On July 14, 2005, the Board of Directors of Yellow Roadway Corporation (the "Company") approved the recommendation of the Compensation Committee of the Board after a review by its independent compensation consultant of market data for independent director compensation to revise the Company's Director Compensation Plan.

The Director Compensation Plan was revised to provide the following:

To increase the non-employee directors' annual retainer from \$30,000 to \$50,000 per year.

To increase the additional retainer for the chairman of the Compensation Committee from \$5,000 to \$7,500 per year.

To increase the additional retainer for the chairman of the Audit/Ethics Committee from \$5,000 to \$10,000 per year.

To change the annual grant of restricted stock units from 1,500 units per year to a number of units per year that would be equal to \$77,500.

Finally, the amendments to the Director Compensation Plan added equity ownership guidelines requiring that each non-employee director own shares of Company common stock or restricted stock units to receive shares of the Company's common stock equal to three times the annual board retainer within three years of July 14, 2005 or the date the participant becomes an outside director on the Company's board of directors.
