PROXY STATEMENT

The Board of Directors of Ruth's Hospitality Group, Inc. (the "Company" or "Ruth's") is soliciting proxies from its stockholders to be used at the annual meeting of stockholders to be held on Thursday, May 21, 2009, beginning at 1:00 p.m., at Ruth's Chris Steak House (Lake Mary), 80 Colonial Center Parkway, Sanford, Florida 32746, and at any postponements or adjournments thereof. This proxy statement contains information related to the annual meeting. This proxy statement, accompanying form of proxy and the Company's annual report are being sent to stockholders on or about April 9, 2009.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors is soliciting proxies for the 2009 annual meeting of stockholders. You are receiving a proxy statement because you owned shares of our common stock on March 24, 2009 and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board and Board committees, the compensation of directors and executive officers and other information that the Securities and Exchange Commission requires us to provide annually to our stockholders.

If I previously signed up to receive stockholder materials, including proxy statements and annual reports, by mail and wish to access these materials via the Internet or via electronic delivery in the future, what should I do?

If you have previously signed up to receive stockholder materials, including proxy statements and annual reports, by mail, you may choose to receive these materials by accessing the Internet or via electronic delivery in the future, which can help us achieve a substantial reduction in our printing and mailing costs as well as be environmentally friendly. If you choose to receive your proxy materials by accessing the Internet, then before next year's annual meeting, you will receive a Notice of Internet Availability of Proxy Materials when the proxy materials and annual report are available over the Internet. If you choose instead to receive your proxy materials via electronic delivery, you will receive an email containing the proxy materials.

Table of Contents

If your shares are registered in your own name (instead of through a broker or other nominee), sign up to receive proxy materials in the future by accessing the Internet or via electronic delivery by visiting the following website:

www.proxyvote.com

Your election to receive your proxy materials by accessing the Internet or by electronic delivery will remain in effect for all future stockholder meetings unless you revoke it before the meeting by following the instructions on the Notice of Internet Availability of Proxy Materials or by calling or by sending a written request addressed to:

Ruth s Hospitality Group, Inc.

Attn: Robert M. Vincent

500 International Parkway, Suite 100

Heathrow, Florida 32746

(407) 333-7440

If you hold your shares in an account at a brokerage firm or bank participating in a street name program, you can sign up for electronic delivery of proxy materials in the future by contacting your broker.

How can I obtain paper copies of the proxy materials, 10-K and other financial information?

Stockholders can access the 2008 proxy statement, Form 10-K and our other filings with the SEC and our corporate governance and other information on the investor relations page of our website www.rhgi.com.

If you elected to receive our stockholder materials via the Internet or via electronic delivery, you may request paper copies by written request addressed to:

Ruth s Hospitality Group, Inc.

Attn: Robert M. Vincent

500 International Parkway, Suite 100

Heathrow, Florida 32746

(407) 333-7440

We will also furnish any exhibit to the 2008 Form 10-K if specifically requested.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the record date, March 24, 2009, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on the record date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

How many votes do I have?

You will be entitled to one vote for each outstanding share of Ruth s common stock you owned as of the record date on each matter considered at the meeting. As of the record date, there were 23,975,014 shares of the Company s common stock outstanding and eligible to vote. There is no cumulative voting.

Who can attend the meeting?

Only persons with evidence of stock ownership as of the record date or who are invited guests of the Company may attend and be admitted to the annual meeting of the stockholders. Stockholders with evidence of

Table of Contents

stock ownership as of the record date may be accompanied by one guest. Photo identification will be required (a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares of stock of the Company as of the record date. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Registration will begin at 12:00 noon, and seating will begin at 12:30 p.m.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the common stock outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting. As of the record date, 23,975,014 shares of common stock, representing the same number of votes, were outstanding.

Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting for purposes of a quorum.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either *in person* at the annual meeting or *by proxy* without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your proxy will not be counted. You can vote by proxy by any of the following methods.

Voting by Telephone or Through the Internet. If you are a registered stockholder (that is, if you own common stock in your own name and not through a broker, bank or other nominee that holds common stock for your account in a street name capacity), you may vote by proxy by using either the telephone or Internet methods of voting. Proxies submitted by telephone or through the Internet must be received by May 20, 2009. Please see the Notice of Internet Availability or proxy card for instructions on how to access the telephone and Internet voting systems.

Voting by Proxy Card. Each stockholder electing to receive stockholder materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares of common stock represented by your proxy will be voted as you specify on the proxy card.

