PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of eGain Communications Corporation, a Delaware corporation (eGain or the Company), of proxies in the accompanying form to be used at the Annual Meeting of Stockholders of eGain to be held at the Sheraton located at 1100 North Mathilda Avenue, Sunnyvale, California on Thursday, November 20, 2003, at 10:00 AM., Pacific Time, and any postponement or adjournment thereof (the Annual Meeting). The shares represented by the proxies received in response to this solicitation and not properly revoked will be voted at the Annual Meeting in accordance with the instructions therein. A stockholder who has given a proxy may revoke it at any time before it is exercised by filing with the Secretary of eGain a written revocation or a duly executed proxy bearing a later date or by voting in person at the Annual Meeting. On the matters coming before the Annual Meeting for which a choice has been specified by a stockholder by means of the ballot on the proxy, the shares will be voted accordingly. If no choice is specified, the shares will be voted **FOR** the election of the five nominees for director listed in this Proxy Statement and **FOR** approval of the proposal referred to in Item 2 in the Notice of Annual Meeting and described in this Proxy Statement.

Stockholders of record at the close of business on September 25, 2003 (the Record Date), are entitled to vote at the Annual Meeting. As of the close of business on that date, eGain had 3,680,954 shares of common stock, \$0.001 par value (the common stock), outstanding. The presence in person or by proxy of the holders of a majority of eGain s outstanding shares of common stock constitutes a quorum for the transaction of business at the Annual Meeting. Each holder of common stock is entitled to one vote for each share held as of the Record Date.

Directors are elected by a plurality vote. The five nominees for director who receive the most votes cast in their favor will be elected to serve as a director. Other proposals submitted for stockholder approval at the Annual Meeting will be decided by the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on such proposal. Abstentions with respect to any proposal are treated as shares present or represented and entitled to vote on that proposal and thus have the same effect as negative votes. If a broker which is the record holder of shares indicates on a proxy that it does not have discretionary authority to vote on a particular proposal as to such shares, or if shares are not voted in other circumstances in which proxy authority is defective or has been withheld with respect to a particular proposal, these non-voted shares will be counted for quorum purposes but are not deemed to be present or represented for purposes of determining whether stockholder approval of that proposal has been obtained.

The expense of printing, mailing proxy materials and solicitation of proxies will be borne by eGain. eGain will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of the common stock. No additional compensation will be paid to such persons for such solicitation.

This Proxy Statement, the accompanying form of proxy and the Annual Report to Stockholders on Form 10-K for the fiscal year ended June 30, 2003, including financial statements, are being mailed to stockholders on or about October 27, 2003.

IMPORTANT

Please mark, sign and date the enclosed proxy and return it at your earliest convenience in the enclosed postage-prepaid return envelope so that, whether you intend to be present at the Annual Meeting or not, your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

- (1) Potential realizable value assumes that the stock price increases from the exercise price from the date of grant until the end of the option term (10 years) at the annual rate specified (5% and 10%). Annual compounding results in total appreciation of approximately 62.9% (at 5% per year) and 159.4% (at 10% per year). The assumed annual rates of appreciation are specified in SEC rules and do not represent eGain's estimate or projection of future stock price growth. eGain does not necessarily agree that this method can properly determine the value of an option.

Employment Agreements and Change of Control Agreements

Pursuant to eGain's offer letter to Arnold Adriaanse, in the event Mr. Adriaanse is terminated by eGain without cause, Mr. Adriaanse will receive an additional three months vesting of his option and payments equal to three months of salary and bonus.

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The following report on executive compensation is provided by the Compensation Committee of the Board of Directors (the Compensation Committee) to assist stockholders in understanding the committee's objectives and procedures in establishing the compensation of eGain's executive officers and describes the basis on which it made fiscal 2003 compensation determinations. The Compensation Committee is currently comprised of three non-employee directors. In making its determinations, the Compensation Committee relied, in part, on independent surveys and public disclosures of compensation of management of companies in the ecommerce software industry.

