**Item 1.01. Entry into a Material Definitive Agreement.**

On September 14, 2007, Computer Software Innovations, Inc. (the Company ) and RBC Centura Bank (the Bank ) entered into a Second Amended and Restated Loan and Security Agreement (the Amended Loan Agreement ) and an Amended and Restated Commercial Promissory Note in the principal amount of \$7,000,000 (the Amended Revolving Note ). The Amended Loan Agreement and the Amended Revolving Note are filed as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference. The principal purpose of these amendments was to extend the maturity date and increase the line of credit available to the Company under a revolving facility with the Bank. Prior to the amendments, the terms of the revolving facility were set forth in an Amended and Restated Loan and Security Agreement dated January 2, 2007 (the First Loan Agreement ) and a Commercial Promissory Note dated January 2, 2007 in the principal amount of \$5,500,000 (the First Revolving Note ).

The Bank s commitment to extend the maturity date, increase the line of credit and otherwise amend the terms of the First Loan Agreement and the First Revolving Note as described below is evidenced by a Commitment Letter dated and executed by the Company on September 10, 2007. The Commitment Letter is superseded by the terms of the Amended Loan Agreement and the Amended Revolving Note. The Commitment Letter is filed as Exhibit 10.3 and is incorporated herein by reference.

The First Loan Agreement and the First Revolving Note were originally disclosed in the Company s Form 8-K filed on January 5, 2007 (the January 2007 Form 8-K ) and described in Item 1.01(b) thereof. The descriptions of the Loan Documents in Item 1.01(b) of the January 2007 Form 8-K are incorporated herein by reference. The terms of the First Revolving Note were modified in a Modification to Revolving Facility dated May 29, 2007 (the Modification ), which was originally disclosed in the Company s Form 8-K filed on June 1, 2007 (the June 2007 Form 8-K ) and described in Item 1.01 thereof. The description of the Modification in Item 101(b) of the June 2007 Form 8-K is incorporated herein by reference. References to the First Revolving Note in this Form 8-K are intended to include the terms of the Modification.

The Amended Loan Agreement amended the terms of the First Loan Agreement in the following particulars: (1) the permissible purposes of the funds borrowed under the revolving facility were expanded to include funding short-term working capital and general corporate purposes of the Company; (2) the definition of the Borrowing Base was expanded to include 50% of eligible inventory (with a maximum borrowing ability against eligible inventory of \$1,000,000), in addition to 80% of eligible accounts, with eligible inventory being defined as finished goods owned and held for sale by the Company in the ordinary course of the Company s business; and (3) the requirement that the Company provide an unaudited consolidated balance sheet and a statement of income, cash flow and retained earnings within 25 days after the end of each calendar month was amended to require these reports within 45 days after the end of each quarter (beginning with the quarter ended September 30, 2007).

The Amended Revolving Note amended the terms of the First Revolving Note in the following particulars: (1) the principal amount available under the revolving facility was increased from \$5,500,000 to \$7,000,000; and (2) the maturity date was extended from September 15, 2007 until June 30, 2009.

The Amended Loan Agreement and the Amended Revolving Note obligate the Company to continue to make monthly payments of interest on the same terms and conditions as it was required to make such payments prior to the maturity date of the First Revolving Note, or September 15, 2007. Other than the amendments noted above, the obligations of the parties under the Amended Loan Agreement and the Amended Revolving Note remain unchanged.

The disclosures contained in Items 2.01, 2.03 and 3.03 below are incorporated herein by reference.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

In connection with the loan from the Bank under the revolving facility, described in Item 1.01(b) of the Company s January 2007 Form 8-K (modified as disclosed in the Company s June 2007 Form 8-K), and which item is incorporated herein by reference, the Company pledged substantially all of its assets as security for the loan. The pledge of assets is now extended through June 30, 2009. The disclosure contained in Item 1.01 above is incorporated herein by reference.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

Notwithstanding the foregoing provisions of this Section 4.4, Bank shall not be required to give prior notice or limit its inspections to normal business hours if it deems an emergency or other extraordinary situation to exist with respect to the Collateral, Borrower's Books and its other rights hereunder.