If you hold your shares in street name, you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or using the Internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then the individuals named on the proxy card will vote your shares in accordance with the recommendations of the Board. The Board and management do not now intend to present any matters at the annual meeting other than those outlined in the notice of the annual meeting. Should any other matter requiring a vote of stockholders arise, stockholders returning the proxy card confer upon the individuals named on the proxy card discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Table of Contents

Can I change my vote?

Yes. If you are a stockholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with the secretary of the Company or mailing a proxy bearing a later date, submitting your proxy again by telephone or over the Internet or by attending the annual meeting and voting in person. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. In addition to mailing these proxy materials, certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our common stock and to obtain proxies.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote FOR each of the proposals.

Will stockholders be asked to vote on any other matters?

To the knowledge of the Company and its management, stockholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons named as proxies for stockholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Directors are elected by a plurality of the votes cast at the meeting, which means that the five nominees who receive the highest number of properly executed votes will be elected as directors, even if those nominees do not receive a majority of the votes cast. Each share of our common stock is entitled to one vote for each of the director nominees. A properly executed proxy marked "withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

The ratification of the appointment of KPMG LLP to serve as the Company's independent auditors for fiscal 2009 requires the affirmative vote of the majority of the votes present, in person or by proxy, and entitled to vote at the meeting.

How are votes counted?

In the election of directors, you may vote FOR all or some of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. You may not cumulate your votes for the election of directors.

Table of Contents

For the ratification of the appointment of KPMG LLP to serve as the Company's independent auditors for fiscal 2009, you may vote FOR, AGAINST or ABSTAIN. Abstentions are considered to be present and entitled to vote at the meeting and, thus, have the same effect as votes against the matter. If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items.

If you hold your shares in street name, the Company has supplied copies of its proxy materials for its 2009 annual meeting of stockholders to the broker, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. Your broker, bank or other nominee is permitted to vote your shares on the election of directors and the ratification of the appointment of KPMG LLP as our independent auditor without receiving voting instructions from you.

What happens if a nominee for director declines or is unable to accept election?

If you vote by proxy, and if unforeseen circumstances make it necessary for the Board to substitute another person for a nominee, the individuals named on the proxy card will vote your shares for that other person.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

Where can I find the voting results of the annual meeting?

The Company intends to announce the preliminary voting results at the annual meeting and publish the final results in its quarterly report on Form 10-Q for the second quarter of fiscal 2009.

ITEM 2 THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2009

The Audit Committee has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 27, 2009, and has further directed that the Board submit the selection of KPMG LLP for ratification by the stockholders at the annual meeting. During fiscal year 2008, KPMG LLP served as our independent registered public accounting firm and also provided certain tax and other audit-related services. See "Independent Registered Public Accounting Firm Fees and Services" on page 37. The stockholder vote is not binding on the Audit Committee. If the appointment of KPMG LLP is not ratified, the Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to stockholders. Even if the appointment of KPMG LLP is ratified, the Audit Committee may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders.

Representatives of KPMG LLP are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Our Board recommends a vote FOR the ratification of the appointment of KPMG LLP

as our independent registered public accounting firm for fiscal year 2009.

If the appointment is not ratified, our Audit Committee will consider whether it should

select another independent registered public accounting firm.

Table of Contents

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board Composition

Our amended and restated Certificate of Incorporation provides that our Board of Directors consists of such number of directors as determined from time to time by resolution adopted by a majority of the total number of directors then in office. Our Board of Directors currently consists of five members. The term of office for each director will be until his or her successor is elected and qualified or until his earlier death, resignation or removal. Elections for directors will be held annually.

Number of Meetings of the Board of Directors

The Board held five meetings during fiscal 2008. Directors are expected to attend Board meetings and committee meetings for which they serve, and to spend time needed to meet as frequently as necessary to properly discharge their responsibilities. Each director attended at least 90% of the aggregate number of meetings of the Board and the Board committees on which he or she served during the period.

Attendance at Annual Meetings of the Stockholders

The Company has no policy requiring directors and director nominees to attend its annual meeting of stockholders; however, all directors and director nominees are encouraged to attend.

Director Independence

Rules of the NASDAQ Global Select Market require that the Board be comprised of a majority of independent directors and that the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee each be comprised solely of independent directors, as defined under applicable NASDAQ rules.

The Board has determined that each of the director nominees standing for election except Michael P. O'Donnell, our President and Chief Executive Officer, has no relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is an independent director. In determining the independence of our directors, the Board has adopted independence standards that mirror exactly the criteria specified by applicable laws and regulations of the Securities and Exchange Commission and NASDAQ.

