The Underwriting Agreement contains customary representations, warranties and agreements of the Company, as well as indemnification rights and obligations of the parties.

The Notes sold pursuant to the Underwriting Agreement were registered under the Company's registration statement on Form S-3 (Registration No. 333-157502) filed on February 24, 2009 (the Registration Statement) with the Securities and Exchange Commission (the SEC) and were issued pursuant to an Indenture (the Indenture), dated as of January 17, 2006, between the Company and U.S. Bank National Association as successor Trustee, and pursuant to an Officers' Certificate, dated December 2, 2011 (the Officers' Certificate), setting forth the terms of the Notes. Net proceeds to the Company from the offering were approximately \$1.09 billion, after deducting underwriters' discounts and estimated offering expenses payable by the Company.

The relevant terms of the Notes are set forth in the Indenture and the Officers' Certificate. The Indenture provides for customary events of default and further provides that the Trustee or the holders of not less than 25% in aggregate principal amount of the outstanding Notes may declare the Notes immediately due and payable upon the occurrence of certain events of default after expiration of any applicable grace period.

The Company may redeem the Notes in whole or in part from time to time, at the Company's option, at a make-whole redemption price, plus accrued and unpaid interest. In addition, at any time on or after September 1, 2021 (three months prior to the maturity date of the 2021 Notes), with respect to the 2021 Notes, or June 1, 2041 (six months prior to the maturity date of the 2041 Notes), with respect to the 2041 Notes, the Company may redeem some or all of the applicable series of Notes at its option, at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest. In the event of a change in control triggering event as defined in the Officers' Certificate, the holders of the Notes may require the Company to purchase for cash all or a portion of their Notes at a purchase price equal to 101% of the principal amount of Notes, plus accrued and unpaid interest, if any.

The descriptions of the Underwriting Agreement, the Indenture, and the Officers' Certificate (including the terms of the Notes) set forth above are qualified in their entirety by the terms of such agreements, which are filed as Exhibit 1.1 hereto, Exhibit 4.1 to the Registration Statement, and Exhibit 4.1 hereto, respectively, and incorporated herein by reference.