4.5 Collection of Accounts. In addition to its other rights and remedies in this Agreement, Bank shall have the rights and remedies set forth in this Section 4.5, all of which may be exercised by Bank upon the occurrence of and during the continuation of an Event of Default,.

(a) Bank is authorized and empowered at any time in its sole discretion (i) to require Borrower to notify, or itself to notify, either in its own name or in the name of Borrower, all or any of Borrower's account debtors, and any other person obligated to Borrower, that Borrower's Accounts have been assigned to Bank and to request in its name, in the name of Borrower or in the name of a third person, confirmation from any such account debtor or other person of the amount payable and any other matter stated therein or relating thereto, (ii) to demand, collect, settle, compromise for, recover payment of, to hold as additional security for the Obligations, and to apply against the Obligations any and all sums which are now owing and which may hereafter arise and become due and owing upon any of said Accounts and upon any other obligation to Borrower (to include making, settling, adjusting, collecting and recovering payment of all claims under and decisions with respect to Borrower's policies of insurance), (iii) to enforce payment of any Account and any other obligation of any person to Borrower either in its own name or in the name of Borrower, (iv) to endorse in the name of Borrower and to collect any instrument or other medium of payment, whether tangible or electronic, tendered or received in payment of the Accounts that constitute Collateral and any other obligation to Borrower, (v) to sign Borrower's name on any invoice or bill of lading relating to any Account, drafts against account debtors, schedules and assignments of Accounts, verifications of Accounts and notices to account debtors, and (vi) to dispose of any Collateral constituting Accounts and to convert any Collateral constituting Accounts into other forms of Collateral. However, under no circumstances shall Bank be under any duty to act in regard to any of the foregoing matters. Without limiting the provisions of Section 4.3 hereof, but in addition thereto, Borrower hereby appoints Bank and any employee or representative of Bank as Bank may from time to time designate, as attorneys-in-fact for Borrower, to sign and endorse in the name of Borrower, to give notices in the name of Borrower and to perform all other actions necessary or desirable in the reasonable discretion of Bank to effect these provisions and carry out the intent hereof. Borrower hereby ratifies and approves all acts of such attorneys-in-fact and neither Bank nor any other such attorneys-in-fact will be liable for any acts of commission or omission nor for any error of judgment or mistake of fact or law. The foregoing power, being coupled with an interest, is irrevocable so long as an Event of Default is continuing, any Account pledged and assigned to Bank remains unpaid, and this Agreement or any other Loan Document is in force. The costs and expenses of such collection and enforcement shall be borne solely by Borrower whether the same are incurred by Bank or on behalf of Bank or Borrower and, if paid or incurred by Bank, the same shall be an Obligation owing by Borrower to Bank, payable on demand with interest at the Default Rate, and secured by this Agreement and the other Loan Documents. Borrower hereby irrevocably authorizes and consents to all account debtors and other persons communicating with Bank, or its agent, with respect to Borrower's property, business and affairs and to all of the foregoing persons acting upon and in accordance with Bank's, or its representative's, instructions, directions and demands, including, without limitation, Bank's request and demand to pay money and deliver other property to Bank or Bank's representatives, all without liability to Borrower for so doing.

(b) At Bank's request, Borrower will forthwith upon receipt of all checks, drafts, cash and other tangible and electronic remittances in payment or on account of Borrower's Accounts, deposit the same in a special bank account maintained with Bank or its representative, over which Bank and its representative (as applicable) have the sole power of withdrawal and will designate with each such deposit the particular Account upon which the remittance was made. The funds in said account shall be held by Bank as security for the Obligations. Said proceeds shall be deposited in precisely the form received except for the endorsement of Borrower where necessary to permit collection of items, which endorsement Borrower agrees to make, and which endorsement Bank and its representative (as applicable) are also hereby authorized to make on Borrower's behalf. Pending such deposit, Borrower agrees that it will not commingle any such checks, drafts, cash and other remittances with any of Borrower's funds or property, but will hold them separate and apart therefrom and upon an express trust for Bank until deposit thereof is made in the special account. Bank may at any time and from time to time, in its sole discretion, apply any part of the credit balance in the special account to the payment of all or any of the Obligations, whether or not the same be due, and to payment of any other obligation owing to Bank under or on account of this Agreement or any of the other Loan Documents. In the event the balance of the Obligations outstanding is ZERO at anytime prior to the Revolving Maturity Date, and provided no Event of Default has occurred or is continuing, Bank will pay over to Borrower any excess good and collected funds received by Bank from Borrower as aforesaid. On the Revolving Maturity Date and upon the full and final payment of all of the Obligations and the other obligations as aforesaid, together with a termination of Bank's obligation to make additional Advances, Bank will pay over to Borrower any excess good and collected funds received by Bank from Borrower, whether received as a deposit in the special account or received as a direct payment on any of the Obligations.