Executive Sessions

The Company requires the non-management directors to meet in executive sessions on a periodic basis without management. The presiding director, for purposes of leading these meetings, is the Chairman of the Nominating and Corporate Governance Committee, which currently is Bannus B. Hudson. He can be contacted by writing to: Bannus B. Hudson, c/o Ruth's Hospitality Group, Inc., 500 International Parkway, Suite 100, Heathrow, Florida 32746. In fiscal 2008, our non-management directors held one executive session.

Communications between Stockholders and the Board

Stockholders may send communications to the Company's directors as a group or individually, by writing to those individuals or the group: c/o the Corporate Secretary, 500 International Parkway, Suite 100, Heathrow, Florida 32746. The Corporate Secretary will review all correspondence received and will forward all correspondence that is relevant to the duties and responsibilities of the Board or the business of the Company to the intended director(s). Examples of inappropriate communication include business solicitations, advertising and

Table of Contents

communication that is frivolous in nature, relates to routine business matters (such as product inquiries, complaints or suggestions), or raises grievances that are personal to the person submitting the communication. Upon request, any director may review communication that is not forwarded to the directors pursuant to this policy.

The Board has adopted a policy for submitting concerns regarding the Company's accounting or auditing matters. Reports may be sent to the Audit Committee through one of the following means: (1) calling the Company's Ethics Hotline at (866) 887-2403, which is available 24 hours per day, 365 days per year, and leaving a recorded message, (2) writing to the Audit Committee, c/o the Vice President of Legal, Chief Compliance Officer and / or the Director of Internal Audit of Ruth's Hospitality Group, Inc. at 500 International Parkway, Suite 100, Heathrow, Florida 32746, USA or (3) emailing the Audit Committee at auditcommittee@ruthschris.com. In each case, reports will be received by the Company's Vice President of Legal, Chief Compliance Officer and / or Director of Internal Audit, who will forward the message to the Audit Committee. The confidentiality of all reports will be maintained to the extent consistent with law.

Committees of the Board of Directors

Our Board currently has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition, duties and responsibilities of these committees are set forth below. Committee members hold office for a term of one year.

Audit Committee. The Audit Committee was established in accordance with section 3(a)(58)(A) of the Exchange Act and is responsible for:

establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the monitoring of these complaints through the ethics hotline and other established reporting channels;

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis is designed to provide stockholders with an understanding of our compensation philosophy and objectives as well as the analysis that we performed in setting executive compensation. This discussion addresses the compensation with respect to 2008 for our Chief Executive Officer, Michael P. O'Donnell, our Chief Financial Officer, Robert M. Vincent, and our Senior Vice Presidents, Kevin W. Toomy, Samuel A. Tancredi and Sarah Jackson (collectively, our named executive officers). In addition, this discussion addresses the compensation provided to our former named executive officers who are no longer employed by us.

Compensation Objectives and Program Structure

Our executive compensation philosophy, policies, plans and programs are under the direction of the Compensation Committee of our Board of Directors. The Compensation Committee is responsible for determining the compensation elements and amounts paid to named executive officers.

Generally, the types of compensation and benefits provided to our named executive officers are similar to those provided to executive officers of other nationwide restaurant companies. The Compensation Committee's overall philosophy is to create value for our stockholders by using all elements of executive compensation to reinforce a results-oriented management culture focusing on our level of earnings and performance as compared to our annual operating plan and industry competitors, the achievement of longer-term strategic goals and objectives and specific individual performance. Accordingly, our executive compensation program has been designed to achieve the following objectives:

reinforce a results-oriented management culture with total executive compensation that varies according to performance;

focus executive officers on both annual and long-term business results with the goal of enhancing stockholder value;

align the interests of our executives and stockholders; and

provide executive compensation packages that attract, retain and motivate individuals of the highest qualifications, experience and ability.

Our Compensation Committee sets the pay range and specific components of the total compensation package for each of our named executive officers. The Senior Vice President of Human Resources reviews compensation for the Company's executive officers on an annual basis and discusses potential adjustments with the Company's Chief Executive Officer for compensation of named executive officers other than the Chief Executive Officer. A recommendation is then presented to the Compensation Committee for review and approval. Any salary increase or other adjustments are determined by the Compensation Committee and are approved by the Board of Directors.

