Board of Directors

The Board of Directors of HSBC Holdings (the 'Board') exists to promote the long-term success of the Company and deliver sustainable value to our shareholders. Led by the Group Chairman, it sets the strategy and risk appetite for the Group and approves capital and operating plans presented by management for the achievement of the strategic

objectives. Implementation of the strategy is delegated to the Group Management Board ('GMB') which, in turn, is led by the Group Chief Executive.

Directors

HSBC Holdings has a unitary Board. The authority of the Directors is exercised in Board meetings where the Board acts collectively. The Directors who served during the year were Safra Catz, Laura Cha, Marvin Cheung, Jim Comey (appointed 4 March 2013 and retired 4 September 2013), John Coombe, Sir Jonathan Evans (appointed 6 August 2013), Joachim Faber, Rona Fairhead, Renato Fassbind (appointed 1 January 2013), Douglas Flint, Stuart Gulliver, James Hughes-Hallett, Sam Laidlaw, John Lipsky, Rachel Lomax, Iain Mackay, Sir Simon Robertson and John Thornton (retired 24 May 2013).

Marc Moses, Group Chief Risk Officer, was appointed a Director with effect from 1 January 2014.

At the time of approval of the Annual Report and Accounts 2013 on 24 February 2014, the Board comprised the Group Chairman, Group Chief Executive, Group Finance Director, Group Chief Risk Officer and 13 non-executive Directors. Kathleen Casey has been appointed a non-executive Director with effect from 1 March 2014.

The names and brief biographical details of the Directors are included on pages 330 to 335.

Executive Directors

The Group Chairman, Group Chief Executive, Group Finance Director and Group Chief Risk Officer are HSBC employees.

Non-executive Directors

Non-executive Directors are not HSBC employees and do not participate in the daily management of HSBC; they bring an independent perspective, constructively challenge and help develop proposals on strategy, scrutinise the performance of management in meeting agreed goals and objectives

and monitor the Group's risk profile and the reporting of performance. The non-executive Directors bring a wide variety of experience from the public and private sectors, including the leadership of large complex multinational enterprises.

Non-executive Directors' terms of appointment

The Board has determined the time commitment expected of non-executive Directors to be 30 to 36 days per annum. Time devoted to the Company could be considerably more, particularly if serving on Board committees.

Non-executive Directors are appointed for an initial three-year term and, subject to re-election by shareholders at Annual General Meetings, are typically expected to serve two three-year terms. The Board may invite a director to serve additional periods. All Directors are subject to annual election by shareholders.

Letters setting out the terms of appointment of each of the non-executive Directors, including the time commitment expected of each of them, are available for inspection at 8 Canada Square, London E14 5HQ and will be made available for 15 minutes before the Annual General Meeting and during the meeting itself.

Group Chairman and Group Chief Executive

The roles of Group Chairman and Group Chief Executive are separate and a clear division of responsibilities has been approved by the Board to distinguish between the running of the Board and the executive responsibility for running HSBC's business. Appointment, retirement and re-election of Directors

The Board may at any time appoint any person who is willing to act as a Director, either to fill a vacancy or as an addition to the existing Board, but the total number of Directors shall not exceed twenty-five. Any Director so appointed by the Board shall retire at the Annual General Meeting following his or her appointment and shall be eligible for election but would not be taken into account in determining the number of Directors who are to retire by rotation at such meeting in accordance with the Articles of Association. The Board may appoint any Director to hold any employment or executive office and may revoke or terminate any such appointment. Shareholders may, by ordinary resolution, appoint a person a Director or remove any Director before the expiration of his period of office. On the recommendation of the Nomination Committee and in compliance with provision B.7.1 of the UK Corporate Governance Code, the Board has decided that all of the Directors should be subject to annual re-election by shareholders. Accordingly, all of the Directors will retire at the forthcoming Annual General Meeting and offer themselves for election or re-election, with the exception of John Coombe and James Hughes-Hallett who will retire and will not offer themselves for re-election. Each of the executive Directors is employed, on a rolling contract which requires 12 months' notice to be given by either party. None of the non-executive Directors has a service contract with HSBC.