Compensation Objectives

The Compensation Committee believes that compensation of eGain's executive officers should:

- encourage creation of stockholder value and achievement of strategic corporate objectives;
- provide a competitive total compensation package that enables eGain to attract and retain, on a long-term basis, high caliber personnel;
- integrate compensation with eGain's annual and long-term corporate objectives and focus executive behavior on the fulfillment of those objectives;
- align the interests of management and stockholders and enhance stockholder value by providing management with longer term incentives through equity ownership by management;
- provide total compensation opportunity that is competitive with companies in eGain's industry, taking into account relative company size, performance and geographic location as well as individual responsibilities and performance; and
- provide fair compensation consistent with internal compensation programs.

Key Elements of Executive Compensation

The compensation of executive officers is based upon eGain's financial performance as well as an evaluation of eGain's progress in the achievement of certain business objectives, including the execution of corporate and collaborative agreements, the expansion of eGain's business and the attainment of certain operational and research and development milestones in eGain's technology development programs, as well as the achievement of individual business objectives by each executive officer. eGain's existing compensation structure for executive officers generally includes a combination of salary and stock options and may include cash bonuses for performance determined to be deserving of such bonuses by the Compensation Committee.

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

Salary. Salary levels are largely determined through comparisons with companies of similar headcount and market capitalizations or complexity in the ecommerce software industry. Actual salaries are based on individual performance contributions within a competitive salary range for each position that is established through job evaluation of responsibilities and market comparisons. The Compensation Committee, on the basis of its knowledge of executive compensation in the industry, believes that eGain's salary levels for the executive officers are at a level that the Compensation Committee, at the time such salary determinations were made, considered to be reasonable and necessary given eGain's financial resources and the stage of its development. The Compensation Committee reviews salaries on an annual basis. At such time, the Compensation Committee may change each executive officer's salary based on the individual's contributions and responsibilities over the prior 12 months and changes in median comparable company pay levels.

Stock Options. The Compensation Committee believes that by providing those persons who have substantial responsibility for the management and growth of eGain with an opportunity to increase their

ownership of eGain stock through stock option grants, the interests of stockholders and executive officers will be closely aligned. Therefore, executive officers are eligible to receive stock options when the Compensation Committee performs its annual salary review; although the Stock Option Committee, at its discretion, may grant options at other times in recognition of exceptional achievements. The number of shares underlying stock options granted to executive officers is based on competitive practices in the industry as determined by independent surveys and the Compensation Committee's knowledge of industry practice.

Chief Executive Officer Compensation

Ashutosh Roy is eGain's Chief Executive Officer. During fiscal year 2002 and continuing through December 2002 at the request of Mr. Roy, the Compensation Committee reduced Mr. Roy's salary to \$1.00. Mr. Roy made this request in light of the continued difficult economic environment surrounding eGain's industry and as part of eGain's commitment to reduce its expense and pursue profitability. Mr. Roy's salary returned to a level commensurate with industry norms as of January 1, 2003.

eGain's policy is generally to qualify compensation paid to executive officers for deductibility under Section 162(m) of the Internal Revenue Code. However, eGain reserves the discretion to pay compensation to its executive officers that may not be deductible.

Mr. Roy is a member of the Board of Directors, but did not participate in matters involving the evaluation of his own performance or the setting of his own compensation.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors (the "Audit Committee") operates under a written charter adopted by the Board of Directors on April 24, 2001. The current members of the Audit Committee are Mark A. Wolfson, David G. Brown and Phiroz P. Darukhanavala, each of whom meets the independence standards established by The Nasdaq Stock Market.

The Audit Committee performs the following activities:

- overseeing eGain's financial reporting process on behalf of the Board of Directors; and
- providing independent, objective oversight of eGain's accounting functions and internal controls.

The Audit Committee reviewed and discussed the audited financial statements contained in the 2003 Annual Report on Form 10-K with eGain's management and its independent auditors. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally acceptable in the United States.