Table of Contents

The Compensation Committee considers Company performance, both operational and financial, to determine compensation. In addition, the Compensation Committee considers the annual chain restaurant compensation survey published by the Chain Restaurant Compensation Association when reviewing compensation for the Company's executive officers and focuses on those organizations with similar system-wide revenue. During 2008, the Compensation Committee considered organizations with annual revenue of \$350 million to \$999 million, which is similar to the Company's revenue. These organizations included:

Applebee's International	Concessions International	P.F. Chang's China Bistro
Benihana	Darden Restaurants	Pappas Restaurant
Boddie-Noell Enterprises	Dave and Buster's	Quiznos Master
Briad Group	Famous Dave's of America	Red Robin Gourmet Burgers
Brinker International	Hard Rock Café	Restaurants Unlimited
Buca	Hooters of America	Rocky Bottom Restaurants
Buffalo Wild Wings	Legal Sea Foods	Ruby Tuesday
Buffets	Logan's Roadhouse	Texas Roadhouse
Carlson Restaurants Worldwide	Metromedia Restaurant Group	Thomas and King
Cheesecake Factory	Morton's Restaurant Group	Uno Restaurant Holding
Claim Jumper Restaurants	O Charley's	

During 2008, the Company did not employ an outside compensation consultant because the Company relies primarily on the compensation survey described above.

Elements of Compensation

Consistent with our compensation objectives described above, our executive compensation program is designed to be similar to the programs that are offered at nationwide restaurant companies comparable to us, as identified in the annual chain restaurant compensation survey published by the Chain Restaurant Compensation Association. This survey includes a presentation of the minimum, median and maximum compensation provided by nationwide restaurant companies that are similar in size and operation to our Company. We attempt to set our total compensation levels at the median level because of the desire to attract and retain top-level executives in the market in which we operate and compete for talent in. We believe that this benchmarking process is an important part of the Compensation Committee's decision making process; however, we do deviate from these surveys for a number of reasons.

In fiscal 2008, our goals were based on earnings per share; however, we may consider using other performance target measures in the future.

The total compensation program for the named executive officers includes base salary, performance-based cash incentive compensation under our bonus plan, long-term equity incentive compensation benefits and perquisites. It is the Compensation Committee's practice to target each of these elements to deliver compensation to each executive and all executives as a group within the mid-level range of compensation for persons having similar responsibilities at other nationwide restaurant companies.

We allocate the majority of the total annual compensation paid to the named executive officers to base salary and bonus payments, with a smaller portion allocated to equity incentive awards. The Compensation Committee is focused on providing a total compensation package that delivers short and long-term incentives. We do this primarily so that we can compete with compensation packages provided by nationwide restaurant companies similar to ours. We believe this increases our ability to attract and retain our named executive officers. In addition, allocating a larger percentage of compensation to bonus payments aligns the interest of our named executive officers with our stockholders because no bonuses are paid unless our performance measures are met or exceeded and the achievement of our performance goals have created value for our stockholders.

Table of Contents

A significant portion of the compensation paid to executive officers is designed to reward them based on our financial performance compared to financial objectives, the growth of the Company, and increased stockholder value, as reflected in increases in the Company's share price. Our base salary structure and its periodic salary reviews are designed to reward individual achievement and our overall performance. Our bonus plan is designed to reward executive officers with cash awards for the achievement of annual objectives tied to the financial performance of the Company and their individual performance. The equity component of their compensation, in the form of stock options and / or restricted stock, is designed to reward relative total stockholder return and corresponding stock price improvement over the grant-date stock price.

Base Salary

Base salary is established based on the experience, skills, knowledge and responsibilities required of the executive officers in their roles. When establishing the base salaries of the executive officers, a number of factors are considered, including Company performance, the years of service of the individual, the individual's duties and responsibilities, the ability to replace the individual, the base salary at the individual's prior employment, market data on similar positions with competitive companies and information derived from our directors' experience at other companies. We seek to maintain base salaries that are competitive with the marketplace and allow us to attract and retain executive talent.

In 2008, we hired a new President and Chief Executive Officer, Chief Financial Officer and two new Senior Vice Presidents. The base salary was \$500,000 for Mr. O'Donnell, \$300,000 for Mr. Vincent and \$200,000 for Mr. Tancredi. Mr. Toomy, who was initially hired as the Vice President of Special Projects, started with the Company at a base salary of \$185,000, and at Mr. Toomy's promotion to Senior Vice President and Chief Operating Officer of Ruth's Chris Steak House in October 2008, his base salary increased to \$200,000. The Compensation Committee assigned the starting salaries of these new executive officers based on executives in similar positions, the experience level of the individual, the competitive value of the position in the market, and salaries of comparable positions listed in the annual chain restaurant compensation survey.

At the beginning of 2008, the Compensation Committee reviewed the actual salary for each executive officer against salary ranges for similar positions in the restaurant industry. A salary adjustment was made after considering individual performance, previous year over year increases, assumption of additional responsibilities and market competition. During this assessment in early 2008, Ms. Jackson's base salary was increased by \$25,000 or 12.5%.

