Item 8.01 Other Events

We are likely to close our manufacturing operations in Brindisi, Italy by the end of the calendar year and have informed the 29 employees working at this location of this possibility. These employees commenced a strike on October 4, 2010 to demonstrate their concerns regarding the future of this facility. During the six months ending June 30, 2010, approximately 4% of our total revenues, or \$1.2 million, were derived from products manufactured at this facility. If and when our board of directors determines to close this facility, we will file a Current Report on Form 8-K.
