ITEM 2.05. COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES

On November 27, 2006, our Board of Directors approved a plan to significantly reduce investment in the lending business and exit certain portions of the operations based on the division's continued underperformance and diminished financial outlook. Under this plan, we expect to eliminate certain operations associated with the lending division and incur restructuring-related charges. These charges will include one-time termination benefits for approximately 20 employees of the division. Charges related to this action are expected to be incurred in the fourth quarter of 2006 in the range of \$350,000 to \$425,000 and the cash outlay is expected to approximate the charges. We expect that the work force reduction will continue in phases until completed by December 31, 2006. As we implement the restructuring plan, the actual costs and benefits may change in amount and/or timing.
