**Report of Independent Registered Public Accounting Firm**

The Trustee of the Huttig Building Products, Inc.

Savings and Profit Sharing Plan:

We have audited the accompanying statement of net assets available for benefits of the Huttig Building Products, Inc. Savings and Profit Sharing Plan (the Plan) as of December 31, 2003, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003, and the changes in net assets available for benefits for the year then ended, in conformity with U.S. generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held (at end of year) and reportable transactions are presented for purposes of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

December 31, 2003 and 2002

**(1) Description of the Plan**

The following description of the Huttig Building Products, Inc. Savings and Profit Sharing Plan (the Plan) is provided for financial statement purposes only. Participants should refer to the Plan document for more complete information.

*(a) General*

The Plan is a defined contribution plan established by Huttig Building Products, Inc. (Huttig or the Company) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred salary arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan was established December 16, 1999 to offer the employees of the Company a means of saving funds, on a pretax basis or after-tax basis, for retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974. Participation is voluntary.

Full-time employees are eligible to participate in the Plan upon completing 30 days of regular service. The Plan covers all employees of the Company or any other corporation affiliated with the Company, which has adopted the Plan, who have completed 30 days of service, as defined by the Plan, and are not leased employees. Each employee may become a participant of the Plan on the first day of any calendar month coinciding with, or following, the fulfillment of the eligibility requirements.

The Plan is administered by executives of Huttig. Prudential Trust Company serves as the Plan trustee (the Trustee) and The Prudential Investment Company of America serves as Plan record-keeper and custodian.

*(b) Contributions*

Plan participants may contribute between 2 and 16% of their annual compensation, up to the maximum allowable under Section 401(k) of the Internal Revenue Code. Contributions may be made prior to federal and certain other income taxes pursuant to Section 401(k) of the IRC or on an after-tax basis.

## Edgar Filing: HUTTIG BUILDING PRODUCTS INC - Form 11-K

The Company contribution is discretionary, as determined by the board of directors of the Company, and is currently equivalent to 50% of the deferred savings, up to a maximum contribution based on 6% of eligible compensation contributed. All employer contributions are invested in Huttig common stock or in the form of cash, which is invested in Huttig common stock. If the contribution is in common stock, such contribution is based on the fair market value of the Huttig common stock contributed as of the day of delivery to the Trustee.

The Company may also make a profit-sharing contribution on a discretionary basis on behalf of all eligible participants, as defined in the Plan, whether or not they make an elective contribution for the Plan year. Profit-sharing contributions are based on the Company's profitability and are allocated based on a participant's yearly eligible compensation as a percentage of total eligible compensation for that particular year. These contributions are also subject to certain limitations. There were no profit sharing contributions remitted to the Plan in 2003 or 2002.

**SAVINGS AND PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2003 and 2002

Effective September 1, 2002, the Plan's investment options were changed such that certain investment funds were no longer offered and new options were created. All assets previously invested in such funds were transferred into new and/or existing fund offerings.

***(c) Investments***

Participants may elect to place their deferred or nondeferred contributions into the following funds: Huttig Company Stock, Prudential Jennison Growth Fund Z, Prudential Stock Index Fund Z, Putnam International Growth A, MFS Mid Cap Growth, Fidelity Advisors Dividend Growth A, Lord Abbett Mid Cap Value Fund, Lord Abbett Small Cap Value Fund, and American Balanced Fund. Individual participants may further elect the Stable Value Fund. As a result of the spin-off of the Company by Crane Co. in 1999, all assets resulting from such transfer held within the Crane Co. Stock fund are held as a separate investment fund; however, participants are not permitted to direct any contributions to the Crane Co. stock fund after the effective date of the Plan.

***(d) Vesting and Forfeitures***

Participants are always 100% vested in the value of their contributions and the earnings thereon. Vesting of company contributions and the earnings thereon is determined based on participants' years of vesting service. A participant is vested 20% after each year of service and becomes fully vested after five years of service or if employment terminates by reason of death, permanent disability, or retirement.

Any amounts forfeited are allocated towards the employer matching contributions for the Plan year following the year the forfeiture occurs. The amounts forfeited were \$103,086 and \$147,229 in 2003 and 2002, respectively.

