Item 2.02 Results of Operations and Financial Condition.

On November 5, 2007, Beazer Homes USA, Inc. (the “Company”) issued a press release providing certain unaudited and preliminary fourth quarter financial and operating data.

As previously announced, the Company reported that its Audit Committee determined it will be necessary for the Company to restate its financial statements relating to fiscal years 2004 through 2006 and the interim periods of fiscal 2006 and fiscal 2007. As a result, the Company is not able at this time to report its financial results for the fourth quarter and fiscal year 2007. Nonetheless, the Company is providing these preliminary and select estimates of financial and operating data, although the information is unaudited and is subject to change.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Item 2.06 Material Impairments.

On November 5, 2007, the Company also announced that, in light of continued deterioration in the housing markets, it expects results for the fourth quarter of fiscal 2007 to include non-cash pre-tax charges to abandon land option contracts, to recognize inventory impairments and to record impairments and land option abandonments in joint ventures of approximately \$230 million. In addition, the Company is currently in the process of evaluating the recoverability of its goodwill, which may result in impairment charges.

Item 8.01 Other Items.

On November 5, 2007, the Company also announced that it has recently taken steps to further reduce its overall cost structure and improve operating efficiencies. As a result, in October 2007, the Company further reduced overall headcount by approximately 650 positions, or 25%. Since peak headcount levels in March 2006, overall headcount has declined by over 50% through reductions in force and attrition. The Company expects these headcount reductions to result in annualized cost savings of at least \$30 million. In addition, the Company has reorganized accounting and back-office functions and is centralizing a number of marketing initiatives to achieve additional efficiencies.

The Company also announced that its Board of Directors has voted to suspend the Company’s quarterly dividend of \$0.10 per share. The Board concluded that this action, which will allow the Company to conserve approximately \$16 million of cash on an annual basis, is prudent in light of the continued deterioration in the housing market at this time.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
