Amendment to Elective Deferral Plan

On December 19, 2007, Wachovia Corporation (Wachovia) adopted an amendment and restatement of the Wachovia Corporation Elective Deferral Plan (the Deferral Plan). Certain executive officers of Wachovia are eligible to participate in the Deferral Plan and its purpose is to allow participants to defer receipt of portions of their salary and/or annual incentive payments into investment accounts.

The amendment and restatement to the Deferral Plan provides for (1) a change in the minimum percentage of base salary and incentive compensation that may be deferred by a participant during any plan year, (2) a make-up for any lost matching contribution opportunity under the Wachovia Savings Plan as a result of a participant s deferrals during any plan year (up to the applicable company match limit), (3) a make-up for reduced employee and interest contributions under the Wachovia Pension Plan as a result of a participant s deferrals during any plan year, (4) the addition of a five-year annual installment distribution election option, (5) and certain technical amendments in compliance with Internal Revenue Code Section 409A and implementing regulations (the 409A Rules). This summary of the material terms of the amendment to the Deferral Plan is qualified in its entirety by reference to that amendment, a copy of which is filed as Exhibit (10)(a) to this Report and incorporated herein by reference.

Amendment to Savings Restoration Plan

On December 19, 2007, Wachovia adopted an amendment to the Wachovia Corporation Savings Restoration Plan (the Savings Restoration Plan). Certain executive officers of Wachovia participate in the Savings Restoration Plan and its purpose is to restore the benefits that are lost as a result of the contribution limitations imposed by the Internal Revenue Service on 401(k) plans, such as the Wachovia Savings Plan.

The amendment to the Savings Restoration Plan freezes new participation in, and any future deferrals of compensation under, that plan effective as of December 31, 2007. Existing participants deferral accounts will continue to reflect any gains or losses according to the applicable investments to which participants can choose to allocate the balances in their accounts. This summary of the material terms of the amendment to the Savings Restoration Plan is qualified in its entirety by reference to that amendment, a copy of which is filed as Exhibit (10)(b) to this Report and incorporated herein by reference.

Amendment to Legacy First Union Benefit Restoration Plan

On December 19, 2007, Wachovia adopted an amendment to the Legacy First Union Benefit Restoration Plan (the Benefit Restoration Plan). Certain executive officers of Wachovia participate in the Benefit Restoration Plan and its purpose is to restore benefits that were lost as a result of legal limits imposed by the Internal Revenue Service that applied to the Legacy First Union Corporation Pension Plan and Trust.

The amendment to the Benefit Restoration Plan freezes future benefit accruals under that plan effective as of December 31, 2007 and reflects the form of payment elections made by plan participants on or before December 31, 2006 for benefits payable in 2007 and later years in accordance with certain transition relief provided by the Internal Revenue Service for compliance with the 409A Rules. This summary of the material terms of the amendment to the Benefit Restoration Plan is qualified in its entirety by reference to that amendment, a copy of which is filed as Exhibit (10)(c) to this Report and incorporated herein by reference.