***(e) Payments of Benefits***

Amounts in a participant's account and the vested portion of a participant's employer contributions are distributed upon retirement, death, disability, or other termination of employment. Distributions from Huttig common stock are made in cash. Forfeitures of the nonvested amounts are used to reduce Company discretionary contributions.

*(f) Loans to Employees*

Participants of the Plan may borrow funds from their accounts up to 50% of the total vested balance, but not more than \$50,000, less the participant's highest outstanding loan balance for the previous twelve-month period. The minimum loan amount is \$1,000. Loans are repayable through payroll deductions over one to five years. The loans are secured by the balance in the participant's account and bear interest at the prime lending rate plus 2%. At December 31, 2003, the range is 5.00% to 11.50%. The outstanding balance of loans to participants was \$743,067 and \$805,730 as of December 31, 2003 and 2002, respectively. Interest income on the loan fund is included as interest income in the participants' fund accounts based on their elected loan allocation.

Notes to Financial Statements

December 31, 2003 and 2002

*(g) Plan Member Accounts*

Individual accounts are maintained for each plan participant to reflect the plan participant's share of the Plan's income, the Company's contribution, and the Plan's participant's contribution.

**(2) Summary of Significant Accounting Policies**

*(a) Basis of Presentation*

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting, except for benefit payments to participants, which are recorded when paid.

*(b) Use of Estimates*

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

*(c) Administrative Expenses*

The assets of the Plan shall be used to pay benefits as provided in the Plan and, to the extent not paid directly by the Company, to pay the reasonable expenses of administering the Plan.

*(d) Valuation of Investments*

## Edgar Filing: HUTTIG BUILDING PRODUCTS INC - Form 11-K

Investments in mutual funds and Huttig company stock are valued using publicly stated quotes as of the close of business on the last day of the plan year. Investment transactions are accounted for on the trade-date basis.

The cost value of participant loans is expected to approximate market value as the majority of the loans are limited to a five-year repayment schedule and interest rates within that time frame are not expected to fluctuate materially or to have a material effect on the financial statements.

The Plan's guaranteed interest fund is included in the financial statements at December 31, 2003 at contract value, which approximates market value as reported to the Plan by the Trustee. Contract value represents the deposits less withdrawals made under the contract plus interest earned through the end of the plan year. The guaranteed interest fund has an average yield approximating the guaranteed rate of return. The guaranteed interest fund has a quarterly interest guarantee that is based on the five-year U.S. Treasury Note yield, which was 3.12% at December 31, 2003. The interest earned in this fund can change quarterly if the yield on the five-year U.S. Treasury Note index changes. Interest is credited to each participant's account.

The Plan provides for investment in various investments and investment securities that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Further, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**(5) Tax Status**

The Plan has obtained a tax determination letter dated June 20, 2002. The Plan has been amended since the receipt of this letter; however, the Plan administrator and the Plan's counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC and was tax exempt through the year ended December 31, 2003. Accordingly, no provision for income taxes has been recorded in the financial statements.

**(6) Distribution of Assets Upon Termination of the Plan**

Huttig reserves the right to terminate the Plan, in whole or in part, at any time. In the event of termination, all amounts credited to the participant accounts will become 100% vested. If the Plan is terminated at any time or contributions are completely discontinued and Huttig determines that the trust shall be terminated, all accounts shall be revalued as if the termination date were a valuation date and such accounts shall be distributed to participants. If the Plan is terminated or contributions completely discontinued, but Huttig determines that the trust shall be continued pursuant to the terms of the trust agreement, participants or the Company shall make no further contributions, but the trust shall be administered as though the Plan were otherwise in effect. No plans have been made to terminate the Plan at this time.

These amounts are recorded as a receivable in the Plan's statement of net assets available for plan benefits; however, these amounts are not recorded as a receivable per the Form 5500.

The following is a reconciliation of the net assets available for plan benefits per the financial statements to the Forms 5500, which were filed for the years ended June 30, 2003 and 2002:

**(9) Subsequent Event**

The Plan provides for 100% vesting of company match funds after 5 years of employment or if employed by Huttig prior to December 16, 1999.
