### DISCLOSURE REGARDING FORWARD-LOOKING INFORMATION

The Private Securities Litigation Reform Act of 1995 provides a Safe Harbor for forward looking statements.

This Annual Report contains or incorporates by reference statements that constitute forward-looking statements, regarding the intent, belief or current expectations of our directors and officers with respect to our future operating performance. Such statements include any forecasts, projections and descriptions of anticipated cost savings or other synergies. Words such as anticipate, expect, intend, plan, believe, seek, variations of such words, and similar expressions are intended to identify such forward-looking statements. You should be aware that any such forward-looking statements are not guarantees of future performance and may involve risks and uncertainties, and that actual results may differ from those set forth in the forward-looking statements as a result of various factors (including, without limitations, the actions of competitors, future global economic conditions, market conditions, foreign exchange rates, and operating and financial risks related to managing growth and integrating acquired businesses), many of which are beyond our control. The occurrence of any such factors not currently expected by us would significantly alter the results set forth in these statements.

Factors that could cause actual results to differ materially and adversely include, but are not limited to:

changes in general economic, business or political or other conditions in Argentina or changes in general economic or business conditions in Latin America;

changes in capital markets in general that may affect policies or attitudes toward lending to Argentina or Argentine companies;

changes in exchange rates or regulations applicable to currency exchanges or transfers;

unexpected developments in certain existing litigation;

increased costs;

unanticipated increases in financing and other costs or the inability to obtain additional debt or equity financing on attractive terms; and

the factors discussed under Risk Factors .

You should not place undue reliance on such statements, which speak only as of the date that they were made. Our independent public accountants have not examined or compiled the forward-looking statements and, accordingly, do not provide any assurance with respect to such statements. These cautionary statements should be considered in connection with any written or oral forward-looking statements that we might issue in the future. We do not undertake any obligation to release publicly any revisions to such forward-looking statements after filing of this Form to reflect later events or circumstances or to reflect the occurrence of unanticipated events.

### PRESENTATION OF FINANCIAL AND CERTAIN OTHER INFORMATION

In this annual report where we refer to Peso, Pesos, or Ps. we mean Argentine pesos, the lawful currency in Argentina; when we refer to U.S. dollars, or US\$ we mean United States dollars, the lawful currency of the United States of America; when we refer to Real, Reals or R\$ we mean Brazilian Real, the lawful currency in the Federative Republic of Brazil; and when we refer to Central Bank we mean the Argentine Central Bank.

This Annual Report contains our audited consolidated financial statements as of June 30, 2010 and 2009 and for the years ended June 30, 2010, 2009 and 2008 (our Audited Consolidated Financial Statements ). Our Audited Consolidated Financial Statements have been audited by Price Waterhouse & Co. S.R.L. Buenos Aires Argentina, a member firm of PricewaterhouseCoopers, an independent registered public accounting firm, whose report is included herein. We prepare our Audited Consolidated Financial Statements in Pesos and in conformity with generally accepted accounting principles used in Argentina, as set forth by the Federación Argentina de Consejo Profesionales de Ciencias Económicas (FACPCE) and as implemented, adapted, amended, revised and/or supplemented by the Consejo Profesional de Ciencias Económicas de la Ciudad Autónoma de Buenos Aires (CPCECABA) (collectively Argentine GAAP). In addition, we must comply with the regulations of the Comisión Nacional de Valores (CNV), the National Securities Commission in Argentina, which differ in certain significant respects from generally accepted accounting principles in the United States of America (US GAAP). Such differences involve methods of measuring the amounts shown in the Audited Consolidated Financial Statements as well as additional disclosures required by US GAAP and Regulation S-X of the Securities and Exchange Commission (SEC). See Note 30 to our Audited Consolidated Financial Statements for a description of the principal differences between Argentine GAAP and U.S. GAAP, as they relate to us, and reconciliation to U.S. GAAP of net income and shareholders equity.

As discussed in Note 2.d) to our Audited Consolidated Financial Statements, in order to comply with regulations of the CNV, we discontinued inflation accounting as from February 28, 2003. Since Argentine GAAP required companies to discontinue inflation adjustments only as from October 1, 2003, the application of CNV resolution represented a departure from Argentine GAAP. However, due to low inflation rates during the period from March to September 2003, such a departure has not had a material effect on the Consolidated Financial Statements.

As of June 30, 2010, IRSA Inversiones y Representaciones Sociedad Anónima (IRSA) has a significant investment in Banco Hipotecario S.A. (Banco Hipotecario) that accounts for approximately 14.4% of IRSA s total consolidated assets.

