Acuity Brands, Inc. Selected 401(k) and Retirement Plans

We have audited the accompanying statements of net assets available for benefits of Acuity Specialty Products 401(k) Plan, Acuity Brands, Inc. 401(k) Plan (formerly the Acuity Lighting Group, Inc. Profit Sharing and Retirement Plan for Salaried Employees), Acuity Lighting Group, Inc. 401(k) Plan for Hourly Employees, Enforcer Products 401(k) Plan, Holophane Division of Acuity Lighting Group 401(k) Plan for Hourly Employees, Holophane Division of Acuity Lighting Group 401(k) Plan for Hourly Employees Covered by a Collective Bargaining Agreement (collectively, the Plans) as of December 31, 2003 and 2002, and the related statements of changes in net assets available for benefits for the year ended December 31, 2003. These financial statements are the responsibility of the Plans management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plans at December 31, 2003 and 2002, and the changes in the net assets available for benefits of the Plans for the year ended December 31, 2003 in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying Schedule of Assets (Held at End of Year) as of December 31, 2003 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plans management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. Description of the Plans

General

The accompanying financial statements of the Acuity Brands, Inc. (the Company or Acuity) 401(k) and Retirement Plans (the Plans) included in the accompanying financial statements are commingled in the Acuity Brands, Inc. Defined Contribution Plans Master Trust (the Acuity DC Trust). The Plans are subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

During 2002, two Plan mergers occurred. Effective January 1, 2002, the Selig Chemical Industries Retirement Plan merged into the Acuity Specialty Products 401(k) Plan. Employees of Selig Chemical Industries became eligible to participate in the Acuity Specialty Products 401(k) Plan in accordance with its terms. Effective December 31, 2002, the Acuity Brands, Inc. 401(k) Plan for Corporate Employees merged into the Acuity Lighting Group, Inc. Profit Sharing and Retirement Plan for Salaried Employees. Participants of the Acuity Brands, Inc. 401(k) Plan for Corporate Employees became eligible to participate in the Acuity Lighting Group, Inc. Profit Sharing and Retirement Plan for Salaried Employees, in accordance with its terms.

The name of the Lithonia Lighting 401(k) Plan for Hourly Employees was changed to Acuity Lighting Group, Inc. 401(k) Plan for Hourly Employees on January 1, 2002. The plan was also changed to provide for a matching contribution for employees of American Electric Lighting. The name of the Holophane Division of Lithonia Lighting Group Retirement and 401(k) Plan for Hourly Employees Covered by a Collective Bargaining Agreement and the name of the Holophane Division of Lithonia Lighting Group Retirement and 401(k) Plan for Hourly Employees were changed to Holophane Division of Acuity Lighting Group 401(k) Plan for Hourly Employees Covered by a Collective Bargaining Agreement and Holophane Division of Acuity Lighting Group 401(k) Plan for Hourly Employees, respectively.

Effective February 11, 2002, participants in all of the Plans were permitted to direct the investments of all funds in their respective plan, thereby eliminating the non-participant-directed funds. Employer matching amounts are allocated in accordance with the participant s current investment elections for elective deferrals.

1. Description of the Plans (continued)

General (continued)

Additional amendments that were made and entered into during 2002 were adopted to reflect certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 as they were applicable to the plans.

Effective January 1, 2003, the name of the Acuity Lighting Group, Inc. Profit Sharing and Retirement Plan for Salaried Employees was changed to Acuity Brands, Inc. 401(k) Plan.

Refer to the respective summary plan description or plan agreement for additional information about the Plans' eligibility, funding, allocation, vesting, and benefit provisions.

Eligibility

Each of the Plans is a defined contribution plan. The Plans cover substantially all domestic salaried, commissioned, union and non-union hourly employees of the Company. Employees have immediate eligibility upon attaining the age requirement, with the exception of the Acuity Specialty Products 401(k) Plan, which has a six-month waiting period.

Administration

Administration of the Plans is the responsibility of the Company's investment committee, which is appointed by its board of directors. All administrative expenses of the Plans were paid by the Company during the year ended December 31, 2003.

Plan Termination

Although the Company intends for the Plans to be permanent, the Plans provide the Company the right to discontinue contributions or to terminate the Plans at any time. In the event of a plan termination, each respective participant shall be 100% vested in the balance of his/her account and his/her proportionate share of any future adjustments or forfeitures.

Investment in Related Party Common Stock

As of December 31, 2003 and 2002, the percentage of the Acuity DC Trust's net assets invested in the common stock of Acuity was 4.0% and 2.6%, respectively.

