Item 2.02 Results of Operations and Financial Condition.

The First Quarter 2010 Press Release furnished as Exhibit 99.1 hereto and the First Quarter 2010 Results Supplemental Information furnished as Exhibit 99.2 hereto, were posted on the Schlumberger internet website (www.slb.com/ir) on April 23, 2010.

In addition to financial results determined in accordance with generally accepted accounting principles (GAAP) that are included in the attached First Quarter 2010 Press Release and the First Quarter 2010 Results Supplemental Information, these documents also include the following non-GAAP financial measures (as defined under Regulation G of the Securities Exchange Act of 1934):

Net Debt: Net Debt represents gross debt less cash, short-term investments and fixed income investments, held to maturity. Management believes that Net Debt provides useful information regarding the level of Schlumberger's indebtedness by reflecting cash and investments that could be used to repay debt.

Income from continuing operations attributable to Schlumberger, before charges; diluted earnings per share from continuing operations attributable to Schlumberger, excluding charges; pretax return on sales from continuing operations, excluding charges; after-tax return on sales from continuing operations, excluding charges; effective tax rate, excluding charges; pretax income from continuing operations, before charges; and net income attributable to Schlumberger, before charges: Management believes that the exclusion of charges from the foregoing financial measures enables it to evaluate more effectively Schlumberger's operations period over period and to identify operating trends that could otherwise be masked by the excluded items.

The foregoing non-GAAP financial measures should be considered in addition to, not as a substitute for, or superior to, total debt, cash flows or other measures of financial performance prepared in accordance with GAAP as more fully discussed in Schlumberger's financial statements and filings with the Securities and Exchange Commission.
