MANAGEMENT PROXY CIRCULAR

SOLICITATION OF PROXIES

This Management Proxy Circular is furnished to the holders of common shares (**shareholders) of IVANHOE MINES LTD. (the **Corporation**) by management of the Corporation in connection with the solicitation of proxies to be voted at an Annual and Special Meeting (the **Meeting**) of the shareholders to be held at 9:00 AM, local time, on June 28, 2012 in the Metropolitan Room located at 837 West Hastings Street, Vancouver, British Columbia, and at any adjournment thereof, for the purposes set forth in the Notice of Meeting.**

The solicitation of proxies by management will be primarily by mail, but proxies may be solicited personally or by telephone by directors of the Corporation (**Directors**), officers and regular employees of the Corporation and its affiliates. All costs of this solicitation will be borne by the Corporation.

The Board of Directors of the Corporation (the **Board of Directors** or the **Board**) has fixed the close of business on May 25, 2012 as the record date, being the date for the determination of the registered shareholders entitled to receive notice of, and to vote at, the Meeting (the **Record Date**).

Unless otherwise stated, the information contained in this Management Proxy Circular is as of May 24, 2012. All dollar amounts are expressed in Canadian dollars (**C\$** or **Cdn\$**), United States dollars (**US\$**) or Australian dollars (**A\$**), as indicated.

APPOINTMENT OF PROXYHOLDERS

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders, to attend and act at the Meeting for the shareholder and on the shareholder's behalf.

The individuals named in the enclosed form of proxy (the **Form of Proxy**) are Directors and/or officers of the Corporation. **A shareholder may appoint, as proxyholder or alternate proxyholder, a person or persons other than any of the persons designated in the enclosed Form of Proxy, and may do so either by inserting the name or names of such persons in the blank space provided in the enclosed Form of Proxy or by completing another proper Form of Proxy.**

A shareholder forwarding the enclosed Form of Proxy may indicate the manner in which the proxyholder is to vote with respect to any specific item by checking the appropriate position. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the position opposite the item is to be left blank. The shares represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

An appointment of a proxyholder or alternate proxyholders will not be valid unless a form of proxy making the appointment, signed by the shareholder or by an attorney of the shareholder authorized in writing, is deposited with CIBC Mellon Trust Company, by facsimile to 1-866-781-3111 or 1-416-368-2502, by mail to P.O. Box 721, Agincourt, Ontario, M1S 0A1 or by hand to The Oceanic Plaza, 1600 1066 W. Hastings Street, Vancouver, British Columbia, V6E 3K9 or 320 Bay Street, Banking Hall Level, Toronto, Ontario, M5H 4A6 and received by CIBC Mellon Trust Company not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

REVOCATION OF PROXIES

A shareholder who has given a proxy may revoke the proxy:

- (a) by depositing an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing:
 - (i) with CIBC Mellon Trust Company, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used;
 - (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or an adjournment thereof, at which the proxy is to be used; or
 - (iii) with the chairman of the Meeting on the day of the Meeting or an adjournment thereof; or
- (b) in any other manner provided by law.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

EXERCISE OF DISCRETION

The persons named in the enclosed Form of Proxy will vote or withhold from voting the shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. **In the absence of such direction in respect of a particular matter, such shares will be voted in favour of such matter. The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified or referred to in the Notice of Meeting and this Management Proxy Circular and with respect to other matters which may properly come before the Meeting.** As of the date of this Management Proxy Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any such or other matters which are not now known to management should properly come before the Meeting, the shares will be voted on such matters in accordance with the best judgment of the persons named in the Form of Proxy.

VOTES NECESSARY TO PASS RESOLUTIONS

The Corporation's by-laws provide that the quorum for the transaction of business at the Meeting is at least one individual present at the commencement of the Meeting holding, or representing by Proxy the holder or holders of, common shares carrying, in the aggregate, not less than one-third (33 1/3%) of the votes eligible to be cast at the Meeting.

Under the *Yukon Business Corporations Act* (the "YBCA"), a simple majority of the votes cast by shareholders at the Meeting is required to pass an ordinary resolution and a majority of two-thirds of the votes cast at the Meeting is required to pass a special resolution.

VOTING BY NON-REGISTERED SHAREHOLDERS

Only registered shareholders of the Corporation or the persons they appoint as their proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are non-registered shareholders (Non-Registered Shareholders) because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. Shares beneficially owned by a Non-Registered Shareholder are registered either:

- (i) in the name of an intermediary (an Intermediary) that the Non-Registered Shareholder deals with in respect of the shares of the Corporation (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSAs and similar plans); or
- (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Meeting, this Management Proxy Circular, the Form of Proxy and the request form (collectively, the Meeting Materials) to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either be given:

- (a) a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a voting instruction form) which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the Form of Proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the Form of Proxy, properly complete and sign the Form of Proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) a Form of Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the Form of Proxy, this Form of Proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the Form of Proxy and deposit it with the Corporation, c/o CIBC Mellon Trust Company, Attn: Proxy Department, PO Box 721, Agincourt, Ontario M1S 0A1.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the shares of the Corporation they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the Form of Proxy and insert the Non-Registered Shareholder or such other person's name in the blank space provided. In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.

A Non-Registered Shareholder may revoke a Form of Proxy or voting instruction form given to an Intermediary by contacting the Intermediary through which the Non-Registered Shareholder's shares of the Corporation are held and following the instructions of the intermediary respecting the revocation of proxies. In order to ensure that an Intermediary acts upon a revocation of a proxy form or voting instruction form, the written notice should be received by the Intermediary well in advance of the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS

The Corporation's authorized capital consists of an unlimited number of common shares without par value (Common Shares) and an unlimited number of preferred shares without par value.

As of May 24, 2012, the Corporation had issued 741,386,789 fully paid and non-assessable Common Shares, each carrying the right to one vote. As of such date, no preferred shares were issued or outstanding.

- (a) the shareholder has transferred the ownership of any such share after the Record Date, and
- (b) the transferee produces a properly endorsed share certificate for, or otherwise establishes ownership of, any of the transferred shares and makes a demand to CIBC Mellon Trust Company no later than 10 days before the Meeting that the transferee's name be included in the list of shareholders in respect thereof.

To the knowledge of the Directors and senior officers of the Corporation, the only persons who beneficially own, or control or direct, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares, the approximate number of Common Shares so owned, controlled or directed and the percentage of voting shares of the Corporation represented by such shares, and the share ownership by the current Directors and senior officers of the Corporation as a group, in each case as at May 24, 2012, are:

The information as to shares beneficially owned, controlled or directed by Rio Tinto plc is not within the knowledge of the management of the Corporation and is based on public filings.
- (2) Common Shares are held directly (as to 22,782,421 shares) and indirectly through Newstar Securities SRL (as to 36,888,716 shares) and Goldamere Holdings SRL (as to 41,689,603 shares), each company beneficially owned and controlled as to 100% by Mr. Friedland. Notwithstanding the foregoing, Mr. Friedland has agreed to accept a commensurate amount of cash in lieu of Common Shares upon the valid exercise of the aforementioned incentive stock options. - (3) Common Shares held by the Directors and senior officers as a group do not include (i) 2,692,016 unissued Common Shares issuable upon the exercise of incentive stock options, 1,480,441 of which are currently vested and exercisable and 1,211,575 of which are Withheld Benefits (as defined herein) and are not presently exercisable; or (ii) 62,500 bonus shares, which as Withheld Benefits (as defined herein), have not yet been issued.
- (4) The information as to shares beneficially owned, controlled or directed by a nominee is not within the knowledge of the management of the Corporation and has been furnished by the nominee.

In addition to the foregoing, the Corporation has also issued or agreed to issue the following securities convertible into Common Shares (collectively, the MOA Convertible Securities):

- (i) **Anti-Dilution Subscription Right** In connection with the Memorandum of Agreement dated April 17, 2012, as amended May 22, 2012 (the MOA) amongst Rio Tinto International Holdings Limited (RTIH) and Rio Tinto South East Asia Limited (Rio Tinto Funding Company) and collectively with RTIH and their respective affiliates, Rio Tinto), Rio Tinto was issued the right (the Anti-Dilution Subscription Right) to subscribe from time to time for Common Shares in respect of any dilution of Rio Tinto 's equity ownership position as a result of the issuance of Common Shares pursuant to incentive stock options (i) that were exercised prior to the date of the MOA, or (ii) that remain outstanding and are exercised after the date of the MOA. The Anti-Dilution Subscription Right will remain exercisable until the 20th business day following receipt of notice by Rio Tinto that the last such outstanding incentive stock option has been exercised or expired. The subscription price per Common Share under the Anti-Dilution Subscription Right will be the volume weighted average price of a Common Share on the TSX during the five (5) trading days immediately before the applicable date of exercise. The Anti-Dilution Subscription Right may only be exercised to purchase up to a maximum of 19 million Common Shares, subject to adjustment pursuant to the terms of the Anti-Dilution Subscription Right.
- (ii) **Series D Warrants** In connection with the filing of the Corporation 's preliminary prospectus on May 22, 2012 in connection with a proposed offering of rights to purchase Common Shares (the 2012 Rights Offering), the Corporation issued to Rio Tinto share purchase warrants (the Series D Warrants) exercisable to purchase an additional 55 million Common Shares. Each Series D Warrant is exercisable to purchase one Common Share at any time until the third anniversary of the date of issuance at a price of (i) prior to the closing date of the 2012 Rights Offering (the Closing Date), US\$10.84, and (ii) after the Closing Date, the median (rounded to the nearest cent) of the NRO Exercise Price (as defined below) and US\$8.89, being the US dollar volume weighted average price of a Common Share on the NYSE over the five (5) trading days immediately before May 22, 2012.

The NRO Exercise Price is the price obtained by multiplying US\$12.79 by a fraction (i) the numerator of which is the aggregate of (A) the number of Common Shares outstanding as of the record date of the 2012 Rights Offering (the 2012 Rights Offering Record Date) and (B) a number determined by dividing the product of the subscription price for each Common Share offered pursuant to the 2012 Rights Offering and the number of Common Shares subscribed for or purchased under the 2012 Rights Offering by the volume weighted average trading price per Common Share at which the Common Shares have traded on the NYSE for the twenty (20) consecutive trading days before the 2012 Rights Offering Record Date, and (ii) the denominator of which is the number of Common Shares outstanding immediately after the completion of the 2012 Rights Offering and, if applicable, the Standby Commitment on the Closing Date. In no event will the NRO Exercise Price be lower than US\$8.89.

Rio Tinto also has, among other rights and entitlements, pre-emptive contractual rights to participate, subject to certain specific exceptions, in future issuances of Common Shares on a basis sufficient to maintain its percentage interest in Common Shares and Series D Warrants on economic terms equivalent to those upon which any such Common Shares are issued to third parties. Rio Tinto also has a right of first offer, subject to certain specific exceptions, in respect of any equity financing that the Corporation proposes to undertake prior to October 24, 2012.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Additional Director Appointees

The MOA between the Corporation and Rio Tinto provides that the Board will consist of 13 Directors, that a majority of Directors are to be independent (as further described in *Nomination Rights* on page 24 of this Management Proxy Circular) and that Robert Friedland will be entitled to nominate two nominees for election as Directors. Pursuant thereto, management has nominated nine of the 11 nominees for election at the Meeting and Mr. Friedland has nominated two.

Management has also proposed Charles Lenegan and Jeffery D. Tygesen for appointment as Directors. Mr. Tygesen is a non-independent nominee as a result of his position as an executive officer within the Rio Tinto Group. Mr. Lenegan, formerly an executive officer within the Rio Tinto Group, retired from Rio Tinto Alcan on June 30, 2009 and has had no engagement with the Rio Tinto Group since that time. However, because Mr. Lenegan received retirement benefits from Rio Tinto in excess of Cdn \$75,000 on July 23, 2009, he is deemed to have a material relationship with Rio Tinto until the third anniversary of such payment under the applicable provisions of National Instrument 52-110, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules. The Board has reviewed Mr. Lenegan's independence and has concluded that, save for the above payment, he is in all other respects independent, and does not otherwise have a direct or indirect material relationship with Rio Tinto or the Corporation and will meet the qualifications for appointment as an independent director of the Corporation on July 24, 2012.

Accordingly, in order to ensure that the provisions of the MOA requiring a majority of independent Directors are not breached, it is proposed that the appointments of Charles Lenegan and Jeffery D. Tygesen (together, the *Additional Director Appointees*) as the final two Directors to complete the Board of 13 as prescribed under the MOA be deferred. Section 107(4) of the YBCA and the Corporation's Articles permit the Board to appoint one or more additional Directors to serve until the next annual general meeting provided such additional number of Directors does not exceed one third of the number of Directors who held office at the expiration of the last annual general meeting of the Corporation. Accordingly, it is proposed that the *Additional Director Appointees* will be appointed as Directors at the first meeting of the Board held after July 24, 2012.

The following tables set out information with respect to each of the *Additional Director Appointees*, including their ages, all major offices and positions with the Corporation and any of its significant affiliates each now holds, their principal occupation, business or employment, the number of Common Shares beneficially owned, or controlled or directed, directly or indirectly, by each as at May 24, 2012, and the number of options to purchase Common Shares and securities in the capital of the Corporation's publicly traded subsidiaries held by each as at May 24, 2012.

All services to be performed by the Corporation s independent auditor must be approved in advance by the Audit Committee or a designated member of the Audit Committee (Designated Member). The Designated Member is a member of the Audit Committee who has been given the authority to grant pre-approvals of permitted audit and non-audit services.

The Audit Committee has considered whether the provision of services other than audit services is compatible with maintaining the auditors independence and has adopted a policy governing the provision of these services. This policy requires the pre-approval by the Audit Committee or the Designated Member of all audit and non-audit services provided by the external auditor, other than any *de minimis* non-audit services allowed by applicable law or regulation. The decisions of the Designated Member to pre-approve a permitted service are reported to the Audit Committee at its regularly scheduled meetings.

Compensation Discussion and Analysis

Executive Summary

The purpose of the Corporation's compensation program for senior executives is to link compensation levels to performance, provide incentives to attract, motivate and retain qualified and experienced executives, to align the interests of senior executives with shareholders, to encourage and reward high performance, and to provide fair, transparent and defensible compensation.

The Board, through its Compensation and Benefits Committee (the Compensation Committee) is committed to the transparent presentation of its compensation program.

The three principal elements that make up the compensation program are: base salary, performance bonus and long term incentives.

Direct compensation levels for NEOs for 2011 were targeted at the 75th percentile of market for the three most senior positions (Chief Executive Officer, Deputy Chairman and President) and at between the median and 75th percentile for Chief Financial Officer and the Executive Vice President. This Compensation philosophy is a target only, with flexibility to provide compensation at a higher or lower percentile.

Compensation decisions for bonus and long term incentives awarded to NEOs for 2011 performance were made on a subjective discretionary assessment by the Compensation Committee and the Board based on the NEO's respective contributions and corporate achievements during 2011. In making these decisions, considerable weight was given by the Compensation Committee and the Board to the small size of the Corporation's executive team handling multiple important functions and to the importance of retaining these executives at a significant time in the Corporation's development.

In 2011 the NEOs were:

Robert Friedland Former Chief Executive Officer

John Macken Former President

Peter Meredith Former Deputy Chairman

Tony Giardini Former Chief Financial Officer

Steve Garcia Executive Vice President

Recent Developments Related to NEOs

Concurrent with the execution of the MOA on April 17, 2012:

- (i) Robert Friedland (Chief Executive Officer), Tony Giardini (Chief Financial Officer), John Macken (President), Sam Riggall (Executive Vice President, Business Development and Strategic Planning) and Peter Meredith (Deputy Chairman) resigned as officers of the Corporation; and
- (ii) Kay Priestly (Director) was appointed as interim Chief Executive Officer of the Corporation and Catherine Barone (Vice-President, Finance) was appointed as interim Chief Financial Officer of the Corporation. On May 1, 2012, Kay Priestly was appointed as Chief Executive Officer and Chris Bateman was appointed as Chief Financial Officer.

Compensation Committee

The Corporation's executive compensation program is administered by the Compensation Committee. The Compensation Committee's responsibilities include the following:

Reviewing and approving corporate goals and objectives relevant to the Chief Executive Officer's compensation, by evaluating the Chief Executive Officer's performance and setting his compensation level;

Reviewing and making recommendations to the Board with respect to the adequacy and form of compensation and benefits of all executive officers and directors;

Administering and making recommendations to the Board with respect to the Corporation's incentive compensation plans and equity-based plans;

Determining the recipients of, the nature of, and size of share compensation awards and bonuses granted from time to time; and

Preparing any report as may be required under applicable securities law, stock exchange, and any other regulatory requirements. The Compensation Committee met eight times during the year. At the beginning of 2011, the Compensation Committee consisted of Messrs. David Korbin (Chair), Howard Balloch, Marc Faber and Ms. Livia Mahler, all independent Directors. Mr. Howard Balloch left the Committee in July 2011 and Mr. Robert Holland was appointed to Committee in August 2011. Messrs. David Korbin and Marc Faber and Ms. Livia Mahler left the Committee in April 2012. Messrs. Michael Gordon and David Huberman were appointed to the Committee in April 2012. Messrs. Michael Gordon, David Huberman and Robert Holland left the Committee in May 2012. Ms. Mahler was reappointed to the Committee in May 2012.

The Compensation Committee is currently made up of the following members, all of whom are independent Directors and have experience in dealing with compensation matters:

Mr. R. Peter Gillin was elected Chair of the Compensation Committee in May 2012. He also serves as the chair of the compensation committees of two public companies and serves on the compensation committee of another public company. Mr. Gillin has experience in establishing compensation and has attended several conferences on executive compensation and compensation committee responsibilities.

Ms. Isabelle Hudon serves as board chair of a Canadian public university and has broad experience in benchmarking and compensation policies and practices.

Ms. Livia Mahler is currently serving on the compensation committee of another public company and has experience developing and negotiating compensation packages for senior management members which included fixed salary components and performance based bonus and equity schemes.

The Compensation Committee assists the Board in fulfilling its responsibilities relating to compensation issues and human resources. The Compensation Committee endeavours to ensure that the Corporation has an executive management compensation plan that is both competitive and motivational so that it will help attract, retain and inspire performance of the Corporation's executive management of a quality and nature that will enhance the sustainable growth and success of the Corporation.

In establishing compensation policies for senior executives, the Compensation Committee takes into consideration the recommendations of management. The Compensation Committee may seek compensation advice where appropriate from external consultants. When the Compensation Committee considers it necessary or advisable, it may retain, at the Corporation's expense, outside consultants or advisors to assist or advise the Compensation Committee on any matter within its mandate. The Compensation Committee has the sole authority to retain and terminate any such consultants or advisors. Management also engages consultants from time to time to assist in making compensation proposals for consideration by the Compensation Committee and the Board.

The Compensation Committee engaged Mercer (Canada) Limited (Mercer) in 2007 to assist the Compensation Committee with compensation matters and, as part of this engagement, Mercer assisted in preparing an executive compensation model for the Corporation. This model was approved by the Compensation Committee in October 2007 and was formally adopted by the Board of Directors in March 2008. Mercer also provides ongoing support to the Compensation Committee from time to time in determining compensation for the Corporation's executive officers.

In 2011, the Compensation Committee retained Mercer to assess and report on the market competitiveness of executive compensation levels at the Corporation and to provide advice on management proposals for 2012 salary increases and awards under the Corporation's incentive plans for 2011 performance (the 2011 Mercer Report). During 2011, Mercer also provided advice in connection with compensation issues related to the transition of the Lead Director to the non-executive Board Chair role and in respect of director compensation levels.

Management retained Roger Gurr and Associates (Gurr) of Vancouver in 2010 to assist management in making compensation proposals to the Compensation Committee. In 2011 management again engaged the services of Gurr to assist them in making proposals to the Compensation Committee in respect of compensation levels (salary, bonus and value of long-term incentives) to be provided to top-level executives in 2012. In addition, Gurr was independently retained by the Compensation and Benefits Committee of the board of directors of SouthGobi during 2010 and 2011 to provide executive compensation advice for executive officers of SouthGobi.