(c) Bank shall have the absolute and unconditional right to apply for and to obtain the appointment of a receiver, custodian or similar official for all or a portion of the Collateral, including, without limitation, the Accounts, to, among other things, manage and sell the same, or any part thereof, and to collect and apply the proceeds therefrom to payment of the Obligations as provided in this Agreement and the other Loan Documents. In the event of such application, Borrower consents to the appointment of such receiver, custodian or similar official and agrees that such receiver, custodian or similar official may be appointed without notice to Borrower, without regard to the adequacy of any security for the Obligations secured hereby and without regard to the solvency of Borrower or any other person who or which may be liable for the payment of the Obligations or any other obligations of Borrower hereunder. All costs and expenses related to the appointment of a receiver, custodian or other similar official hereunder shall be the responsibility of Borrower, but if paid by Bank, Borrower hereby agrees to pay to Bank, on demand, all such costs and expenses, together with interest thereon from the date of payment at the Default Rate. All sums so paid by Bank, and the interest thereon, shall be an Obligation owing by Borrower to Bank, and secured by this Agreement and the other Loan Documents. Notwithstanding the appointment of any receiver, custodian or other similar official, Bank shall be entitled as pledgee to the possession and control of any cash, deposits, accounts, account receivables, documents, chattel paper, documents of title or instruments at the present or any future time held by, or payable or deliverable under the terms of the Loan Documents to Bank.

(a) Acceleration of Obligations. Bank may, at its option, accelerate and declare immediately due and payable the Obligations, as well as any of and all of the other indebtedness and obligations owing under this Agreement and the other Loan Documents that are not already due hereunder and that are not already due thereunder. If there is more than one Obligation, Bank may accelerate and declare immediately due and payable all of the Obligations, or Bank may from time to time and at any number of times after the occurrence of an Event of Default, accelerate and declare immediately due and payable any one or more of the Obligations as Bank in its discretion elects to accelerate (provided that upon the occurrence of an Event of Default described in Section 8 under the heading "Insolvency", all Obligations shall become immediately due and payable without any action by Bank).

(b) Terminate Credit Extensions. Bank may limit Borrower's right to receive any and all advances under this Agreement and under any other agreement between Bank and Borrower to such amounts as Bank determines from time to time to be appropriate under the circumstances, Bank may impose a moratorium on future advances under this Agreement and under any other agreement between Bank and Borrower, and Bank may terminate the right of Borrower to receive advances under this Agreement and under any other agreement between Borrower and Bank, and in all the foregoing instances, Bank's rights relative to Credit Extensions may be exercised cumulatively, concurrently, alternatively and in any other manner and at any time or times as Bank deems appropriate, in its discretion.

(c) Protection of Collateral. Bank may make such payments and do or cause to be done such acts as Bank considers necessary or advisable to protect the Collateral and to preserve, protect, perfect and continue the perfection of its security interest in the Collateral, including, modifying, in its sole discretion, any intellectual property security agreement entered into between Borrower and Bank without first obtaining Borrower's approval of or signature to such modification by amending Exhibits A and B thereof, as appropriate, to include reference to any right, title and interest in any Copyrights, Patents and Trademarks acquired by Borrower after the execution hereof and transferring the Intellectual Property Collateral into the name of Bank or a third person to the extent permitted under the Code. Borrower agrees to assemble the Collateral if Bank so requires and to make the Collateral available to Bank as Bank may designate. Borrower authorizes Bank and its representatives to enter the premises where the Collateral is located, to do, among other things Bank deems necessary or advisable, the following: (i) take and maintain possession of the Collateral, or any part or parts of it, (ii) pay, purchase, contest or compromise any encumbrance, charge or lien which in Bank's determination appears to be prior or superior to its security interest, and (iii) pay all costs and expenses incurred in connection with any of the foregoing. With respect to any of Borrower's premises, Borrower hereby grants Bank a license to enter into possession of such premises and to occupy the same, without charge, in order to exercise any of Bank's rights and remedies provided herein, at law, in equity and otherwise.