As the remainder of the named executive officers started in 2008, there were no salary increases for these individuals, with the exception of Mr. Toomy who received an increase of \$15,000 or 8.1%, as described above, due to his promotion to Senior Vice President and Chief Operating Officer of Ruth's Chris Steak House in October 2008.

Bonuses

Our performance-based cash incentive awards focus on closely aligning rewards with results. The philosophy of our performance-based annual cash incentive awards is simple: a basic reward for reaching minimum expectations and an upside for reaching the Company's goals.

The Company has a bonus program, pursuant to which certain of our employees are eligible to receive cash bonuses during the applicable fiscal year based on personal and Company performance over the course of each fiscal year. The purpose of the bonus plan is to encourage a consistent high standard of excellence and continued employment by officers and management personnel of the Company. Bonus awards under the bonus plan are determined by the Compensation Committee, subject to approval by the Board, and are based on (i) the financial performance of the Company during the applicable fiscal period relative to performance targets that are approved by the Compensation Committee and (ii) individual performance.

Table of Contents

The performance targets that are approved by the Compensation Committee can be based on either the quarterly or annual achievement of measures such as earnings per share, earnings before interest, taxes, depreciation, amortization and other non-cash and non-recurring or extraordinary charges (EBITDA) or restaurant level operating income, depending on the level of the employee within the organization. The overriding objective of the Compensation Committee is to align the bonus awards with the achievement of measures that enhance shareholder value. Individual performance goals differ by person and typically are oriented towards achievement of Board-approved budget objectives or department specific objectives such as same store sales, entrée count, unit level operating income, development of additional operating units, increase in average check, completion of transactions, settlement of litigation, and management of third party vendor costs.

The percentage of base salary for each cash bonus is established based on the individual's level of responsibility. During 2008, the target cash bonus for the following named executives was set as follows:

Name	Base Salary %
Michael P. O'Donnell	75%
Robert M. Vincent	55%
Kevin W. Toomy	45%
Samuel A. Tancredi	45%
Sarah C. Jackson	45%

These percentages are used to calculate either the quarterly or annual bonus amounts (depending on the measurement period established by the Compensation Committee for the individual) and are prorated at a percentage based on the number of weeks worked by the individual. The actual cash bonuses payable to our executive officers may be less than or greater than the target cash bonus, depending on the operational performance, the individual's performance and certain other factors that may be considered by the Board and the Compensation Committee. Each award may, subject to recommendation by the Compensation Committee and approval of the Board, be increased up to 50%, based on our Company's performance. Each award may also be increased by an additional 50% based on personal performance, again subject to recommendation by the Compensation Committee and approval of the Board. The Compensation Committee also periodically considers bonuses outside of the bonus plan, based on both individual and corporate performance.

As the Company did not achieve the annual performance goals established by the Board, no annual bonuses were earned by our named executive officers in either 2007 or 2008. In 2008, in order to provide appropriate incentives to employees in the positions of Senior Vice President and below, the Compensation Committee recommended that quarterly performance targets be established for these employees as opposed to strictly annual targets. Certain incentive payments were made to employees pursuant to this structure in the first and second quarters of 2008. For fiscal 2009, the Compensation Committee has established both quarterly and annual targets for incentive payments, depending on the seniority level of the employee. The Chief Executive Officer and Executive Vice President level employees continue to be subject only to the achievement of annual performance objectives. The primary measures that the Compensation Committee has established for the payment of cash incentives in 2009 are restaurant level operating income and EBITDA.

Long-Term Incentive Awards

The Company's equity programs are designed to encourage creation of long-term value for our stockholders, employee retention and stock ownership. The programs currently consist of stock option grants and restricted stock awards. Our equity incentive programs are intended to promote a long-term focus on results and to align employee and stockholder interests.

Table of Contents

Executive officers receive a portion of their overall targeted compensation in the form of equity in order to align interests of management and stockholders and promote a focus on long-term results. The Compensation Committee generally targets certain amounts of option awards upon hire and promotion for executives and other management personnel based on the level of these individuals and comparable awards given to similar positions in the restaurant industry. In addition, in August of each year, during the anniversary of our initial public offering, the Compensation Committee reviews the amounts of incentive equity held by our executives and management and provides for additional incentive equity grants to executives and management in amounts that are based upon the positions held by such persons, taking into consideration option balances, stock price, and vesting schedules.

