Item 1.01. Entry into a Material Definitive Agreement.

The information included pursuant to item 2.03 below is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

PRIMUS Telecommunications Group, Incorporated (PRIMUS), an integrated communications services provider, announced on February 18, 2005, that its direct wholly-owned subsidiary, Primus Telecommunications Holding, Inc. (Holding), closed a six-year, \$100 million senior secured term loan facility (the Facility). The summary of Facility terms described herein is qualified in its entirety by reference to the provisions of the Facility s term loan agreement attached as Exhibit 10.1 hereto. Each borrowing made under the Facility may be, at the election of Holding at the time of the borrowing, a LIBOR loan (which will bear interest at a rate equal to LIBOR + 6.50%), or a base rate loan (which will bear interest at a rate equal to the greater of the prime rate plus 5.50% or the federal funds effective rate plus 6.0%). The Facility contains no financial maintenance covenants.

Holding s obligations under the Facility are guaranteed by PRIMUS and Holding s domestic subsidiaries and are secured by certain assets of Holding and its guarantor subsidiaries, subject to certain exceptions and the receipt of certain regulatory approvals. These assets include a pledge of approximately 65% of the capital stock of each direct foreign subsidiary of Holding and each direct foreign subsidiary of a domestic subsidiary of Holding.

The Facility will be repaid in 24 quarterly installments, beginning on June 30, 2005, at a rate of one percent of the principal per year over the next five years and nine months, and the remaining balance repaid on the sixth anniversary date of the Facility. Holding may not optionally prepay borrowings during the first year of the Facility, but may make optional prepayments thereafter, together with a three percent premium for prepayments made before the second anniversary of the Facility, a two percent premium for prepayments made before the third anniversary of the Facility, or a one percent premium for prepayments made before the fourth anniversary of the Facility. The Facility may be prepaid without any prepayment premium after the fourth anniversary of the Facility.

The Facility contains negative covenants and other covenants similar to those contained in Holding s 8% senior note indenture dated January 16, 2004. The Facility also provides for, among other things, certain prepayment priorities in the event of certain asset sale transactions and for certain additional debt incurrence restrictions, including those involving Holding s subsidiaries borrowings that constitute Priority Indebtedness under the Facility.

PRIMUS plans to use the proceeds of the Facility for general corporate purposes, including the accelerated implementation of its new product initiatives and potential repurchases of certain currently outstanding debt.

Item 9.01. Financial Statements and Exhibits.