(d) Sale and Disposition of Collateral.

(i) Bank, directly and through others on its behalf, may ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale and/or sell the Collateral, or part or parts thereof, for cash or on terms, at one or more private or public sales held at such place or places as Bank determines to be commercially reasonable, after having complied with the provisions of this Agreement, the other Loan Documents and applicable Requirements of Law relating to sale of the Collateral, including, without limitation, the requirements of the Code. Bank is hereby irrevocably granted a license or other right, pursuant to the provisions of this Section 9.1, to use, without charge, Borrower's labels, patents, copyrights, rights of use of any name, trade secrets, trade names, trademarks, service marks, advertising matter and any property of a similar nature, together with the right of access to all tangible or electronic media in which any of the foregoing may be recorded or stored, in completing production of, management of, advertising for sale and selling any Collateral and, in connection with Bank's exercise of its rights under this Section 9.1, Borrower's rights under all licenses and all franchise agreements shall inure to Bank's benefit. Borrower hereby agrees: (i) that ten (10) days notice of any intended sale or disposition of any Collateral is commercially reasonable; and (ii) that the foregoing shall not require a notice if no notice is required under the Code.

(ii) Bank may credit bid and purchase at any sale or sales.

(iii) The proceeds of any sale of, or other realization upon, all or any part of the Collateral pursuant to this Section 9.1 shall be applied by Bank in the following order of priorities, or such other order as Bank may determine or as may be required under applicable Requirements of Law: first, to payment of the costs and expenses of such sale or other realization, and all expenses, liabilities and advances incurred or made by Bank in connection therewith, and any other unreimbursed costs and expenses for which Bank is to be reimbursed pursuant to this Agreement and the other Loan Documents; second, to the payment of unpaid principal of the Obligations; third, to the payment of accrued but unpaid interest on the Obligations; fourth, to the payment of all other amounts owing or outstanding by Borrower under the Obligations, this Agreement, the other Loan Documents and otherwise to Bank as provided herein or therein, until all the foregoing shall have been paid in full; finally, to payment to Borrower or its successors or assigns, or as a court of competent jurisdiction may direct, of any surplus then remaining from such proceeds.

(iv) Any deficiency that exists after disposition of the Collateral as provided above will be paid immediately by Borrower, without demand by Bank, but this provision shall not require Bank to first dispose of the Collateral before attempting to recover payment of the Obligations from Borrower or any other person and Bank shall have the right to proceed successively, concurrently and alternatively against the Collateral, the Borrower and any other person obligated on any of the Obligations in any order and at any time or times as it deems to be in its best interest.

9.2 Remedies Cumulative. Bank's rights and remedies under this Agreement, the Loan Documents and all other agreements shall be cumulative and may be exercised successively, concurrently, alternatively and in any other order and at such time or times as Bank elects in its discretion. Bank shall have all other rights and remedies not inconsistent herewith as provided under the Code, by law and in equity. No exercise by Bank of one right or remedy shall be deemed an election, and no waiver by Bank of any Event of Default on Borrower's part shall be deemed a continuing waiver. No delay by Bank shall constitute a waiver, election or acquiescence by it. No waiver by Bank shall be effective unless made in a written document signed on behalf of Bank and then shall be effective only in the specific instance and for the specific purpose for which it was given.

Each party recognizes and agrees that the foregoing waiver constitutes a material inducement for it to enter into this Agreement. Each party represents and warrants that it has reviewed this waiver with its legal counsel and that it knowingly and voluntarily waives its jury trial rights following consultation with legal counsel.

11.2 Marshalling of Assets. Borrower hereby waives, to the extent permitted by law, the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now in force and those hereafter in force and all rights of marshalling in the event of any sale hereunder of the Collateral or any part or any interest therein.