Executive Compensation-Related Fees

Mercer received Cdn\$97,335 in 2010 and Cdn\$52,689 in 2011 in connection with its executive compensation advice to the Compensation Committee. Mercer's fees of Cdn\$52,689 in 2011 were comprised of Cdn\$44,289 for executive compensation matters and Cdn\$8,400 in respect of Board, Chair and Director compensation matters. Gurr received Cdn\$68,656 in 2010 and Cdn\$74,088 in 2011 in connection with its compensation advice to management, regarding executive compensation.

All Other Fees

In consideration of its services to the Compensation and Benefits Committee of SouthGobi, Gurr received Cdn\$43,848 in 2010 and Cdn\$48,496 in 2011.

Compensation Philosophy and Goals

The guiding principles for the Corporation's executive compensation philosophy, each having approximately an equal level of importance, are as follows:

to ensure a strong link between compensation levels and performance in relation to the Corporation's key short and long-term performance metrics;

to facilitate the attraction, motivation, and retention of high quality executive talent;

to provide fair, transparent, and defensible compensation;

to encourage and reward high performance; and

to align the Corporation's executives' interests with those of its shareholders.

In applying these principles during what is still the developmental period of the Corporation's growth, the Compensation Committee maintains a degree of flexibility and subjectivity in making compensation recommendations, rather than applying structural objective compensation processes that are appropriate for a company whose major assets are in production. In light of recent corporate developments and management changes, the Compensation Committee expects to review its compensation policies for senior management during 2012 with the assistance of compensation consultants to the extent deemed advisable.

How the Compensation Committee Arrives at its Compensation Recommendations

The Compensation Committee reviews and recommends the compensation philosophy and guidelines for the Corporation which includes reviewing, for recommendation to the Board of Directors, the compensation of senior executive officers and employees, including annual salary and incentive policies and programs. The Compensation Committee bases its recommendations to the Board of Directors on its compensation philosophy and on the performance of the individual and the Corporation. The Compensation Committee seeks compensation advice from its compensation consultants to provide support to the Compensation Committee in determining compensation for the Corporation's officers.

The Compensation Committee periodically reviews the terms of reference for the Corporation's Chief Executive Officer and recommends any changes to the Board of Directors for approval. It reviews corporate goals and objectives with respect to the Chief Executive Officer's compensation and leads the Chief Executive Officer review process.

In the fall of each year, the Compensation Committee reviews the total compensation of the senior executive officers, including salaries, target bonus award opportunities, target annual long-term incentive award values, other compensation elements, and other practices related to compensation. The Compensation Committee then sets each executive's compensation target for the following year. Typically, this involves establishing his or her salary and annual bonus opportunities and granting long-term equity incentive awards. Regular salary adjustments become effective on January 1 of the following year. The Compensation Committee's recommendations are reviewed and, if deemed appropriate, ratified by the Board.

The Compensation Committee works with the senior executives of the Corporation to evaluate their performance and set the compensation for their positions. Management presents compensation recommendations for each of the executive officers, including proposed salary adjustments, target bonus awards and long-term incentive award values. The Compensation Committee determines the appropriateness management's proposals based on the market data and recommended framework provided by Mercer and its own evaluation of the individuals' past and expected future performance.

Ultimately, recommendations made by the Compensation Committee are the responsibility of the Compensation Committee and may reflect factors and considerations other than the information and recommendations provided by Mercer. The Compensation Committee also considers a variety of qualitative factors, including the business environment in which the Corporation operates, as well as the stage of the Corporation's development. Thus, the compensation of its executives is not determined by any specific formula. The Compensation Committee and the Board retain a significant level of discretion in making compensation decisions, particularly in assessing corporate and individual performance in the determination of bonus compensation. The Compensation Committee and the Board also retain flexibility in making compensation awards outside of the compensation plan framework where circumstances justify such awards.

In making compensation decisions, the Compensation Committee and the Board regularly assess, as part of their respective deliberations, the risks associated with the Corporation's compensation policies and practices. The actual bonus and long term incentive compensation decisions made in 2011 were subjective and discretionary within the Board targeted compensation framework, and, accordingly, compensation is not tied to particular metrics which could be distortive and import risk. In assessing performance, the Compensation Committee and the Board consider multiple short and long term factors, including contribution to shareholder value, corporate business objectives, regulatory and other compliance factors and risk minimization.

Executive compensation (including the salary ranges, target bonuses, and long-term incentive grants) is reviewed on an annual basis and adjusted in accordance with changes in the market and market conditions, while also taking into account the Corporation's stage of development, to ensure that its compensation remains competitive and aligns with the Corporation's compensation philosophy and market conditions.

Peer Comparator Group

A specific comparator group of publicly-traded companies has been developed annually based on research conducted by Mercer and input from the Compensation Committee and management. The selection criteria for the companies included: significant project development activities underway, project developments and/or operations in complex, international locations, and with a market capitalization within a reasonable range of the Corporation's current market capitalization.

The comparator group listed below was used to benchmark base salary, annual incentives, and long term incentives. For 2011, Mercer conducted a review of market executive compensation levels. At the outset of the review, updated background information on the Corporation, the executives' roles and responsibilities, and current compensation philosophy and programs were provided to Mercer by representatives of the Compensation Committee and management. The peer comparator group of companies was reviewed, to confirm whether or not the companies included were still relevant to the Corporation. Mercer then compiled and analyzed market compensation information about the peer comparator companies. The Compensation Committee believes that this peer comparator group represents the market for the attraction and retention of qualified executive talent.

The comparator organizations used for compensation decisions made during 2011 were Agnico Eagle Mines Ltd., AngloGold Ashanti Ltd., Cameco Corp., Eldorado Gold Corp., First Quantum Minerals Ltd., Fortescue Metals Group Ltd., Gold Fields Ltd., IAMGOLD Corp., Kinross Gold Corp., Newcrest Mining Ltd., Randgold Resources Ltd., and Yamana Gold Inc. This group differs from 2010, in that Centerra Gold Inc., Lundin Mining Corp., and Petropavlovsk PLC were excluded because of their smaller relative market capitalizations, and AngloGold Ashanti and Gold Fields Ltd. were added.

The Compensation Committee compares the Corporation's executives to the incumbents in the comparator group that appear to be performing similar job functions. Where market data for the functional roles was not available, data was provided on a ranking basis (for the ranking match, the top five executives in the comparator organizations are ranked in order of their total cash compensation from highest to lowest). The Corporation's executives are matched to the comparator group executives on the same basis.

Executive Compensation Programme

As a basis for its compensation recommendations in respect of 2011, the Compensation Committee set the target compensation for the Chief Executive Officer, Deputy Chairman and President at the 75th percentile for the executives in equivalent positions in the Corporation's peer comparator group. The target for the Chief Financial Officer and Executive Vice President were initially set at median level for purposes of setting 2011 salary levels, but this was reassessed during the compensation deliberations during the fall of 2011 and the target was reset at between the median and the 75th percentile to reflect both the importance of, and expanded responsibilities entailed in, these roles during the course of 2011. The Compensation Committee and the Board retain the ability to deliver compensation at a higher percentile of the market when performance warrants such determination.

In light of recent corporate developments and management changes, the Compensation Committee expects to review its compensation policies for senior management during 2012 with the assistance of compensation consultants to the extent deemed advisable.

Compensation Elements

The compensation of the Corporation's senior executives is comprised of three principal components: base salary, annual performance bonuses (in cash or fully paid Common Shares, or a combination thereof) and long term equity incentives. The Corporation does not maintain a pension plan or other long term compensation plan for its senior executives. Eligible employees, including officers, designated by the Board on the recommendation of the Compensation Committee may participate in the Corporation's Share Purchase Plan under the Corporation's Employees and Directors' Equity Incentive Plan (the "Equity Incentive Plan").

The following summarizes the primary purpose of each rewards element and its emphasis within the total rewards package:

Base salary Base salary is paid in cash and is the fixed amount of compensation for performing day-to-day responsibilities.

Annual Performance Bonus Annual bonus awards (paid in cash or Common Shares, or a combination thereof) are earned for achieving short-term goals and other strategic objectives measured over the current year.

Long-Term Incentive Awards Long-term incentive awards are granted to retain executives, build executive ownership, and align compensation with achievement of the Corporation's long-term goals, creating shareholder value and achieving strategic objectives as measured over multi-year periods.

In making compensation recommendations in respect of these elements, the Compensation Committee considers both the cumulative compensation being granted to executive officers of the Corporation as well as internal comparisons amongst the Corporation's executives.

In exceptional circumstances, the Compensation Committee will also consider awarding special recognition awards to senior executives, employees and other individuals, where certain special corporate achievements occur as a result of the significant efforts, particularly where such achievements provide for significant increases in shareholder value.

Annual Salary Compensation

Under the Corporation's compensation plan, salaries are reviewed on an annual basis in conjunction with the annual performance review, and salary adjustments for the following year are considered based on a variety of factors, including the individual's performance and contributions, improvements in job proficiency, retention risks and concerns, succession requirements, and compensation changes in the market.

For 2011, NEO salaries were set at the end of 2010 and reflected a median percentile of comparator group target pay position for the Chief Financial Officer and Executive Vice President and at a 75% percentile for the more senior NEO positions.

The following table sets forth the salaries of the NEOs for 2010, 2011 and 2012 with the respective percentage increases in salary over such periods.

- (1) Mr. Friedland received no salary in 2010 for his role as the Corporation's Executive Chairman and from October 2010, as its Chief Executive Officer. Commencing in January 2011, Mr. Friedland received a salary for his role as Chief Executive Officer. Mr. Friedland resigned as Executive Chairman as of May 2011 and Chief Executive Officer as of April 2012.
- (2) Pursuant to the MOA, Messrs. Friedland, Macken, Meredith and Giardini resigned in April 2012.
- (3) Mr. Meredith's salary was set by the Corporation but was allocated among the Corporation and certain other subsidiaries and related companies. For 2010, a salary of US\$549,198 was paid by the Corporation and for 2011, a salary of \$600,662 was paid by the Corporation. The calculation in this table assumes 100% of Mr. Meredith's salary was paid by the Corporation.
- (4) Mr. Giardini's salary was payable in Canadian dollars. The US dollar equivalent of Mr. Giardini's salary was obtained by dividing his Canadian dollar salary in 2012 and 2011 by C\$0.9891/US\$1.00, the Bank of Canada average noon exchange for 2011, and in 2010 by C\$1.0299/US\$1.00, the Bank of Canada average noon exchange rate for 2010.
- (5) Mr. Garcia's salary is paid to a services corporation that provides Mr. Garcia's services to the Corporation. The NEO salary increases for 2012 were based on target salaries set at the median and 75th percentile of the peer comparator group for all NEOs. Mr. Giardini received a proportionately higher increase in part to reflect his position being reassessed at a higher target level, in part to reflect the expanded responsibilities of his position during 2011 and in part for retention purposes.

Annual Bonus Compensation

Executive officers are eligible for annual bonus compensation. Annual bonus awards are earned for both individual and corporate performance. In certain years, annual bonus awards are more formalized based on an allocation of corporate, business unit performance and individual performance. In 2011, this structure was not followed and specific compensation related goals and metrics were not established. Accordingly, bonus decisions were based on a subjective discretionary assessment of corporate and individual performance by the Compensation Committee and the recommendation of their findings to the Board.

Under the annual bonus plan, target awards (as a percentage of base salary) are based on relevant market data for the peer comparator group and target pay positioning which, for 2011 annual bonuses were set at the 75th percentile of the peer comparator group for the Chief Executive Officer, Deputy Chairman and President and between the median and 75th percentile for the remaining two NEOs. Actual bonuses awarded were based on a discretionary subjective assessment of corporate and individual performance and retention considerations.

The table below sets forth the cash bonuses awarded as a percentage of 2011 salary, total cash compensation for 2010 and 2011 and the percentage increase in total cash compensation from 2010 to 2011.

	2011 Cash Bonus US\$	2011 Cash Bonus as % of Salary	2010 Cash Compensation (Salary and Bonus) US\$	2011 Cash Compensation (Salary and Bonus) US\$	% Increase in Cash Compensation (2010-2011)

- (1) Mr. Friedland did not receive a salary or bonus in 2010, but did receive a special recognition award, of which US\$3,390,665 was received in cash. See Other Compensation for Robert Friedland in 2010 in the Summary Compensation Table for the Corporation below.
- (2) Pursuant to the MOA, Messrs. Friedland, Macken, Meredith and Giardini resigned in April 2012.
- (3) Mr. Meredith's salary was set by the Corporation but was allocated among the Corporation and certain other subsidiaries and related companies. For 2011, a salary of US\$600,662 was paid by the Corporation and for 2010 US\$549,198 was paid by the Corporation. The calculation in this table assumes 100% of Mr. Meredith's salary was paid by the Corporation.
- (4) Mr. Giardini's salary was payable in Canadian dollars. The US dollar equivalent of Mr. Giardini's salary and bonus was obtained by dividing his Canadian dollar salary in 2011 by C\$0.9819/US\$1.00, the Bank of Canada average noon exchange rate for 2011, and in 2010 by C\$1.0299/US\$1.00, the Bank of Canada average noon exchange rate for 2010.
- (5) Mr. Garcia's bonus is paid to a services corporation that provides Mr. Garcia's services to the Corporation.

In setting bonus compensation for 2011, the Compensation Committee determined that bonus compensation at 1.4 to 1.5 times target for each of the NEOs was warranted for both retention considerations and in light of the following key corporate factors: the relatively small executive team handling multiple responsibilities; the importance of retaining the executive team at a significant time in the Corporation's development and the development of the Corporation's complex project at Oyu Tolgoi being ahead of schedule and on budget as at the time 2011 compensation decisions were taken. In setting Mr. Friedland's bonus the Compensation Committee noted his overall leadership and his role as the principal interface for the Corporation with important stakeholders. Mr. Meredith was rewarded for his overall management of the Corporation's activities both in relation to Oyu Tolgoi and the Corporation's other interests, as well as his role in respect of certain strategic relationships. Messrs. Macken and Garcia were rewarded principally for their valued technical and strategic experience in developing complex projects and their overall importance to the development of the Oyu Tolgoi project and the interim successes achieved in relationship to its development. Mr. Giardini was singled out for particular recognition, through a relatively larger bonus as a percentage of his salary, for the important leadership role he played during 2011 for the Corporation, noting the expansion of his role to include many additional duties, and the particular role he played as team leader for project finance.

Special Bonus Arrangements for Steven Garcia, Executive Vice-President

In December 2011, the Corporation entered into a bonus arrangement in respect of the personal services of Mr. Garcia provided by a services corporation. Under this arrangement, the services corporation will receive a cash bonus of US\$1 million upon the principal construction contractor at the Oyu Tolgoi project receiving its completion fee for substantial completion of the Oyu Tolgoi plant construction, provided Mr. Garcia's services have not been terminated at the election of the services corporation at such completion date. A proportionate amount of the bonus in respect of Mr. Garcia's services may become payable as of the date such contractor earns, or is deemed to earn, its completion fee as a result of any amendments to the contractual arrangements with such contractor. If the Corporation terminates its services arrangement with Mr. Garcia's services corporation for any reason other than cause, this bonus will also be payable. The Compensation Committee recommended this arrangement as a more appropriate manner of incentivizing Mr. Garcia to continue to provide his very important services in the construction of the project, recognizing that his role was not expected to be of a long term duration, and that, accordingly, this bonus arrangement was more appropriate than a grant of long term incentives in the form of stock options.

Long-Term Incentives Stock Option Awards

An equity incentive component in the form of options is a key part of the executive's overall compensation package, reflecting the Corporation's belief that stock options offer an effective mechanism for incentivizing management and aligning the interests of its executive officers with those of the Corporation's shareholders. Since the Corporation does not grant incentive stock options at a discount to the prevailing market price of the Common Shares, the incentive stock options the Corporation grants to its executive officers accrete value only if, and to the extent that, the market price of the Common Shares increases, thereby linking equity-based executive compensation to shareholder returns.

Target long-term incentive awards under the Corporation's compensation plan are based on relevant market data for the peer comparator group and target pay positioning at the appropriate market level for total direct compensation (base salary, bonus and annual and long-term incentive compensation). The dollar value of the long-term incentive award is converted to the appropriate number of stock options at the time of the award, using a valuation methodology based on the details of the grant.

The Compensation Committee also considers the current total potential dilution under the Equity Incentive Plan (i.e., the number of stock options issued and unexercised, full-value share grants outstanding, and the number of shares reserved for the future issuance of equity, expressed as a percentage of Common Shares outstanding) of the Corporation and the peer comparator companies.

The actual award to the executive may be adjusted upwards or downwards relative to target, depending on the Compensation Committee's evaluation of each executive officer's ability to influence long-term success of the Corporation, and to provide an incentive to encourage outstanding individual performance and contributions. The Compensation Committee also considers each executive's stock option position, and may, in certain circumstances, grant options with performance-based vesting criteria.

The Compensation Committee accepts in principle the merits of performance related vesting for stock options, and the Corporation has in the past included performance contingent or performance accelerated vesting for many of its stock option grants. The Compensation Committee did not award performance contingent options to its NEOs during 2011.

Under the Corporation's compensation plan, new stock option grants will normally have terms of seven years and will be made to executive officers on an annual basis. Vesting of the stock options will generally be based on time, with 25% instalments vesting only on each anniversary of the original date of grant; provided, however, that upon a termination of employment of an option holder without cause following a change of control of the Corporation, all outstanding options become fully vested.

Pursuant to the MOA, the Corporation has agreed that it will not, without obtaining the prior written consent of RTIH, issue any equity incentive securities or equity compensation securities in favour of any directors, officers, employees or service providers of the Corporation or its subsidiaries, other than the issuance of Common Shares upon the exercise of outstanding stock options previously granted under the Equity Incentive Plan, as such options may be adjusted with the terms therein. For more information on such restrictions, see the MOA, which is available for viewing by the public at the System for Electronic Document Analysis and Retrieval (SEDAR) via the Internet at www.sedar.com.

Option Grants for 2010 Deferred to January 2011

As a result of corporate activities during the fourth quarter of 2010, the Board determined that the annual grant of long term incentive options would be deferred until such time that it was deemed appropriate. On January 29, 2011, following the conclusion of certain corporate events, the Board of Directors granted options to purchase Common Shares under its Equity Incentive Plan to the NEOs as follows: Mr. Friedland 300,000 options; Mr. Macken 220,000; Mr. Meredith 220,000 options; Mr. Giardini 120,000 options and Mr. Garcia 120,000 options. Such options are exercisable at a price of C\$27.83 and (i) in the case of Mr. Garcia, vested 25% on the first anniversary from the date of grant, and will vest as to 25% each subsequent year upon anniversary, until fully vested, and (ii) in the case of Mr. Friedland, Macken, Meredith and Giardini, vested 25% on the first anniversary from the date of grant, with the remainder having fully vested pursuant to the acceleration provisions in the Equity Incentive Plan, which were triggered in connection with the MOA and the Mutual Releases dated April 17, 2012 between the Corporation, RTIH and such executives (Acceleration Event); however such options are not presently exercisable pending the approval of the Withheld Benefits (as defined below). For more information on the Withheld Benefits, see Executive Compensation Withholding of Certain Termination Benefits in favour of Former Executives on page 51 of this Management Proxy Circular.

Option Adjustments Related to Rights Offering

All incentive stock options issued to the Corporation's directors, employees and service providers, including the NEOs prior to the 2011 Rights Offering Record Date, were adjusted to ensure that the holders of such options retained an equivalent share capital entitlement underlying their options after the completion of the 2011 Rights Offering as such holder enjoyed prior to such offering and the resulting dilutive issuance of Common Shares under such offering.

Option Grants Related to 2011 Compensation

In November 2011, the following long term incentive options were granted to NEOs under the Corporation's Equity Incentive Plan: Mr. Friedland 400,000 options; Mr. Macken 350,000 options; Mr. Meredith 350,000 options; and Mr. Giardini 200,000 options. Mr. Garcia did not participate in the November 2011 option grants in light of the special bonus arrangements put in place for Mr. Garcia in the fourth quarter of 2011 discussed above under the heading Special Bonus Arrangements for Steven Garcia, Executive Vice President . Such options are exercisable at a price of C\$21.44 and have fully vested pursuant to the Acceleration Event; however such options are not presently exercisable pending the approval of the Withheld Benefits (as defined below). For more information on the Withheld Benefits, see Executive Compensation Withholding of Certain Termination Benefits in favour of Former Executives on page 51 of this Management Proxy Circular.