Powers of the Board

The Board is responsible for overseeing the management of HSBC globally and, in so doing, may exercise its powers, subject to any relevant laws and regulations and to the Articles. The Board has adopted terms of reference which are available at www.hsbc.com/1/2/about/board-of-directors. The Board reviews its terms of reference annually.

In particular, the Board may exercise all the powers of the Company to borrow money and to mortgage or charge all or any part of the undertaking, property or assets (present or future) of HSBC Holdings and may also exercise any of the powers conferred on it by the Companies Act 2006 and/or by shareholders. The Board is able to delegate and confer on an executive Director any of its powers, authorities and discretions (including the power to sub-delegate) for such time and on such terms as it thinks fits. In addition, the Board may establish any local or divisional boards or agencies for managing the business of HSBC Holdings in any specified locality and delegate and confer on any local or divisional board, manager or agent so appointed any of its powers, authorities and discretions (including the power to sub-delegate) for such time and on such terms as it thinks fit. The Board may also, by power of attorney or otherwise, appoint any person or persons to be the agent of HSBC Holdings and may delegate to any such person or persons any of its powers, authorities and discretions (including the power to sub-delegate) for such time and on such terms as it thinks fit.

Edgar Filing: HSBC HOLDINGS PLC - Form 6-K

The Board delegates the day to day management of HSBC Holdings to the GMB but reserves to itself approval of certain matters including operating plans, risk appetite and performance targets, procedures for monitoring and controlling operations, credit, market risk limits, acquisitions, disposals, investments, capital expenditure or realisation or creation of a new venture, specified senior appointments and any substantial change in balance sheet management policy.

HSBC Holdings was registered in Hong Kong under part XI of the Companies Ordinance on 17 January 1991.

Seven Board meetings and two one-day strategy meetings were held in 2013. At least one Board meeting each year is held in a key strategic location outside the UK. During 2013, Board meetings were held in Hong Kong and Washington DC.

Board balance and independence of Directors

The Board comprises a majority of independent non-executive Directors to ensure that no individual or small group can dominate its decision making. The size of the Board is considered to be appropriate given the complexity and geographical spread of our business and the significant time demands placed on the Directors.

The Nomination Committee regularly reviews the structure, size and composition of the Board (including skills, knowledge, experience, independence and diversity) and makes recommendations to the Board with regard to any changes.

The Board has adopted a policy on Board diversity which is consistent with the Group's strategic focus on ethnicity, age and gender diversity for the employee base. Further information on the Board diversity policy can be found on page 362.

The Board considers all of the non-executive Directors to be independent. Rona Fairhead has served on the Board for more than nine years and, in that respect only, does not meet the usual criteria for independence set out in the UK Corporate Governance Code. She will stand for re-election at the 2014 Annual General Meeting. The Board has determined Rona Fairhead to be independent in character and judgement, notwithstanding her length of service, taking into account her continuing level of constructive challenge of management and strong contribution to Board discussions. The Board will continue to consider Rona Fairhead's independence annually.

When determining independence the Board considers that calculation of the length of service of a non-executive Director begins on the date of his or her election by shareholders following their appointment as a Director of HSBC Holdings. The experience of previous service on an HSBC subsidiary company board can be a considerable benefit and does not detract from a Director's independence. In reaching its determination of each non-executive Director's independence, the Board has concluded that there are no relationships or circumstances which are likely to affect a Director's judgement and any relationships or circumstances which could appear to do so were considered not to be material.

In accordance with the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited, each non-executive Director determined by the Board to be independent has provided an annual confirmation of his or her independence to HSBC Holdings.

