Reasons and Details of Amendments (Relating to Item 2)

1. Reasons for Amendments:

- (1) The Law Amending Part of the Commercial Code for the Purpose of Introducing Electronic Public Notice (Law No. 87 of 2004) went into effect on February 1, 2005; this authorized the posting of public notices by electronic means (i.e. on Internet websites). The present Article 4 of the Articles of Incorporation was thus revised to allow the Company to post public notices through the Internet.
- (2) In accordance with the revisions made on October 1, 2004 to the law regarding the transfer of corporate bonds, resulting in the abolition of the system of suspension of the shareholders' register (Law No. 88 of 2004), it was necessary to partially delete the present Article 14 of the Articles of Incorporation.
- (3) In June 1999, the Company introduced the executive officer system by reorganizing its Board of Directors to strengthen corporate governance and enable flexible response to changes in the business environment. In April 2003, the Company abolished the directors' positions of Senior Managing Director and Managing Director. As a smaller number of directors and the executive officer system have become established, Articles 20 and 22 were amended. In addition, in conjunction with the amendment of Article 22, the related Articles 15 and 17 were altered.
