doing, the Committee will request from the auditor a written affirmation, consistent with Independence Standards Board Standard No. 1, that the auditor is in fact independent, discuss with the auditor any relationships that may impact the auditor's independence, and recommend to the board any actions necessary to oversee the auditor's independence.

Overseeing the independent auditor relationship by discussing with the auditor the nature and rigor of the audit process, receiving and reviewing audit reports, and providing the auditor full access to the Committee (and the board) to report on any and all appropriate matters.

Reviewing the audited financial statements and discussing them with management and the independent auditor. These discussions shall include consideration of the quality of the Company's accounting principles as applied in its financial reporting, including review of estimates, reserves and accruals, review of judgmental areas, review of audit adjustments whether or not recorded and such other inquiries as may be appropriate. Based on the review, the Committee shall make its recommendation to the board as to the inclusion of the Company's audited financial statements in the Company's annual report on Form 10-K.

Reviewing with management and the independent auditor the quarterly financial information prior to the Company's filing of Form 10-Q. This review may be performed by the Committee or its chairperson.

Discussing with management, the internal auditors, if any, and the external auditors the quality and adequacy of the Company's internal controls.

Discussing with management the status of pending litigation, taxation matters and other areas of oversight to the legal and compliance area as may be appropriate.

Reporting Committee activities to the full board and issuing annually a report to be included in the proxy statement (including appropriate oversight conclusions) for submission to the shareholders.

The Committee's job is one of oversight. Management is responsible for the preparation of the Company's financial statements and the independent auditors are responsible for auditing those financial

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A

statements. The Committee and the board recognize that management (including the internal audit staff, if any) and the independent auditors have more resources and time, and more detailed knowledge and information regarding the Company's accounting, auditing, internal control and financial reporting practices than the Committee does; accordingly the Committee's oversight role does not provide any expert or special assurances as to the financial statements and other financial information provided by the Company to its shareholders and others.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Trustees has issued the following report with respect to the audited financial statements of the Company for the fiscal year ended December 31, 2002:

- o The Audit Committee has reviewed and discussed with AMAC's management AMAC's fiscal 2002 audited financial statements;
- o The Audit Committee has discussed with Deloitte & Touche LLP (AMAC's independent auditors) the matters required to be discussed by Statements on Auditing Standards No. 61 as amended by Statements on Auditing Standards No. 90; and
- o The Audit Committee has received the written disclosures and letter from the independent auditors required by Independence Standards Board Standard No. 1 (which related to the auditors' independence from the Company and its related entities) and has discussed with the auditors their independence from AMAC.

Based on the review and discussions referred to in the three items above, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in AMAC's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

Submitted by the Audit Committee of the Board of Trustees:

Peter T. Allen - Chairman
Arthur P. Fisch
Scott M. Mannes

The aggregate fees billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte") for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2002, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for that year were \$140,000.

EXPENSES OF SOLICITATION

The cost of soliciting proxies will be borne by AMAC. In addition to the use of the mail, proxies may be solicited by Trustees, officers and regular employees of AMAC and the Advisor by personal interview or telephone.

VOTING PROCEDURES

EquiServe, LP (the "Inspector") has been appointed the inspector of elections. The Inspector will count all votes cast, in person or by submission of a properly executed proxy, received at or prior to the Meeting. Abstentions and "broker non-votes" (nominees holding Shares for beneficial owners who have not voted on a specific matter) will be treated as present for purposes of determining whether a quorum is present at the Meeting. However, abstentions and broker non-votes will have no effect on the vote because the vote required is a plurality of the votes actually cast (assuming the presence of a quorum).

SHAREHOLDER PROPOSALS

Any proposal by a Shareholder of AMAC intended to be presented at the 2004 Annual Meeting of Shareholders must be received by AMAC at its principal executive office not later than January 6, 2004, for inclusion in AMAC's proxy statement and form of proxy relating to that meeting. Any such proposal must also comply with other requirements of the proxy solicitation rules of the Commission.

ANNUAL REPORT ON FORM 10-K

UPON WRITTEN REQUEST BY ANY SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, AMAC WILL FURNISH THAT PERSON WITHOUT CHARGE A COPY OF ITS ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2002, WHICH IS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, INCLUDING THE FINANCIAL STATEMENTS AND SCHEDULES THERETO. Requests should be addressed to Veronica Hunt at American Mortgage Acceptance Company, 625 Madison Avenue, New York, New York 10022-1801.

OTHER BUSINESS

The Board of Trustees does not know of any other matters to be brought before the Meeting except those set forth in the notice thereof. If other business is properly presented for consideration at the Meeting, it is intended that the proxies will be voted by the persons named therein in accordance with their judgment on such matters.

It is important that your Shares be represented at the Meeting. If you are unable to be present in person, please complete, date, sign and return the

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form DEF 14A