The Audit Committee met privately with the independent auditors, and discussed issues deemed significant by the auditors, including those required by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended. In addition, the Audit Committee discussed with the independent auditors their independence from eGain and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with the Audit Committees). The Audit Committee also considered Ernst & Young's provision of non-audit services to eGain and determined that such provision of such services was compatible with maintaining the independence of Ernst & Young.

In reliance on the reviews and discussions outlined above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in eGain's Annual Report on Form 10-K for the fiscal year ended June 30, 2003, for filing with the Securities and Exchange Commission.

INFORMATION CONCERNING INDEPENDENT AUDITORS

Ernst & Young LLP, independent public accountants, have been the auditors for the financial statements of the Company for each year since 1997. In addition to retaining Ernst & Young LLP to audit the consolidated financial statements for fiscal 2003 and fiscal 2002, the Company and its international subsidiaries retained Ernst & Young LLP and certain of its international affiliates to provide various other services in fiscal 2003 and fiscal 2002. In some instances fee amounts are approximated due to exchange rates and differing fiscal year ends.

Principal Accounting Fees and Services

Fees have been converted to U.S. dollars with exchange ratios as of October 21, 2003. The aggregate fees for professional services by Ernst & Young LLP and certain of its international affiliates in fiscal 2003 and fiscal 2002 for these various services to Company and its subsidiaries were:

Audit Fees

The aggregate audit fees billed or to be billed by Ernst & Young LLP for each of the last two fiscal years for professional services rendered for the audit of the Company's annual financial statements, review of financial statements included in the Company's quarterly reports on Form 10-Q and services that were provided in connection with statutory and regulatory filings or engagements were approximately \$260,000 for fiscal 2003 and \$250,000 for fiscal 2002.

Statutory Audit Fees

The aggregate fees billed or to be billed by Ernst & Young LLP or certain of its international affiliates for each of the last two fiscal years for services delivered in the U.K., Europe and India related to the ability to render a U.S. GAAP opinion on the Company's or its subsidiaries financial statements or regulatory compliance reasonably related to the performance of review of Company's or its subsidiaries financial statements were approximately \$62,000 for fiscal 2003 and approximately \$56,000 for fiscal 2002.

Tax Fees

The aggregate fees billed or to be billed by Ernst & Young LLP in each of the last two fiscal years for professional services related to tax advice, tax compliance, tax auditing, tax planning and foreign tax matters were approximately \$57,000 for fiscal 2003 and \$74,000 for fiscal 2002.

All Other Fees

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

The aggregate fees billed or to be billed by Ernst & Young LLP and certain of its international affiliates in each of the last two fiscal years for services and products other to the Company and its subsidiaries than those reported in the categories above were approximately \$24,480 for fiscal 2003 and approximately \$128,680 for fiscal 2002. The nature of the other services included real estate and other miscellaneous services.

Policy on Pre-Approval of Retention of Independent Auditors

The engagement of Ernst & Young LLP and certain of its international affiliates for non-audit accounting and tax services performed for the Company is limited to those circumstances where these services are considered integral to the audit services that it provides or in which there is another compelling rationale for using its services. Pursuant to the Sarbanes-Oxley Act of 2002, all audit and permitted non-audit services for which the Company engages Ernst & Young LLP and certain of its international affiliates require pre-approval by the Audit Committee. The percentage of Statutory Audit Fees, Tax Fees and All Other Fees, out of all fees paid to Ernst & Young LLP and certain of its international affiliates, and all as approved by the Audit Committee in accordance with these procedures, was 35.5% for fiscal 2003 and 50.8% for fiscal 2002.

As noted in the report of the Audit Committee at page 13 of this proxy statement, the Audit Committee considered the provision by Ernst & Young LLP and certain of its international affiliates of non-audit services to the Company and determined that the provision of these services was compatible with maintaining the independence of Ernst & Young LLP.

RELATED PARTY TRANSACTIONS

Since July 1, 2001, there has not been any transaction or series of transactions to which eGain was or is a party in which the amount involved exceeded or exceeds \$60,000 and in which any director, executive officer, holder of more than 5% of any class of eGain's voting securities or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than the transactions described below.

