DIGITAL UNION UK LIMITED

INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDER OF DIGITAL UNION LIMITED IN RESPECT OF DIGITAL

UNION UK LIMITED (NOW ROCKO LIMITED (IN ADMINISTRATION))

We have audited the accompanying Financial Statements set out on pages 2 to 13 incorporating the balance sheet of Digital Union UK Limited as at 31 December 2004, its profit and loss account and cash flows for the year ended 31 December 2004 and Notes thereon.

Respective responsibilities of company management and auditors

As described in Note 2, these Financial Statements are the responsibility of the company's management. Our responsibility is to express an opinion on these Financial Statements based on our audit.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom auditing standards. Those standards required that we plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement. We are not engaged to perform an audit of the company's internal control over financial reporting. An audit includes examining, on a test basis, evidence supporting the amounts of disclosures in the Financial Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Financial Statements. We believe that our audit provides a reasonable basis for our opinion.

Post balance sheet events

As stated in Note 24, on 28 April 2005 Digital Union UK Limited went into Administration. Later on 28 April 2005 Digital Union Limited acquired the company's trade, assets and certain liabilities for a consideration of £50,000 plus the assumption of certain liabilities. The Administrator is still determining the settlement of the remaining liabilities. For the reasons stated in Note 3.1, these Financial Statements have been prepared on a going concern basis.

Opinion

Edgar Filing: VERTICALNET INC - Form 8-K/A

In our opinion the Financial Statements referred to above present fairly, in all material respects, the financial position of Digital Union UK Limited at 31 December 2004 and the results of its operations and its cash flows for the year ended 31 December 2004, in conformity with accounting principles generally accepted in the United Kingdom.

Accounting Principles

Accounting principles generally accepted in the United Kingdom vary in certain respects from accounting principles generally accepted in the United States of America. Information relating to the nature and effect of such differences is presented in Note 25 to the Financial Statements.

DIGITAL UNION UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2004

1 Requirement for these Financial Statements

These Financial Statements have been prepared following an acquisition by Verticalnet Inc (USA) on 22 July 2005 of Digital Union Limited. As stated in Note 24 Digital Union Limited acquired the trade, assets and certain liabilities of Digital Union UK Limited, which went into Administration on 28 April 2005. As a result of the acquisition on 22 July 2005, these Financial Statements of Digital Union UK Limited have been prepared to reflect the predecessor situation as required by the U.S. Securities and Exchange Commission.

2 Responsibilities for the preparation of these Financial Statements

As part of the acquisition referred to in Note 1 above during 2005 by Digital Union Limited of Digital Union UK Limited, Digital Union Limited obtained the books and records of Digital Union UK Limited.

The management of Digital Union Limited, having acquired the books and records from the predecessor company, Digital Union UK Limited, are responsible for ensuring proper accounting records have been kept which disclose with reasonable accuracy at any time the financial position of the company. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In addition they are responsible for ensuring that these Financial Statements present fairly the state of affairs of the company and of the profit or loss of the company for the year ended 31 December 2004.

In preparing these Financial Statements, the Company's management have ensured that:

suitable accounting policies had been selected by the predecessor company's directors and then applied consistently;

judgements and estimates have been made that are reasonable and prudent;

these Financial Statements have been prepared on the going concern basis;

DIGITAL UNION UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2004

3 Accounting policies

3.1 Basis of preparation

These Financial Statements have been prepared under the historical cost convention. The Financial Statements have not been prepared under section 226 of the Companies Act 1985.

Going concern

The company incurred significant losses in the year ended 31 December 2004. Support from the Venture Capital company continued in early 2005 until the company went into Administration on 28 April 2005 (see Note 24). As a result of the acquisition on 22 July 2005 also referred to in Note 24, these Financial Statements have been prepared on a going concern basis.

3.2 Turnover

Turnover represents the invoiced value of goods sold and services provided net of VAT, except for situations where the company resells unrelated third party products which are accounted for by including only the margin within turnover.

3.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment	33% Straight Line
Fixtures & fittings	15% Straight Line

3.4 Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts are treated as if they had been purchased outright at the present value of the rentals payable, less finance charges, over the primary period of the agreements. The corresponding obligations under these agreements are included in creditors. The finance element of the rentals payable is charged to the profit and loss account so as to produce a constant rate of charge on the

outstanding balance in each period.

