Forward-Looking Statement

The preceding includes forward looking statements, including statements regarding our ability to complete the Offer and other contemplated transactions, the impact of the proposed acquisition on our business and operations and our ability to integrate the business and operations of Fibrek with our own, which involve known and unknown risks and uncertainties which may not prove to be accurate. Actual results and outcomes may differ materially from what is expressed or forecasted in these forward-looking statements. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. Among those factors which could cause actual results to differ materially are the following: uncertainties as to the timing of the Offer and satisfaction of the conditions thereto, the outcome of any appeals of the Court of Québec's decision or related proceedings, our and Fibrek's ability to obtain required consents and approvals in connection with the transactions, the business of Fibrek and Mercer may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected, the highly cyclical nature of our business, raw material costs, our level of indebtedness, competition, foreign exchange and interest rate fluctuations, our use of derivatives, expenditures for capital projects, environmental regulation and compliance, disruptions to our production, market conditions and other risk factors listed from time to time in our SEC reports.
