OPINION ON THE PROPOSALS THAT THE BOARD OF DIRECTORS INTENDS TO SUBMIT TO THE GENERAL ORDINARY ANNUAL SHAREHOLDERS MEETING

Mr. Messuti states that the Board of Directors of the Company, at its meeting No. 246 held last March 6, decided to request that the Audit Committee, in accordance with sections 13 and 15, subsections a) and e) of Decree 677/01 and Section 10A of the U.S. Exchange Act, issue an opinion on the

proposals that the Board of Directors intends to submit before the Annual General Ordinary Shareholders Meeting, with respect to the following matters:

- a) The proposal to allocate to the Board of Directors that served during fiscal year 2008 the aggregate compensation of Three million five hundred Pesos (P\$3,500,000), to be distributed as decided by the Shareholders Meeting or the Board of Directors on delegation of such authority by the Shareholders. Such amount represents 1.44% of the computable earnings calculated according to section 2 and 3 of Chapter III of the Rules of the Comision Nacional de Valores. It also proposes that the Shareholders Meeting should authorize the Board to make advances of up to Four million Pesos (P\$ 4,000,000.-) to those directors who shall render services during fiscal year 2009, authorizing the Board to increase such amount in an event of inflation, always contingent upon the decision of the Shareholders Meeting.

- b) The proposal to pay to Price Waterhouse & Co. S.R.L., for its services as External Auditors of Telecom Argentina financial statements for fiscal year 2008, the amount of P\$ 3,136,500.- without VAT, of which P\$ 1,681,500.- are assigned to fees for audit services related to certification under Section 404 of Sarbanes Oxley Act.

- c) The proposal to appoint Price Waterhouse & Co. S.R.L. as Independent Auditors to the financial statements for the fiscal year ending on December 31, 2009, where Alejandro Frechou would act as regular certifying accountant and Carlos Néstor Martínez as alternate. Mr. Messuti adds that the Board of Directors has also requested the Audit Committee to estimate the amount to be submitted for Shareholders approval as the budget for the operation of the Audit Committee during fiscal year 2009.

Table of Contents

1) **Opinion on the Proposal of Fees Payable to the Board of Directors for Fiscal Year 2008 and Advances to those serving during Fiscal Year 2009**

The Board of Directors intends to propose that the Shareholders Meeting should assign the directors acting during fiscal year 2008, an aggregate remuneration of Three million and five hundred thousand pesos (P\$ 3,500,000.-), to be distributed as the Board of Directors may determine.

It would also be proposed that the Shareholders Meeting should authorize the Board to make advances of up to Four million Pesos (\$ 4,000,000.-) to those directors who shall render services during the fiscal year ending December 31, 2009, authorizing the Board to increase such amount in the event of inflation, always contingent upon the decision of the Shareholders Meeting which shall review the documents for such fiscal year.

According to section 15 subsection e) of Decree No. 677/01, the Audit Committee shall issue an opinion on the reasonability of this proposal. In order to evaluate such proposal, the members of the Committee have considered the following:

- a) the roles, responsibilities and dedication of those directors to be remunerated for their services;
- b) that a survey was conducted on the Autopista de Información Financiera of the Comisión Nacional de Valores in relation to remunerations paid to directors of other companies similar to Telecom Argentina during the last fiscal year reported by such companies. From such survey it arises that the fees proposed for Telecom Argentina directors would not be above the average amount paid by the mentioned organizations;

Table of Contents

c) the applicability of a report prepared in recent years by a specialized firm on remunerations paid to independent directors of other locally and internationally listed Argentine corporations, as is the case with Telecom Argentina.

d) the consistency of the present proposals with those proposals submitted in the previous fiscal years.

Based on the above, it arises that the remuneration proposed by the Board of Directors for directors acting during fiscal year 2008 seems adequate under the terms of the section 2, subsection d) of Chapter III of the Rules of the Comisión Nacional de Valores, taking into account the responsibilities, representation, technical tasks, dedication, competence and professional reputation of directors and the market value of their services, and it does not infringe any legal, regulatory or statutory provision applicable to the Company.

