## Item 2.02. Results of Operations and Financial Condition

On February 1, 2007, Comcast Corporation ( Comcast ) issued a press release reporting the results of its operations for the three months and twelve months ended December 31, 2006. The press release is attached hereto as Exhibit 99.1. Comcast does not intend for this Item 2.02 or Exhibit 99.1 to be treated as filed under the Securities Exchange Act of 1934, as amended, or incorporated by reference into its filings under the Securities Act of 1933, as amended.

In the press release, Comcast presented non-GAAP financial measures, as defined in Regulation G and Item 10(e) of Regulation S-K promulgated by the Securities and Exchange Commission, as well as other financial measures. Non-GAAP financial measures differ from financial measures reported in conformity with U.S. generally accepted accounting principles ( GAAP ). Comcast provided reconciliations of the non-GAAP financial measures to the most directly comparable financial GAAP measures in the tables accompanying the press release. In addition, in Table 7, entitled *Non-GAAP and Other Financial Measures*, Comcast disclosed why management believes the presentation of the non-GAAP financial measures it customarily presents provided useful information to investors in understanding Comcast 's financial condition and results of operations as well as any additional purposes for which Comcast 's management uses these as performance measures.

In the press release, Comcast provided one additional non-GAAP financial measure to those described in Table 7, along with a reconciliation of this measure in Table 7C:

*Reconciliation of Net Income to Adjusted Net Income for the three and twelve months ended December 31, 2005 and 2006* For 2006, Adjusted Net Income excludes a gain on discontinued operations, net of tax, and an investment gain, net of tax, related to the Adelphia/Time Warner transactions. For 2005, Adjusted Net Income excludes Investment Income and Other Income (Expense) (as presented in our Consolidated Statement of Operations), net of a 40% income tax rate and excludes in the fourth quarter of 2005 a refinement to our effective tax rate.

Comcast believes this additional non-GAAP measure provides useful information to investors. Among other things, it may help investors evaluate Comcast 's ongoing operations, can assist in making meaningful period-over-period comparisons and can help identify trends that could otherwise be masked or distorted by the excluded items. In particular, net income in 2006 includes significant non-operating investment income and a gain on discontinued operations resulting from the closing of transactions with Adelphia Communications Corporation and Time Warner Inc. that did not occur in 2005.
