**INTER-TEL COMMENTS ON ISS ANALYSIS**

**URGES STOCKHOLDERS TO VOTE FOR MITEL MERGER ON COMPANY'S**

**WHITE PROXY CARD**

TEMPE, AZ, June 19, 2007 Inter-Tel (Delaware), Incorporated (NASDAQ: INTL), today issued the following statement in response to the recent analysis issued by Institutional Shareholder Services (ISS) regarding the proposed merger with Mitel Networks Corporation for \$25.60 per Inter-Tel share in cash, which will be voted on at Inter-Tel's Special Meeting of Stockholders on June 29, 2007.

We are disappointed that ISS failed to recognize that the Mitel merger offers Inter-Tel stockholders a significant cash premium for their investment, and eliminates what we view as the significant market risk inherent in operating in our increasingly competitive and rapidly consolidating industry, said Alexander L. Cappello, Inter-Tel's Chairman. We remain convinced that the Mitel merger, which offers all Inter-Tel stockholders \$25.60 per share in cash and is expected to close within a month, provides stockholders with fair value, greater certainty of closure and less risk than any other alternatives currently available to the company. Therefore, we urge all Inter-Tel stockholders to vote for the Mitel merger today.

Mr. Cappello added, It is also important to note that ISS did not in any way endorse the recapitalization strategy proposed by Steven G. Mihaylo.

Mr. Cappello continued, The Special Committee of the Board of Directors, with the assistance of its financial and legal advisors, conducted an extensive review of the company's business, operations and prospects, and concluded that the Mitel merger is in the best interests of Inter-Tel stockholders. Indeed, based on the thorough process we conducted, we do not believe there is any other strategic or financial buyer that will pay a higher price for the company. Furthermore, if the Mitel merger is not approved there is no assurance that any other transaction will be available that will produce greater value for Inter-Tel stockholders. We believe that ISS is mistaken in its view that the trading price of Inter-Tel stock will continue to reflect a takeover premium if the Mitel merger is not approved.

Each Inter-Tel stockholder's vote is extremely important regardless of the number of shares owned. Failure to vote has the same effect as a vote against the merger. Inter-Tel stockholders should vote FOR the Mitel Merger Agreement today by telephone, by Internet or by signing, dating and returning the WHITE proxy card.

Stockholders who need assistance in voting their shares may call the Company's proxy solicitor, Innisfree M&A Incorporated, toll-free at 888-750-5834 (banks and brokers may call collect at 212-750-5833).
