VIACOM ANNOUNCES COMMENCEMENT OF BLOCKBUSTER SPLIT-OFF

EXCHANGE OFFER

NEW YORK, NEW YORK, September 8, 2004 Viacom Inc. (NYSE: VIA and VIA.B) today announced that it has commenced an offer to its stockholders for the exchange, on a tax-free basis, of some or all of their shares of Viacom stock for shares of Blockbuster Inc. (NYSE: BBI) held by Viacom. Assuming the exchange offer is fully subscribed, Viacom will dispose of its entire ownership interest in Blockbuster, which currently totals approximately 81.5% of Blockbuster's outstanding shares.

Under the terms of the offer, each holder of Viacom Class A Common Stock and Viacom Class B Common Stock will receive 5.15 shares of Blockbuster stock, consisting of 2.575 shares of Blockbuster Class A Common Stock and 2.575 shares of Blockbuster Class B Common Stock, in exchange for each Viacom share tendered. Viacom will accept pursuant to the offer up to an aggregate of 27,961,165 shares of Viacom Class A and Class B common stock. The exchange offer will expire at 12:00 midnight, New York City time, on October 5, 2004. The terms and conditions of the exchange offer are more fully described in a Blockbuster Registration Statement on Form S-4 and a Viacom Schedule TO being filed with the Securities and Exchange Commission today.

Under the terms of the offer, a shareholder accepting the offer would receive shares of Blockbuster Common Stock with a value, based on closing market prices on September 7, 2004, representing a premium of approximately 19.2% over the closing price on that date of a share of Viacom Class B Common stock. The premium over the price of a share of Viacom Class A Common Stock on that date would be 17.6%. The actual premium will differ depending on changes in market prices through the consummation of the offer and the price of Blockbuster Class B Common Stock at the time the Blockbuster Class B Common Stock begins to trade.

Viacom currently owns 144 million shares of Blockbuster Class B Common Stock, representing all of the outstanding shares of Blockbuster Class B Common Stock. Subject to the satisfaction of certain conditions to ensure the tax-free nature of the exchange offer, Viacom will convert 72 million shares of Blockbuster Class B Common Stock, on a one-for-one basis, into shares of Blockbuster Class A Common Stock prior to the completion of the exchange offer. As a result of this conversion, the outstanding Blockbuster common stock after completion of the exchange offer will consist of approximately 60% Blockbuster Class A Common Stock and 40% Blockbuster Class B Common Stock. It is currently expected that, after the transaction is completed, the number of votes per share of Blockbuster Class B Common Stock will be reduced from five votes per share to two votes per share.