Information and support

The Board regularly reviews reports on performance against financial and other strategic objectives, business developments and investor and external relations. The chairmen of Board committees and the Group Chief Executive report to each meeting of the Board on the activities of the committees since the previous Board meeting. The Board receives regular reports and presentations on strategy and developments in the global businesses and principal geographical areas. Regular reports are also provided on the Group's risk appetite, top and emerging risks, risk management, credit exposures and the Group's loan portfolio, asset and liability management, liquidity, litigation, compliance and reputational issues.

The Directors have free and open contact with management at all levels. When attending Board offsite meetings and when travelling for other reasons, non-executive Directors are encouraged to take opportunities to see business operations at first hand and to meet management.

Non-executive Directors have an open invitation to attend meetings of the GMB to further enhance their understanding and awareness of our businesses and the senior leadership team.

Role of the Group Company Secretary

All Directors have access to the advice and services of the Group Company Secretary, who is responsible to the Board for ensuring that Board procedures and all applicable rules and regulations are complied with.

Under the direction of the Group Chairman, the Group Company Secretary's responsibilities include ensuring good information flows within the Board and its committees and between senior management and non-executive Directors, as well as facilitating induction and assisting with professional development as required.

The Group Company Secretary is responsible for advising the Board through the Group Chairman on corporate governance matters.

The agenda and supporting papers are distributed in advance of all Board and Board committee meetings to allow time for appropriate review and to facilitate full discussion at the meetings. All Directors have full and timely access to all relevant information and may take independent professional advice if necessary at the Company's expense.

Induction

Full, formal and tailored induction programmes, with particular emphasis on risk management and internal controls systems, are arranged for newly appointed Directors. The programmes consist of a series of meetings with other Directors and senior executives to enable new Directors to familiarise themselves with the business. Directors also receive comprehensive guidance from the Group Company Secretary on directors' duties and liabilities. As part of their induction, the Group Company Secretary will develop a programme based on an individual Director's needs. Induction programmes are also arranged for newly appointed members of committees.

Focused in-house training sessions are arranged in conjunction with scheduled Board meetings. Directors attended Board and strategy meetings in 2013 at which briefings on the following topics were given:

Performance evaluation

The Board strongly supports the principle of regular evaluation of its own effectiveness and that of its committees and individual Directors. A routine externally facilitated process brings with it added rigour. In October 2013, Bvalco Ltd1 was commissioned for a second year to facilitate and report on the review of effectiveness of the Board, in particular building upon the review undertaken in 2012. The review considered the level and nature of debate at Board meetings, engagement between non-executive Directors and executive management, the relationship and information flows between subsidiaries and the Board and progress made against the actions identified and agreed since the review

undertaken in 2012. Bvalco's report was prepared following interviews with Directors and senior members of management and a review of relevant documents.

Bvalco presented their report at a full meeting of the Board. It concluded that the Board is operating effectively with a number of important strengths and that significant progress had been made during 2013 to address recommendations made by Bvalco in its 2012 review of the Board's effectiveness and which were agreed with the Board as part of its annual performance evaluation. This process also enables additional feedback to be provided for the annual evaluation of the effectiveness of the principal Board committees.

Evaluation of the individual performance of each non-executive Director is undertaken annually by the Group Chairman. During this evaluation, the Group Chairman discusses the individual contribution of the Director, explores training and development needs, seeks input on areas where the Director feels he or she could make a greater contribution and discusses whether the time commitment required of the Director can continue to be delivered. Based upon their individual evaluation, the Group Chairman has confirmed that all of the non-executive Directors continue to perform effectively, contribute positively to the governance of HSBC and demonstrate full commitment to their roles.

Evaluation of the individual performance of each executive director is undertaken as part of the performance management process for all employees, the results of which are considered by the Group Remuneration Committee when determining variable pay awards each year.

The non-executive Directors, led by the Deputy Chairman and senior independent non-executive Director, are responsible for the evaluation of the performance of the Group Chairman.

The Board will monitor the implementation of actions arising from its 2013 performance evaluation.