Total direct compensation for the 2011 fiscal year for the NEOs inclusive of salary, incentive bonus and these stock option awards (exclusive of the option grants deferred until January 2011, the option adjustments related to the 2011 Rights Offering and Mr. Garcia's bonus rights discussed above) results in the overall positions of the NEOs as a group falling between the median and the 75th percentile of the peer comparator group.

Other Elements of Executive Compensation

The Corporation does not provide a pension plan for its executive officers.

Executive officers, once eligible, are entitled to participate in the Corporation's share purchase plan, pursuant to which the Corporation will contribute a sum equal to 50% of such officers' contributions of up to a maximum of 7% of base salary. Each of Messrs. Macken, Giardini, Meredith, and Garcia participated in the share purchase plan. See Summary Compensation Table for the Corporation below.

In addition, the Corporation provides and/or provided a life insurance benefit to each of Messrs. Macken, Meredith, Giardini and Garcia. See Summary Compensation Table for the Corporation below.

As part of Mr. Garcia's contractual arrangements, he receives a housing benefit, given his location in Mongolia, which in 2011 was valued at US\$38,605 and income and social taxes in 2011 of US\$113,993. See Summary Compensation Table for the Corporation below.

Compensation in relation to Public Company Subsidiaries

The compensation disclosure requirements of NI 51-102 require the inclusion of compensation details in respect of income earned from, or in respect of, subsidiaries of the Corporation. See Summary Compensation Table for the Corporation below.

SouthGobi Resources Ltd.

³ On April 1, 2012, the Corporation entered into a lock-up agreement (the "SGQ Lock-up Agreement") with Aluminum Corporation of China Ltd. ("CHALCO") in connection with a proportional takeover bid (the "SGQ Takeover Bid") that CHALCO proposes to make for up to 60%, but not less than 56%, of the common shares of SouthGobi at Cdn.\$8.48 per share. The Lock-up Agreement provides for a "hard" lock-up covenant by the Corporation pursuant to which it (i) must tender all of its common shares of SouthGobi to the SGQ Takeover Bid, (ii) is precluded from tendering or voting any of its common shares of SouthGobi to, or in favour of, any other acquisition proposal relating to SouthGobi, and (iii) must vote against other acquisition proposals or actions which might prevent, delay or interfere with the successful completion of the SGQ Takeover Bid.

Ivanhoe Australia Limited

The Corporation owns 326,155,332 of the issued and outstanding ordinary shares of Ivanhoe Australia as at May 24, 2011, representing 58.9% of the issued and outstanding ordinary shares of Ivanhoe Australia as at such date. None of the Corporation's senior executives received compensation from Ivanhoe Australia during 2011.

Other Corporate Policies

While it has not been a formal requirement of the Corporation, the Corporation's senior executives are encouraged to hold a share ownership position in the Corporation. The Corporation does not have a policy to recoup or claw back incentive compensation based on achieving performance targets that were later restated as the Corporation at this stage does not base incentive plan compensation on the achievement of objective metrics. NEOs and Directors are not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or Director in accordance with the Corporation's Corporate Disclosure, Confidentiality and Securities Trading Policy.

Performance Graph

The following graph and table compares the cumulative shareholder return on a C\$100 investment in Common Shares to a similar investment in companies comprising the S&P/TSX Composite Index, including dividend reinvestment, for the period from December 31, 2006 to December 31, 2011.

In 2007, 2008 and 2011, the Corporation's share price performance has trended downwards and in the other years in the chart above the Corporation's share price performance has trended upwards. Over this period cash compensation has generally increased in response to both competitive and retention demands and market benchmarking. The value of long term incentive compensation in the form of stock options is influenced by the Corporation's share price performance.

- (6) The Corporation does not presently have a pension plan for any of its executive officers, including its NEOs.
- (7) The Corporation used the closing TSX share price for determining fair value of special recognition awards and bonus shares granted as at the grant date. The conversion rate for the grant is the rate on the date the grant is made in Canadian currency. In 2010, such rate was C\$1.0001/US\$1.00; in 2011 and 2009, no grants were made.

- (8) The Corporation uses the Black-Scholes option-pricing model for determining fair value of stock options issued as at the grant date. The Black Scholes option-pricing model requires the input of subjective assumptions, including the expected term of the option award and stock price volatility. The expected term of options granted is derived from employee exercise and post-vesting employment termination behaviour. Expected volatility is based on the historical volatility of the Corporation's stock. These estimates involve inherent uncertainties and the application of management judgment. While actual assumption used vary with individual grants, certain annual weighted average assumptions for overall annual option grants to its employees, officers and directors by the Corporation are: expected risk-free interest net of 1.66% (2011), 2.42% (2010) and 2.10% (2009); expected life of 3.0 years (2011), 3.6 years (2010) and 3.7 years (2009); expected volatility factor of 65% (2011), 77% (2010) and 74% (2009); and expected dividend yield of nil (2011, 2010 and 2009). The practice of the Corporation is to grant all option based awards in Canadian currency. The conversion rate for each grant is the exchange rate on the date the grant is made in Canadian currency or in Australian currency. The conversion rates for the purpose of the grants to the NEOs in the Summary Compensation Chart are presented below.
- (9) Mr. Meredith's salary was set by the Corporation but was allocated among the Corporation and certain other subsidiaries and related companies. For 2011, Mr. Meredith's salary was US\$800,000 of which US\$600,662 was paid by the Corporation. For 2010, Mr. Meredith's salary was US\$714,000 of which US\$549,198 was paid by the Corporation. For 2009, Mr. Meredith's salary was US\$562,000 of which US\$349,389 was paid by the Corporation.
- (10) Mr. Giardini's salary was payable in Canadian dollars. The US dollar equivalent of Mr. Giardini's salary was obtained by dividing his Canadian dollar salary in 2011 by C\$0.9891/US\$1.00, the Bank of Canada average noon exchange for 2011, in 2010 by C\$1.0299/US\$1.00, and in 2009 by C\$1.1089/US\$1.00, the Bank of Canada average noon exchange rate for 2010.
- (11) Where other compensation is in currency other than US\$ it has been translated at the Bank of Canada average noon rate for the exchange rates for 2011 (Cdn\$0.9891/US\$1.00), 2010 (Cdn\$1.0299/US\$1.00) and 2009 (Cdn\$1.1420/US\$1.00).

Termination and Change of Control Benefits Provisions in Employment Contracts

John Macken

The Corporation entered into an amended and restated employment contract with John Macken, former President of the Corporation, dated January 1, 2008. Mr. Macken's employment contract provided for an initial base salary, discretionary performance bonuses and stock option grants from time to time if and when awarded by the Corporation, housing benefit and other benefits and entitlements available to the Corporation's other executive officers. Mr. Macken's employment contract also provided that: (a) the Corporation could terminate Mr. Macken's employment for cause; (b) the Corporation could terminate Mr. Macken's employment without cause, or upon his disability, in each case upon payment to Mr. Macken of 24 months base salary together with an amount equal to the average of the two highest value aggregate annual performance bonuses paid to Mr. Macken during the five completed fiscal years of the Corporation preceding the date of termination; and, (c) in the event of (A) a change of control of the Corporation; and (B) within 24 months thereafter, the termination of the employment contract either by the Corporation other than for cause or disability, or by Mr. Macken for "good reason" as defined in the employment contract, Mr. Macken was entitled to receive a payment equal to the product of 2.99 times the sum of Mr. Macken's then base salary and the average of the two highest value aggregate annual performance bonuses paid to Mr. Macken by the Corporation during the five completed fiscal years of the Corporation preceding the date of termination. "Good reason" under the contract included certain adverse changes in Mr. Macken's status or position in the Corporation, certain adverse changes to his compensation, benefits or employment terms, and acts constituting constructive dismissal at law. In the event of a termination for disability or without cause, or on a change of control followed by a termination or resignation with "good reason", all of Mr. Macken's then unvested incentive stock options would vest and all his options would remain exercisable for six months following the date of termination of employment, and certain of Mr. Macken's benefits would continue for 12 months following termination. The Corporation has provided Mr. Macken, a United States citizen and resident, with an indemnity in respect of certain United States excise taxes under Section 4999 of the Internal Revenue Code (United States) and certain interest and penalties in the event such excise taxes, interest and penalties were levied on compensation and benefits payable to Mr. Macken upon a termination of his employment following a change of control of the Corporation. The intent of the indemnity is to make Mr. Macken whole for any taxes which may be imposed on him pursuant to Section 4999 of the Internal Revenue Code. The calculation and determination of whether such taxes will apply are complex and dependent on a number of factors, including, but not limited to, Mr. Macken's historic compensation, the applicable federal, state, city and other tax rate, the Corporation's stock price, the date of termination of employment (if applicable) and the dates of payment. In addition, Mr. Macken is subject to a twelve month post employment non-competition covenant, and this restriction (depending on the value) may reduce or eliminate the need to provide the additional indemnification payment. The determination of whether a payment is required and the amount of such payment shall be made by a national accounting firm selected by the Corporation.

The following is an estimate of incremental payments to Mr. Macken in the above-described termination scenarios (a) – (c), based on his annual salary as at December 31, 2011, and the value of his options as at December 31, 2011: (a) no further wages, no lump sum payments, and no acceleration of unvested options, for a total of nil; (b) a lump sum based on salary of US\$1,600,000, a lump sum based on historical bonuses of US\$815,000, a benefit amount of US\$32,099, and acceleration of unvested options for an in the money value of US\$9,373,405, for a total of US\$11,820,504; (c) a lump sum based on salary of US\$2,392,000, a lump sum based on historical bonuses of US\$2,436,850, a benefit amount of US\$32,099, and acceleration of unvested options for an in the money value of US\$9,373,405, for a total of US\$14,234,354; and assuming both (i) a change of control occurred on December 31, 2011 and (ii) Mr. Macken's employment was terminated by the Corporation without cause on December 31, 2011, the Corporation estimates that it might be required to pay Mr. Macken an indemnity payment of approximately \$2.2 million (assuming a tax rate of 45%). As noted above, there are a number of assumptions and variables which could increase or decrease the requirement to make any such indemnity payments.

As contemplated by the MOA, as of April 17, 2012, Mr. Macken resigned as President of the Corporation. In connection with his resignation, Mr. Macken entered into a mutual release agreement (the Macken Release Agreement) with the Corporation and RTIH dated as of April 17, 2012. Subject to the approval of the termination benefits resolution (as described below in the section entitled Withholding of Certain Termination Benefits in favour of Former Executives), the Macken Release Agreement provides Mr. Macken with severance consisting of (i) a lump sum payment of approximately US\$5.16 million, with approximately US\$761,000 payable immediately and the balance to follow upon satisfaction of certain conditions listed in the Macken Release Agreement, (ii) the vesting of 1,420,048 unvested options to purchase Common Shares, (iii) the vesting of 64,740 unvested options to purchase common shares (SouthGobi Shares) of the Corporation's subsidiary, SouthGobi, (iv) and the immediate payment of 62,500 escrowed bonus shares of the Corporation. Under the Macken Release Agreement, the Corporation, on its own behalf and on behalf of its wholly-owned subsidiaries, and RTIH released Mr. Macken from all specified claims that such parties may have against Mr. Macken originating prior to the date of the Macken Release Agreement, other than such claims based on fraud, illegality or an intentional misrepresentation of Mr. Macken pursuant to a filing under applicable securities laws or in a written communication to the Government of Mongolia. Similarly, Mr. Macken agreed to release the Corporation and all of its wholly-owned subsidiaries from all specified claims he may have against such parties originating prior to the date of the Macken Release Agreement, other than such claims based on fraud.

Peter Meredith

The Corporation entered into an employment contract with Peter Meredith, former Deputy Chairman of the Corporation, dated December 18, 2007. Mr. Meredith's employment contract provided for an initial base salary, discretionary performance bonuses and stock option grants from time to time if and when awarded by the Corporation, and other benefits and entitlements available to the Corporation's other executive officers. Mr. Meredith's employment contract also provided that: (a) the Corporation could terminate Mr. Meredith's employment for cause; (b) the Corporation could terminate Mr. Meredith's employment without cause or upon his disability upon payment to Mr. Meredith of 18 months base salary together with an amount equal to the average of the two highest value aggregate annual performance bonuses paid to Mr. Meredith during the five completed fiscal years preceding the date of termination; and, (c) in the event of (A) a change of control of the Corporation; and (B) within 24 months thereafter, the termination of the employment contract either by the Corporation other than for cause or disability or by Mr. Meredith for good reason as defined in the employment contract; Mr. Meredith was entitled to receive a payment equal to the product of 2.99 times the sum of Mr. Meredith's then base salary and the average of the two highest value aggregate annual performance bonuses paid to Mr. Meredith by the Corporation during the five completed fiscal years of the Corporation preceding the date of termination. Good reason under the contract included material adverse changes in Mr. Meredith's status or position in the Corporation, certain adverse changes to his compensation, benefits or employment terms, and acts constituting constructive dismissal at law. In the event of a termination for disability or without cause, or on a change of control followed by a termination or resignation with good reason, all of Mr. Meredith's then unvested incentive stock options would vest and remain exercisable for six months following the date of termination of employment, and certain of Mr. Meredith's benefits would continue for 12 months following such termination.

The following is an estimate of incremental payments to Mr. Meredith in the above-described termination scenarios (a) – (c), based on his annual salary as at December 31, 2011, and the value of his options as at December 31, 2011: (a) no further wages, no lump sum payments, and no acceleration of unvested options, for a total of nil; (b) a lump sum based on salary of US\$1,200,000, a lump sum based on historical bonuses of US\$815,000, a benefit amount of US\$36,683, and acceleration of unvested options for an in the money value of US\$6,260,304, for a total of US\$8,311,987; (c) a lump sum based on salary of US\$2,392,000, a lump sum based on historical bonuses of US\$2,436,850, a benefit amount of US\$36,683, and acceleration of unvested options for an in the money value of US\$6,260,304, for a total of US\$11,125,837.

As contemplated by the MOA, as of April 17, 2012, Mr. Meredith resigned as Deputy Chairman of the Corporation. In connection with his resignation, Mr. Meredith entered into a mutual release agreement (the Meredith Release Agreement) with the Corporation and RTIH dated as of April 17, 2012. Subject to the approval of the termination benefits resolution (as described below in the section entitled Withholding of Certain Termination Benefits in favour of Former Executives), the Meredith Release Agreement provides Mr. Meredith with severance consisting of (i) a lump sum payment of approximately US\$5.16 million, with approximately US\$726,000 payable immediately and the balance to follow upon satisfaction of certain conditions listed in the Meredith Release Agreement, (ii) the vesting of 1,181,575 unvested options to purchase Common Shares, (iii) the vesting of 115,500 unvested options to purchase SouthGobi Shares, and (iv) the immediate payment of 62,500 escrowed bonus shares of the Corporation. Under the Meredith Release Agreement, the Corporation, on its own behalf and on behalf of its wholly-owned subsidiaries, and RTIH released Mr. Meredith from all specified claims that such parties may have against Mr. Meredith originating prior to the date of the Meredith Release Agreement, other than such claims based on fraud, illegality or an intentional misrepresentation of Mr. Meredith pursuant to a filing under applicable securities laws or in a written communication to the Government of Mongolia. Similarly, Mr. Meredith agreed to release the Corporation and all of its wholly-owned subsidiaries from all specified claims he may have against such parties originating prior to the date of the Meredith Release Agreement, other than such claims based on fraud.

Tony Giardini

Mr. Giardini was employed by the Corporation on May 1, 2006 as Chief Financial Officer. Mr. Giardini's employment contract provided for an initial base salary, discretionary performance bonuses and stock option grants from time to time if and when awarded by the Corporation, housing benefit and other benefits and entitlements available to the Corporation's other executive officers. Mr. Giardini's employment contract also provided that: (a) the Corporation could terminate Mr. Giardini's employment for cause; (b) the Corporation could terminate Mr. Giardini's employment without cause, or upon his disability, in each case upon payment to Mr. Giardini of 12 months base salary; and, (c) in the event of (A) a change of control of the Corporation; and (B) within 24 months thereafter, the termination of the employment contract either by the Corporation other than for cause or disability or by Mr. Giardini for good reason as defined in the employment contract; Mr. Giardini was entitled to receive a payment equal to the product of two (2) times the sum of Mr. Giardini's then base salary and the average of the two highest value aggregate annual performance bonuses paid to Mr. Giardini by the Corporation during the five completed fiscal years of the Corporation preceding the date of termination. Good reason under the contract included certain adverse changes in Mr. Giardini's status or position in the Corporation, certain adverse changes to his compensation, benefits or employment terms, and acts constituting constructive dismissal at law. In the event of a termination for disability or without cause, or on a change of control followed by a termination or resignation with good reason, all of Mr. Giardini's then unvested incentive stock options would vest and all his options would remain exercisable for six months following the date of termination of employment, and certain of Mr. Giardini's benefits would continue for 12 months following termination.

The following is an estimate of incremental payments to Mr. Giardini in the above-described termination scenarios (a) – (c), based on his annual salary as at December 31, 2011, and the value of his options as at December 31, 2011: (a) no further wages, no lump sum payments, and no acceleration of unvested options, for a total of nil; (b) a lump sum based on salary of US\$432,652, a benefit amount of US\$18,190, and acceleration of unvested options for an in the money value of US\$1,576,857, for a total of US\$2,027,699; (c) a lump sum based on salary of US\$865,304, a lump sum based on historical bonuses of US\$816,139, a benefit amount of US\$18,190, and acceleration of unvested options for an in the money value of US\$1,576,857 for a total of US\$3,276,490.

As contemplated by the MOA, as of April 17, 2012, Mr. Giardini resigned as Chief Financial Officer of the Corporation. In connection with his resignation, Mr. Giardini entered into a mutual release agreement (the Giardini Release Agreement) with the Corporation and RTIH dated as of April 17, 2012. Subject to the approval of the termination benefits resolution (as described below in the section entitled Withholding of Certain Termination Benefits in favour of Former Executives), the Giardini Release Agreement provides Mr. Giardini with severance consisting of (i) a lump sum payment of approximately Cdn\$2.05 million, with approximately Cdn\$427,000 payable immediately and the balance to follow upon satisfaction of certain conditions listed in the Giardini Release Agreement, (ii) the vesting of 482,503 unvested options to purchase Common Shares, (iii) the vesting of 41,900 unvested options to purchase SouthGobi Shares, and (iv) the immediate payment of 17,125 escrowed bonus shares of the Corporation. Under the Giardini Release Agreement, the Corporation, on its own behalf and on behalf of its wholly-owned subsidiaries, and RTIH released Mr. Giardini from all specified claims that such parties may have against Mr. Giardini originating prior to the date of the Giardini Release Agreement, other than such claims based on fraud, illegality or an intentional misrepresentation of Mr. Giardini pursuant to a filing under applicable securities laws or in a written communication to the Government of Mongolia. Similarly, Mr. Giardini agreed to release the Corporation and all of its wholly-owned subsidiaries from all specified claims he may have against such parties originating prior to the date of the Giardini Release Agreement, other than such claims based on fraud.

Steve Garcia

The Corporation is party to an executive personnel services agreement, as amended, between the Corporation and the services corporation providing Mr. Garcia's personal services as Executive Vice President of the Corporation. This contract provides that: (a) the Corporation may terminate the services arrangement for cause; (b) the Corporation may terminate Mr. Garcia's employment without cause upon payment of 3 months' base salary, in which event the bonus compensation under the services agreement will also become due and payable; and (c) the services corporation may terminate its arrangement with the Corporation on one month's notice.

The following is an estimate of incremental payments to Mr. Garcia in the above-described termination scenarios (a) – (c), based on his annual salary as at December 31, 2011: (a) no further wages, for a total of nil; (b) a lump sum equal to 3 months' base salary of US\$125,000 plus US\$1 million bonus payment; and, (c) no further wages, for a total of nil.