Rental payments under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

3.5 Investments

Fixed asset investments are stated at cost less any provision for permanent diminution in value.

3.6 Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the accounts. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the assets. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

3.7 Foreign currency translation

Transactions denominated in foreign currencies are recorded at the rate of exchange ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. All differences are taken to profit and loss account.

DIGITAL UNION UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2004

4 Turnover

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the United Kingdom.

5 Operating loss

22 Contingent liabilities

Edgar Filing: VERTICALNET INC - Form 8-K/A

Secured loans amounting to £1,000,000 were received on 24 December 2003. These loans are repayable on 24 December 2008, or earlier if the company is sold or floated on the stock market. A premium of £500,000 is payable on repayment of the loan although this is being offset by the interest that is accruing at a rate of 10% per annum. The interest payments of £100,000 per annum had been deferred for two years and as at 31 December 2004 there was a contingent liability amounting to £412,532 in respect of the net premium that will potentially have to be paid if the company is sold or floated before 28 December 2008.

- 12 -

DIGITAL UNION UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2004

23 Commitments under operating leases

At 31 December 2004 the company had annual commitments under non-cancellable operating leases as follows:

	Land and buildings	Other
	2004	2004
	£	£
Expiry date:		
Between two and five years	78,320	3,689

24 Post balance sheet events

On 28 April 2005 the company went into Administration and changed its name to Rocko Limited (in Administration). Later on 28 April 2005 Digital Union Limited acquired the company's trade, assets and certain liabilities for consideration of £50,000. The Administrator is still determining the settlement of the remaining liabilities.

On 22 July 2005 the entire share capital of Digital Union Limited was acquired by Verticalnet Inc (USA).

25 Differences between UK and US GAAP

The company prepares its Financial Statements in accordance with generally accepted accounting principles in the United Kingdom (UK GAAP) which differ in certain respects from those generally accepted in the United States of America (US GAAP).

The differences in treatment that could affect retained loss for the period and equity shareholder's deficit of the Company were considered.

The accounting treatment adopted to such items in these Financial Statements was that it accorded to US GAAP and no reconciling items arose.

DIGITAL UNION UK LIMITED

UNAUDITED NOTES TO THE FINANCIAL STATEMENTS

FOR THE SIX MONTHS ENDED 30 JUNE 2005 AND 30 JUNE 2004

1 Requirement and responsibility for these Financial Statements

These Financial Statements have been prepared following an acquisition by Verticalnet Inc (USA) on 22 July 2005 of Digital Union Limited. Digital Union Limited acquired the trade, assets and certain liabilities of Digital Union UK Limited after the latter company went into Administration on 28 April 2005. The Administrator is still determining the settlement of the remaining liabilities. As a result of the acquisition on 22 July 2005, these Financial Statements have been prepared to incorporate the predecessor situation as required by the U.S. Securities and Exchange Commission.

Figures included within these Financial Statements relating to periods prior to 28 April 2005 reflect those of Digital Union UK Limited. Those covering any subsequent period incorporate the activities of Digital Union Limited. The effects of the Administration are shown in the notes to the 2005 figures where appropriate.

Responsibilities for the preparation of these Financial Statements, Accounting Policies and Turnover are the same as those shown as Notes 2, 3 and 4 respectively in the accompanying Financial Statements for the year ended 31 December 2004.

Goodwill arising on business combination on 28 April 2005	150,000

Goodwill is recognised as the fair value of the difference between the net assets or liabilities acquired and the consideration paid.

Goodwill is reviewed for impairment on an annual basis and whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

As a result of the event explained in note 19 no impairment arises at 30 June 2005.

19 Post balance sheet events

On 22 July 2005 the entire share capital of Digital Union Limited was acquired by Verticalnet Inc (USA).

20 Differences between UK and US GAAP

The company prepares its Financial Statements in accordance with generally accepted accounting principles in the United Kingdom (UK GAAP) which differ in certain respects from those generally accepted in the United States of America (US GAAP).