During 2008, the Company's new executive team received stock option grants under the Company's 2005 Long-Term Equity Incentive Plan. Mr. O'Donnell received 800,000 stock options upon his hire on August 7, 2008. Mr. Toomy received 20,000 stock options upon his hire as Vice President on September 8, 2008. Upon Mr. Toomy's promotion to Senior Vice President and Chief Operating Officer of Ruth's Chris Steak House on October 30, 2008, he received an additional 100,000 stock options. Mr. Tancredi received 120,000 stock options upon his hire as Senior Vice President and Chief Operating Officer of Mitchell's Fish Market on December 2, 2008. The Compensation Committee chose stock option grants as our form of equity compensation in 2008 because the Compensation Committee believes that stock options are a good means to align the interests of the executive officers and our stockholders over the long term because the named executive officers only get compensated from the stock options if our stock price increases.

The Company has also previously granted restricted stock in lieu of stock options in order to encourage retention and reward performance. The Company issued 75,000 shares of restricted stock to Mr. Vincent on March 17, 2008, at the start of his employment with the Company.

Benefits

The Company's benefits philosophy for executive officers is that benefits should provide employees protection from catastrophic events, enable employees to plan for their future and be competitive in order to attract and retain a high-quality workforce. The types of benefits provided to the named executive officers consist of medical benefits plans, life and accidental death and dismemberment insurance plans, 401(k) matching contributions and automobile allowances.

The Company maintains a non-qualified deferred compensation plan that is unsecured and allows certain high-level employees, including executive officers, to voluntarily defer receipt of their salary above specified amounts and bonus payments into accounts established under the plan. These accounts are credited with earnings from amounts invested in funds available through Fidelity Investments, the plan's record keeper, as selected by each participant.

The Company also allows its executive officers to dine in its restaurants free of charge in order to permit those officers to conduct quality control tests.

Tax and Accounting Implications

Deductibility of Executive Compensation

The Compensation Committee has considered the provisions of Section 162(m) of the Internal Revenue Code of 1986, as amended, which generally limits the annual tax deductibility of compensation paid to each named executive officer to \$1 million. To the extent possible, the Compensation Committee intends to preserve the federal income tax deductibility, but may choose to provide compensation that may not be deductible if it believes that such payments are appropriate to ensure that our named executive officers receive total compensation that is competitive with our peer group, or reflects superior performance.

Severance and Termination Arrangements

Current Named Executive Officers

Certain named executive officers, including Messrs. O'Donnell and Vincent and Ms. Jackson, have employment agreements that provide for payments upon a termination of employment by the executive for good reason, by the Company without cause or upon death or disability as described in the section entitled "Employment Agreements" located on page 32 of this proxy statement. The Company believes that these agreements effectively create incentives for our executives to build stockholder value without the fear of losing employment for situations other than for cause or termination by the employee for good reason. These arrangements are intended to attract and retain qualified executives who could have other job alternatives that may appear to them to be less risky absent these arrangements.

Equity Compensation Plans

2004 Restricted Stock Plan

The 2004 Restricted Stock Plan provides for the grant of up to 1,167,487 shares of restricted stock to our officers, directors and employees and other persons who provide services to us, all of which were issued during 2004. This plan is administered by a committee of our Board, and, in the committee's absence, by our Board. This plan provides for the grant of shares of our common stock that may not be sold or disposed of, and that may be forfeited in the event of certain terminations of employment, prior to the end of a restricted period set forth in each restricted stock agreement as determined by our Board. Other than the foregoing, participants generally have all of the rights of a stockholder, unless the Board determines otherwise. Each restricted stock agreement sets forth a vesting schedule, over which time the shares will vest in the holder thereof, and no longer be subject to the restrictions contained in the restricted stock agreement (other than a right of first refusal of the Company in the case of a proposed transfer and a drag along right of the Company in a proposed sale of the Company approved by our Board or a majority of our stockholders). The plan provides that shares of restricted stock not yet vested will vest upon a change in control. Upon a termination of employment, the Company, and to the extent not exercised by the Company, certain of our stockholders, have the right to acquire shares that have vested pursuant to this plan. All shares of restricted stock were purchased at the fair market value of our common stock, as determined by our Board, on the date of grant.

2000 Stock Option Plan

The 2000 Stock Option Plan provides for the grant of nonqualified stock options to our directors, officers and employees and other persons who provide services to us. A total of 1,765,981 shares of common stock are reserved for issuance under this plan. As of March 24, 2009, we have granted options to purchase 1,152,041 shares of common stock under this plan. These options vest pro rata on a daily basis over a five year period. Options granted under the 2000 Stock Option Plan are generally not transferable by the optionee, and must be exercised within 30 days after the end of an optionee's status as an employee, director or consultant of ours (other than a termination by us for cause, as defined in the 2000 Stock Option Plan), within 180 days after such optionee's termination by death or disability, or within 90 days after such optionee's retirement, but in no event later than the expiration of the option term. All options were granted at or above the fair market value of our common stock, as determined by our Board, on the date of grant. The term of all options granted under the 2000 Stock Option Plan may not exceed ten years. We anticipate that all future option grants will be made under our 2005 Long-Term Equity Incentive Plan, discussed below, and we do not intend to issue any further options under the 2000 Stock Option Plan.

