Overview

We are leaders in activity and participant management providing cloud computing applications serving a wide range of customer groups including business solutions, community activities, outdoors and sports. We provide applications that form an online network connecting a fragmented and diverse group of activity and event organizers with a large base of potential participants. Our proprietary technology platform transforms the way organizers manage their activities and events by automating online registrations and streamlining other critical management functions, while also driving consumer participation to their events.

We power a broad range of activities, such as reserving a campsite or tee time, signing up for a marathon or sports league, purchasing a fishing or hunting license, or participating in a community event or corporate conference. From the introduction of our platform in 1999, we have experienced significant growth and in 2011, we had over 51,000 customer organizations that drove over 80 million annual consumer registrations. Based on the results of a 2010 online survey we commissioned through Survey.com, we believe the organizations we target produce or organize activities and events for the majority of U.S. households.

Our business benefits from a powerful network effect. As more organizations use our platform, we increase the breadth and depth of activities and events offered through our platform. This more comprehensive offering of activities attracts more participants. As we attract more participants, we are able to drive increased demand for our customers' activities, thus increasing registrations and revenue for both organizers and us. This revenue growth enables us to develop enhanced functionality and services through ActiveWorks and our websites, further increasing participant engagement and attracting new organizers. In this way, we build increasing value for both organizations and participants.

We serve a wide range of customers including community and sports organizations, large corporations, small and medium-sized businesses, educational institutions, federal and state government agencies, non-profit organizations and other similar entities. We primarily generate revenue from technology fees paid by participants who register for our customers' activities through our cloud computing applications. During the year ended December 31, 2011, we generated revenue of \$337.4 million, as compared to \$279.6 million in the year ended December 31, 2010, an increase of 21%. During the three months ended March 31, 2012, we generated revenue of \$94.4 million, as compared to \$72.7 million in the three months ended March 31, 2011, an increase of 30%.

Our technology revenue was 86% of our total revenue for the year ended December 31, 2011. Net registration revenue was 79% of our technology revenue for the year ended December 31, 2011. Licensed software, maintenance, hosting and implementation revenue was 21% of our technology revenue for the year ended December 31, 2011. Our marketing services revenue was 14% of our total revenue for the year ended December 31, 2011.

Our technology revenue was 89% of our total revenue for the three months ended March 31, 2012. Net registration revenue was 76% of our technology revenue for the three months ended March 31, 2012. During the three months ended March 31, 2012, we processed approximately 18.2 million consumer registrations. Licensed software, maintenance, hosting and implementation revenue was 24% of our technology revenue for the three months ended March 31, 2012. Our marketing services revenue was 11% of our total revenue for the three months ended March 31, 2012.

We were originally incorporated in California in October 1998 as Racegate.com, Inc. and became a Delaware corporation through a stock exchange agreement in July 1999. In May 2001, we changed our name to The Active Network, Inc. Our principal executive offices are located at 10182 Telesis Court, Suite 100, San Diego, California.

SELLING STOCKHOLDERS

On December 30, 2011, we completed a merger transaction in which we acquired StarCite, Inc., a leading provider of organization-based cloud computing solutions to strategically manage corporate meetings and events. In connection with the merger, we acquired all outstanding shares of StarCite preferred stock, StarCite common stock and warrants to purchase shares of StarCite preferred stock and common stock in exchange for \$40.0 million in cash, including an aggregate of approximately \$6.6 million used for outstanding debt and transaction expenses of StarCite, and 1,350,000 shares of our common stock, which includes 300,000 shares of common stock placed into an escrow fund to satisfy any indemnification claims made by us pursuant to the terms of our merger agreement with StarCite.

Pursuant to the terms of the merger agreement, we agreed to (i) prepare and file with the SEC a registration statement, of which this prospectus is a part, with respect to the up to 1,500,000 shares of common stock issuable to the StarCite selling stockholders that would permit some or all of the common stock to be resold in registered transactions and (ii) use our commercially reasonable efforts to maintain the effectiveness of the registration statement until one year from the date on which the registration statement is declared effective by the SEC. Since the Company's closing stock price traded at or above \$15.00 per share on the New York Stock Exchange for three consecutive days during the sixty (60) day period following effectiveness of the registration statement, 150,000 shares of common stock will not be required to be issued to the former StarCite stockholders.