Robert Friedland

Robert Friedland served as Executive Chairman of the Corporation until May 2011 and as its Chief Executive Officer from October 2010 until April 2012. In connection with the MOA, as of April 17, 2012, Mr. Friedland resigned as a Director and Chief Executive Officer of the Corporation, and concurrent therewith, the Corporation and Mr. Friedland entered into a separation agreement (the RMF Separation Agreement) to govern their respective rights and obligations following his resignation. The RMF Separation Agreement covers various matters, including confidentiality, non-competition, non-solicitation, mutual releases of liability among the Corporation, Rio Tinto and Mr. Friedland, and Corporation director nomination rights. Pursuant to the RMF Separation Agreement, Mr. Friedland entered into a mutual release agreement (the Friedland Release Agreement) with the Corporation and RTIH dated as of April 17, 2012. The Friedland Release Agreement provided Mr. Friedland with (i) a lump sum payment of approximately US\$650,000, and (ii) subject to the approval of the termination benefits resolution (as described below in the section entitled Withholding of Certain Termination Benefits in favour of Former Executives), the vesting of 768,658 unvested options to purchase Common Shares and the entitlement to receive cash in lieu of Common Shares upon the exercise thereof, as described below under Withholding of Certain Termination Benefits in favour of Former Executives. Under the Friedland Release Agreement, the Corporation, on its own behalf and on behalf of its wholly-owned subsidiaries, and RTIH released Mr. Friedland from all specified claims that such parties may have against Mr. Friedland originating prior to the date of the Friedland Release Agreement, other than such claims based on fraud, illegality or an intentional misrepresentation of Mr. Friedland pursuant to a filing under applicable securities laws or in a written communication to the Government of Mongolia. Similarly, Mr. Friedland agreed to release the Corporation and all of its wholly-owned subsidiaries from all specified claims he may have against such parties originating prior to the date of the Friedland Release Agreement, other than such claims based on fraud.

The option agreements with substantially all the officers and employees, including the NEOs, provide that if an optionee involuntarily ceases to be employed for any reason other than cause or death within 12 months of a change of control, unvested options held by such optionee would vest. In this scenario, based on the value of his options at December 31, 2011, the acceleration of unvested options would have an in the money value (i) for Mr. Macken, US\$9,373,405 as set out above; (ii) for Mr. Meredith, US\$6,260,304 as set out above; (iii) for Mr. Giardini, US\$1,576,857 as set out above; (iv) for Mr. Friedland, US\$4,802,813, and (v) for Mr. Garcia, US\$2,532,218.

Certain NEOs also hold option agreements with SouthGobi, an affiliate of the Corporation, which provide that if the optionee involuntarily ceases to be employed by SouthGobi or certain of its affiliates for any reason other than cause or death within 12 months of a change of control of SouthGobi, unvested options held by such optionee would vest. In this scenario, based on the value of options at December 31, 2011, the acceleration of unvested options would have an in the money value (i) for Mr. Macken, US\$ nil; (ii) for Mr. Meredith, US\$ nil; (iii) for Mr. Giardini, US\$ nil; and for Mr. Friedland, US\$ nil.

Withholding of Certain Termination Benefits in favour of Former Executives

On April 17, 2012, certain members of the Corporation's senior management (including Robert Friedland, John Macken, Peter Meredith Tony Giardini and Sam Riggall) (the Former Executives) ceased employment with the Corporation and its subsidiaries, other than Peter Meredith who continues as Chairman of SouthGobi. Douglas Kirwin has also ceased employment with the Corporation and its subsidiaries and, therefore, is also a Former Executive. Upon cessation of his employment, each Former Executive became entitled to receive certain termination benefits in connection with such cessation including, in the case of Messrs. Macken, Meredith and Giardini, the termination benefits more particularly described above under the heading Termination and Change of Control Benefits Provisions in Employment Contracts.

The Corporation's subsidiary, Ivanhoe Australia, is subject to legal restrictions in Australia (Australian Law) that prohibit Ivanhoe Australia or any of its related bodies corporate from giving a benefit in connection with a person's retirement from an office, or position of employment, in Ivanhoe Australia or any of its related bodies corporate (termination benefit) if the office or position is a managerial or executive office or the person has, at any time in the last three years before retirement, held a managerial or executive office in Ivanhoe Australia or any of its related bodies corporate unless the giving of the benefit has been approved by Ivanhoe Australia's shareholders in accordance with the requirements of Australian Law or the benefit is otherwise exempted. Retirement is defined to include loss of, and resignation from, an office (including as a result of death in office).

Insofar as Ivanhoe Australia is a subsidiary of the Corporation, the Corporation is a related body corporate of Ivanhoe Australia and, therefore, Australian Law appears to prohibit the Corporation from giving certain termination benefits to the Former Executives in connection with the cessation of their employment even though the relevant termination benefits:

are not to be given (directly or indirectly) by Ivanhoe Australia or any subsidiary of Ivanhoe Australia;

will not result in Ivanhoe Australia incurring any cost; and

do not require approval by the Corporation's shareholders;
and even though the giving of the benefit would not contravene Canadian or other applicable foreign law.

While it is arguable whether the Australian Law extends to arrangements that have no relevant connection to Australia, the Corporation has requested that Ivanhoe Australia seek the approval of its shareholders to ensure that the Corporation is able to honour its commitments to the Former Executives (and others in respect of whom the Corporation may owe termination benefits upon a future cessation of their employment) in respect of whom the Australian Law potentially applies and to give them termination benefits in accordance with their contractual and other entitlements without potentially contravening the Australian Law.

An ordinary resolution for the approval of the relevant termination benefits by the shareholders of Ivanhoe Australia is to be voted on at the annual general meeting of Ivanhoe Australia scheduled to be held in Melbourne, Australia on May 29, 2012 (the termination benefits resolution). The termination benefits resolution applies to directors and employees (current or future) who, at the time of their termination of office or position, hold managerial or executive office in relation to the Corporation or any of its subsidiaries or held such office in the three years prior to their termination. The termination benefits resolution specifically applies to termination benefits to be given to certain named individuals, including the following Former Executives:

Robert Friedland, in respect of (i) the vesting of 768,658 unvested options to purchase Common Shares and (ii) the entitlement to receive, in lieu of Common Shares, upon the exercise of stock options a cash payment equivalent to the fair market value (determined at the time immediately before exercise) of the number of Common Shares that he would have been entitled to receive, less the amount of the exercise price that he would have been required to pay to exercise the stock options;

Tony Giardini, in respect of (i) a Cdn\$2,048,190.30 cash severance payment, (ii) the vesting of 482,503 unvested options to purchase Common Shares, (iii) the vesting of 41,900 unvested options to purchase SouthGobi Shares, and (iv) the vesting of 17,125 unvested bonus Common Shares;

John Macken, in respect of (i) a Cdn\$5,159,949.26 cash severance payment, (ii) the vesting of 1,420,048 unvested options to purchase Common Shares, (iii) the vesting of 64,740 unvested options to purchase SouthGobi Shares, (iv) an indemnity in respect of the payment of United States excise taxes levied on termination benefits payable upon cessation of employment following a change of control of the Corporation, and (v) the vesting of 62,500 unvested bonus Common Shares;

Peter Meredith, in respect of (i) a Cdn\$5,164,532.54 cash severance payment, (ii) the vesting of 1,181,575 unvested options to purchase Common Shares, (iii) the vesting of 115,500 unvested options to purchase SouthGobi Shares, and (iv) the vesting of 62,500 unvested bonus Common Shares; and

Sam Riggall, in respect of (i) an Aus\$3,965,207.06 cash severance payment, (ii) the vesting of 487,317 unvested options to purchase Common Shares, (iii) the vesting of 20,000 unvested options to purchase SouthGobi Shares, and (iv) the vesting of 27,000 unvested bonus Common Shares.

Although Steve Garcia continues to act as an executive officer of the Corporation, the termination benefits resolution also specifically applies to termination benefits to be given to Mr. Garcia if his employment is terminated without cause. These termination benefits currently include (i) a US\$125,000 cash severance payment, (ii) acceleration of the payment of a US\$1,000,000 bonus payment Mr. Garcia will earn upon substantial completion of the Oyu Tolgoi project, (iii) the vesting of 376,169 unvested options to purchase Common Shares, and (iv) the vesting of 16,500 unvested bonus Common Shares.

The approval of the termination benefits resolution by Ivanhoe Australia's shareholders is being sought out of an abundance of caution and certain of the termination benefits described above that are to be given to the Former Executives (Withheld Benefits) are being withheld pending such approval. The Corporation has no reason to believe that the termination benefits resolution will not be passed and it is expected that the Withheld Benefits will be given to the Former Executives once the termination benefits resolution has been passed (they may also be given in other limited circumstances). An escrow arrangement applies to the Withheld Benefits in the interim.

COMPENSATION OF DIRECTORS

Each non-management Director receives a retainer of Cdn\$100,000 per annum. Mr. David Huberman received an additional retainer per annum for acting as Chairman of the Board, the compensation of which was set at Cdn\$275,000 per annum, commencing August, 2011. This retainer was an increase from Cdn\$150,000 he had been receiving for his role as Lead Director to reflect the additional responsibilities of such role. Mr. David Korbin received a per annum payment for acting as the Chairman of the Audit Committee of Cdn\$40,000 per annum in 2011, which retainer was increased to Cdn\$50,000 per annum in 2012. The Chair of the Compensation Committee received a per annum payment of Cdn\$40,000 in 2011. The Chairs of the Nominating and Corporate Governance Committee and the Safety, Health and Environment Committee received a payment of Cdn\$20,000 each per annum in 2011.

Each non-management Director receives a fee of Cdn\$2,000 for each in-person Board of Directors meeting or conference call and/or each in-person Committee meeting or conference call in which they participate. Fees payable to Rio Tinto employees who act as Directors are paid directly to Rio Tinto in accordance with Rio Tinto's corporate policy. In 2011, each non-management Director (other than any Director who is an employee of Rio Tinto in accordance with Rio Tinto's corporate policy) also received an annual grant of incentive stock options exercisable to purchase up to 30,000 Common Shares, such options having a seven year term and fully vesting on the first anniversary of the date of the grant. Effective January 1, 2011, a travel fee of Cdn\$2,000 was approved to be payable to any non-management Director who travels to attend meetings, the venue of which is more than three (3) hours travel time from the Director's home. Each executive Director and each non-management Director is also entitled to be reimbursed for actual expenses reasonably incurred in the performance of his duties as a Director.

In light of recent corporate developments and Board changes, the Compensation Committee expects to review its compensation policies for Directors during 2012 with assistance from compensation consultants to the extent deemed advisable.

The following table reflects compensation earned by Directors in respect of fiscal 2011 under the compensation arrangements described above.

Withholding of Certain Termination Benefits in favour of Former Directors

On April 17, 2012, certain Directors, including Dan Westbrook, Tracy Stevenson, Livia Mahler, David Korbin, Markus Faber and Edward Flood (the Former Directors) resigned. Upon resigning, each Former Director became entitled to receive certain termination benefits in connection with such resignations.

The termination benefits resolution being sought in respect of the termination benefits that are to be given to the Former Executives, will also apply to the termination benefits to be given to the Former Directors. See Executive Compensation Withholding of Certain Termination Benefits in favour of Former Executives in this Management Proxy Circular.

The termination benefits to be given to the Former Directors to which the termination benefit resolution applies are as follows:

Dan Westbrook, in respect of the vesting of 30,000 unvested options to purchase Common Shares;

Tracy Stevenson, in respect of the vesting of 30,000 unvested options to purchase Common Shares;

Livia Mahler, in respect of the vesting of 30,000 unvested options to purchase Common Shares;

David Korbin, in respect of the vesting of 36,465 unvested options to purchase Common Shares;

The termination benefits described above that are to be given to the Former Directors are being treated as Withheld Benefits that are being withheld until the termination benefits resolution is passed. The Corporation has no reason to believe that the termination benefits resolution will not be passed and it is expected that the Withheld Benefits will be given to the Former Directors once the termination benefits resolution has been passed (they may also be given in other limited circumstances).

Summary of Equity Incentive Plan

Overview

Edgar Filing: IVANHOE MINES LTD - Form 6-K

The Equity Incentive Plan has three components: an Option Plan, which provides for the grant to eligible participants of incentive stock options exercisable to purchase Common Shares; a Bonus Plan, which provides for awards of fully paid Common Shares to eligible participants as and when determined to be warranted on the basis of past performance; and a Purchase Plan, under which eligible participants have the opportunity to purchase Common Shares through payroll deductions which are supplemented by Corporation contributions.

The eligible participants in the Equity Incentive Plan include directors of the Corporation or any affiliate, any full time and part time employees (including officers) of the Corporation or any affiliate thereof that the Board determines to be employees eligible for participation in the Equity Incentive Plan. Persons or companies engaged by the Corporation or an affiliate to provide services for an initial, renewable or extended period of twelve (12) months or more are eligible for participation in the Equity Incentive Plan as the Board determines.

The Equity Incentive Plan is administered by the Compensation Committee appointed by the Board.

Option Plan

Option Grants

The Option Plan authorizes the Board, on the recommendation of the Compensation Committee, to grant options to purchase Common Shares. The number of Common Shares, the exercise price per Common Share, the vesting period and any other terms and conditions of options granted pursuant to the Option Plan, from time to time are determined by the Board, on the recommendation of the Compensation Committee, at the time of the grant, subject to the defined parameters of the Option Plan.

Exercise Price

The exercise price of any option granted under the Equity Incentive Plan cannot be less than the weighted average price of the Common Shares on the TSX for the five days on which Common Shares were traded immediately preceding the date of grant (the Fair Market Value).

Exercise Period and Vesting

Options are exercisable for seven years unless otherwise determined by the Board. Options may be earlier terminated in the event of death or termination of employment or appointment. Vesting of options is determined by the Board. Failing a specific vesting determination by the Board, options automatically become exercisable incrementally over a period of four years from the date of grant, as to one-quarter of the total number of shares under option after each such year. The right to exercise an option may be accelerated in the event a takeover bid in respect of the Common Shares is made and as otherwise described in Equity Compensation Plan Information Summary of Equity Incentive Plan Amendment Procedure.

Blackout Expiration Term

Under the Corporation's Corporate Disclosure, Confidentiality and Securities Trading Policy, trading of the Corporation's securities, including the exercise by directors, officers, employees and certain others of options to purchase Common Shares, is restricted during certain blackout periods. These blackout periods are imposed from time to time by the Corporation in circumstances where material non-public information exists, including periods where financial statements are being prepared but results have not yet been publicly disclosed. Under the Equity Incentive Plan, the expiration of the terms of options held by insiders and other plan participants is the later of the original expiry date and a date that is ten (10) business days following the end of such blackout period.

Stock Appreciation Rights

Optionees under the Equity Incentive Plan also have a stock appreciation right which effectively allows an optionee to exercise an option on a cashless basis by electing to relinquish, in whole or in part, the right to exercise the option and receive, in lieu thereof, a number of fully paid Common Shares. The number of Common Shares issuable on the exercise of share appreciation rights is equal to the quotient obtained by dividing the difference between the aggregate Fair Market Value and the aggregate option price of all Common Shares subject to the option by the Fair Market Value of one Common Share.

Financial Assistance

The Board may, in its discretion, but subject to applicable law, authorize the Corporation to make loans to employees (excluding any director or executive officer) to assist them in exercising options. The terms of any such loans include security, in favour of the Corporation, in the Common Shares issued upon exercise of the options, which security may be granted on a non-recourse basis. No such loans are currently outstanding.

Adjustments

If there is any change in the Common Shares through the declaration of stock dividends of Common Shares or consolidations, subdivisions or reclassification of Common Shares, or otherwise, the number of Common Shares available under the Equity Incentive Plan, the Common Shares subject to any option, and the option price thereof shall be adjusted appropriately by the Board and such adjustment shall be effective and binding for the purposes of the Equity Incentive Plan.

Termination or Death

If an optionee dies while employed by the Corporation, any option held by him will be exercisable for a period of twelve (12) months or prior to the expiration of the options (whichever is sooner) by the person to whom the rights of the optionee shall pass by will or applicable laws of descent and distribution. If an optionee is terminated for cause, no option will be exercisable unless the Board determines otherwise. If an optionee is terminated for any reason other than cause, then the options will be exercisable for a period of up to twelve (12) months or prior to the expiration of the options (whichever is sooner).

Bonus Plan

The Bonus Plan permits the Board, on the recommendation of the Compensation Committee, to authorize the issuance, from time to time, of Common Shares to employees and directors of the Corporation and its affiliates. The criteria for determining if and when such awards should be made and the quantum of such awards is within the discretion of the Board. The Bonus Plan provides for the issuance of a maximum of 4,500,000 Common Shares in respect of bonus awards. Common Shares allocated to the Bonus Plan may be reallocated for issuance under the Option Plan or Purchase Plan and are then no longer available for issuance under the Bonus Plan.

Purchase Plan

Participation Criteria

Participants in the Purchase Plan are full-time employees of the Corporation who have completed at least one year (or less, at the discretion of the Board on the recommendation of the Compensation Committee) of continuous service and who elect to participate.

Contribution Limits

The Equity Incentive Plan provides that the Board, on the recommendation of the Compensation Committee, may determine contribution limits for the Purchase Plan, subject to a maximum 10% contribution of plan participants' base salaries. The Purchase Plan established by the Board provides that, until an eligible participant withdraws or the Board terminates or suspends the Purchase Plan, such eligible employee is entitled to contribute an amount, not to exceed their respective contribution limit, to the Purchase Plan. The Corporation (at the discretion of the Board) makes a contribution of up to one hundred per cent (100%) of the employee's contribution on a quarterly basis. The aggregate number of Common Shares that may be issued under the Purchase Plan will be limited to 1,000,000 Common Shares.

Number of Shares

Each participant receives, at the end of each calendar quarter during which he or she participates in the Purchase Plan, a number of Common Shares equal to the quotient obtained by dividing the aggregate amount of all contributions to the Purchase Plan by the participant, and by the Corporation on the participant's behalf, during the preceding quarter by the weighted average trading price of the Common Shares on the TSX during the quarter.

Termination of Employment

If the participant's employment with the Corporation is terminated for any reason, any portion of the participant's contribution then held in trust for a participant pending a quarterly purchase of Common Shares is returned to him or her or to his or her estate.

Transferability

Benefits, rights and options under the Equity Incentive Plan are non-transferable and during the lifetime of an Equity Incentive Plan participant, may only be exercised by such participant.

Amendment Procedure

The Board, based on the recommendation of the Compensation Committee, has the authority and discretion to amend, either prospectively or retrospectively, the Equity Incentive Plan and any option or other awards granted thereunder without shareholder approval for all matters, including the matters set forth in Section 5.7 of the Equity Incentive Plan, except for those matters requiring shareholder approval. Subject to regulatory approval and the exceptions described in the Equity Incentive Plan, shareholder approval will only be required for: (i) an amendment to the aggregate number of Shares that may be reserved for issuance under the Share Bonus Plan component of the Equity Incentive Plan; (ii) an amendment to the aggregate percentage of Common Shares issuable under the Equity Incentive Plan; (iii) an amendment to the limitations on the maximum number of Shares that may be reserved for issuance, or issued to Insiders under the Equity Incentive Plan; (iv) an amendment that would reduce the exercise price of an outstanding Option under the Equity Incentive Plan; (v) an amendment that would extend the expiry date of the Option Period in respect of any Option granted under the Plan; (vi) an amendment that would accelerate the vesting of an Option held by an optionee, except upon the death, disability or retirement of such optionee, a change in control of the Corporation, or in the case of a non-material variation of any performance milestone required for the vesting of the options; and (vii) an amendment to the amending provisions under the Equity Incentive Plan.

Share Issuance Limits

The aggregate number of Common Shares which may be reserved for issuance under the Equity Incentive Plan (together with all other securities-based compensation arrangements of the Corporation in effect from time to time) shall not exceed 6.5% of the Common Shares outstanding from time to time. The aggregate number of Common Shares which the Corporation may at any time reserve for issuance under the Equity Incentive Plan to any one person may not exceed five per cent (5%), and to Insiders under the Equity Incentive Plan may not exceed ten per cent (10%), of the issued and outstanding Common Shares at such time. The aggregate number of Common Shares that may be issued within any one-year period to Insiders under the Equity Incentive Plan shall not exceed ten per cent (10%), and to any one Insider and his or her Associates under the Equity Incentive Plan may not exceed five per cent (5%), of the issued and outstanding Common Shares at such time.

