**Item 1.01 Entry into a Material Definitive Agreement.**

The information set forth under Items 2.01, 2.03 and 3.02 of this Current Report is incorporated herein by reference. On April 29, 2011, Independence Realty Operating Partnership, LP (the Operating Partnership), a subsidiary of Independence Realty Trust, Inc. (the Company), adopted the Second Amended and Restated Agreement of Limited Partnership of Independence Realty Operating Partnership, LP (the Amended and Restated Operating Partnership Agreement). The Amended and Restated Operating Partnership Agreement was adopted to (i) reflect the issuance of limited partnership units to wholly-owned subsidiaries (the RAIT Limited Partners) of RAIT Financial Trust (NYSE: RAS) (the Sponsor) in exchange for the contribution to wholly-owned subsidiaries of the Operating Partnership of six multifamily properties and cash and (ii) reflect the redemption rights with respect to the limited partnership units. In addition to the redemption rights described in the Company's Registration Statement on Form S-11 filed on April 8, 2011 (the Registration Statement) under the caption Initial Portfolio, which is incorporated herein by reference, the Amended and Restated Operating Partnership Agreement provides that the Company, as general partner of the Operating Partnership, shall cause the Operating Partnership to redeem the limited partnership units held by the RAIT Limited Partners within one year of the termination or nonrenewal of the Amended and Restated Advisory Agreement (the Advisory Agreement) by and among the Company, the Operating Partnership and Independence Realty Advisors, LLC (the Advisor) (i) in connection with a change in control of the Company, (ii) by the Advisor for good reason (as defined in the Advisory Agreement) or (iii) by the Company other than for cause (as defined in the Advisory Agreement).

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

As previously reported, on April 6, 2011, the Company, through the Operating Partnership, entered into a contribution agreement (the Contribution Agreement) with six wholly-owned subsidiaries (the Contributors) of the Sponsor. Pursuant to the Contribution Agreement, the Operating Partnership agreed to acquire in the contribution transactions (the Contribution Transactions) six multifamily properties located in five states (the Initial Portfolio). A description of the Contribution Agreement was previously reported in the Registration Statement under the caption Initial Portfolio and is incorporated herein by reference.

On April 29, 2011, the Operating Partnership (through its wholly-owned subsidiaries) and the Contributors closed the Contribution Transactions. The total consideration for the Contribution Transactions was \$103,790,000, which includes \$39,215,000 in limited partner interests issued by the Operating Partnership and the wholly-owned subsidiaries of the Operating Partnership assuming or obtaining \$64,575,000 of non-recourse indebtedness. In addition, the Operating Partnership issued 125,000 additional limited partner units to the Sponsor in exchange for \$1,250,000 in cash. The cash was used to pay certain expenses and escrows required at closing. In contemplation of the potential refinancing or reconstituting of the debt encumbering the Initial Portfolio (described above and in more detail below), the final purchase price is subject to a post-closing adjustment whereby, within 120 days of April 29, 2011, the Sponsor may cause the Operating Partnership (through its wholly-owned subsidiaries) to reduce the amount of debt assumed or obtained by the Operating Partnership (through its wholly-owned subsidiaries) with a corresponding dollar-for-dollar increase in the amount of limited partner interests issued by the Operating Partnership to the RAIT Limited Partners. However, any such post-closing adjustment would not increase or decrease the total purchase price.

The summary of the Contribution Agreement set forth above and in the Registration Statement under the caption Initial Portfolio does not purport to be complete and is qualified in its entirety by reference to the full text of the Contribution Agreement, a copy of which was filed as Exhibit 10.7 to the Registration Statement. The Contribution Agreement was filed as an exhibit to the Registration Statement solely to provide information regarding its terms. The Contribution Agreement contains representations and warranties that the parties thereto made as of specific dates and to and solely for the benefit of the other parties. In addition, such representations and warranties (1) may have been qualified by confidential

disclosures made to the other party in connection with such document, (2) may be subject to a materiality standard which may differ from what may be viewed as material by investors, (3) were made only as of the date of such documents or such other date as is specified therein and (4) may have been included in such documents for the purpose of allocating risk between or among the parties thereto rather than establishing matters as facts. Accordingly, the Contribution Agreement should not be relied upon as characterizations of the actual state of facts or circumstances.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth under Item 2.01 of this Current Report is incorporated herein by reference. As a result of the closing of the Contribution Transactions, newly formed, wholly-owned subsidiaries of the Operating Partnership (the Borrowers ) became obligated for the principal balance of the non-recourse mortgage loans encumbering the Initial Portfolio. The mortgage loans encumbering the properties were provided by or held by subsidiaries of the Sponsor, the names of which are set forth below. The mortgage loans are non-recourse to the Borrowers and the Operating Partnership, but the Borrowers and the Operating Partnership are liable for customary non-recourse carveouts. Brief descriptions of the nature and amount of the indebtedness associated with each property comprising the Initial Portfolio and the other material terms and conditions of the Contribution Transactions were previously reported in the Registration Statement under the caption Initial Portfolio and are incorporated herein by reference. A list of the loans entered into at the closing of the Contribution Transactions, all of which are dated April 29, 2011, are set forth below.
