Item 1.01 Entry into a Material Definitive Agreement.

On March 12, 2009, Gilead Sciences, Inc., a Delaware corporation (Gilead), Apex Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Gilead (Acquisition Sub), and CV Therapeutics, Inc., a Delaware corporation (CV Therapeutics), entered into a definitive Agreement and Plan of Merger (the Merger Agreement) which contemplates the acquisition by Gilead, through Acquisition Sub, of all of the outstanding common stock of CV Therapeutics in a two-step transaction comprised of a cash tender offer for all of the issued and outstanding shares of CV Therapeutics common stock (the Offer), followed by a merger of Acquisition Sub with and into CV Therapeutics (the Merger). In the Offer, Gilead will pay \$20.00 per share of CV Therapeutics common stock, net to the holder thereof in cash. In addition, upon the acquisition by Acquisition Sub of shares of CV Therapeutics common stock tendered in the Offer, all outstanding options to acquire CV Therapeutics common stock with an exercise price per share not greater than \$41.00 will be converted into options to acquire Gilead common stock based on a formula set forth in the Merger Agreement, and certain other outstanding securities of CV Therapeutics will be assumed, cashed out or terminated as provided in the Merger Agreement.

The Merger Agreement provides that Acquisition Sub will commence the Offer as promptly as practicable after the date of the Merger Agreement and, subject to certain requirements, within five business days thereafter. The obligation of Acquisition Sub to accept for payment and pay for shares of CV Therapeutics common stock validly tendered in the Offer (and not withdrawn) is subject to a number of conditions set forth in the Merger Agreement, including, among other things, that (i) more than 50% of the shares of CV Therapeutics common stock (determined on a fully-diluted basis based on a formula set forth in the Merger Agreement) have been validly tendered (and not withdrawn), (ii) regulatory clearances have been obtained and (iii) other conditions set forth in Annex A to the Merger Agreement have been satisfied.

The Merger Agreement further provides that, following the consummation of the Offer (and if necessary, the adoption of the Merger Agreement by the holders of a majority of CV Therapeutics outstanding shares) and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Acquisition Sub will be merged with and into CV Therapeutics, and CV Therapeutics will become a wholly owned subsidiary of Gilead, and that upon consummation of the Merger, each then outstanding share of CV Therapeutics common stock held by persons other than Gilead and Acquisition Sub and stockholders of CV Therapeutics who have properly preserved their appraisal rights under applicable law will be converted into the right to receive \$20.00 in cash.

The description of the Merger Agreement in this Current Report on Form 8-K is qualified in its entirety by reference to the full text of the Merger Agreement referenced as Exhibit 2.1, which is incorporated by reference herein. The Merger Agreement contains representations and warranties CV Therapeutics, Gilead and Acquisition Sub made solely to each other as of specific dates. Those representations and warranties were made solely for purposes of the Merger Agreement and may be subject to important qualifications and limitations agreed to by CV Therapeutics, Gilead and Acquisition Sub. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a standard of materiality provided for in the Merger Agreement and have been used for the purpose of allocating risk among CV Therapeutics, Gilead and Acquisition Sub rather than establishing matters as facts.

As inducement to Gilead to enter into the Merger Agreement, Louis G. Lange, MD, PhD, Chairman and Chief Executive Officer of CV Therapeutics, has entered into a Stockholder Agreement with Gilead pursuant to which he has agreed, in his capacity as a stockholder of CV Therapeutics, to tender all of his shares of CV Therapeutics common stock, as well as any additional shares of CV Therapeutics common stock which he may acquire (pursuant to CV Therapeutics stock options or otherwise), to Acquisition Sub in the Offer. Dr. Lange has agreed, pursuant to the terms of the Stockholder Agreement, and solely in his capacity as a stockholder of CV Therapeutics, to promptly (and, in any event, not later than five business days after commencement of the Offer) validly tender or cause to be tendered into the Offer, pursuant to and in accordance with the terms of the Offer, and to not withdraw or permit the withdrawal of (unless and until the Offer expires and without Acquisition Sub having accepted for payment any shares of CV Therapeutics common stock tendered in the Offer), all of his shares of CV Therapeutics common stock, including any additional shares of CV Therapeutics common stock which he may acquire. The description of the Stockholder Agreement in this Current Report on Form 8-K is qualified in its entirety by reference to the full text of the Stockholder Agreement referenced as Exhibit 2.2, which is incorporated by reference herein.

Item 8.01 Other Events.

On March 12, 2009, Gilead and CV Therapeutics issued a joint press release, a copy of which is filed as Exhibit 99.1 hereto and incorporated by reference herein, announcing the execution of the Merger Agreement.