We also consider reasonable, according to market practices, the proposal to authorize the Board of Directors to make advance payments to those directors acting during fiscal year 2009 for up to Four million Pesos (P\$4,000,000) and to increase such amount in the event of inflation, contingent upon the decision of the Shareholders Meeting that reviews the documents for such fiscal year.

2) Fees of Independent Auditors for Fiscal Year 2008

The Board of Directors has requested our opinion on the proposal to be submitted to the shareholders on the remuneration to be paid to Price Waterhouse & Co. S.R.L., Independent Auditors for fiscal year 2008 in accordance to the resolution of the Shareholders Meeting of April 29, 2008, for their auditing services to Telecom Argentina during the mentioned fiscal year. The proposal to be submitted at the Shareholders Meeting provides for the payment of Three million one hundred and thirty-six thousand five hundred Pesos (P\$ 3,136,500.-) without VAT, of

Table of Contents

which One million six hundred and eighty-one thousand five hundred Pesos (P\$1,681,500) relate to fees for the audit activities performed in connection with the certification of Section 404 of the Sarbanes Oxley Act.

The Audit Committee, considering that the fees proposed for the audit of the Financial Statements for fiscal year 2008 are proportional to the importance, magnitude and quality of the tasks performed by the Independent Auditors, and that the proposed fees are within the range of fees approved by other listed companies similar to Telecom Argentina, concludes that the sum of One million four hundred and fifty-five thousand Pesos (P\$1,455,000) that the Board of Directors would propose to Shareholders is deemed reasonable.

Accordingly, taking into account the task complexity and the specialization required to perform the audit in respect of the certification under Section 404 of the Sarbanes Oxley Act, the Audit Committee concludes that the amount of One million six hundred and eighty-one thousand five hundred Pesos (P\$1,681,500) that the Board of Directors would propose to the Shareholders Meeting as remuneration for the audit tasks performed is deemed reasonable.

3) Opinion on the Proposal to Appoint the Independent Auditors for Fiscal Year 2009

The Board of Directors will propose to the Annual Ordinary Shareholders Meeting the designation of the Accounting Firm Price Waterhouse & Co. S.R.L. (Price) as Auditors to the Financial Statements for fiscal year 2009, where Alejandro Frechou will act as regular certifying Accountant and Carlos Néstor Martínez will act as alternate.

The Audit Committee discusses the firm's background and its performance in recent fiscal years and resolves unanimously to pass to the Board of Directors a favorable opinion of its proposal to designate

Table of Contents

Price as Independent Auditors for fiscal year 2009. In this regard, it must be noted that the reasons that support this opinion are the same as those stated in the reports issued in previous fiscal years, namely:

That Price is one of the most renowned and prestigious accounting firms, both locally and internationally, that has performed and continues to perform external audit functions in some of the largest companies and corporations, so it has a vast experience in the field.

That, except for fiscal years 2001 and 2002, Price has acted as Independent Auditors to the financial statements of Telecom Argentina since its creation (in some fiscal years as joint-auditor) without receiving any objection from regulators or shareholders. That during fiscal years 2004, 2005, 2006, 2007 and 2008, Price acted exclusively as the Independent Auditor, performing its activities in a satisfactory manner and with due independence as stated in the annual reports submitted by this Committee to the Board of Directors of the Company.

That the professional solvency of Price partners and working group performing external audit tasks in Telecom Argentina and the knowledge they have acquired on the Company, its accounts and internal controls, make it advisable that Price should continue acting as Independent Auditor since the accumulated experience, the proven independence and efficiency with which they have performed their functions, constitute a material support for their performance in the new fiscal year.

4) Budget to be Assigned to the Operation of the Audit Committee for Fiscal Year 2009.

The Board of Directors has requested the Audit Committee to estimate the amount to be submitted for Shareholders approval as the budget for the operation of the Audit Committee during fiscal year 2009.

Table of Contents

Continuing with discussions begun at previous meetings concerning its budget, the Audit Committee, in view of the activities performed during the previous fiscal year, the training and advisory needs estimated for the current year, and the hiring of services related to the effective performance of its tasks and responsibilities, resolves to request that the Shareholders Meeting approve an operative budget of Seven hundred and fifty thousand Pesos (P\$750,000) for fiscal year 2009.