Securities Issued and Unissued under the Equity Incentive Plan

There are 741,386,789 Common Shares issued and outstanding as at May 24, 2012. Since the date of inception of the Equity Incentive Plan on June 26, 1996, the Common Shares authorized for issuance under the Equity Incentive Plan have been issued or reserved for issuance as follows:

	Number of Common Shares	% of Issued and Outstanding Common Shares
Common Shares reserved for future issuance which are granted and, as yet, unexercised options under Option Plan	21,302,449	2.87%
Common Shares previously issued pursuant to Purchase Plan	812,850	0.11%
Common Shares previously issued pursuant to Bonus Plan	3,168,116	0.43%
Unissued Common Shares available for future awards under Bonus Plan	1,331,884	0.18%

Maximum number of Common Shares available for issuance under Equity Incentive Plan	48,190,141	6.5%

(1) Does not include unissued Common Shares available for future awards under the Bonus Plan which may be used for grants under the Option Plan and Share Purchase Plan.

There are no entitlements to Common Shares under the Equity Incentive Plan which are subject to ratification by shareholders. There are no equity incentive plans which have not been approved by shareholders.

Amendments

Under the Equity Incentive Plan, the Board has the authority, without shareholder approval, to amend options to (i) provide for accelerated vesting of options upon the death, disability or retirement of an optionee, or upon a change of control of the Corporation; (ii) make non-material variations of any performance milestones required for the vesting of options; and (iii) establish the length of time during which an option will remain exercisable following a termination event, subject to the parameters set out in the Equity Incentive Plan and the expiry date of the option. In 2011, the Board exercised this authority to:

- (i) amend the option agreements with substantially all of its officers, employees and service providers (Employee Agreements) to provide for the immediate vesting of unvested options if an optionee involuntarily ceases to be an officer, employee or service provider for any reason other than cause or death within 12 months of a change of control of the Corporation and, in connection with a change of control, to provide for accelerated vesting at the Board's discretion of all unvested options whether or not the optionee has involuntarily ceased to be an employee;
- (ii) amend the option agreements with its directors (Director Agreements) to provide for accelerated vesting if the director resigns at the Corporation's request prior to completion of his or her term or is otherwise excluded from management's nominees for election at any meeting of the Corporation's shareholders at which directors are elected, in which event such options held by such optionees will remain exercisable for six months following such retirement event;

- (iii) amend the vesting criteria pertaining to a total of 9,000 options issued to one optionee to provide for immediate vesting as a result of such employee's retirement due to ill-health;

- (iv) amend certain performance based vesting criteria pertaining to a total of 37,925 options issued to four optionees to acknowledge substantial performance of the relevant criteria by such optionees despite delays in the negotiation of an investment agreement between the Corporation and the Government of Mongolia that made the complete performance beyond the control of such individuals and therefore, effectively impossible to attain; and

- (v) amend the Employee Agreements and the Director Agreements to (a) set the period for exercise of options to end at 12 months following death of an optionee; and (b) set the period for exercise of options to end at six (6) months (under the Employee Agreements) and 12 months (under the Director Agreements) in the event of a non-cause termination, in each case subject to earlier termination of the option at its original expiry date.

Anti-Dilution Adjustments

All incentive stock options issued to Directors, employees and service providers prior to the 2011 Rights Offering Record Date have been adjusted. See Executive Compensation Option Adjustments Related to Rights Offering on page 38 of this Management Proxy Circular.

CORPORATE GOVERNANCE

The Corporation is required under National Instrument 58-101 *Disclosure of Corporate Governance Practices* to disclose its corporate governance practices with reference to a series of corporate governance practices outlined in National Policy 58-201 *Corporate Governance Guidelines* (the CSA Corporate Governance Guidelines) that the Canadian Securities Administrators (CSA) believe reflect best practices standards to which they encourage Canadian public companies to adhere. These standards are substantially consistent with the revised corporate governance listing standards of the New York Stock Exchange (NYSE).

The Corporation is engaged in an ongoing review of its corporate governance practices against the CSA Corporate Governance Guidelines. Those practices currently include:

- (i) adopting and maintaining a written mandate for the Board of Directors;
- (ii) appointing an independent Director as Chairman of the Board, with specific responsibility for maintaining the independence of the Board of Directors and ensuring the Board of Directors carries out its responsibilities contemplated by applicable statutory and regulatory requirements and stock exchange listing standards;
- (iii) appointing and maintaining a Compensation Committee consisting solely of independent Directors;
- (iv) appointing and maintaining a Nominating and Corporate Governance Committee consisting of a majority of independent Directors;
- (v) adopting and maintaining charters for each of the Corporation's Board committees, being the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Safety, Health and Environment Committee, formalizing the mandates of those committees;
- (vi) establishing and maintaining a management Disclosure Committee for the Corporation, with the mandate to oversee the Corporation's disclosure practices;
- (vii) adopting and maintaining a comprehensive Corporate Disclosure, Confidentiality and Securities Trading Policy, and Disclosure Controls and Procedures;
- (viii) adopting and publishing a Statement of Values and Responsibilities;
- (ix) adopting and publishing a formal Code of Business Conduct and Ethics for the Corporation that governs the behaviour of Directors, officers and employees;
- (x) adopting a companion booklet to the Code of Business Conduct and Ethics to provide Directors, officers, employees, consultants, advisors and contractors with general information with respect to the anti-bribery laws in both Canada and the United States;
- (xi) adopting and maintaining formal written position descriptions for the Chief Executive Officer, the Chief Financial Officer, the Chairman and the Chairs of each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, clearly defining their respective roles and responsibilities;

Edgar Filing: IVANHOE MINES LTD - Form 6-K

(xii) adopting and maintaining a whistleblower policy administered by an independent third party; and

(xiii) implementing and carrying out a formal process for assessing the effectiveness of the Board as a whole, the committees of the Board and the contribution of individual Directors, on a regular basis.

The Common Shares are listed on the TSX, and on the NYSE and are also quoted on the NASDAQ Stock Market (NASDAQ) and the Corporation is subject to applicable provisions of U.S. securities laws and regulations relating to corporate governance, which have been the subject of sweeping changes in recent years. As part of the Sarbanes Oxley Act, the Dodd-Frank Wall Street Reform and Consumer Protection Act and independently, the SEC has enacted and proposed a number of regulations relating to corporate governance standards for U.S. listed companies. In addition, the NYSE and NASDAQ have implemented numerous rule changes (the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules , respectively) that revise the corporate governance standards for domestic NYSE and NASDAQ-listed companies.

The CSA Audit Committee Rules, the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules, and the NASDAQ Corporate Governance Rules address, among other things, the composition and independence of Boards of Directors and Board committees. The CSA Corporate Governance Guidelines are recommendations only and reflect a best practice standard to which Canadian public companies are encouraged to adhere. For example, the CSA Corporate Governance Guidelines recommend that a Board of Directors should be comprised of a majority of independent directors. On the other hand, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules are prescriptive and require that the Board of a domestic NYSE or NASDAQ-listed company be comprised of a majority of independent directors.

Each of the Sarbanes-Oxley Act, the NYSE Corporate Governance Rules, the NASDAQ Corporate Governance Rules and the CSA Corporate Governance Guidelines define independence in a slightly different way. Although a finding of independence remains a matter of judgment and perception based on a particular Director's circumstances, the Sarbanes-Oxley Act, the NYSE Corporate Governance Rules, the NASDAQ Corporate Governance Rules and the CSA Corporate Governance Guidelines prescribe certain legal bars to a finding of independence. In addition, there is a heightened independence requirement for members of audit committees under the Sarbanes-Oxley Act, the NYSE Corporate Governance Rules, the NASDAQ Corporate Governance Rules and the CSA Audit Committee Rules. Unlike the CSA Corporate Governance Guidelines, compliance with the requirements of the CSA Audit Committee Rules relating to the composition of audit committees and the heightened standard of independence for audit committee members is mandatory.

Subject to certain exceptions, including the requirement pertaining to the composition and independence of audit committees, foreign private issuers, like the Corporation, are exempt from any requirement of the NASDAQ Corporate Governance Rules and the NYSE Corporate Governance Rules which is contrary to a law, rule or regulation of any public authority exercising jurisdiction over such issuer or contrary to generally accepted business practices in the issuer's country of domicile. The Corporation believes that it is in full compliance with all of the applicable requirements of the CSA Audit Committee Rules and all requirements of the Sarbanes-Oxley Act, the NASDAQ Corporate Governance Rules and the NYSE Corporate Governance Rules applicable to foreign private issuers for which no exemption is available. The Corporation also believes that most, but not all, of its corporate governance practices are consistent with the CSA Corporate Governance Guidelines.

Board Composition

The CSA Corporate Governance Guidelines recommend that a majority of the directors of a corporation be independent directors. Under the CSA Corporate Governance Guidelines, the applicable provisions of the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules, an independent director is a director who has no direct or indirect material relationship with the Corporation, including as a partner, shareholder or officer of an organization that has a relationship with the Corporation. A material relationship is one that would, or in the view of the Board of Directors could, be reasonably expected to interfere with the exercise of a Director's independent judgment.

A total of 11 persons have been nominated for election as Directors at the Meeting. The Board has determined that if all such nominees are elected, the Board will consist of six (6) independent directors (as defined in the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules) and five (5) non-independent Directors, as follows:

<i>Independent Director Nominees</i>	<i>Non-independent Director Nominees</i>
Jill Gardiner	Warren Goodman ⁽¹⁾
R. Peter Gillin	Andrew Harding ⁽¹⁾
Isabelle Hudon	Daniel Larsen ⁽¹⁾
Dr. David Klingner	Peter Meredith ⁽²⁾
Livia Mahler	Kay Priestly ⁽³⁾
Russel C. Robertson	

- (1) Messrs. Goodman, Harding and Larsen, executive officers within the Rio Tinto Group, are considered to be non-independent Director nominees as a result of the material relationship between the Corporation and the Rio Tinto Group.
- (2) Mr. Meredith, Chairman of the Corporation's subsidiary SouthGobi, and a former senior officer of the Corporation, is considered to be a non-independent Director.
- (3) Ms. Priestly, Chief Executive Officer of the Corporation and a former senior officer within the Rio Tinto Group, is considered to be a non-independent Director.

Rio Tinto beneficially holds 50.90% of the Corporation's voting securities as of May 24, 2012. The Board has determined that six (6) of eleven (11) Director nominees of management for election as Directors at the Meeting, in Jill Gardiner, R. Peter Gillin, Isabelle Hudon, David Klingner, Livia Mahler and Russel C. Robertson all of whom are nominees of management for election as Directors at the Meeting are independent of each of the Corporation and Rio Tinto, as defined in the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules.

It is proposed that Charles Lenegan and Jeffery D. Tygesen will also be appointed as Directors at the first meeting of the Board held after July 24, 2012. For further information, see Election of Directors Additional Director Appointees on page 19 of this Management Proxy Circular. Accordingly, upon such appointments, it is expected that the Board will consist of seven (7) independent Directors (as defined in the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules) and six (6) non-independent Directors.

The Board believes that the nomination by management of more than 54% independent Directors for election at the Meeting (and more than 53% independent Directors upon the appointment of Charles Lenegan and Jeffery D. Tygesen as set out above) fairly reflects the investment in the Corporation by shareholders other than the major shareholder. The Board is satisfied with the size and composition of the Board of Directors and believes that the resulting Board composition is a balanced representation among management and non-management Directors, and the Corporation's major shareholder. While the Board functions effectively given the Corporation's stage of development and the size and complexity of its business, the Board, through its Nominating and Corporate Governance Committee, will continue to seek qualified candidates to augment its experience and expertise and to enhance the Corporation's ability to effectively develop its business interests.

Notwithstanding the above, the Corporation and Rio Tinto have agreed to certain matters concerning the future composition of the Board. Refer to the section entitled "Nomination Rights" of this Management Proxy Circular for further details concerning Board composition.

Mandate of the Board

Under the YBCA, the directors of the Corporation are required to manage the Corporation's business and affairs, and in doing so to act honestly and in good faith with a view to the best interests of the Corporation. In addition, each director must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

The Board of Directors is responsible for supervising the conduct of the Corporation's affairs and the management of its business. The Board's mandate includes setting long term goals and objectives for the Corporation, formulating the plans and strategies necessary to achieve those objectives and supervising senior management in their implementation. Although the Board delegates the responsibility for managing the day to day affairs of the Corporation to senior management personnel, the Board retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Corporation and its business.

The Board of Directors' mandate requires that the Board of Directors be satisfied that the Corporation's senior management will manage the affairs of the Corporation in the best interest of the shareholders, in accordance with the Corporation's principles, and that the arrangements made for the management of the Corporation's business and affairs are consistent with their duties described above. The Board of Directors is responsible for protecting shareholder interests and ensuring that the incentives of the shareholders and of management are aligned. The obligations of the Board of Directors must be performed continuously, and not merely from time to time, and in times of crisis or emergency the Board of Directors may have to assume a more direct role in managing the affairs of the Corporation.

In discharging this responsibility, the Board of Directors' mandate provides that the Board of Directors oversees and monitors significant corporate plans and strategic initiatives. The Board of Directors has adopted a strategic planning process which involves, among other things, the following:

- a) at least one meeting per year will be devoted substantially to the review of strategic plans that are proposed by management;
- b) meetings of the Board of Directors, at least quarterly, to discuss strategic issues;
- c) the Board of Directors reviews and assists management in forming short and long term objectives of the Corporation on an ongoing basis; and
- d) the Board of Directors also maintains oversight of management's strategic planning initiatives through annual and quarterly budget reviews and approvals. The strategic planning process adopted by the Board of Directors takes into account, among other things, the opportunities and risks of the business.

As part of its ongoing review of business operations, the Board periodically reviews the principal risks inherent in the Corporation's business, including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required under its mandate to approve annual operating and capital budgets, any material dispositions, acquisitions and investments outside of the ordinary course of business or not provided for in the approved budgets, long-term strategy, organizational development plans and the appointment of senior executive officers. Management is authorized to act, without Board approval, on all ordinary course matters relating to the Corporation's business.

The mandate provides that the Board also expects management to provide the Directors, on a timely basis, with information concerning the business and affairs of the Corporation, including financial and operating information and information concerning industry developments as they occur, all with a view to enabling the Board to discharge its stewardship obligations effectively. The Board expects management to efficiently implement its strategic plans for the Corporation, to keep the Board fully apprised of its progress in doing so and to be fully accountable to the Board in respect to all matters for which it has been assigned responsibility.

The Board has instructed management to maintain procedures to monitor and promptly address shareholder concerns and has directed and will continue to direct management to apprise the Board of any major concerns expressed by shareholders.

Each Committee of the Board is empowered to engage external advisors as it sees fit. Any individual Director is entitled to engage an outside advisor at the expense of the Corporation provided such Director has obtained the approval of the Nominating and Corporate Governance Committee to do so.

The Board takes ultimate responsibility for the appointment and monitoring of the Corporation's senior management. The Board approves the appointment of senior management and reviews their performance on an ongoing basis.

The Corporation has a disclosure policy addressing, among other things, how the Corporation interacts with analysts and the public, and contains measures for the Corporation to avoid selective disclosure. The Corporation has a Disclosure Committee responsible for overseeing the Corporation's disclosure practices. This committee consists of the Chief Executive Officer; the Chief Financial Officer, the Vice-President and Corporate Secretary; the Vice-President, Project Evaluation and Development; the Vice-President, Project Evaluation and Development; and senior Corporate Communications and Investor Relations Officers. It also receives advice from the Corporation's outside legal counsel. The Disclosure Committee assesses materiality and determines when developments justify public disclosure. The Committee will review the disclosure policy annually and as otherwise needed to ensure compliance with regulatory requirements. The Board reviews and approves the Corporation's material disclosure documents, including its annual report, annual information form and management proxy circular. The Corporation's annual and quarterly financial statements, Management's Discussion and Analysis and other financial disclosure is reviewed by the Audit Committee and recommended to the Board prior to its release.

Meetings of the Board

The Board holds regular quarterly meetings. Between the quarterly meetings, the Board meets as required, generally by means of telephone conferencing facilities. As part of the quarterly meetings, the independent Directors also have the opportunity to meet separate from management. If required, between regularly scheduled Board meetings, a meeting of independent Directors is held by teleconference to update the Directors on corporate developments since the last Board meeting. Management also communicates informally with members of the Board on a regular basis, and solicits the advice of Board members on matters falling within their special knowledge or experience.

Board Committees

The Corporation has an Audit Committee, Compensation and Benefits Committee, Nominating and Corporate Governance Committee (in each case composed solely of independent Directors other than in the case of the Nominating and Corporate Governance Committee which has one non-independent Director), as well as a Safety, Health and Environment Committee.

Audit Committee

The mandate of the Audit Committee is to oversee the Corporation's financial reporting obligations, systems and disclosure, including monitoring the integrity of the Corporation's financial statements, monitoring the independence and performance of the Corporation's external auditors and acting as a liaison between the Board and the Corporation's auditors. The activities of the Audit Committee typically include reviewing interim financial statements and annual audited financial statements, Management's Discussion and Analysis and earnings press releases before they are publicly disclosed, ensuring that internal controls over accounting and financial systems are maintained and that accurate financial information is disseminated to shareholders. Other responsibilities include reviewing the results of internal and external audits and any change in accounting procedures or policies, and evaluating the performance of the Corporation's auditors. The Corporation's external auditors report directly to the Audit Committee, which communicates directly with the auditors in order to discuss audit and related matters whenever appropriate.

The Audit Committee communicates directly with the Corporation's external auditors in order to discuss audit and related matters whenever appropriate.

The Audit Committee currently consists of Ms. Gardiner (Chair), Mr. Gillin and Ms. Mahler, all of whom are nominees of management for re-election as Directors at the Meeting and are independent directors under applicable rules discussed below. The composition of the Audit Committee is congruent with CSA Audit Committee Rules which provide for audit committees to consist solely of independent directors. As highlighted above, each of Ms. Gardiner and Mr. Gillin and Ms. Mahler are independent directors for the purposes of the CSA Audit Committee Rules, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules, having regard to the heightened independence requirements applicable to audit committee members.

The Board has determined that all members of the Audit Committee are financially literate since each member has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

R. Peter Gillin (a nominee of management for re-election as a Director at the Meeting) has been determined by the Board of Directors to be an Audit Committee Financial Expert, as such term is defined in the U.S. Securities Exchange Act of 1934, as amended. The Corporation believes that Mr. Gillin, a Chartered Financial Analyst with more than 30 years of investment banking experience, is qualified to be an Audit Committee Financial Expert.

The Corporation has adopted an Audit Committee charter which codifies the mandate of the Audit Committee to, and specifically defines its relationship with, and expectations of, the external auditors, including the establishment of the independence of the external auditor and the approval of any non-audit mandates of the external auditor; the engagement, evaluation, remuneration and termination of the external auditor; its relationship with, and expectations of, the internal auditor function and its oversight of internal control; and the disclosure of financial and related information. The Board reviews and reassesses the adequacy of the Audit Committee charter on an annual basis.

The Audit Committee has regular access to the Chief Financial Officer of the Corporation. The external auditors regularly attend all meetings of the Audit Committee. At each meeting of the Audit Committee, a portion of the meeting is set aside to discuss matters with the external auditors without management being present. In addition, the Audit Committee has the authority to call a meeting with the external auditors without management being present, at the Committee's discretion. Additional information regarding the Audit Committee is located in the Directors and Officers section of the Corporation's Annual Information Form.

Compensation and Benefits Committee

The role of the Compensation Committee is primarily to review the adequacy and form of compensation of senior management and the Directors, with such compensation reflecting the responsibilities and risks of such positions; to administer the Equity Incentive Plan, to determine the recipients of, and the nature and size of option awards, share compensation awards granted from time to time, and any cash or share bonuses to be awarded.

