**Item 7.01 Regulation FD Disclosure.**

On May 21, 2007 Whitestone REIT issued a press release announcing that it had amended its Complaint in the U.S. District Court, against Allen Hartman and Hartman Management L.P., to expand its claim for the recovery of its reasonable and necessary attorneys' fees incurred as a result of Hartman's actions.

In the filing, Whitestone REIT also sought recovery of interim attorneys' fees based on the fact that it prevailed on its renewed application for preliminary injunction against Hartman. Whitestone REIT has also alleged it is entitled to recovery of its attorneys' fees because Hartman has maintained his counterclaim without substantial justification and has acted in bad faith, wantonly and for oppressive reasons throughout the course of this litigation.

Whitestone REIT has requested the court to issue a temporary restraining order to restrain defendants Hartman and Hartman Management from: further disseminating the preliminary consent solicitation they filed with the Securities and Exchange Commission (SEC) on November 29, 2006, and the additional materials filed with the SEC on December 4, 2006; and disseminating the amended consent solicitation filed with the SEC on January 30, 2007; and making any additional material misstatements or omissions, communicating with shareholders or filing any proxy solicitation related to the prior consent solicitations or for the purposes of attempting to remove any member of the Board of Trustees.

A copy of the press release is furnished herewith as Exhibit 99.1 to the Current Report on Form 8-K and is incorporated herein by reference.