The differences in treatment that could affect retained loss for the period and equity shareholder s deficit of the Company were considered.

The accounting treatment adopted to such items in these Financial Statements was that it accorded to US GAAP and no reconciling items arose.

PRO FORMA FINANCIAL STATEMENTS

VERTICALNET, INC.

PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

BASIS OF PRESENTATION

Digital Union Limited (Digital Union) was acquired by Verticalnet, Inc. (Verticalnet) on July 22, 2005. The accompanying unaudited pro forma condensed consolidated balance sheet as of June 30, 2005, and the related unaudited pro forma condensed consolidated statements of operations for the six months ended June 30, 2005 and the year ended December 31, 2004, give effect to the acquisition of Digital Union, as described in Note 2 of the Notes to Pro Forma Condensed Consolidated Financial Statements, as if the transactions had occurred as of June 30, 2005 in the case of the unaudited pro forma condensed consolidated balance sheet, and as of January 1, 2004 in the case of the unaudited pro forma condensed consolidated statements of operations.

The unaudited pro forma condensed consolidated financial statements have been prepared by management of Verticalnet, Inc. (Verticalnet) and should be read in conjunction with Verticalnet 's historical consolidated financial statements, which have been previously filed in Verticalnet 's Annual Report on Form 10-K for the year ended December 31, 2004 and its Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2005, and the historical financial statements of Digital Union, which are included elsewhere in this Form 8-K/A.

The historical balance sheet and statement of operations for Digital Union have been prepared in accordance with accounting principles generally accepted in the United Kingdom. For the purpose of presenting the unaudited pro forma condensed consolidated financial information, the balance sheet and statement of operations relating to Digital Union have been adjusted to conform to U.S. generally accepted accounting principles as described in the historical financial statements, which are included elsewhere in this Form 8-K/A.

The historical financial statements of Digital Union were presented in pounds sterling (£). For the purposes of presenting the unaudited pro forma condensed consolidated statements of operations for the six months ended June 30, 2005 and the year ended December 31, 2004, the statements of operations relating to the historical financial statements of Digital Union have been translated into US dollars at the average daily closing rate for those periods. The adjusted balance sheet of Digital Union has been translated into US dollars at the closing exchange rate on June 30, 2005.

Since the unaudited pro forma condensed consolidated financial statements which follow are based upon the financial condition and operating results of Digital Union during periods when it was not under the control or management of Verticalnet, the information presented may not be indicative of the results which would have actually been obtained had the acquisition been completed on January 1, 2004, nor is it indicative of future financial or operating results.

NOTES TO THE UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Note 1: HISTORICAL FINANCIAL STATEMENTS

The historical balances of Verticalnet, Inc. (Verticalnet or the Company) reflect the consolidated balance sheet as of June 30, 2005, and the consolidated results of operations for the year ended December 31, 2004 and six months ended June 30, 2005, as reported in the consolidated financial statements which have been previously filed in the Company's SEC filings. The historical balances of Digital Union Limited (Digital Union) as of June 30, 2005 and for the year ended December 31, 2004 and six months ended June 30, 2005 were derived from Digital Union's historical financial statements.

Note 2: ACQUISITIONS

Digital Union Limited

On July 22, 2005, Verticalnet, entered into a Share Purchase Agreement (the Share Purchase Agreement) with Patrick Lawton, Brent Summers, Peter Linsell, Andrew Knotts, Colin Robertson and Alphen Trading Limited (collectively, the Shareholders). Pursuant to the Share Purchase Agreement, Verticalnet acquired all of the outstanding capital stock of Digital Union, a private limited company registered in England, from the Shareholders. In exchange for the outstanding capital stock of Digital Union, Verticalnet issued the Shareholders an aggregate of 4,458,690 shares of Verticalnet common stock. Under the Share Purchase Agreement, certain Shareholders may receive up to an additional 3,500,000 shares of Verticalnet common stock in the aggregate if certain revenue based milestones are achieved within the first year after the closing of the transaction. Digital Union was a privately-held provider of on-demand sourcing and procurement solutions based in Guildford, Surrey, United Kingdom. The acquisition of Digital Union was completed on July 22, 2005, and as a result, Digital Union became a wholly-owned subsidiary of Verticalnet.