We do not know how long the selling stockholders will hold the shares offered under this prospectus before selling them, and we cannot advise you as to whether the selling stockholders will in fact sell any or all of the shares of common stock being offered hereunder. When we refer to a selling stockholder in this prospectus, we mean the StarCite selling stockholders, as well as their transferees, pledgees or donees or their successors. We currently have no agreements, arrangements or understandings with the selling stockholders regarding the sale of any of the shares of common stock by them. The selling stockholders may have sold or transferred, in transactions exempt from the registration requirements of the Securities Act, some or all of their shares since the date on which the information in the table is presented. Information about the selling stockholders may change over time.

The table below sets forth:

the name of each of the selling stockholders;

the number of shares of our common stock owned by each such selling stockholder prior to this offering assuming all 300,000 shares are released from escrow;

the percentage (if one percent or more) of common stock owned by each such selling stockholder prior to this offering;

the number of shares of our common stock which may be sold or otherwise disposed of pursuant to this prospectus assuming all 300,000 shares are released from escrow;

the number of shares of our common stock to be owned upon completion of this offering assuming all such shares are sold; and

the percentage (if one percent or more) of common stock owned by each such selling stockholder after this offering assuming all such shares are sold.

The number of shares in the column "Number of Shares Being Offered" represents all of the shares that a selling stockholder may sell or otherwise dispose of under this prospectus. Except as otherwise disclosed in this prospectus, none of the selling stockholders has, or within the past three years has had, any position, office or other material relationship with us. The selling stockholders may enter into short sales in the ordinary course of their business of investing and trading securities. Other than the costs of preparing and providing this prospectus and a registration fee to the SEC, we are not paying any costs relating to the sales by the selling stockholders.

PLAN OF DISTRIBUTION

The selling stockholders, which as used herein includes donees, pledgees, transferees, or other successors-in-interest selling shares of common stock or interests in shares of common stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution, or other transfer, may, from time to time, sell, transfer, or otherwise dispose of any or all of their shares of common stock or interests in shares of common stock on any stock exchange, market, or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The selling stockholders may use any one or more of the following methods when disposing of shares or interests therein:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

short sales;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act of 1933, as amended (Securities Act), amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our common stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of our common stock short and deliver these securities to close out their short

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

The selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, provided that they meet the criteria and conform to the requirements of that rule.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of the common stock or interests therein may be underwriters within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Selling stockholders who are underwriters within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our common stock to be sold, the names of the selling stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares by the selling stockholders in the market and to the activities of the selling stockholders and their affiliates. To the extent applicable we will make copies of this prospectus, as it may be supplemented or amended from time to time, available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act.

We have agreed to indemnify the selling stockholders against certain liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with the selling stockholders to take any reasonably necessary action to maintain the effectiveness of this registration statement of which this prospectus constitutes a part until one year from the date on which this registration statement is declared effective by the SEC.

OTHER FINANCIAL INFORMATION

During the first quarter of 2012, we adopted an accounting standard which eliminated the option to present the components of other comprehensive income as part of the consolidated statements of stockholders' equity (deficit), which was the presentation used in the Company's 2011 Annual report on Form 10-K. The adopted accounting standard requires the presentation of the components of net income, other comprehensive income and total comprehensive income in either one continuous statement or two separate consecutive statements. The components of other comprehensive loss and total comprehensive loss for each of the five years ended December 31, 2011 are presented below (in thousands).

Item 14. Indemnification of Directors and Officers.

We are incorporated under the laws of the State of Delaware. Section 145 of the Delaware General Corporation Law provides that a Delaware corporation may indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was an officer, director, employee or agent of such corporation, or is or was serving at the request of such person as an officer, director, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was illegal. A Delaware corporation may indemnify any persons who are, or are threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses, which such officer or director has actually and reasonably incurred. Our amended and restated bylaws provide for the indemnification of our directors and officers to the fullest extent permitted under the Delaware General Corporation Law.

Section 174 of the Delaware General Corporation Law provides, among other things, that a director, who willfully or negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption, may be held liable for such actions. A director who was either absent when the unlawful actions were approved, or dissented at the time, may avoid liability by causing his or her dissent to such actions to be entered in the books containing minutes of the meetings of the Board of Directors at the time such action occurred or immediately after such absent director receives notice of the unlawful acts.

As permitted by the Delaware General Corporation Law, we have entered into indemnity agreements with each of our directors and executive officers, that require us to indemnify such persons against any and all expenses (including attorneys' fees), witness fees, damages, judgments, fines, settlements and other amounts incurred (including expenses of a derivative action) in connection with any action, suit or proceeding, whether actual or threatened, to which any such person may be made a party by reason of the fact that such person is or was a director, an officer or an employee of The Active Network or any of its affiliated enterprises, provided that such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to our best interests and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder.

