**Item 1.01**

On June 21, 2005, Kindred Healthcare, Inc. ( "Company" ) and Mutual of Omaha Insurance Company, the Company's Medicare fiscal intermediary ( "Mutual" ), entered into an Administrative Resolution Agreement (the "Agreement" ) pursuant to which the Company and Mutual settled an issue which was under appeal regarding the Company's hospital Medicare cost reports for the fiscal years ending August 31, 2001, 2002, and 2003.

For the period between April 2001 through August 2003, the Company's hospitals claimed as protested amounts Medicare reimbursement for the amended rent payments to Ventas, Inc. ( "Ventas" ) because these costs had been considered related party payments in cost reporting periods prior to April 2001. Under the terms of the Agreement, Mutual and the Company agreed that the Ventas amended rent payments are allowable costs in full beginning in April 2001, which will result in a settlement payment to the Company of approximately \$55 million. In exchange for the settlement payment, the Company agreed to withdraw its appeals of the relevant cost reports and not to submit amended costs reports or request the reopening of cost reports for reporting periods between September 13, 1999 and April 19, 2001.

The Company expects to report the \$55 million settlement in its operating results for the second quarter ending June 30, 2005. The settlement will be reported as income because the Company did not reflect any anticipated reimbursement for this issue in its historical consolidated financial statements. The Company expects to receive the \$55 million cash settlement on or before April 30, 2006.

The Company has also indicated that this settlement should not have a material impact on future Medicare reimbursements to its hospitals under the current prospective payment system.

A copy of the Agreement is attached hereto as Exhibit 99.1.