It is the intention of the Board to continue to undertake an evaluation of its performance and that of its committees and individual Directors annually, with independent external input to the process, as appropriate, at least every third year.

1 A legal firm which is engaged from time to time by the Company to provide legal services holds a 20% shareholding in Bvalco Ltd. Bvalco Ltd has confirmed that it does not have any other connection with the Company.

Relations with shareholders

All Directors are encouraged to develop an understanding of the views of major shareholders. Non-executive Directors are invited to attend analyst presentations and other meetings with institutional investors and their representative bodies. Directors also meet representatives of institutional shareholders annually to discuss corporate governance matters.

All executive Directors and certain other senior executives hold regular meetings with institutional investors. The Board receives a regular investor relations activity report which provides feedback from meetings with institutional shareholders and brokers, analysts' forecasts, information from research reports and share price performance data. Twice each year the Board also receives a report from one of our corporate brokers.

The Group's shareholder communication policy is available on www.hsbc.com.

On several occasions during 2013, non-executive Directors, including the Deputy Chairman and senior independent non-executive Director, met or corresponded with institutional investors and their representatives to discuss corporate governance and executive remuneration.

As Deputy Chairman and senior independent non-executive Director, Sir Simon Robertson is available to shareholders should they have concerns which contact through the normal channels of Group Chairman, Group Chief Executive, Group Finance Director, Group Chief Risk Officer, or other executives cannot resolve or for which such contact would be inappropriate. He may be contacted through the Group Company Secretary at 8 Canada Square, London E14 5HQ.

Conflicts of interest, indemnification of Directors and contracts of significance

The Board has adopted a policy and procedures relating to Directors' conflicts and potential conflicts of interest and can determine the terms of authorisation for such situations. The Board's powers to authorise conflicts are operating effectively and the procedures are being followed. A review of situational conflicts which have been authorised from time to time and the terms of those authorisations are undertaken by the Board annually.

The Articles provide that Directors are entitled to be indemnified out of the assets of HSBC Holdings against claims from third parties in respect of certain liabilities. Such provisions have been in place during the financial year but have not been utilised by the Directors. All Directors have the benefit of directors' and officers' liability insurance.

None of the Directors had, during the year or at the end of the year, a material interest, directly or indirectly, in any contract of significance with any HSBC company.

Corporate governance codes

HSBC is committed to high standards of corporate governance. HSBC has complied during 2013 with the applicable code provisions of: (i) The UK Corporate Governance Code issued by the Financial Reporting Council; and (ii) the Hong Kong Corporate Governance Code set out in Appendix 14 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited, save that the Group Risk Committee is responsible for the oversight of internal control (other than internal control over financial reporting) and risk management systems (Hong Kong Corporate Governance Code provision C.3.3 paragraphs (f), (g) and (h)). If there were no Group Risk Committee, these matters would be the responsibility of the Group Audit Committee. The UK Corporate Governance Code is available at www.frc.org.uk and the Hong Kong Corporate Governance Code is available at www.hkex.com.hk.

The Board has adopted a code of conduct for transactions in HSBC Group securities by Directors. The code of conduct complies with The Model Code in the Listing Rules of the FCA and with The Model Code for Securities Transactions by Directors of Listed Issuers ('Hong Kong Model Code') set out in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited, save that The Stock Exchange of Hong Kong Limited has granted certain waivers from strict compliance with the Hong Kong Model Code. The waivers granted by The Stock Exchange of Hong Kong Limited primarily take into account accepted practices in the UK, particularly in respect of employee share plans. Following specific enquiry, each Director has confirmed that he or she has complied with the code of conduct for transactions in HSBC Group securities throughout the year, save that, on 10 January 2013, an independent non-executive Director disposed of an interest as beneficial owner in 500 units of euro-denominated preferred securities of €1,000 each issued by HSBC Capital Funding (Euro 2) L.P. before giving notification. All Directors have since been reminded of their obligations under the code of conduct for transactions in HSBC Group Securities.