The Compensation Committee currently consists of Mr. Gillin (Chair), Ms. Hudon and Ms. Mahler. Each member of the committee qualifies as an independent director for the purposes of the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules. As of May 2012, Mr. Meredith is also an invited guest to all meetings of the Compensation Committee, of which he is not a member.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for making recommendations to the Board with respect to developments in the area of corporate governance and the practices of the Board. The Nominating and Corporate Governance Committee has expressly assumed responsibility for developing the Corporation's approach to governance issues. The Nominating and Corporate Governance Committee is also responsible for reporting to the Board with respect to appropriate candidates for nomination to the Board, for overseeing the execution of an assessment process appropriate for the Board and its committees and for evaluating the performance and effectiveness of the Board and its committees.

The Nominating and Corporate Governance Committee of the Board currently consists of Dr. Klingner (Chair), Ms. Gardiner, Mr. Harding and Ms. Hudon, all of whom are nominees of management for re-election as Directors at the Meeting. Each member of the Nominating and Corporate Governance Committee, other than Mr. Harding, qualifies as an independent director for the purposes of the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules.

Safety, Health and Environment Committee

The Safety, Health and Environment Committee of the Board currently consists of Messrs. Harding and Meredith and Ms. Priestly. The role of the Safety, Health and Environment Committee is to assist the Board in fulfilling its responsibilities by reviewing performance, monitoring compliance and recommending for approval policies and management systems with respect to safety, health and environmental matters affecting the Corporation.

Code of Business Conduct and Ethics

The Corporation has adopted a Code of Business Conduct and Ethics applicable to all employees, consultants, officers and Directors regardless of their position in the organization, at all times and everywhere the Corporation does business. The Code of Business Conduct and Ethics provides that the Corporation's employees, consultants, officers and Directors will uphold its commitment to a culture of honesty, integrity and accountability and the Corporation requires the highest standards of professional and ethical conduct from its employees, consultants, officers and Directors. A number of housekeeping amendments to the Code were made in 2007 to clarify consulting and reporting procedures and to recognize the Corporation's whistleblower mechanism. Additional amendments to the Code of Business Conduct and Ethics were made in 2009 to state that the refusal of an employee to sign the acknowledgement form could result in termination of employment, the non-renewal of a contract, or a reassignment to another position. In 2009, the Corporation also adopted a companion booklet to the Code of Business Conduct and Ethics that was prepared to provide Directors, officers, employees, consultants, advisors and contractors with general information with respect to the anti-bribery laws in both Canada and the United States and highlighted the fact that violations of Canadian or United States anti-bribery laws could subject both the Corporation and the relevant individuals to substantial criminal and civil penalties. The Corporation takes any violation of these laws very seriously and any employee who violates these laws will be subject to disciplinary measures up to and including termination of employment.

A copy of the Corporation's Code of Business Conduct and Ethics, as amended, has been filed on SEDAR and is available on the Corporation's website (www.ivanhoemines.com). A copy may also be obtained, without charge, by request to the Corporate Dept., Attn: Allison Snetsinger, 654 999 Canada Place, Vancouver, British Columbia, Canada V6C 3E1, telephone to (604) 688-5755.

CSA Corporate Governance Guidelines

The Corporation's statement of corporate governance practices with reference to each of the CSA Corporate Governance Guidelines is set out in Schedule A to this Management Proxy Circular.

PARTICULARS OF MATTERS TO BE ACTED UPON

Resolution to Fix the Number of Directors to be Elected at the Meeting at 11

At the Meeting, shareholders will be asked to consider, and, if deemed appropriate, pass an ordinary resolution fixing the number of Directors to be elected at the Meeting at 11 (the Director Number Resolution). In accordance with the terms of the MOA, which provide for the Board to consist of 13 Directors, the Board has determined that it shall consist initially of 11 Directors with an additional two Directors to be appointed at the first meeting of the Board held after July 24, 2012 as further described in Election of Directors Additional Director Appointees on page 19 of this Management Proxy Circular. Management has nominated 11 Directors for election at the Meeting.

Accordingly, the Board therefore recommends that all shareholders vote FOR the Director Number Resolution, the text of which is attached as Schedule C to this Management Proxy Circular.

Termination of the Rights Plan

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, pass a resolution (the Rights Plan Termination Resolution) in the form attached as Schedule D to this Management Proxy Circular authorizing the Board to terminate the Amended and Restated Shareholder Rights Plan Agreement dated April 21, 2010 (the Rights Plan) by amending the terms of the Rights Plan to provide for its termination as of the date of the Meeting. In order to be effective, the resolution must be approved by not less than a majority of the votes cast by shareholders present or represented at and entitled to be voted at the Meeting.

In April, 2010, the Board adopted the Rights Plan, which was approved by 95% of the Corporation's minority shareholders in May of that year. RTIH notified the Corporation that it believed the Rights Plan interfered with its contractual rights and voted against the Rights Plan.

In July 2010, RTIH notified the Corporation that it was commencing an arbitration proceeding seeking a series of declarations to the effect that the operation of the Rights Plan interfered with certain of RTIH's contractual rights under the terms of the PPA. In particular, RTIH claimed that the Rights Plan breached its anti-dilution rights.

In December 2011, the arbitrator determined that, if RTIH triggered the Rights Plan and thereby became an acquiring person, RTIH's anti-dilution rights would nevertheless continue to apply. The anti-dilution rights, which apply, subject to limited exceptions, in situations where the Corporation proposes to issue shares to person(s) other than RTIH, entitle RTIH to acquire a sufficient number of Common Shares so as to result in RTIH beneficially owning the same percentage of issued and outstanding Common Shares that it would have owned had no shares been issued to such other person(s).

As a result of the arbitrator's ruling, the Rights Plan was determined to apply to all shareholders; however, the Rights Plan would not affect RTIH shareholding in the Corporation if it were to become an acquiring person, as the dilutive effect of any resulting exercise of Rights under the Rights Plan would be counteracted by Rio Tinto's anti-dilution rights.

Following the arbitrator's ruling, the Board unanimously approved the formation of a special committee (Special Committee), comprised of members of the Nominating and Corporate Governance Committee, to conduct an evaluation of the arbitrator's decision, with the assistance of independent legal counsel. The Special Committee consisted entirely of independent Directors and did not include any representatives of Rio Tinto or the Corporation's management.

In January 2012, the Board accepted a recommendation by the Special Committee that the Rights Plan be terminated and resolved to place before shareholders at the Meeting, and recommend that shareholders vote in favour of, a resolution authorizing the Board to terminate the Rights Plan. The decision to recommend termination of the Rights Plan was unanimously supported by non-conflicted Directors; Directors who were Rio Tinto employees did not take part in the discussion or vote. As part of the decision to terminate the Rights Plan, the Board also resolved to take steps to ensure that the Rights Plan would not inadvertently be triggered prior to the Meeting by delaying the separation of the rights from the Common Shares until the Meeting and to explore other means to prevent the inadvertent triggering of the Rights Plan, including by way of an amendment to the PPA, which could enable Rio Tinto to acquire additional shares through a transaction that would be exempt from the Rights Plan.

The Corporation subsequently entered into an agreement with RTIH to amend the PPA. The effect of this amendment is that all acquisitions of Common Shares by RTIH are exempt from the Rights Plan. The amendment to the PPA also formalized the Corporation's commitment to place before shareholders at the Meeting, and recommend that shareholders vote in favour of, a resolution to terminate the Rights Plan. Pursuant to the amendment, Rio Tinto also agreed to vote its Common Shares in favour of the termination of the Rights Plan.

After careful consideration by the Special Committee and by the Board, of the terms and conditions of the Rights Plan and the decision of the arbitrator with respect to same, the Board has determined, following the recommendation of the Special Committee, that the Rights Plan is no longer an effective mechanism for safeguarding the interests of stakeholders and that it is in the best interests of the Corporation, shareholders and other stakeholders that the Rights Plan be terminated. **The Board therefore recommends that all shareholders vote FOR the Rights Plan Termination Resolution, the text of which is attached as Schedule D to this Management Proxy Circular.**

A summary of the principal terms and conditions of the Rights Plan is contained in Schedule C attached to the Corporation's 2010 Management Proxy Circular, which, together with the complete text of the Shareholder Rights Plan, is available for viewing by the public at the System for Electronic Document Analysis and Retrieval (SEDAR) via the Internet at www.sedar.com.

Name Change

At the Meeting, shareholders will be asked to consider, and if deemed appropriate, to pass, with or without variation, a special resolution (the Name Change Resolution) in the form attached as Schedule E to this Management Proxy Circular to change the name of the Corporation from Ivanhoe Mines Ltd. to Turquoise Hill Resources Ltd., or such other name as the Board may approve, subject to such amendments, variations or additions as may be approved at the Meeting. The Board has determined that adopting a new name signifies to the market the Corporation's shift in strategy accompanying Rio Tinto's acquisition of a majority stake in the Corporation and also provides a distinct identity from those members of the Ivanhoe group of companies who maintain an Ivanhoe name. **The Board therefore recommends that all shareholders vote FOR the Name Change Resolution, the text of which is attached as Schedule E to this Management Proxy Circular.**

Renewal and Approval of Unallocated Stock Options under the Amended and Restated Employees and Directors Equity Incentive Plan

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, pass a resolution (the Equity Incentive Plan Resolution), in the form attached as Schedule F to this Management Proxy Circular approving and reconfirming the unallocated stock options, rights and other entitlements pursuant to the Equity Incentive Plan. The Equity Incentive Plan, which was approved by shareholders on April 5, 2010, is a rolling plan pursuant to which the Corporation would be authorized to allocate for issuance, and issue, up to a maximum of 6.5% of the Common Shares issued and outstanding from time to time under the Equity Incentive Plan. For further details regarding the Equity Incentive Plan, see Equity Compensation Plan Information.

As 2012 is the third anniversary since the rolling provisions of the Equity Incentive Plan were approved by the Corporation's shareholders, the rules of the TSX require that all unallocated options, rights and other entitlements pursuant to the Equity Incentive Plan be approved by the Corporation's shareholders. In order to be effective, the resolution must be passed by the affirmative vote of a majority of the votes cast thereon at the Meeting.

Whether or not the resolution is approved, all stock options currently outstanding under the Equity Incentive Plan will remain in effect in accordance with their terms. If the resolution is not approved, the Corporation will not be able to grant any further stock options under the Equity Incentive Plan. The full text of the resolution is attached hereto as Schedule F to this Management Proxy Circular.

The Board of Directors has determined that the approval of the unallocated options, rights or other entitlements pursuant to the Equity Incentive Plan is in the best interests of the Corporation and its shareholders. **The Board therefore recommends that shareholders vote FOR the Equity Incentive Plan Resolution, the text of which is attached as Schedule F to this Management Proxy Circular.**

OTHER BUSINESS

Management of the Corporation is not aware of any matter to come before the Meeting other than the matters referred to in the Notice of the Meeting.

DIRECTORS APPROVAL

The contents of this Management Proxy Circular and its distribution to shareholders have been approved by the Board of Directors of the Corporation.

SCHEDULE A

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Effective June 30, 2005, the Canadian Securities Administrators adopted National Instrument 58-101 and the associated National Policy 58-201 which require the Corporation to disclose its corporate governance practices. These new rules replace the former corporate governance guidelines of the TSX.

**CORPORATE GOVERNANCE
DISCLOSURE REQUIREMENT⁽¹⁾**

1. Board of Directors (the Board)

(a) Disclose the identity of directors who are independent.

COMMENTS

The Board has reviewed the independence of each Director on the basis of the definitions and interpretations in Sections 1.4 and 1.5 of National Instrument 52-110, and the applicable provisions of the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules. A Director is independent if he or she has no direct or indirect material relationship with the Corporation, including as a partner, shareholder or officer of an organization that has a relationship with the Corporation. A material relationship is one that would, or in the view of the Board could, be reasonably expected to interfere with the exercise of a Director's independent judgment. The Board has determined, after reviewing the roles and relationships of each of the Directors, that 54% or six (6) out of eleven (11) of the nominees proposed by management for election to the Board at the Meeting are independent from the Corporation. The following nominees have been affirmatively determined to be independent by the Board:

Jill Gardiner

R. Peter Gillin

Isabelle Hudon

Dr. David Klingner

Livia Mahler

Russel C. Robertson

This determination was made on the basis that:

(a) they are not and have not been within the last three years an employee or executive officer of the Corporation (or any parent or subsidiary of the Corporation) and their immediate family members are not and have not been within the last three years an executive officer of the Corporation (or any parent or subsidiary of the

Corporation);

(b) they are not a partner or employee of the Corporation's internal or external auditor;

(c) their immediate family members are not a partner of the Corporation's internal or external auditor nor are they an employee of such auditor who (i) participates in its audit, assurance or tax compliance (but not tax planning) practice or (ii) personally worked on the Corporation's audit;

(d) they (and their immediate family members) are not and have not been within the last three years a partner or employee of the Corporation's internal or external auditor and worked on the Corporation's audit within such time;

(e) they (and their immediate family members) are not and have not been within the last three years an executive officer of an entity of which the Corporation's executive officers served on that entity's compensation committee;

(f) they (and their immediate family members) did not receive or accept more than C\$75,000 in payments or compensation from the Corporation or any subsidiary of the Corporation (exclusive of (i) any remuneration received for acting as a Board or Committee member; and (ii) compensation paid to an immediate family member who is a non-executive employee of the Corporation or a parent or subsidiary of the Corporation) during any 12 month period during the last three years;

(g) they are not an employee or an executive officer and their immediate family members do not currently serve as an executive officer of a company that has made payments to, or received payments from, the Corporation for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of US\$1 million or 2% of such other company's consolidated gross revenues for any such years;

(h) they (and their immediate family members) are not a partner in, or a controlling shareholder or an executive officer of any organization to which the Corporation (or any parent or subsidiary) made, or from which the Corporation (or any parent or subsidiary) received payments (other than those arising (i) solely from investments in the Corporation's securities; or (ii) under non-discretionary charitable matching programs) that exceed 5% of the organization's consolidated gross revenues for that year, or US\$200,000, whichever is more, in any of the past three years;

(i) they have not accepted, directly or indirectly, any consulting, advisory or other compensatory fee from the Corporation or any parent or subsidiary of the Corporation (exclusive of any Board remuneration received for acting as a Board or Committee member, part-time chair or part-time vice-chair); and

(j) they are not an affiliated entity of the Corporation or any of its subsidiaries.

COMMENTS

In determining that Dr. Klingner is an independent director, the Board also considered, in the first instance, the fact that Dr. Klingner had retired from Rio Tinto in 2004 after 38 years of service with the Rio Tinto Group and its predecessor corporations, and had served on Rio Tinto's Executive Committee as Head of Exploration for the Rio Tinto Group from 1997 to 2004. The Board noted that from 1966 to 1995, Dr. Klingner was employed by CRA Limited, which was a separately managed and operated subsidiary of Rio Tinto until the adoption of the current dual-listed structure of the Rio Tinto Group in 1995. The Board also considered the fact that Dr. Klingner is currently Chairman of Energy Resources of Australia Ltd. (ERA) and holds his position as a director of ERA as a nominee of Rio Tinto, which owns approximately 68% of the outstanding shares of ERA and provides various services to ERA. The Board noted that Dr. Klingner owns shares in Rio Tinto and receives substantial remuneration from ERA for serving as its Chairman. The Board determined, however, that Dr. Klingner has no other continuing business relationships with Rio Tinto and serves as Chairman of ERA in his capacity as an independent non-executive director, having been recognized as such by the Board of ERA pursuant to the Corporate Governance Principles and Recommendations of the Corporate Governance Council of the Australian Stock Exchange, and by Institutional Shareholder Services in its report and recommendations to shareholders in connection with ERA's 2012 annual general meeting. The Board confirmed that Dr. Klingner did not fall within any of the specified categories of relationships that are to be presumed to interfere with the exercise of independent judgment by a director pursuant to National Instrument 52-110 and the applicable provisions of the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules. The Board considered the significant period of time (over seven years) that has elapsed since Dr. Klingner retired from Rio Tinto, and further noted that, in his capacity as the independent non-executive Chairman of ERA, Dr. Klingner has had substantial responsibility and experience in protecting the interests of ERA's shareholders other than Rio Tinto and ensuring that ERA operates independently of Rio Tinto notwithstanding its controlling shareholder interest. Having conducted such inquiries as it deemed necessary and appropriate and having regard to all of the relevant circumstances, the Board has determined that Dr. Klingner has no direct or indirect relationship with Rio Tinto which would, or which could, reasonably be expected to interfere with the exercise of his independent judgment to act in the best interests of all of the shareholders of the Corporation, and, accordingly, should be considered to be an independent director of the Corporation.

**CORPORATE GOVERNANCE
DISCLOSURE REQUIREMENT⁽¹⁾****COMMENTS**

As noted under Election of Directors Additional Director Appointees on page 19 of this Management Proxy Circular, it is proposed that Charles Lenegan will be appointed as an additional independent director at the first meeting of the Board held after July 24, 2012. Mr Lenegan, formerly an executive officer within the Rio Tinto Group, retired as Vice President Business Development, Middle East and Africa, of Rio Tinto Alcan on June 30, 2009. However, because Mr. Lenegan received retirement benefits from the Rio Tinto Group in excess of Cdn \$75,000 on July 23, 2009, he is considered to have a material relationship with Rio Tinto until the third anniversary of such payment under the applicable provisions of National Instrument 52-110, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules. The Board has determined that Mr. Lenegan will qualify as a Director independent of Rio Tinto and the Corporation as of July 24, 2012. In arriving at such determination, the Board gave careful consideration to the fact that Mr. Lenegan was employed for 27 years in various senior management positions within the Rio Tinto Group. The Board noted, however, that apart from his service as Managing Director, Rio Tinto-Australia from 2004 to 2008, Mr. Lenegan had spent substantially all of his career with various Rio Tinto subsidiary entities engaged in projects with equal or minority partners, including numerous joint ventures, and that, in such capacities, Mr. Lenegan had gained valuable experience in ensuring that such entities operated in a manner that balanced the interests of all of their stakeholders, and not merely those of Rio Tinto. The Board also noted that Mr. Lenegan had served as a director of Energy Resources of Australia Ltd. (ERA) for two and a half years, during which time Dr. David Klingner, presently the independent non-executive Chairman of the Board of the Corporation, also served as the independent non-executive Chairman of ERA. The Board considered Mr. Lenegan's current non-executive directorship with Oz Minerals Limited and non-executive Chairman position with Rey Resources Limited (each of which is a public company listed on the Australian Stock Exchange) and noted that neither company is affiliated with either Rio Tinto or the Corporation. The Board noted that Mr. Lenegan has had no engagement with the Rio Tinto Group since his retirement in June 2009 and that, as of June 30, 2012, three years will have passed since his retirement from any position within the Rio Tinto Group. The Board has concluded that, save for the payment of retirement benefits referred to above, Mr. Lenegan does not fall within any of the specified categories of relationships that are to be presumed to interfere with the exercise of independent judgment by a director pursuant to National Instrument 52-110 and the applicable provisions of the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules, and that he is in all other respects independent of Rio Tinto and the Corporation. Having conducted such inquiries as it deems necessary and appropriate and having regard to all of the relevant circumstances, the Board has determined that as of July 24, 2012, Mr. Lenegan will have no direct or indirect material relationship which would, or which could, reasonably be expected to interfere with the exercise of his independent judgment to act in the best interests of all of the shareholders of the Corporation, and that as of such date he should be considered to be eligible for appointment as an independent director of the Corporation.

**CORPORATE GOVERNANCE
DISCLOSURE REQUIREMENT⁽¹⁾**

(b) Disclose the identity of directors who are not independent, and describe the basis for that determination.

COMMENTS

The Board and Nominating and Corporate Governance Committee have determined, after reviewing the roles and relationships of each of the Directors, that the following five (5) out of eleven (11) nominees proposed by management for election to the Board are not independent from the Corporation as defined in the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules:

Warren Goodman

Andrew Harding

Daniel Larsen

Peter G. Meredith

Kay Priestly

Messrs. Goodman, Harding and Larsen hold positions as executive officers within the Rio Tinto Group. The Board has considered the relationship between the Rio Tinto Group and the Corporation resulting from Rio Tinto's significant investment in the Corporation, the terms and conditions of the (i) PPA, (ii) the HOA, and (iii) the MOA. Accordingly, it has concluded that such relationship is a material relationship within the meaning of the applicable provisions of the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules, and therefore considers Messrs. Goodman, Harding and Larsen to be non-independent nominee Directors.

