Form 425
August 21, 2007

**Filed by Camden National Corporation Pursuant
to Rule 425 under the Securities Act of 1933
Subject Company: Union Bankshares Company**

THE FOLLOWING IS A LETTER FROM UNION BANKSHARES COMPANY TO ITS SHAREHOLDERS, DATED AUGUST 21, 2007, REGARDING THE ACQUISITION AND CERTAIN RELATED MATTERS.

August 21, 2007

Dear Shareholder:

We are pleased to announce that on August 13, 2007 your Board of Directors voted unanimously to enter into a merger agreement with Camden National Corporation. The strategic business combination of Union Bankshares and Camden is expected to close by the end of 2007 or in early 2008, subject to shareholder and regulatory approval. Attached is a press release with details of the transaction.

Under the terms of the definitive agreement, Union Bankshares shareholders will have the right, subject to pro-ration, to elect to receive \$68.00 in cash or 1.9106 shares of Camden's common stock for each share of Union Bankshares stock. Elections are subject to allocations procedures that are intended to ensure that, after pro-ration, total consideration will be 40% cash and 60% Camden common stock. The \$68.00 purchase price for each share of Union Bankshares represents a 33.3% premium over the closing price of its shares on August 13, 2007. The receipt of Camden common stock by Union Bankshares shareholders is expected to be a tax-free exchange.

We wanted to share this exciting news with you and let you know that it presents great opportunities for all of us at Union Bankshares. The combined organization will be the largest Maine-based independent community banking organization, with over \$2.3 billion in assets. Given the economies of scale that we believe can be realized by operating from a larger base and the added resources we can bring to bear, we expect to build a stronger market presence and enhance our already strong ability to offer a first class customer experience. Camden National has an excellent track record as a high-performing community bank with a strong balance sheet and excellent financial performance and shareholder returns.

Our customer base will also benefit from a combined financial services company (Acadia Trust, N.A., Acadia Financial Services and our own Trust and Investment Department and Cornerstone Financial Services) with over \$1.3 billion in assets under administration.

You will be receiving proxy material giving you much more detail about the transaction before a special shareholders' meeting that will be held to vote on the proposed merger. Camden and Union Bankshares intend to file relevant materials with the Securities and Exchange Commission, including a registration statement on Form S-4 that will contain a proxy statement/prospectus. *You are urged to read these materials when they become available because they will contain important information about Union Bankshares, Camden and the merger.*

The proxy statement/prospectus and other relevant materials (when they become available), and any other documents filed by Camden or Union Bankshares with the SEC, may be obtained free of charge at the SEC's website at www.sec.gov. In addition, you may obtain free copies of the documents filed with the SEC by Camden by directing a written request to Camden National Corporation, Two Elm Street, Camden, Maine 04843, Attention: Suzanne Brightbill, and free copies of the documents filed with the SEC by Union Bankshares by directing a written request to Union Bankshares Company, 66 Main Street, Ellsworth, Maine 04605, Attention: Terance Fancy.

Camden, Union Bankshares and their respective executive officers and directors may be deemed to be participants in the solicitation of proxies from the shareholders of Union Bankshares in connection with the merger. Information about the directors and executive officers of Camden and Union Bankshares and information about any other persons who may be deemed participants in this transaction will be included in the proxy statement/prospectus. You can find information about Camden's directors and executive officers in the proxy statement for Camden's annual meeting of stockholders filed with the SEC on March 21, 2007. You can find information about Union Bankshares' directors and executive officers in the proxy statement for Union Bankshares' annual meeting of shareholders filed with the SEC on May 11, 2007. You can obtain free copies of these documents from the SEC, Camden or Union Bankshares using the contact information above.

This communication shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities.

Again, thank you for your continued support.

Sincerely,

Peter A. Blyberg

President & CEO

Camden National Corporation to acquire Union Bankshares Company

CAMDEN, Maine, August 14, 2007: Camden National Corporation (AMEX: CAC; Camden), parent company of Camden National Bank and Acadia Trust, N.A., and Union Bankshares Company (OTCBB: UNBH), the parent company of Union Trust Company, today announced that they signed a definitive merger agreement under which Camden will acquire Union Bankshares in a stock and cash transaction valued at approximately \$72.5 million. The acquisition, subject to regulatory and shareholder approvals, is expected to close by the end of 2007 or in early 2008.

Under the terms of the definitive agreement, Union Bankshares shareholders will have the right, subject to pro-ration, to elect to receive \$68.00 in cash or 1.9106 shares of Camden common stock for each share of Union Bankshares stock. Elections are subject to allocation procedures that are intended to ensure that, after pro-ration, total consideration will be 40.0% cash and 60.0% Camden common stock. The \$68.00 purchase price for each share of Union Bankshares represents a 33.3% premium over the closing price of its shares on August 13, 2007. The receipt of Camden common stock by Union Bankshares shareholders is expected to be a tax-free exchange.

Union Bankshares provides an important strategic complement to Camden National Corporation, said Camden National Corporation President and Chief Executive Officer Robert W. Daigle. In addition to creating the largest independent community banking organization in Maine, we will extend our geographic reach to Hancock County and the Downeast Maine area, expand both organizations product and service offerings, and administer total wealth management assets in excess of \$1.3 billion.

We were attracted to Camden National Corporation as a partner due to their long-term commitment to Maine and its communities, said Union Bankshares President and Chief Executive Officer Peter A. Blyberg. Camden National consistently has been a top performing organization while at the same time providing a superior community banking experience which is closely aligned with Union's own commitment to its customers and communities.

The combined organization will have over \$2.3 billion of assets and \$1.5 billion of deposits. Camden National Bank currently operates 27 branch locations and Union Trust Company currently operates 13 branch locations. Union Trust Company, the banking subsidiary of Union Bankshares, will maintain its brand identity in Hancock and Washington Counties, as a division of Camden National Bank. This combination is a testament to both organizations' dedication to independent, Maine-based community banking, said Camden National Bank President and Chief Executive Officer Gregory A. Dufour. Over the next few months, our focus will be on providing a smooth transition as well as introducing new products and services to customers of both organizations.

Mr. Daigle will continue in his role as President and Chief Executive Officer of the combined organization. Mr. Blyberg, who previously announced his intention to retire in late 2008, will be named Vice Chairman of Camden National Bank after the integration of the two organizations and Mr. Dufour will continue to serve as President and Chief Executive Officer of Camden National Bank.

According to Camden National Corporation Chief Financial Officer Sean G. Daly, the transaction is expected to be accretive to 2008 earnings and cost savings will be fully achieved in 2009. One-time and restructuring charges are expected to be incurred in early 2008 as part of the integration of the two organizations.

Sandler O'Neill & Partners, L.P. served as the financial advisor for Camden, and Stifel Nicolaus & Company, Incorporated advised Union Bankshares. Goodwin Procter LLP served as outside legal counsel to Camden, while Thacher Proffitt & Wood LLP, Washington, D.C., served as outside legal counsel to Union Bankshares.
