The following are portions of a press release announcing first quarter 2011 financial results issued by Alimentation Couche-Tard Inc. (Couche-Tard) on August 24, 2010. These excerpted portions of the press release relate to Couche-Tard's proposed acquisition of Casey's General Stores, Inc. (Casey's):

There is nothing like finishing a year on a great note and starting another one the same way. During fiscal 2010, we posted a record year and we are starting fiscal 2011 with a record quarter, declared Alain Bouchard, President and Chief Executive Officer. It's even better when the results are supported by what makes us what we are: in-store sales. Indeed, during the quarter, same-store merchandise sales as well as the merchandise and service margin both showed interesting growth. When we combine this performance to our cost containment efforts and to a good motor fuel margin in the United States, we get a quarter of which we can be proud of. As for Casey's, of course, I am disappointed by the decision of their Board of Directors to reject our offers and to create obstacles without even opening the dialog. But I still believe that the combination of Casey's and Couche-Tard is in the best interest of both companies' shareholders and other stakeholders. However, we will continue to evaluate our options and take decisions based on the actions of Casey's Board of Directors and its shareholders. He concluded.

Casey's General Stores, Inc. (Casey's)

On April 9, 2010, Couche-Tard publicly submitted a proposal to Casey's Board of Directors to acquire all of the outstanding shares of common stock of Casey's for \$36.00 per share, payable in cash. On June 2, 2010, the Company commenced a tender offer to acquire all of the outstanding shares of common stock of Casey's for \$36.00 per share, payable in cash. On July 22, 2010 Couche-Tard increased its tender offer to \$36.75 per share in cash. The revised proposal has a total value of approximately \$1.9 billion on a fully diluted basis, including net debt of Casey's of approximately \$28 million and will expire on August 30, 2010.

The increased offer represents a 26% premium over the one-year average closing share price of Casey's as of April 8, 2010 (the last trading day prior to the public disclosure of the proposal), a 20% premium over the 90-calendar day average closing share price of Casey's as of April 8, 2010, and a 16% premium over the closing price of \$31.59 per share of Casey's on April 8, 2010. The increased offer also represents a 12% premium to the all-time and 52-week high trading price of common stock of Casey's trading prior to April 8, 2010.

On August 19, 2010, Couche-Tard mailed a letter to the shareholders of Casey's along with its definitive proxy materials in connection with the 2010 annual meeting of shareholders of Casey's to be held on September 23, 2010. The Company is soliciting votes to, among other things, elect its slate of eight highly qualified, independent candidates to the Casey's board of directors.