Borrower waives any right to require Bank to bring any action against any other person or to require that resort be had to any security or to any balances of any deposit or other accounts or debts or credits on the books of Bank in favor of any other person.

12. GENERAL PROVISIONS.

12.1 Indemnification. Borrower hereby agrees to defend, protect, indemnify and hold harmless Bank, all directors, officers, employees, attorneys, agents and independent contractors of Bank, from and against all claims, actions, liabilities, damages and costs and expenses asserted against, imposed upon or incurred by Bank or any of such other persons as a result of, or arising from, or relating to this Agreement, the other Loan Documents or the transactions contemplated hereby or thereby, except for losses resulting from the gross negligence or willful misconduct of the person otherwise to be indemnified hereunder.

12.2 Choice of Law. This Agreement shall be governed by and construed in accordance with the substantive laws of the State of South Carolina, excluding, however, the conflict of law provisions thereof, and except to the extent that the Code of another jurisdiction is applicable to the Collateral.

12.3 Incorporation of Exhibits; Customer and Loan Numbers. All exhibits, schedules, addenda and other attachments to this Agreement are by this reference incorporated herein and made a part hereof as if fully set forth in the body of this Agreement. The Customer and Loan Numbers, if any, stated in this Agreement are for Bank's internal business use and reference only and do not and shall not limit the scope and extent of Bank's rights hereunder, including the Obligations secured hereby and the security interests of Bank in the Collateral.

12.4 Maintenance of Records by Bank. Borrower acknowledges and agrees that Bank is authorized to maintain, store and otherwise retain the Loan Documents or any of them in their original, inscribed tangible form or a record thereof in an electronic medium or other non-tangible medium which permits such record to be retrieved in a perceivable form; that a record of any of the Loan Documents in a non-tangible medium which is retrievable in a perceivable form shall be the agreement of Borrower to the same extent as if such Loan Document was in its original, inscribed tangible medium and such a record shall be binding on and enforceable against Borrower notwithstanding the same is in a non-tangible form and notwithstanding the signatures of the signatories hereof are electronic, typed, printed, computer generated, facsimiles or other reproductions, representations or forms; and that Bank's certification that a non-tangible record of any of the Loan Documents is an accurate and complete copy or reproduction of the original, inscribed tangible form shall be conclusive, absent clear and convincing evidence of the incorrectness of said certification, and such non-tangible record or a reproduction thereof shall be deemed an original and have the same force and effect as the original, inscribed tangible form.

12.5 Credit Investigations; Sharing of Information; Control Agreements. Bank is irrevocably authorized by Borrower to make or have made such credit investigations as it deems appropriate to evaluate Borrower's and its Subsidiaries' credit or financial standing, and Borrower authorizes Bank to share with consumer reporting agencies and creditors its experiences with Borrower and its Subsidiaries and other information in Bank's possession relative to Borrower and its Subsidiaries. Bank (i) shall not have any obligation or responsibility to provide information to third persons relative to Bank's security interest in the Collateral, this Agreement and otherwise with respect to Borrower and its Subsidiaries and (ii) shall not have any obligation or responsibility to subordinate its security interest in the Collateral to the interests of any third persons or to enter into control agreements relative to the Collateral.

12.6 Bank's Liability for Collateral. Notwithstanding anything in this Agreement or any of the other Loan Documents to the contrary, Bank may at any time or times during the term of this Agreement make such payments and do or cause to be done such acts as Bank considers necessary or advisable to protect the Collateral and to preserve, protect and perfect or continue the perfection of its security interest in the Collateral. So long as Bank complies with reasonable banking practices, Bank shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral; (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause; (iii) any diminution in the value thereof; or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency or other person whomsoever. If Borrower fails to pay any amounts or furnish any required proof of payment due to third persons, as required under the terms of this Agreement and the other Loan Documents, then Bank may do or cause to be done any or all of the following: (i) make payment of the same or any part thereof; (ii) set up such reserves as Bank deems necessary to protect Bank from the exposure created by such failure; and (iii) obtain and maintain insurance policies of the type required by this Agreement, and take any action with respect to such policies as Bank deems prudent. Any amounts so paid or deposited by Bank shall constitute Bank Expenses, shall be immediately due and payable, shall bear interest at the Default Rate from the date of payment or deposit and shall be secured by the Collateral. Any payments made by Bank shall not constitute an agreement by Bank to make similar payments in the future or a waiver by Bank of any Event of Default under this Agreement. If Bank is requested to waive an Event of Default or forbear taking action relative thereto, Bank may condition any waiver or forbearance it elects, in its discretion, to grant Borrower on payment by Borrower of such fees to Bank as Bank deems appropriate under the circumstances and may condition any such waiver or forbearance on Borrower reimbursing Bank for all costs and expenses Bank incurs in connection with such waiver or forbearance.

