FORWARD-LOOKING STATEMENTS

This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are intended to be covered by the safe harbors created thereby. The words believe, will be able, anticipate, estimate, should, will, expect, continue, intend or similar words are intended to identify forward-looking statements. Such statements involve risks and uncertainties that exist in the operations and business environment of Newtek Business Services, Inc. that could render actual outcomes and results materially different than predicted. Our forward-looking statements are based on assumptions about many factors, including, but not limited to: changes in interest rates or the general economy of the markets in which we operate; economic, technological or regulatory changes affecting the businesses conducted and to be conducted by us; our ability to employ and retain qualified employees; changes in government regulations that are applicable to our regulated small business lending; our ability to identify and complete acquisitions and successfully integrate the businesses we acquire; changes in the demand for the services we or our affiliates offer; the degree and nature of competition; and general volatility of the capital markets and the market price of our common stock. While we believe that our assumptions are reasonable at the time forward-looking statements were made, we caution that it is impossible to predict the actual outcome of numerous factors and, therefore, readers should not place undue reliance on such statements. Forward-looking statements speak only as of the date they are made and we undertake no obligation to update such statements in light of new information or otherwise.