1. Description of the Plans (continued)

Funding Policy

The basis for determining participant (pre-tax) and employer contributions is as follows:

<u>Plan Name</u>	<u>Participant Contributions *</u>	<u>Employer Contributions *</u>
Acuity Specialty Products 401(k) Plan	1% to 25% of compensation	For non-union employees 50% of participant contributions up to 6% of compensation. For union employees only 5% of net profits plus an amount which represents the same percentage of total annual compensation of all hourly paid plan participants as the 5% of net profits bears to total annual compensation of salaried and commissioned plan participants. This amount is multiplied by a fraction representing the relationship between annual compensation of all salaried, commissioned, and non-union hourly or union-qualifying participants to the annual compensation of all qualifying participants. Contributions apply to up to \$40,000 of qualifying participant compensation. Additional discretionary contributions are permitted.
Acuity Brands, Inc. 401(k) Plan (formerly the Acuity Lighting Group, Inc. Profit Sharing and Retirement Plan for Salaried Employees)	1% to 25% of compensation	Effective January 1, 2003 the plan was amended to increase the matching contribution to 60% of the first 6% of employee deferrals to the Plan and to eliminate the profit sharing contribution. Effective January 1, 2003, the plan was also amended to provide for a supplemental contribution for employees who on December 31, 2002 were active participants in the Acuity Brands, Inc. Pension Plan, which was frozen on that date. The supplemental contribution will be made at the end of each plan year to eligible participants who are non-highly compensated employees and who are employed on the last day of the plan year.

* Effective January 1, 2003, all plans were amended to provide that forfeitures of employer contributions may be used to pay plan administrative expenses (except forfeitures of profit sharing contributions made to union employees in the Acuity Specialty Products Plan), and to change the definition of disability to mean that a participant has been determined by the Social Security Administration to be entitled to Social Security disability benefits.

2. Significant Accounting Policies

Basis of Accounting

The accounts of the Plans are maintained by the trustee, AMVESCAP National Trust Company, on the cash basis of accounting. The accompanying financial statements have been prepared using the accrual method of accounting.

Investments

The investments in the Acuity DC Trust (the Trust) are subject to certain administrative guidelines and limitations as to the type and amount of securities held. Certain fund assets are allocated to selected independent investment managers to invest under these guidelines. Investments of the Trust, except for the guaranteed investment contracts (GICs), are stated at fair value, as determined by the trustee from quoted market prices. Securities traded on a national exchange are valued at the last reported sales price on the last business day of the plan year; investments traded in the over-the-counter market and listed securities for which no sale was reported on the last day of the plan year are valued at the last reported bid price.

GICs are subject to credit risk based on the ability of the issuers to meet interest or principal payments, or both, as they become due. Certain GICs included in the Trust are synthetic; that is, the Trust owns/owned certain fixed income securities and the contract issuer provides/provided a wrapper that guarantees a fixed rate of return and provides benefit responsiveness. At December 31, 2003 and 2002, the fair values of the underlying assets of the synthetic GICs (as determined from quoted market prices) were \$95,129,058 and \$93,500,844 respectively, and the values of the related wrapper contracts were \$(3,307,071) and \$(4,336,487) included in the Trust, respectively.

GICs included in the Trust are fully benefit-responsive and are therefore carried at contract value (cost plus accrued interest) by the Trust in accordance with SOP 94-4, *Reporting of Investment Contracts held by Health and Welfare Benefit Plans and Defined-Contribution Pension Plans*. At December 31, 2003 and 2002, contract value approximated fair value. At December 31, 2003 and 2002, the weighted-average crediting interest rates, which are reset periodically during the year, were 1.35% and 3.37%, respectively. For the years ended December 31, 2003 and 2002, the annual yields on the GICs held by the Trust were 4.60% and 4.88%, respectively. For certain of the GICs held by the Trust, crediting interest rates may be changed if certain events occur, such as early retirements and plant closings, but in no case are adjusted to a rate less than 0%.

Use of Estimates

Edgar Filing: ACUITY BRANDS INC - Form 11-K

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and the differences could be significant.

4. Income Tax Status

The Plans have received determination letters from the Internal Revenue Service stating that the Plans are qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to these determinations by the Internal Revenue Service, the Plans were amended. Once qualified, the Plans are required to operate in conformity with the Code to maintain their qualification. The Plan administrator believes the Plans are being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plans as amended, are qualified and the related trusts are tax exempt.
