Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On November 13, 2009, a subsidiary of Kindred Healthcare, Inc. (the Company) entered into revised change-in-control severance agreements (the Revised Agreements) to replace the previously disclosed change-in-control severance agreements (the Prior Agreements) for the following officers of the Company (the Named Executive Officers):

Paul J. Diaz, President and Chief Executive Officer

Richard A. Lechleiter, Executive Vice President and Chief Financial Officer

Frank J. Battafarano, Chief Operating Officer

Lane M. Bowen, Executive Vice President and President, Health Services Division

The Company's Executive Compensation Committee and the Named Executive Officers agreed to revise the Prior Agreements to eliminate two provisions that are no longer consistent with best pay practices.

The Revised Agreements provide that the Named Executive Officer is not entitled to any change in control severance benefits unless (1) a change in control occurs and (2) the Named Executive Officer is terminated either by the Company or by the Named Executive Officer upon a good reason event. A good reason event is generally defined as an event that materially impairs the Named Executive Officer's employment. Under the Prior Agreements, a Named Executive Officer could voluntarily terminate his employment within two specified periods following a change in control and receive change in control severance benefits.

The Prior Agreements also provided that the Company would reimburse the Named Executive Officers for any excise taxes related to change in control severance benefits. The Revised Agreements eliminate such provisions and the Named Executive Officers would no longer be reimbursed for any applicable excise taxes.

The Executive Compensation Committee of the Company's Board of Directors approved the Revised Agreements. The Revised Agreements for each of the Named Executive Officers are attached hereto as Exhibits 10.1, 10.2, 10.3 and 10.4.