Transactions with Management, Directors and Others

Directors Mark Wolfson and David Brown are principals and executive officers in Oak Hill Venture Partners, and its affiliated entities, that as of September 25, 2003 own an aggregate of approximately 18.8% of the outstanding eGain common stock, on an as converted basis from the preferred stock. The terms and conditions of the preferred stock have been amended from time to time since July 2001.

During fiscal year 2003, we entered into a note and warrant purchase agreement with Ashutosh Roy, our Chief Executive Officer, pursuant to which Mr. Roy will make loans to us evidenced by one or more subordinated secured promissory notes and will receive warrants to purchase shares of our common stock in connection with each of such loans. The five-year subordinated secured promissory note bears interest at an effective annual rate of 12% due and payable upon the term of such note. eGain has the option to prepay each note at any time subject to the prepayment penalties set forth in such note. The warrants will allow Mr. Roy to purchase a number of shares up to 25% of the aggregate amount loaned at an exercise price equal to 110% of the fair market value of our common stock (based on a five day trailing trading average at the time of each loan). As of June 30, 2003, warrants to purchase 236,742 shares of common stock were outstanding but not yet vested. An initial loan of \$2.0 million under the note and warrant purchase agreement occurred on December 31, 2002. The principal and interest due on the loan as of fiscal year end 2003 was \$2.1 million.

In the past, eGain has granted options to purchase common stock to its directors and executive officers. eGain intends to grant such options to its directors and executive officers in the future. *See* Proposal One Compensation of Directors and EXECUTIVE COMPENSATION Recent Option Grants.

Business Relationships

eGain has entered into indemnification agreements with each of its directors and executive officers. Such agreements require eGain to indemnify such individuals to the fullest extent permitted under Delaware law.

It is eGain's current policy that all transactions between eGain and its officers, directors, 5% stockholders and eGain's affiliates will be entered into only if these transactions are approved by a majority of the disinterested directors, are on terms no less favorable to eGain than could be obtained from unaffiliated parties and are reasonably expected to benefit eGain.

STOCKHOLDER PROPOSALS FOR THE 2004 ANNUAL MEETING

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

Proposals of stockholders of eGain that are intended to be presented by such stockholders at eGain's 2004 Annual Meeting must be received by the Secretary of eGain no later than September 25, 2004 in order that they may be included in eGain's proxy statement and form of proxy relating to that meeting.

A stockholder proposal not included in the eGain proxy statement for the 2004 Annual Meeting will be ineligible for presentation at the meeting unless the stockholder gives timely notice of the proposal in writing to the Secretary of eGain at the principal executive offices of eGain and otherwise complies with the provisions of its Bylaws. To be timely, eGain's Bylaws provide that eGain must have received the stockholder's notice not less than 50 days nor more than 75 days prior to the scheduled date of such meeting. However, if notice or prior public

disclosure of the date of the annual meeting is given or made to stockholders less than 65 days prior to the meeting date, eGain must receive the stockholder's notice by the close of business on the 15th day after the earlier of the day eGain mailed notice of the annual meeting date or provided such public disclosure of the meeting date.

OTHER MATTERS

eGain knows of no other business that will be presented at the Annual Meeting. If any other business is properly brought before the Annual Meeting, it is intended that proxies in the enclosed form will be voted in accordance with the judgment of the persons voting the proxies.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the securities laws of the United States, eGain's directors, executive officers and any persons holding more than 10% of eGain's common stock are required to report their initial ownership of eGain's common stock and any subsequent changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established and eGain is required to identify in this Proxy Statement those persons who failed to timely file these reports. All of the filing requirements were satisfied for fiscal 2003 except that in October 2002, due solely to administrative error that was corrected as soon as it was determined, the Company made late Form 4 filings with respect to options grants to executives Eric Smit, Promod Narang, Milind Kasbekar and Arnold Adriaanse.