Digital Union is one of the largest independent supply management software providers in the UK. With the acquisition of Digital Union the Company has broadened its base of revenue, customers, and resources to allow for an accelerated growth mode in Europe. Benefits of this combination include:

Broadening the Company's reverse auction and procurement capabilities which allow us to respond to mixed sourcing and procurement deals in a manner that we could not previously.

Deepening the Company's retail expertise and a strategic relationship with the World-wide Retail Exchange.

Developing channel partnerships with IBM and Cap Gemini.

The consideration for the purchase transaction was approximately \$3.4 million, including transaction costs of approximately \$450,000, which primarily consisted of fees paid for professional services. Pursuant to the Share Purchase Agreement, Verticalnet agreed to issue an aggregate amount of 4,458,690 shares of common stock, valued on the date of closing at approximately \$3.0 million (a total of 668,803 shares are being held in escrow, of which 330,750 shares will be released on July 22, 2006 and 338,053 will be released on January 22, 2007). The value of the Verticalnet stock issued to the Digital Union shareholders was based on \$0.67 per share which represented the average closing price of the Company's common stock over a three day period that included the two days prior and the day the merger agreement was signed. In addition, the

Edgar Filing: VERTICALNET INC - Form 8-K/A

terms of the acquisition also include a provision that enables Digital Union's shareholders to receive up to an additional 3,500,000 Verticalnet shares based upon the achievement of revenue milestones within the first year after the closing of the transaction.

The acquisition will be accounted for under the purchase method of accounting. Under this method, the purchase price is allocated to the assets acquired and liabilities assumed based on their fair values at the acquisition date. Such allocation has been based on estimates that may be revised at a later date. Therefore, actual amounts may differ from those in the unaudited pro forma condensed consolidated financial statements. The actual excess of the purchase price over the fair value of the net tangible assets acquired was approximately \$4.1 million, which has been allocated to the covenants not-to-compete, customer contracts, customer relationships, IBM relationship, trademarks, technology and goodwill in the amounts of \$10,000, \$69,000, \$560,000, \$53,000, \$10,000, \$140,000, and \$3.3 million, respectively.

The trademarks and technology intangible assets are being amortized on a straight line basis over twelve months. The following are the amortization percentages by year:

	<u>2005</u>	<u>2006</u>	<u>2007</u>	<u>2008</u>	<u>2009</u>	<u>2010</u>	<u>2011</u>
Covenant not-to-compete	21%	50%	29%				
Customer contracts	36%	64%					
Customer relationships	0%	45%	18%	13%	10%	8%	6%
IBM relationship	5%	36%	27%	19%	13%		

The following pro forma adjustments for the Digital Union acquisition are reflected in the unaudited pro forma condensed consolidated balance sheet as of June 30, 2005, and the unaudited pro forma condensed consolidated statements of operations for the year ended December 31, 2004 and for the six months ended June 30, 2005:

- (e) Reflects the change in compensation for Digital Union's President, based on his new employment agreement.
- (f) Reflects amortization expense for the intangible assets.

Unaudited Pro Forma Adjustments to Condensed Consolidated Statement of Operations for the six months ended June 30, 2005

- (g) Reflects the change in compensation for Digital Union's President, based on his new employment agreement.
- (h) Reflects amortization expense for the intangible assets.

Note 3: PRO FORMA BASIC AND DILUTED NET LOSS PER SHARE

The weighted average shares outstanding used in the pro forma basic and diluted net loss per share calculations for the year ended December 31, 2004 and for the six months ended June 30, 2005 includes 3,789,887 shares of Verticalnet's common stock issued in the acquisition of Digital Union, as if the acquisition had occurred on January 1, 2004. In addition, 668,803 common shares held in escrow in connection with the acquisition of Digital Union have been excluded from the loss per share calculation for the year ended December 31, 2004. Of the amount held in escrow, 330,750 shares are deemed to be released on January 1, 2005 (i.e., 12 months after their deemed issuance date of January 1, 2004) rather than their actual release date of July 22, 2006, and are included in the loss per share calculation for the six months ended June 30, 2005.
