SPIRENT PLC

Sale of Aerospace software Business

Spirent plc (LSE: SPT; NYSE: SPM), a leading communications technology company, announces that it has sold its aerospace maintenance, repair and overhaul software business (MRO) from within its Systems group for a cash consideration of \$5.35 million (approximately GBP2.9 million).

MRO, with operations in San Diego, California and Yeovil, Somerset, is a supplier of ground-based logistics support and maintenance, repair and overhaul software systems for the civil and military aviation markets. In the year to 31

## Edgar Filing: SPIRENT PLC - Form 6-K

December 2003, MRO had sales of GBP8.7 million.

The net proceeds of the sale will be used to pre-pay \$5.0 million (GBP2.7 million) of Spirent's senior notes. After the application of the net sale proceeds Spirent will have \$124.8 million (GBP68.6 million) of notes outstanding.

Anders Gustafsson, Chief Executive, said:

"MRO has an established position in its market and should have every opportunity to move forward under its new ownership. The sale of MRO is the last in the series of strategic divestments of our aerospace businesses."