12.8 No Waiver; No Course of Dealing. Bank, at any time or times, may grant extensions of time for payment or other indulgences or accommodations to any person obligated on any of the Obligations, or permit the renewal, amendment or modification thereof or substitution or replacement thereof, or permit the substitution, exchange or release of any property securing any of the Obligations and may add or release any person primarily or secondarily liable on any of the Obligations, all without releasing Borrower from any of its liabilities and obligations under any of the Loan Documents and without Bank waiving any of its rights and remedies under any of the Loan Documents, or otherwise. No delay or forbearance by Bank in exercising any or all of its rights and remedies hereunder and under the other Loan Documents or rights and remedies otherwise afforded by law or in equity shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Event of Default as set forth herein or in the event of any subsequent Event of Default hereunder. Also, no act or inaction of Bank under any of the Loan Documents shall be deemed to constitute or establish a course of performance or dealing that would require Bank to so act or refrain from acting in any particular manner at a later time under similar or dissimilar circumstances.

12.9 Relationship of Parties; Successors and Assigns. The relationship of Bank to Borrower is that of a creditor to an obligor (inclusive of a person obligated on a supporting obligation) and a creditor to a debtor; and in furtherance thereof and in explanation thereof, Bank has no fiduciary, trust, guardian, representative, partnership, joint venturer or other similar relationship to or with Borrower and no such relationship shall be drawn or implied from any of the Loan Documents and any of Bank's actions or inactions hereunder or with respect hereto and, Bank has no obligation to Borrower or any other person relative to administration of any of the Obligations and the Collateral, or any part or parts thereof. The covenants, terms and conditions herein contained shall bind, and the benefits and powers shall inure to, the respective heirs, executors, administrators, successors and assigns of the parties hereto, as well as any persons who become bound hereto as a debtor. If two or more persons or entities have joined as Borrower, each of the persons and entities shall be jointly and severally obligated to perform the conditions and covenants herein contained. The term Bank shall include any payee of the Obligations hereby secured and any transferee or assignee thereof, whether by operation of law or otherwise, and Bank may transfer, assign or negotiate all or any of the Obligations secured by this Agreement from time to time without the consent of Borrower and without notice to Borrower and any transferee or assignee of Bank or any transferee or assignee of another may do the same without Borrower's consent and without notice to Borrower. Borrower waives and will not assert against any transferee or assignee of Bank any claims, defenses, set-offs or rights of recoupment which Borrower could assert against Bank, except defenses which Borrower cannot waive.

12.10 Time of Essence. Time is of the essence for the performance of all of Borrower's covenants and agreements (inclusive of the Obligations) set forth in this Agreement and each of the Loan Documents.

12.11 Amendments in Writing; Integration. All amendments to or terminations of this Agreement must be in writing. All prior agreements, understandings, representations, warranties and negotiations between the parties hereto with respect to the subject matter of this Agreement, if any, and including the Commitment Letter, are merged into this Agreement and the Loan Documents.

12.12 Counterparts. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement.

12.13 Survival. All covenants, representations and warranties made in this Agreement shall continue in full force and effect so long as any Obligations remain outstanding. Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, the obligations of Borrower to indemnify Bank as described in Section 12.1 shall survive until all applicable statute of limitations periods with respect to actions that may be brought against Bank have run.

12.14 Amendment and Restatement. This Agreement amends and restates in its entirety, the Amended and Restated Loan and Security Agreement between Borrower and Bank dated as of January 2, 2007. This Agreement does not extinguish the indebtedness outstanding in connection therewith, nor is it intended to constitute a novation with respect to the indebtedness outstanding thereunder.