Table of Contents

At present, there is no material pending litigation or proceeding involving any of our directors or executive officers as to which indemnification is required or permitted, and we are not aware of any material threatened litigation or proceeding that may result in a claim for indemnification.

We have an insurance policy covering our officers and directors with respect to certain liabilities, including liabilities arising under applicable securities laws.

(4) On September 29, 2009, we entered into a Note Purchase Agreement with certain lenders, pursuant to which we issued an aggregate of \$4,000,000 of convertible promissory notes. Each convertible note accrues interest at a rate of ten percent (10%) subject to increase in the event the maturity date is extended beyond September 29, 2011. The notes are convertible into shares of our common stock at any time by the holder at a conversion price of \$16.00 per share. As of December 31, 2010, we had an aggregate of approximately \$4.5 million of principal and interest outstanding under the convertible notes.

(5) On December 1, 2009, we entered into an Asset Purchase Agreement with Channel:1 Corporation and the majority stockholders of Channel:1 Corporation, pursuant to which we acquired certain assets of Channel:1 Corporation in exchange for, among other things, 112,500 shares of our common stock.

(10) On February 1, 2011, we acquired substantially all of the assets of Fellowship Technologies, L.P. in exchange for the issuance of 1,125,000 shares of our common stock, 160,000 of which are being held in escrow until August 1, 2012, and 40,000 of which are being held in escrow until the resolution of certain tax matters.

(11) On December 30, 2011, pursuant to the Agreement and Plan of Merger by and among us, Active Acquisition Corporation, a Delaware corporation and our wholly-owned subsidiary (Merger Sub), StarCite, Inc., a Delaware corporation (StarCite), and Internet Capital Group Operations, Inc., a Delaware corporation, in its capacity as the securityholders agent, Merger Sub merged with and into StarCite, with StarCite continuing as the surviving entity and our wholly-owned subsidiary (the Merger). In connection with the Merger, the holders of all outstanding shares of StarCite preferred stock, StarCite common stock and warrants to purchase shares of StarCite preferred stock and common stock (collectively, the StarCite Security Holders) received an aggregate of \$40.0 million in cash, including an aggregate of approximately \$6.6 million used for outstanding debt and transaction expenses of StarCite, and 1,350,000 shares of our common stock, which includes 300,000 shares of common stock placed into an escrow fund to satisfy any indemnification claims made by us pursuant to the terms of our merger agreement with StarCite. In addition, if shares of our common stock had failed to trade at or above \$15.00 per share on the New York Stock Exchange for at least three consecutive days at any time during the sixty day period following effectiveness of the registration statement filed with respect to the registration of these shares, we would have had to issue an additional 150,000 shares of our common stock to the StarCite Security Holders. Since the Company s closing stock price traded at or above \$15.00 per share on the New York Stock Exchange for three consecutive days during the sixty (60) day period following effectiveness of the registration statement, the 150,000 shares of common stock will not be issued to the StarCite Security Holders.

The offers, sales and issuances of the options and common stock described in paragraph 1 were deemed to be exempt from registration under the Securities Act in reliance on Rule 701 in that the transactions were under compensatory benefit plans and contracts relating to compensation as provided under such rule. The recipients of such options and common stock were our employees, directors or bona fide consultants and received the securities under our 2002 Stock Option/Stock Issuance Plan. Appropriate legends were affixed to the securities issued in these transactions. Each of the recipients of securities in these transactions had adequate access, through employment, business or other relationships, to information about us.

The offers, sales and issuances of the securities described in paragraphs 2 through 11 were deemed to be exempt from registration under the Securities Act in reliance on Section 4(2) of the Securities Act or Rule 506 of Regulation D promulgated thereunder in that the issuance of securities to the recipients did not involve a public offering. Each recipient of the securities in these transactions represented his or her intention to acquire the securities for investment only and not with a view to, or for resale in connection with, any distribution thereof, and appropriate legends were affixed to the share certificates issued in each such transaction. In each case, the recipient was an accredited investor as defined under Regulation D.

There were no underwriters employed in connection with any of the transactions set forth in this Item 15.

Item 16. Exhibits.

The exhibits to the registration statement are listed in the Exhibit Index attached hereto and incorporated by reference herein.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the

payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