Ms. Priestly is considered to be non-independent as a result of her position as Chief Executive Officer of the Corporation and as a former executive officer within the Rio Tinto Group.

Mr. Meredith, Chairman of the Corporation's subsidiary, SouthGobi, and a former senior officer of the Corporation, is considered to be a non-independent Director.

In addition, upon the appointment of Mr. Tygesen at the first meeting of the Board held after July 24, 2012, Mr. Tygesen will qualify as non-independent as a result of his position as an executive officer within the Rio Tinto Group.

**CORPORATE GOVERNANCE
DISCLOSURE REQUIREMENT (1)**

(c) Disclose whether or not a majority of the directors are independent. If a majority of directors are not independent, describe what the Board of Directors does to facilitate its exercise of independent judgment in carrying out its responsibilities.

(d) If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

(e) Disclose whether or not the independent directors hold regularly scheduled meetings at which members of management are not in attendance. If the independent directors hold such meetings, disclose the number of meetings held since the beginning of the issuer's most recently completed financial year. If the independent directors do not hold such meetings, describe what the Board does to facilitate open and candid discussion among its independent directors.

COMMENTS

54% or six (6) of the eleven (11) nominees proposed by management for election to the Board are independent Directors as defined in the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules.

Effective upon the appointment of Charles Lenegan and Jeffery D. Tygesen as Directors at the first meeting of the Board held after July 24, 2012, as set forth above, it is expected that 54% or seven (7) of thirteen (13) Directors will be independent Directors as defined in the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules.

The Board is satisfied with the current and proposed size and composition of the Board and believes that the resulting Board composition is a balanced representation among management and non-management Directors, and the Corporation's major shareholder. While the Board functions effectively given the Corporation's stage of development and the size and complexity of its business, the Board, through its Nominating and Corporate Governance Committee, will continue to seek qualified candidates to augment its experience and expertise and to enhance the Corporation's ability to effectively develop its business interests.

All directorships with other public entities for each of the nominees are set out next to the individual's name under the heading Election of Directors Management Nominees in this Management Proxy Circular.

As part of the quarterly meetings of the Board, the independent Directors also have the opportunity to meet separate from management. If required, between regularly scheduled Board meetings, a meeting of independent Directors is held by teleconference to update the independent Directors on corporate developments since the last Board meeting. There were five such meetings of the independent Directors in 2011.

The Compensation Committee and the Nominating and Corporate Governance Committee meet without management being present unless the committee specifically requests the presence of one or more management representatives.

During 2011, there were nine Board meetings, eight meetings of the Compensation Committee, four meetings of the Audit Committee and four meetings of the Nominating and Corporate Governance Committee.

The results of discussions of all Board committees, and of the meetings of independent Directors, are communicated to the full Board at its next scheduled meeting, or more promptly if required, by the committee Chairs to the other Directors and members of management.

**CORPORATE GOVERNANCE
DISCLOSURE REQUIREMENT⁽¹⁾**

(f) Disclose whether or not the chair of the Board is an independent director. If the Board has a chair or lead director who is an independent director, disclose the identity of the independent chair or lead director, and describe his or her role and responsibilities. If the Board has neither a chair that is independent nor a lead director that is independent, describe what the Board does to provide leadership for its independent directors.

(g) Disclose the attendance record of each director for all Board meetings held since the beginning of the issuer's most recently completed financial year.

2. Board Mandate

Disclose the text of the Board's written mandate. If the Board does not have a written mandate, describe how the Board delineates its role and responsibilities.

3. Position Descriptions

(a) Disclose whether or not the Board has developed written position descriptions for the chair and the chair of each Board committee. If the Board has not developed written position descriptions for the chair and/or the chair of each Board committee, briefly describe how the Board delineates the role and responsibilities of each such position.

(b) Disclose whether or not the Board and CEO have developed a written position description for the CEO. If the Board and CEO have not developed such a position description, briefly describe how the Board delineates the role and responsibilities of the CEO.

COMMENTS

Dr. Klingner, an independent Director, serves as Chairman of the Board of Directors. The Chairman is responsible for ensuring the Board of Directors carries out its responsibilities contemplated by applicable statutory and regulatory requirements and stock exchange listing standards. The Chairman is also responsible for, among other things, leadership of the Board, ensuring the provision of accurate, timely and clear information to the Directors, ensuring effective communication with shareholders, facilitating Board discussions to ensure core issues facing the Corporation are addressed and promoting constructive and respectful relations among Board members and between the Board and management. The Board is of the view that the level of representation of independent Directors on the Board, including having an independent Director serving as Chairman of the Board, allows the Board to function independently of management.

A record of attendance by Director(s) at meetings of the Board and its Committees as well as the number of Board and Board Committee meetings held during the financial year ended December 31, 2011, is set out next to each individual's name under the heading "Election of Directors - Management Nominees" in this Management Proxy Circular.

The Board has assumed responsibility for the stewardship of the Corporation and has adopted a formal mandate as described in this Management Proxy Circular under the heading "Corporate Governance - Mandate of the Board", setting out its stewardship responsibilities.

The mandate of the Board is available on the Corporation's website (www.ivanhoemines.com). A copy may also be obtained upon request to the Corporate Department of the Corporation, Attn: Allison Snetsinger, 654 - 999 Canada Place, Vancouver, British Columbia V6C 3E1, telephone (604) 688-5755.

The Board has developed written position descriptions for the Chairman, the Chairs of each of the Audit, Compensation, and Nominating and Corporate Governance Committees, CEO and CFO, clearly defining their respective roles and responsibilities. Such position descriptions were reviewed by the Nominating and Corporate Governance Committee and approved by the Board and are subject to annual review by the Nominating and Corporate Governance Committee.

4. Orientation and Continuing Education

(a) Briefly describe what measures the Board takes to orient new members regarding:

(i) the role of the Board, its committees and its directors, and

(ii) the nature and operation of the issuer's business.

(b) Briefly describe what measures, if any, the Board takes to provide continuing education for its directors. If the Board does not provide continuing education, describe how the Board ensures that its directors maintain the skill and knowledge necessary to meet their obligations as directors.

The Corporation takes steps to ensure that prospective directors fully understand the role of the Board and its committees and the contribution individual directors are expected to make, including in particular the commitment of time and energy that the Corporation expects of its directors. In addition, new directors are provided with a comprehensive information package, including pertinent corporate documents and a director's manual containing information on the duties, responsibilities and liabilities of directors. New directors are also briefed by management as to the status of the Corporation's business. Directors are also encouraged to make site visits to the Corporation's properties.

Management and outside advisors provide information and education sessions to the Board and its committees on a continuing basis as necessary to keep the Directors up-to-date with the Corporation, its business and the environment in which it operates as well as with developments in the responsibilities of directors, corporate governance, ethics and compliance.

Presentations are made to the Board from time to time to educate and keep them informed of changes within the Corporation and of regulatory and industry requirements and standards.

In addition, Directors are encouraged to take courses relevant to the Corporation and its business, particularly with respect to corporate governance and the mining industry, at the Corporation's expense.

5. Ethical Business Conduct

(a) Disclose whether or not the Board has adopted a written code for its directors, officers and employees. If the Board has adopted a written code:

(i) disclose how a person or company may obtain a copy of the code;

(ii) describe how the Board monitors compliance with its code, or if the Board does not monitor compliance, explain whether and how the Board satisfies itself regarding compliance with its code; provide a cross-reference to any material change report filed since the beginning of the issuer's most recently completed financial year that pertains to any conduct of a director or executive officer that constitutes a departure from the code.

The Corporation has adopted a Code of Business Conduct and Ethics applicable to all employees, consultants, officers and directors regardless of their position in the organization, at all times and everywhere the Corporation does business. The Code of Business Conduct and Ethics provides that the Corporation's employees, consultants, officers and directors will uphold its commitment to a culture of honesty, integrity and accountability and the Corporation requires the highest standards of professional and ethical conduct from its employees, consultants, officers and directors. A number of housekeeping amendments to the Code were made in 2007 to clarify consulting and reporting procedures and to recognize the Corporation's whistleblower mechanism.

**CORPORATE GOVERNANCE
DISCLOSURE REQUIREMENT⁽¹⁾**

COMMENTS

In 2009, the Code of Business Conduct and Ethics was amended to state that, should an employee refuse to sign the acknowledgement form the refusal could result in termination of employment, the non-renewal of a contract, or a reassignment to another position. In 2009 the Corporation also adopted a companion booklet to the Code of Business Conduct and Ethics that was prepared to provide directors, officers, employees, consultants, advisors and contractors with general information with respect to the anti-bribery laws in both Canada and the United States. Violations of Canadian or United States anti-bribery law could subject both the Corporation and the relevant individuals to substantial criminal and civil penalties. The Corporation takes any violation of these laws very seriously and any employee who violates these laws will be subject to disciplinary measures up to and including termination of employment.

The Corporation's Code of Business Conduct and Ethics, as amended, has been filed on SEDAR and is available on the Corporation's website (www.ivanhoemines.com). A copy may also be obtained upon request to the Corporate Department of the Corporation, Attn: Allison Snetsinger, 654 - 999 Canada Place, Vancouver, British Columbia V6C 3E1, telephone (604) 688-5755.

All Directors and employees are provided with a booklet containing the Corporation's Code of Business Conduct and Ethics and Corporate Securities Trading Policy (which has been translated into other languages as required for use in the Corporation's international operations) and are required to sign a written acknowledgement confirming that they have received, reviewed and understand its contents and agree to abide by the Code.

Corporate supervisors and employees are required to confirm, on an annual basis, that they have reviewed the Corporation's Code of Business Conduct and Ethics as part of their annual performance appraisal.

The Nominating and Corporate Governance Committee monitors the compliance with the Code of Business Conduct and Ethics and also ensures that management encourages and promotes a culture of ethical business conduct.

The Board has not granted any waiver of the Code of Business Conduct and Ethics in favour of a Director or executive officer. Accordingly, no material change report has been required or filed.

The Nominating and Corporate Governance Committee monitors the disclosure of conflicts of interest to the Board by Directors and ensures that no Director will vote or participate in a discussion on a matter in respect of which such Director has a material interest. Committee Chairs perform the same function with respect to meetings of each Board committee.

The Corporation has published a Statement of Values and Responsibilities. An updated Statement was approved by the Board on March 11, 2008. It has also developed various corporate policies including Corporate Disclosure, Confidentiality and Securities Trading policies, and a Whistleblower Policy, administered by an independent third party.

(b) Describe any steps the Board takes to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

(c) Describe any other steps the Board takes to encourage and promote a culture of ethical business conduct.

6. Nomination of Directors

(a) Describe the process by which the Board identifies new candidates for Board nomination.

(b) Disclose whether or not the board has a nominating committee composed entirely of independent directors. If the board does not have a nominating committee composed entirely of independent directors, describe what steps the board takes to encourage and objective nomination process.

(c) If the board has a nominating committee, describe the responsibilities, powers and operation of the nominating committee.

Directors, employees and service providers (collectively, Personnel) of the Corporation are encouraged to participate in education programs dealing with matters of corporate governance and best practices. Personnel of the Corporation and certain of its subsidiaries are also provided with anti-bribery training with respect to the Foreign Corrupt Practices Act, which they are required to complete.

The Board has a Nominating and Corporate Governance Committee consisting of Dr. Klingner (Chair), Ms. Gardiner, Mr. Harding and Ms. Hudon, all of whom are nominees of management for re-election as Directors at the Meeting. All members of the committee, other than Mr. Harding, are independent directors under the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules. Dr. Klingner has been appointed as Chairman of the committee. The full Board determines, in light of the opportunities and risks facing the Corporation, what competencies, skills and personal qualities it should seek in new Board members in order to add value to the Corporation. Based on this framework, the Nominating and Corporate Governance Committee developed a skills matrix outlining the Corporation's desired complement of Directors competencies, skills and characteristics. The specific make-up of the matrix includes such competencies and experiences as international experience, leading and/or advising growth orientated companies, resource exploration and operations, diversity, financial literacy, legal knowledge, corporate governance, etc. The Committee annually assesses the current competencies and characteristics represented on the Board and to determine the Board's strengths and identify any gaps that need to be filled. This analysis assists the Committee in discharging its responsibility for approaching and proposing to the full Board new nominees to the Board, and for assessing Directors on an ongoing basis.

The Nominating and Corporate Governance Committee receives and reviews recommendations from Directors and members of management in considering new candidates and has the authority to hire outside consultants to help to identify additional qualified candidates as required.

COMMENTS

Rio Tinto, which holds approximately 50.9% of the Corporation's voting securities as at the date of this Management Proxy Circular, has sufficient voting rights to direct appointments to and the composition of the Board; however these voting rights are subject to contractual limitations (as described in the section of this Management Proxy Circular entitled "Nomination Rights"). The Corporation's former Chief Executive Officer of the Corporation holds approximately 13.7% of the Corporation's voting securities as at the date of this Management Proxy Circular and is entitled to nominate two RMF Nominees as Directors (as described in the section of this Management Proxy Circular entitled "Nomination Rights"). Notwithstanding such shareholdings, over 54% of the Corporation's Director nominees do not have an interest in or relationship with the Corporation, its former Chief Executive Officer or Rio Tinto. The Corporation believes that its current level of independent Director representation on the Board fairly reflects the investment in the Corporation by shareholders other than the former Chief Executive Officer or Rio Tinto.

The Board seeks to achieve a balanced representation of skilled and experienced independent directors and has determined to continue to seek, through its Nominating and Corporate Governance Committee, additional qualified candidates as required to augment its experience and expertise and to enhance the Corporation's ability to effectively develop its business interests. In so doing, the Nominating and Corporate Governance Committee will seek candidates that meet all Canadian, U.S. and other standards of independence applicable to the Corporation.

The charter of the Nominating and Corporate Governance Committee is available on the Corporation's website (www.ivanhoemines.com). A copy may also be obtained upon request to the Corporate Department of the Corporation, Attn: Allison Snetsinger, 654 - 999 Canada Place, Vancouver, British Columbia V6C 3E1, telephone (604) 688-5755.

7. Compensation

(a) Describe the process by which the Board determines the compensation for the issuer's directors and officers.

The Compensation Committee has responsibility for recommending compensation for the Corporation's senior executive officers to the Board. CEO compensation is approved by the Compensation Committee. See "Executive Compensation Committee".

The Compensation Committee periodically reviews and makes recommendations to the Board regarding the adequacy and form of the compensation for independent Directors to ensure that such compensation reflects the responsibilities and risks involved in being an effective director, without compromising a Director's independence. Directors who are executives of the Corporation receive no additional remuneration for their services as Directors.

The Compensation Committee also makes recommendations to the Board with respect to the adequacy of compensation and benefits for non-management Directors. For further information on non-management Director compensation, see "Executive Compensation - Compensation of Directors".

**CORPORATE GOVERNANCE
DISCLOSURE REQUIREMENT (1)**

(b) Disclose whether or not the Board has a compensation committee composed entirely of independent directors. If the Board does not have a compensation committee composed entirely of independent directors, describe what steps the Board takes to ensure an objective process for determining such compensation.

(c) If the Board has a compensation committee, describe the responsibilities, powers and operation of the compensation committee.

COMMENTS

The Compensation Committee comprises three Directors, all of whom have been affirmatively determined by the Board to be independent directors as defined by the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules.

The members of the committee have diverse professional backgrounds, with prior experience in executive compensation. None of the members of the committee, other than Ms. Hudon⁴, serve as CEOs or senior executive officers of other public corporations.

The duties and responsibilities of the Compensation Committee include the development of a compensation philosophy and policy, evaluating the performance of the Corporation's senior executive officers, reviewing their compensation, and monitoring equity incentive arrangements.

The role of the Compensation Committee is primarily to review the adequacy and form of compensation of senior management and the Directors, with such compensation reflecting the responsibilities and risks of such positions; to administer the Equity Incentive Plan, to determine the recipients of, and the nature and size of option awards, share compensation awards granted from time to time and any cash or share bonuses to be awarded. The committee also conducts a formal review of the Corporation's executive compensation on an annual basis and otherwise as required to satisfy itself and the Board that the Corporation's compensation objectives are being met.

The members of the Compensation Committee are Mr. Gillin (Chair), Ms. Hudon and Ms. Mahler. Each member of the committee is an independent Director for the purposes of the CSA Corporate Governance Guidelines, the NYSE Corporate Governance Rules and the NASDAQ Corporate Governance Rules. As of May 2012, Mr. Meredith is also an invited guest of all meetings of the Compensation Committee, of which he is not a member.

The charter of the Compensation Committee is available on the Corporation's website (www.ivanhoemines.com). A copy may also be obtained upon request to the Corporate Department of the Corporation, Attn: Allison Snetsinger, 654 - 999 Canada Place, Vancouver, British Columbia V6C 3E1, telephone (604) 688-5755.

8. Other Board Committees If the Board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

9. Assessments Disclose whether or not the Board, its committees and individual directors are regularly assessed with respect to their effectiveness and contribution. If assessments are regularly conducted, describe the process used for the assessments. If assessments are not regularly conducted, describe how the Board satisfies itself that the Board, its committees, and its individual directors are performing effectively.

COMMENTS

The Board has established a Safety, Health and Environment Committee, currently consisting of Messrs. Harding and Meredith and Ms. Priestly, which became effective following the 2011 Annual General Meeting. The role of the Safety, Health and Environment Committee is to assist the Board in fulfilling its responsibilities by reviewing performance, monitoring compliance and recommending for approval policies and management systems with respect to safety, health and environmental matters affecting the Corporation.

The Nominating and Corporate Governance Committee has the responsibility for developing and recommending to the Board, and overseeing the execution of, a process for assessing the effectiveness of the Board as a whole, the committees of the Board and the contribution of individual Directors, on a regular basis. The Nominating and Corporate Governance Committee has developed and is continuing to refine an assessment process for the Board, each of its committees, and the contribution of individual Directors.

The Nominating and Corporate Governance Committee generally reviews and approves a performance evaluation questionnaire that is forwarded to all of the members of the Board. This questionnaire covers a wide range of issues providing for qualitative ratings and subjective comments and recommendations in each area. Each Director is also asked to comment on what additional skills, experience and information could benefit the Board and how they might best be assessed.

In the normal course, the Board also completes self-assessment and/or peer reviews which have assessed a wide range of issues, including skills and experience; preparation; attendance; accountability; communication; and contribution to strategic planning.

When peer reviews are undertaken, the Chairman is provided with a report detailing the average (mean) ratings for all Directors of the portion of the questionnaire dealing with the contribution of individual Directors, and a summary of the responses to the portion dealing with overall Board contribution, on a non-attributed basis. Each Director is also provided with a confidential report card containing their peers assessment of their contribution. The Chairman meets with each Director to discuss individual and Board performance.

In 2011, in light of the introduction of new Directors, a more limited self-assessment approach was followed.

These evaluations showed that the Board, its Committees, the Committee Chairs, the Chairman and individual Directors were effectively fulfilling their responsibilities.

EQUITY INCENTIVE PLAN

IVANHOE MINES LTD.

EMPLOYEES AND DIRECTORS EQUITY INCENTIVE PLAN

AMENDED AND RESTATED

May 7, 2010

PART 1 INTRODUCTION

1.1 Purpose

The purpose of the Plan is to secure for the Company and its shareholders the benefits of incentive inherent in share ownership by the employees and directors of the Company and its affiliates who, in the judgment of the Board, will be largely responsible for its future growth and success. It is generally recognized that share plans of the nature provided for herein aid in retaining and encouraging employees and directors of exceptional ability because of the opportunity offered them to acquire a proprietary interest in the Company.