2005 Long-Term Equity Incentive Plan

The 2005 Long-Term Equity Incentive Plan, which the Board approved in August 2005 and which was amended by a vote of stockholders at the 2008 annual meeting, provides for grants of stock options, restricted stock, restricted stock units, deferred stock units and other equity-based awards. A total of 3,862,500 shares of common stock are reserved for issuance under this plan. Directors, officers and other employees of the Company, as well as others performing services for us, are eligible for grants under the plan. The purpose of the plan is to provide these individuals with incentives to maximize stockholder value and otherwise contribute to our success and to enable us to attract, retain and reward the best available persons for positions of responsibility.

In 2008, we granted options to purchase an aggregate of 1,334,831 shares of our common stock under this plan, which have a weighted-average exercise price of \$4.72 per share and are subject to annual vesting over a five-year period.

These accounts are credited with earnings from amounts invested in funds available under our 401(k) plan, as selected by each participant. The following table summarizes activity under our Non-Qualified Deferred Compensation Plan for named executive officers during 2008:

Employment Agreements

In August 2008, we and Mr. O'Donnell signed an employment agreement outlining the terms by which Mr. O'Donnell would serve as our President and Chief Executive Officer and a member of our Board. Mr. O'Donnell's initial base salary was \$500,000 and he was eligible to receive a bonus of up to 75% of his base salary (with a minimum bonus of \$100,000 during fiscal year 2009). Mr. O'Donnell's salary is subject to annual review and his annual bonus is now provided under the bonus plan. Pursuant to his employment agreement, if Mr. O'Donnell's employment is terminated by us without cause, or by Mr. O'Donnell for good reason (as those terms are defined below) during the employment term, then Mr. O'Donnell will be entitled to continue to receive his base salary for twelve months after the date of such termination (with an additional fifty percent (50%) of his base salary payable if terminated within the first two years of employment due to a change in the majority of the current Board of Directors) and twelve monthly payments in the aggregate equal to 50% of his prior year bonus compensation. Mr. O'Donnell would also receive twelve months continued health, welfare

and retirement benefits, twelve months payments of automobile allowance pursuant to current Company guidelines, and continued vesting rights for his options and restricted stock for twelve months. Mr. O'Donnell has agreed not to compete with us or to solicit any of our employees or persons with whom we have certain business relationships for twelve months following his termination.

In March 2008, we and Mr. Vincent signed an employment agreement under which Mr. Vincent agreed to serve as our Executive Vice President and Chief Financial Officer. Mr. Vincent's initial base salary was \$300,000, and he was eligible to receive a bonus of up to 55% of his base salary, subject to annual reviews, salary adjustments and incentive plans as determined by our Board. Mr. Vincent's annual bonus is now provided under the bonus plan. Pursuant to his employment agreement, if Mr. Vincent's employment is terminated by us without cause, or by Mr. Vincent for good reason (as those terms are defined below) during the employment term, then Mr. Vincent will be entitled to continue to receive his base salary for twelve months after the date of such termination and twelve monthly payments in the aggregate equal to 50% of his prior year bonus compensation. Mr. Vincent would also receive twelve months continued health, welfare and retirement benefits, twelve months payments of automobile allowance pursuant to current Company guidelines, and continued vesting rights for his options and restricted stock for twelve months. Mr. Vincent has agreed not to compete with us or to solicit any of our employees or persons with whom we have certain business relationships for twelve months following his termination.

Ms. Jackson started with the Company in August 2006 as the Vice President of Human Resources, and in June 2007, upon her promotion to Senior Vice President of Human Resources, we and Ms. Jackson signed an employment agreement under which Ms. Jackson agreed to serve in this role. Ms. Jackson's initial base salary was \$200,000, and she was eligible to receive a bonus of up to 40% of her base salary, subject to annual reviews, salary adjustments and incentive plans as determined by our Board. Ms. Jackson's annual bonus is now provided under the bonus plan. Pursuant to her employment agreement, if Ms. Jackson's employment is terminated by us without cause, or by Ms. Jackson for good reason (as those terms are defined below) during the employment term, then Ms. Jackson will be entitled to continue to receive her base salary for twelve months after the date of such termination and twelve monthly payments in the aggregate equal to 50% of her prior year bonus compensation. Ms. Jackson would also receive twelve months continued health, welfare and retirement benefits, twelve months payments of automobile allowance pursuant to current Company guidelines, and continued vesting rights for her options and restricted stock for twelve months. Ms. Jackson has agreed not to compete with us or to solicit any of our employees or persons with whom we have certain business relationships for twelve months following her termination.