12.15 Waiver of Default. Notwithstanding any other provision of this Agreement, the following events or occurrences shall not constitute an Event of Default hereunder, or under any other Loan Document:

- (a) Any currently existing or continuing default by Borrower under its Subordinated Debt obligations.
- (b) The conversion of Borrower's preferred stock and/or the exercise of Borrower's warrants issued to Barron Partners LP ( Barron ) and/or Barron's sale of any of shares of Borrower's stock, even if such event(s) would result in a Change of Control; and
- (c) Borrower's inability to provide Bank with a first-priority, perfected Lien on the Collateral, including the Intellectual Property Collateral or Software Products, as a result of Requirements of Law that provide for perfecting and/or evidencing a security interest other than by a filing of a Financing Statement pursuant to the Code; provided, however, that this waiver shall not limit Bank's ability to require Borrower to cooperate in perfecting a security interest in Collateral acquired in the future.

Amended and Restated Note

FOR VALUE RECEIVED, the undersigned (whether one or more, Borrower ) promises to pay to RBC CENTURA BANK ( Bank ), or order, the maximum sum of Seven Million and no/100 Dollars (\$7,000,000.00), or so much thereof as shall have been disbursed from time to time and remains unpaid, together with interest at the rate and payable in the manner hereinafter stated. Principal and interest shall be payable at any banking office of Bank in the city or town indicated above, or such other place as the holder of this Note may designate. This Note evidences a revolving line of credit and during the term of this Note, so long as Borrower shall not be in default hereunder, Borrower shall have the right to borrow, make payments upon, and re-borrow monies hereunder; provided, however, that at no time shall the outstanding principal balance of this Note exceed the sum of Seven Million and no/100 (\$7,000,000.00) Dollars.

## Article I. Interest Rate.

Section 1.1. Rate of Accrual. Interest will accrue on the unpaid principal balance at the rate set forth in **Section 1.2.1**, until maturity of this Note, whether such maturity occurs by acceleration or on the Maturity Date. Interest will accrue on any unpaid balance owing under this Note, whether principal, interest, fees, premiums, charges or costs and expenses, after maturity at the rate set forth in **Section 1.2.2**. All accrual rates of interest under this Note will be contract rates of interest, whether a pre-default rate or a default rate, and references to contract rates in any loan documents executed and delivered by Borrower or others to Bank in connection with this Note shall be to such contract rates.

Section 1.2. Interest Rates.

1.2.1. Pre-Default Rate. Subject to the provisions of **Section 1.2.2** below, interest payable on this Note per annum will accrue at two hundred fifty basis points (2.50%) **plus** the LIBOR Base Rate. The LIBOR Base Rate is the London Interbank Offer Rate for United States Dollars for a term of one month which appears on Telerate Page 3750, Bloomberg Professional Screen BBAM (or any generally recognized successor method or means of publication) as of 11:00 a.m., London time, two (2) London business days prior to the day on which the rate will become effective. The rate for the first month or part thereof will initially become effective on the date of the Note as shown on the face hereof. Thereafter, the rate will change and a new rate will become effective on the first calendar day of each succeeding month. If for any reason the London Interbank Offer Rate is not available, then the LIBOR Base Rate shall mean the rate per annum which banks charge each other in a market comparable to England's Eurodollar market on short-term money in U.S. Dollars for an amount substantially equivalent to the principal amount due under this Note as determined at 11:00 A.M., London time, two (2) London business days prior to the day on which the rate will become effective, as determined in the Bank's sole discretion. Bank's determination of such interest rate shall be conclusive, absent manifest error.

1.2.2. Default Rate. Upon the nonpayment of any payment of interest described herein, Bank, at its option and without accelerating this Note, may accrue interest on such unpaid interest at a rate per annum ( Default Rate ) equal to the lesser of (i) the maximum contract rate of interest that may be charged to and collected from Borrower on the loan evidenced by this Note under applicable law or (ii) five percent (5.0%) plus the pre-default

interest rate otherwise applicable hereunder, as set forth in **Section 1.2.1**. After maturity of this Note, whether by acceleration or otherwise, interest will accrue on the unpaid principal of this Note, any accrued but unpaid interest and all fees, premiums, charges and costs and expenses owing hereunder at the Default Rate until this Note is paid in full, whether this Note is paid in full, pre-judgment or post-judgment.