As discussed in Note 2.b) to our Audited Consolidated Financial Statements, from July 1, 2008 to October 31, 2008, we acquired an additional 11.57% equity interest in IRSA and we started consolidating IRSA accounts as of that date. Therefore, the separate consolidated financial statements of IRSA are no longer included in this Annual Report. As of June 30, 2010, we have an indirect 28.03% (without considering treasury shares) equity interest in Banco Hipotecario Nacional, through our subsidiary IRSA. In compliance with Rule 3-09 of Regulation S-X, this Annual Report includes the consolidated financial statements of Banco Hipotecario and Metropolitan 885 Third Avenue LLC (Metropolitan ), as of June 30, 2010 and 2009 and for the twelve months periods ended June 30, 2010, 2009 and 2008.

On March 20, 2009, the FACPCE issued Technical Resolution No. 26 Adoption of International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB) which requires that companies under the supervision of the Comisión Nacional de Valores to prepare their financial statements in accordance with IFRS as published by the IASB for fiscal periods beginning on or after January 1, 2011, including comparative information for earlier periods. There are *Consejos Profesionales* or standard setters

in each provincial jurisdiction in Argentina, which have the power to adopt, reject or modify a resolution issued by the FACPCE. The jurisdiction where we are located is the Federal District. On April 25, 2009, the CPCECABA approved Resolution No. 26. The CNV issued Resolution No. 562/09, as amended by Resolution 576/10, formally adopting application of Resolution No. 26 to its regulated entities for fiscal years beginning on January 1st, 2012. We will be required to prepare our financial statements in accordance with IFRS as issued by the IASB for our fiscal year ended June 30, 2012. Our transition date to IFRS will be July 1, 2011. On April 29, 2010, our Board of Directors approved a plan for implementing IFRS. We are in the early stages of completing a diagnosis of the principal differences between Argentine GAAP and IFRS. We have not quantified the effect any potential change in accounting principles would have on our financial condition or results of operations and therefore can give no assurance that such changes will not have an adverse effect on our financial condition or results of operations.

Certain amounts which appear in this annual report (including percentage amounts) may not sum due to rounding. Solely for the convenience of the reader, we have translated certain Peso amounts into U.S. dollars at the exchange rate quoted by Banco de La Nación Argentina for June 30, 2010, which was Ps.3.931 = US 1.00. We make no representation that the Peso or U.S. dollar amounts actually represent or could have been or could be converted into U.S. dollars at the rates indicated, at any particular rate or at all.

References to fiscal years 2006, 2007, 2008, 2009 and 2010 are to the fiscal years ended June 30 of each such year.

### A. SELECTED CONSOLIDATED FINANCIAL DATA

The following selected consolidated financial data has been derived from our audited consolidated financial statements as of the dates and for each of the periods indicated below. This information should be read in conjunction with and is qualified in its entirety by reference to our Consolidated Financial Statements and the discussion in Operating and Financial Review and Prospects, included elsewhere in this Annual Report.

The selected consolidated statement of income data for the years ended June 30, 2010, 2009 and 2008 and the selected consolidated balance sheet data as of June 30, 2010 and 2009 have been derived from our Consolidated Financial Statements which have been audited by Price Waterhouse & Co. S.R.L. Buenos Aires Argentina, a member firm of PricewaterhouseCoopers, Buenos Aires, Argentina, an independent registered public accounting firm.

The selected consolidated statement of income data for the years ended June 30, 2007 and 2006 and the selected consolidated balance sheet data as of June 30, 2008 and 2007 have been derived from our audited consolidated financial statements as of June 30, 2008 and 2007 and for the years ended June 30, 2008, 2007, and 2006 which are not included herein. The selected consolidated balance sheet data as of June 30, 2006 has been derived from our audited consolidated financial statements as of June, 30, 2007 and 2006 and for the years ended June 30, 2007, 2006 has been derived from our audited consolidated financial statements as of June, 30, 2007 and 2006 and for the years ended June 30, 2007, 2006 and 2005 which are also not included herein.

Certain reclassifications have been made to the audited consolidated financial statements as of June 30, 2008 and 2007 and for the years ended June 30, 2008, 2007 and 2006, and to the audited consolidated financial statements as of June 30, 2007 and 2006 and for the years ended June 30, 2007, 2006 and 2005 in order to conform to the presentation of the Consolidated Financial Statements. These reclassifications had no impact on previously reported net income, net income per share, shareholders equity or cash flows.

During the fiscal year ended June 30, 2010, we acquired directly or indirectly 10,667,870 additional shares of IRSA. Our equity interest in IRSA is 57.49% as of June 30, 2010. We started consolidating the accounts and results of operations of IRSA as from October 1, 2008. Our consolidated financial information for periods prior to October 1, 2008 does not include the accounts of IRSA on a consolidated basis. Therefore, the income statement, balance sheet and cash flow data as of June 30, 2010 and 2009 and for the years then ended is not comparable to prior periods.