We do not have employment agreements with Mr. Toomy and Mr. Tancredi.

The employment agreements for our executive officers define cause as meaning (i) an officer's theft, embezzlement, perpetration of fraud, misappropriation of property or attempts at such; (ii) any act of disloyalty, misconduct or moral turpitude by an officer that is injurious to the Company; or (iii) an officer's willful disregard of a lawful directive given by a superior or the Board of Directors or a violation of the Company's employment policy.

The employment agreements for our executive officers define good reason to mean (i) the assignment by the Board of Directors to an officer of any material duties that are clearly inconsistent with the officer's status, title and position; or (ii) failure by the Company to pay the officer any amounts required under the officer's employment agreement which failure continues uncured for a period of 15 days after written notice is given. Additionally, with respect to Mr. O'Donnell's employment agreement, good reason also includes a material relocation of the Company requiring Mr. O'Donnell to relocate or upon notice of the Company's intent not to renew the agreement.

Table of Contents

Except as specifically described above, all options and restricted stock issued under the Company's equity incentive plans, whether or not then exercisable (as applicable), generally cease vesting when a grantee ceases to be an employee. Options generally expire 30 days after the date of cessation of service, so long as the grantee does not compete with us during that 30-day period without our permission. Upon termination for cause, all options will terminate immediately. Except as specifically described above, the Company has the right to repurchase shares of restricted stock held by the named executive officers during the 120 days following the executive's termination, and the purchase price in the case of a resignation without good reason or a termination for cause is \$0.05 per share for shares issued under the 2004 Restricted Stock Plan, and in all other cases is the fair market value of such shares.

Payments Made Upon Termination

Assuming each executive officer's employment was terminated by us without cause or by the executive for good reason on December 28, 2008, the estimated values of payments and benefits to each named executive officer are set forth in the following table:

	Michael P. O'Donnell	Robert M. Vincent	Sarah C. Jackson

Car Allowance(4)	12,000	10,800	9,600
Total	\$ 621,075	\$ 319,875	\$ 243,675

- (1) Based on payment of one year of current base salary.
- (2) Based on payment of a percentage of the named executive officer's bonus compensation for 2007. There were no bonuses paid in 2007 to the named executive officers.
- (3) Amount represents premiums that will be paid by the Company in respect to health insurance and other medical benefits for one year after termination of employment.
- (4) Based on the value, as of December 28, 2008, of the current pre-established car allowance that would be received by the executive officer for one year after termination.

Payments Made Upon Death or Disability

In the event of the death or disability of a named executive officer, all named executive officers will receive benefits under our disability plan or payments under our life insurance plan, as appropriate. In the case of a grantee's death or disability, a number of options and restricted stock equal to the sum of (1) the number of options that were exercisable on the date of the grantee's death or disability and (2) the number of options that would become exercisable within one year after the date of the grantee's death or disability, will become fully vested and exercisable and remain so for up to 180 days after the date of death or disability, provided the grantee does not compete with us during that 180-day period without our permission.

Table of Contents**Payments Made Upon a Change in Control**

We are not contractually obligated to make any type of cash payment to any named executive officer in the event of a change in control. However, restricted stock issued pursuant to the 2004 Restricted Stock Plan that is unvested will vest upon a change of control. All of the restricted stock and options issued under the 2005 Long-Term Equity Incentive Plan will become fully vested if a grantee is terminated within one year of a change in control. If we undergo a change in control, the committee administering the 2005 Long-Term Equity Incentive Plan may provide that the options issued under such plan become exercisable and that such options may terminate if not exercised on the date of the change in control. Such committee may also accelerate the vesting of restricted stock grants under the 2005 Long-Term Equity Incentive Plan.

Director Compensation Fiscal Year 2008

Directors who are also our employees receive no compensation for serving as directors. Non-employee directors, other than Mr. Selati, receive an annual fee in the amount of \$35,000 (\$42,000 for the chairman of the Audit Committee). We also reimburse all directors for reasonable out-of-pocket expenses they incur in connection with their service as directors. Our directors are also eligible to receive stock options and other equity-based awards when determined by the Compensation Committee pursuant to the terms of our 2005 Long-Term Equity Incentive Plan. Non-employee directors are not eligible to participate in the deferred compensation plan.

The following table summarizes the compensation paid to directors of the Company in 2008:

- (2) The amounts in this column include the aggregate amount recognized for financial reporting purposes in accordance with FAS 123(R) for stock options that vested during the year in question. The fair value of the