1.2.3. Variable Rate: Calculation of Interest.

1.2.3.1. Variable Rate. This is a variable rate note. Any change in the rate of interest payable under this Note will equal the change in the variable rate index to which such rate is tied, but the rate at which interest accrues under this Note shall never exceed the maximum contract rate which may be charged to and collected from Borrower on the loan evidenced by this Note under applicable law. Bank shall have no obligation to notify Borrower of adjustments in the rate of interest payable under this Note. Adjustments to the rate of interest will be effective on the date of change in the variable rate index.

1.2.3.2. Calculation of Interest. All interest payable under this Note shall accrue daily on the basis of the actual number of days elapsed and a year of three hundred sixty (360) days. In computing the number of days during which interest accrues, the day on which funds are initially advanced shall be included regardless of the time of day such advance is made, and the day on which funds are repaid shall be included unless repayment is credited prior to close of business. Payments in federal funds, immediately available in the place designated for payment, received by Bank prior to 2:00 p.m. local time at said place of payment, shall be credited as if received prior to close of business on the day the funds are immediately available; while other payments, at the option of Bank, may not be credited until such payments are immediately available to Bank, in federal funds, in the place designated for payment, prior to 2:00 p.m. local time at said place of payment on a day on which Bank is open for business.

Article II. Payment Terms.

Section 2.1. Interest Payment Terms. Payments under this Note include an interest component and a principal component. The principal component is set forth in **Section 2.2** below. The interest component shall be paid as follows: interest shall be payable monthly, in arrears, beginning October 1, 2007 and continuing on the same calendar day of each consecutive month thereafter until the Maturity Date, when all accrued but unpaid interest is due and payable in full.

Section 2.2. Principal Payment Terms: Maturity Date. As stated in **Section 2.1** above, payments under this Note include an interest component and a principal component. The interest component is set forth in **Section 2.1** above. The principal component shall be paid as follows: Principal and interest shall be payable in one single payment on June 30, 2009 (herein referred to as the Maturity Date ).

Section 2.3. Prepayment. This Note may be prepaid in whole, or in part at any time without penalty.

Section 2.4. Application of Payments. All payments made on this Note shall be applied first to payment of all late fees, charges, premiums and costs and expenses due but unpaid under this Note, then to accrued but unpaid interest and finally to principal, in the inverse order of the payment dates therefor, unless Bank determines in its sole discretion to apply payments in a different order or applicable law requires a different application of payments. The partial prepayment of this Note, if permitted, shall not result in a payment holiday or any other deferral of any regularly scheduled payments under this Note, all of which shall be made as and when the same are scheduled to be paid.

Article III. Loan Agreement and Security.

Section 3.1. Loan Agreement. The loan evidenced by this Note was made pursuant to a commitment letter ( Commitment Letter ) from Bank to Borrower dated September 10, 2007. Section 3.2. Security Documents. ( security documents ).

If this Note is not paid in full whenever it becomes due and payable, Borrower agrees to pay all costs and expenses of collection, including reasonable attorneys' fees. Borrower hereby stipulates that reasonable attorneys' fees shall be fifteen percent (15%) of the outstanding balance (principal, interest, fees, premiums, charges and costs and expenses) owing under this Note after default and referral to an attorney not a salaried employee of Bank.

Section 4.2. Default. Any Event of Default under the Loan and Security Agreement shall constitute an event of default ( Event of Default ) under this Note.

Section 4.3. Acceleration. Upon the occurrence of an Event of Default, (1) the entire unpaid principal balance of this Note, together with all other amounts owing and all other amounts to be owing under this Note, shall, at the option of Bank, become immediately due and payable, without notice or demand, and (2) the Bank may, both before and after acceleration, exercise any of and all of its other rights and remedies under this Note and the other loan documents, as well as any additional rights and remedies it may have at law and it may have in equity, to recover full payment of the balance (principal, interest, fees, premiums, charges and costs and expenses) owing under this Note.