1.2 Definitions

- (a) **Affiliate** has the meaning set forth in Section 1(2) of the *Ontario Securities Act*, as amended, and includes those issuers that are similarly related, whether or not any of the issuers are corporations, companies, partnerships, limited partnerships, trusts, income trusts or investment trusts or any other organized entity issuing securities.
- (b) **Associate** has the meaning assigned to it in the *Ontario Securities Act*, as amended.
- (c) **Board** means the board of directors of the Company.
- (d) **Blackout Period** means a period in which the trading of Shares or other securities of the Company is restricted under the Company's Corporate Disclosure, Confidentiality and Securities Trading Policy, or under an insider trading policy or other policy of the Company then in effect.

Committee, as employees eligible for participation in the Plan. Eligible Employees shall include Service Providers eligible for participation in the Plan as determined by the Board.

G1

- (i) **Fair Market Value** means, with respect to a Share subject to Option, the volume weighted average price of the Shares on The Toronto Stock Exchange for the five days on which Shares were traded immediately preceding the date in respect of which Fair Market Value is to be determined or, if the Shares are not, as at that date listed on The Toronto Stock Exchange, on such other exchange or exchanges on which the Shares are listed on that date. If the Shares are not listed and posted for trading on an exchange on such day, the Fair Market Value shall be such price per Share as the Board, acting in good faith, may determine.
- (j) **Insider** has the meaning assigned to it in the Ontario Securities Act, as amended, and also includes an Associate or Affiliate of any person who is an Insider.
- (k) **Option** means an option granted under the terms of the Share Option Plan.
- (l) **Option Period** means the period during which an Option is outstanding.
- (m) **Optionee** means an Eligible Employee or Eligible Director to whom an Option has been granted under the terms of the Share Option Plan.
- (n) **Participant** means, in respect of any Plan, an Eligible Employee or Eligible Director who participates in such Plan.
- (o) **Plan** means, collectively the Share Option Plan, the Share Bonus Plan and the Share Purchase Plan and **Plan** means any such plan as the context requires.
- (p) **Service Provider** means any person or company engaged by the Company or an Affiliate to provide services for an initial, renewable or extended period of 12 months or more.
- (q) **Share Bonus Plan** means the plan established and operated pursuant to Part 3 and Part 5 hereof.

- (s) **Share Purchase Plan** means the plan established and operated pursuant to Part 4 and Part 5 hereof.
- (t) **Shares** means the common shares of the Company.

PART 2 SHARE OPTION PLAN

2.1 Participation

Options shall be granted only to Eligible Employees and Eligible Directors.

2.2 Administration of Share Option Plan.

The Share Option Plan shall be administered by the Committee.

2.3 Price

The exercise price per Share of any Option shall be not less than one hundred per cent (100%) of the Fair Market Value on the date of grant.

2.4 Grant of Options

The Board, on the recommendation of the Committee, may at any time authorize the granting of Options to such Eligible Employees and Eligible Directors as it may select for the number of Shares that it shall designate, subject to the provisions of the Share Option Plan. The date of grant of an Option shall be (i) the date such grant was approved by the Committee for recommendation to the Board, provided the Board approves such grant; or (ii) for a grant of an Option not approved by the Committee for recommendation to the Board, the date such grant was approved by the Board.

Each Option granted to an Eligible Employee or to an Eligible Director shall be evidenced by a stock option agreement with terms and conditions consistent with the Share Option Plan and as approved by the Board on the recommendation of the Committee (which terms and conditions need not be the same in each case and may be changed from time to time, subject to section 5.7 of the Plan, and the approval of any material changes by The Toronto Stock Exchange or such other exchange or exchanges on which the Shares are then traded).

2.5 Terms of Options

The Option Period shall be seven years from the date such Option is granted or such greater or lesser duration as the Board, on the recommendation of the Committee, may determine at the date of grant, and may thereafter be reduced with respect to any such Option as provided in Section 2.8 hereof covering termination of employment or death of the Optionee; provided, however, that at any time the expiry date of the Option Period in respect of any outstanding Option under this Plan (either before or after its amendment and restatement on May 11, 2007) should be determined to occur either during a Blackout Period or within ten business days following the expiry of the Blackout Period, the expiry date of such Option Period shall be deemed to be the date that is the tenth business day following the expiry of the Blackout Period.

Unless otherwise determined from time to time by the Board, on the recommendation of the Committee, Options shall vest and may be exercised (in each case to the nearest full Share) during the Option Period as follows:

- (a) at any time after the first year of the Option Period, the Optionee may purchase up to 25% of the total number of Shares reserved for issuance pursuant to his or her Option; and
- (b) at any time during each successive further year of the Option Period the Optionee may purchase an additional 25% of the total number of Shares reserved for issuance pursuant to his or her Option plus any Shares not purchased in accordance with the preceding subsection (a) and this subsection (b) until, in the fourth year of the Option Period, 100% of the Option will be exercisable.

Except as set forth in Section 2.8, no Option may be exercised unless the Optionee is at the time of such exercise:

- (a) in the case of an Eligible Employee, in the employ of the Company or an Affiliate and shall have been continuously so employed since the grant of his Option, but absence on leave, having the approval of the Company or such Affiliate, shall not be considered an interruption of employment for any purpose of the Share Option Plan; or
- (b) in the case of an Eligible Director, a director of the Company or an Affiliate and shall have been such a director continuously since the grant of his Option.

Subject to Section 2.6, the exercise of any Option will be contingent upon the Optionee having entered into an Option agreement with the Company on such terms and conditions as have been approved by the Board, on the recommendation of the Committee, and which incorporates by reference the terms of the Plan. Subject to Section 2.6, the exercise of any Option will also be contingent upon receipt by the Company of cash payment of the full purchase price of the Shares being purchased. No Optionee or his legal representatives or legatees will be, or will be deemed to be, a holder of any Shares subject to an Option, unless and until certificates for such Shares are issued to him or them under the terms of the Share Option Plan.

2.6 Share Appreciation Right

Participants have the right (the Right), in lieu of the right to exercise an Option, to terminate such Option in whole or in part (the Terminated Option) by notice in writing delivered by the Participant to the Company electing to exercise the Right and, in lieu of receiving the Shares (the Option Shares) to which the Terminated Option relates, to receive the number of Shares, disregarding fractions, which is equal to the quotient obtained by:

- (a) subtracting the Option exercise price per Share from the Fair Market Value per Share on the day immediately prior to the exercise of the Right and multiplying the remainder by the number of Option Shares; and
- (b) dividing the product obtained under subsection 2.6(a) by the Fair Market Value per Share on the day immediately prior to the exercise of the Right.

If a Participant exercises a Right in connection with an Option, it is exercisable only to the extent and on the same conditions that the related Option is exercisable under the Plan.

2.7 Lapsed Options

If Options are surrendered, terminated or expire without being exercised in whole or in part, new Options may be granted covering the Shares not purchased under such lapsed Options, subject in the case of the cancellation of an Option in connection with the grant of a new Option to the same person on different terms, to the consent of the Toronto Stock Exchange.

2.8 Effect of Termination of Employment or Death

If an Optionee:

- (a) dies while employed by or while a director of the Company or its Affiliate, any Option held by him at the date of death shall become exercisable in whole or in part, but only by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or applicable laws of descent and distribution. Unless otherwise determined by the Board, on the recommendation of the Committee, all such Options shall be exercisable only to the extent that the Optionee was entitled to exercise the Option at the date of his death and only for 12 months after the date of death or prior to the expiration of the Option Period in respect thereof, whichever is sooner; or
- (b) ceases to be employed by or act as a director of the Company or its Affiliate for cause, no Option held by such Optionee will, unless otherwise determined by the Board, on the recommendation of the Committee, be exercisable following the date on which such Optionee ceases to be so employed or ceases to be a director, as the case may be. If an Optionee ceases to be employed by or act as a director of the Company or its Affiliate for any reason other than cause then, unless otherwise determined by the Board, on the recommendation of the Committee, any Option held by such Optionee at the effective date thereof shall become exercisable for a period of up to 12 months thereafter or prior to the expiration of the Option Period in respect thereof, whichever is sooner.

2.9 Effect of Takeover Bid

If a bona fide offer (the Offer) for Shares is made to the Optionee or to shareholders generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror exercising control over the Company within the meaning of subsection 1(3) of the Ontario Securities Act (as amended from time to time), then the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee currently holding an Option of the Offer, with full particulars thereof, whereupon, notwithstanding Section 2.5 hereof, such Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Shares received upon such exercise (the Optioned Shares) pursuant to the Offer.

2.10 Effect of Amalgamation or Merger

If the Company amalgamates or merges with or into another corporation, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Participant would have received upon such amalgamation or merger if the Participant had exercised his Option immediately prior to the record date applicable to such amalgamation or merger, and the option price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Share Option Plan.

2.11 Adjustment in Shares Subject to the Plan

If there is any change in the Shares through the declaration of stock dividends of Shares or consolidations, subdivisions or reclassification of Shares, or otherwise, the number of Shares available under the Share Option Plan, the Shares subject to any Option, and the option price thereof shall be adjusted appropriately by the Board and such adjustment shall be effective and binding for all purposes of the Share Option Plan.

2.12 Loans to Employees

Subject to applicable law, the Board may at any time authorize the Company to loan money to an Eligible Employee (which for purposes of this Section 2.12 excludes any director or executive officer (or equivalent thereof) of the Company), on such terms and conditions as the Board may reasonably determine, to assist such Eligible Employee to exercise an Option held by him or her. Such terms and conditions shall include, in any event, interest at prevailing market rates, a term not in excess of one year, and security in favour of the Company represented by that number of Shares issued pursuant to the exercise of an Option in respect of which such loan was made or equivalent security which equals the loaned amount divided by the Fair Market Value of the Shares on the date of exercise of the Option, which security may be granted on a non-recourse basis.

PART 3 SHARE BONUS PLAN

3.1 Participants

The Board, on the recommendation of the Committee, shall have the right, subject to Section 3.2, to issue or reserve for issuance, for no cash consideration, to any Eligible Employee or any Eligible Director any number of Shares as a discretionary bonus subject to such provisos and restrictions as the Board may determine.

3.2 Number of Shares

The aggregate maximum number of shares that may be issued pursuant to Section 3.1 will be limited to 4,500,000 Shares. Shares reserved for issuance and issued under the Share Bonus Plan shall be subject to the limitations set out in Section 5.1.

The Board, on the recommendation of the Committee, in its absolute discretion, shall have the right to reallocate any of the Shares reserved for issuance under the Share Bonus Plan for future issuance under the Share Option Plan or the Share Purchase Plan and, in the event that any Shares specifically reserved under the Share Bonus Plan are reallocated to the Share Option Plan or the Share Purchase Plan, as the case may be, the aggregate maximum number of Shares reserved under the Share Bonus Plan will be reduced to that extent. In no event will the number of Shares allocated for issuance under the Share Bonus Plan exceed 4,500,000 Shares.

3.3 Necessary Approvals

The obligation of the Company to issue and deliver any Shares pursuant to an award made under the Share Bonus Plan will be subject to all necessary approvals of any exchange or securities regulatory authority having jurisdiction over the Shares.

PART 4 SHARE PURCHASE PLAN

4.1 Participants

Participants in the Share Purchase Plan will be Eligible Employees who have been continuously employed by the Company or any of its Affiliates on a full-time basis for at least 12 consecutive months and who have been designated by the Board, on the recommendation of the Committee, as participants in the Share Purchase Plan (Share Purchase Plan Participants). The Board, on the recommendation of the Committee, shall have the right, in its absolute discretion, to waive such 12-month period or to refuse any Eligible Employee or group of Eligible Employees the right of participation or continued participation in the Share Purchase Plan.

4.2 Election to Participate in the Share Purchase Plan and Participant's Contribution

Any Share Purchase Plan Participant may elect to contribute money (the Participant's Contribution) to the Share Purchase Plan in any calendar year if the Share Purchase Plan Participant delivers to the Company a written direction in form and substance satisfactory to the Company authorizing the Company to deduct from the Share Purchase Plan Participant's salary, in equal instalments, the Participant's Contribution. Such direction will remain effective until revoked in writing by the Share Purchase Plan Participant or until the Board terminates or suspends the Share Purchase Plan, whichever is earlier.

The Share Purchase Plan Participant's Contribution as determined by the Board, on the recommendation of the Committee, shall not exceed 10% of the Share Purchase Plan Participant's basic annual salary from the Company and its Affiliates at the time of delivery of the direction, before deductions, exclusive of any overtime pay, bonuses or allowances of any kind whatsoever (the "Basic Annual Salary"). In the case of a Share Purchase Plan Participant for whom the Board, on the recommendation of the Committee, has waived the 12-month employment requirement, the Share Purchase Plan Participant's Contribution shall not exceed 10% of his Basic Annual Salary from the Company and its Affiliates at the time of delivery of the direction, prorated over the remainder of the calendar year, before deductions and exclusive of any overtime pay, bonuses or allowances of any kind whatsoever.

4.3 Company's Contribution

Immediately prior to the date any Shares are issued to a Share Purchase Plan Participant in accordance with Section 4.4, the Company will credit the Share Purchase Plan Participant with, and thereafter hold in trust for the Share Purchase Plan Participant, an amount determined by the Board (the "Company's Contribution") not to exceed the Participant's Contribution then held in trust by the Company. The aggregate maximum number of shares that may be issued pursuant to the Share Purchase Plan will be limited to 1,000,000 Shares.

4.4 Issue of Shares

On March 31, June 30, September 30 and December 31 in each calendar year the Company will issue to each Share Purchase Plan Participant fully paid and non-assessable Shares, disregarding fractions, which is equal to the aggregate amount of the Participant's Contribution and the Company's Contribution divided by the Issue Price. For the purposes of this Section 4.4, "Issue Price" means the weighted average price of the Shares on The Toronto Stock Exchange, or such exchange or exchanges on which the Shares may be traded at such time for the 90-day period immediately preceding the date of issuance. If the Shares are not traded on an exchange on the date of issuance, the Issue Price shall be such price per Share as the Board, acting in good faith, may determine.

The Company shall hold any unused balance of the Participant's Contribution for a Share Purchase Plan Participant until used in accordance with the Share Purchase Plan.

4.5 Delivery of Shares

As soon as reasonably practicable following each issuance of Shares to a Share Purchase Plan Participant pursuant to Section 4.4, the Company will cause to be delivered to the Share Purchase Plan Participant a certificate in respect of such Shares provided that, if required by applicable law or the rules and policies of The Toronto Stock Exchange or such other exchange or exchanges on which the Shares are traded, a restrictive legend shall be inscribed on the certificate, which legend shall state that the Shares shall not be transferable for such period as may be prescribed by law or by any regulatory authority or stock exchange on which the Shares are listed.

4.6 Effect of Termination of Employment or Death

If a Participant dies or otherwise ceases to be employed by the Company or any of its Affiliates for any reason or receives notice from the Company of the termination of his or her employment, the Share Purchase Plan Participant's participation in the Share Purchase Plan will be deemed to be terminated and any portion of the Participant's Contribution then held in trust shall be paid to the Share Purchase Plan Participant or his estate or successor as the case may be.

4.7 Effect of Amalgamation or Merger

If the Company amalgamates or merges with or into another corporation, each Share Purchase Plan Participant to whom Shares are to be issued will receive, on the date on which any Shares would otherwise have been delivered to the Share Purchase Plan Participant in accordance with Section 4.5, the securities, property or cash to which the Share Purchase Plan Participant would have been entitled on such amalgamation, consolidation or merger had the Shares been issued immediately prior to the record date of such amalgamation or merger.

PART 5 GENERAL

5.1 Number of Shares

The aggregate number of Shares that may be reserved for issuance under this Plan (together with any other securities based compensation arrangements of the Company in effect from time to time) shall not exceed 6.5% of the issued and outstanding Shares from time to time. This prescribed maximum may be subsequently increased to any other specified amount, provided the increase is authorized by a vote of the shareholders of the Company. In addition, the aggregate number of Shares reserved for issuance under the Plan:

- (a) that may be reserved for issuance to Insiders under the Plan (or when combined with all of the Company's other security based compensation arrangements) shall not exceed 10% of the Company's outstanding issue from time to time;
- (b) that may be issued to Insiders under the Plan (or when combined with all of the Company's other security based compensation arrangements) within any one-year period shall not exceed 10% of the Company's outstanding issue from time to time; and
- (c) that may be issued to any one Insider and his or her Associates under the Plan within any one-year period shall not exceed 5% of the Company's outstanding issue from time to time.

In no event will the number of Shares at any time reserved for issuance to any Participant exceed 5% of the Company's outstanding issue from time to time.

For the purposes of this Section 5.1, "outstanding issue" means the total number of Shares, on a non-diluted basis, that are issued and outstanding immediately prior to the date that any Shares are issued or reserved for issuance pursuant to an award under the Plan.

For greater certainty, as this Plan is a rolling plan, the reloading of Options is permitted under the Plan and Options that are exercised, surrendered, terminated or expire without being exercised no longer represent Shares reserved for issuance under this Plan and do not decrease the number of Shares issuable under this Section 5.1 as determined from time to time, subject to the provisions in Section 2.7.

5.2 Transferability

Any benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable unless specifically provided herein. During the lifetime of a Participant all benefits, rights and options may only be exercised by the Participant. Options are non-transferable except by will or by the laws of descent and distribution.

5.3 Employment

Nothing contained in any Plan shall confer upon any Participant any right with respect to employment or continuance of employment with the Company or any, Affiliate, or interfere in any way with the right of the Company or any Affiliate to terminate the Participant's employment at any time. Participation in any Plan by a Participant is voluntary.

5.4 Record Keeping

The Company shall maintain a register in which shall be recorded:

- (a) the name and address of each Participant;
- (b) the Plan or Plans in which the Participant participates;
- (c) any Participant's Contributions;
- (d) the number of unissued Shares reserved for issuance pursuant to an Option or pursuant to an award made under the Share Bonus Plan in favour of a Participant; and
- (e) such other information as the Board may determine.

5.5 Necessary Approvals

The Plan shall be effective only upon formal adoption by the Board following the approval of the shareholders of the Company in accordance with the rules and policies of The Toronto Stock Exchange.

The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of any governmental authority having jurisdiction in respect of the Shares or any exchanges on which the Shares are then listed which may be required in connection with the authorization, issuance or sale of such Shares by the Company. If any Shares cannot be issued to any Participant for any reason including, without limitation, the failure to obtain such approval, the obligation of the Company to issue such Shares shall terminate and any Participant's Contribution or option price paid to the Company shall be returned to the Participant.

5.6 Income Taxes

The Company may withhold from any remuneration or consideration whatsoever payable to such Participant hereunder, any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of such participation in the Plan.

5.7 Amendments to Plan

The Board shall have the power to, at any time and from time to time, either prospectively or retrospectively, amend, suspend or terminate the Plan or any Option or other award granted under the Plan without shareholder approval, including, without limiting the generality of the foregoing: changes of a clerical or grammatical nature, changes regarding the persons eligible to participate in the Plan, changes to the exercise price, vesting, term and termination provisions of Options, changes to the cashless exercise right provisions, changes to the share bonus plan provisions (other than the maximum number of Shares issuable under the Bonus Plan in Section 3.2 of the Plan), changes to the authority and role of the Compensation and Benefits Committee under the Plan, changes to the acceleration and vesting of Options in the event of a takeover bid, and any other matter relating to the Plan and the Options and awards granted thereunder, provided however that:

G9

- c) the expiry date of an Option Period in respect of an Option shall not be more than ten years from the date of grant of an Option except as expressly provided in Section 2.5;

 - (vii) any amendment to the amending provision set out in Section 5.7 (Amendments to Plan).

If the Plan is terminated, the provisions of the Plan and any administrative guidelines and other rules and regulations adopted by the Board and in force on the date of termination will continue in effect as long as any Option or any rights pursuant thereto remain outstanding and, notwithstanding the termination of the Plan, the Board shall remain able to make such amendments to the Plan or the Options as they would have been entitled to make if the Plan were still in effect.

5.8 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

5.9 Compliance with Applicable Law, etc

If any provision of the Plan or any agreement entered into pursuant to the Plan contravenes any law or any order, policy, by-law or regulation of any regulatory body or stock exchange having authority over the Company or the Plan then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

PART 6 ADMINISTRATION OF THE PLAN
