Offering of Senior Notes

On August 6, 2012, SandRidge Energy, Inc. (the Company), entered into a Purchase Agreement (the Purchase Agreement), by and among the Company, certain subsidiary guarantors named therein (the Guarantors), and Barclays Capital Inc., Citigroup Global Markets Inc., Deutsche Bank Securities Inc., J.P. Morgan Securities LLC and RBC Capital Markets, LLC (the Representatives), as representatives of the several initial purchasers, relating to the issuance and sale of \$275,000,000 in aggregate principal amount of the Company's 7.5% Senior Notes due 2021 (the 2021 Notes) and \$825,000,000 in aggregate principal amount of the Company's 7.5% Senior Notes due 2023 (the 2023 Notes and, together with the 2021 Notes, the Notes). The 2021 Notes were priced at 101.625% of par (plus accrued interest from March 15, 2012), resulting in a yield to maturity of 7.24%. The 2023 Notes were priced at 99.5% of par, resulting in a yield to maturity of 7.57%. The gross proceeds to the Company are expected to be \$279,468,750 from the sale of the 2021 Notes and \$820,875,000 from the sale of the 2023 Notes, and the Company expects to receive \$1,080.5 million of net proceeds from the offering after deducting the initial purchasers' discounts and estimated offering expenses, but disregarding accrued interest on the 2021 Notes paid by the purchasers.

The sale of the Notes is expected to close on August 20, 2012. The Company intends to use the net proceeds of the offering to fund the aggregate tender price of its pending tender offer for up to \$350.0 million in aggregate principal amount of its Senior Floating Rate Notes due 2014, including payment of the accrued, unpaid interest on such notes in connection with the tender offer (the 2014 Notes), and for general corporate purposes, including funding its capital expenditure program. To the extent that less than all of the outstanding 2014 Notes are tendered, or in the event the tender offer for the 2014 Notes is not consummated, the Company intends to use a portion of net proceeds from this offering to redeem or repurchase any or all of the 2014 Notes remaining outstanding, although the selection of any particular redemption date is in its discretion. A copy of the Purchase Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 1.01.

The 2021 Notes are being offered as additional notes under the Indenture dated March 15, 2011, among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee. In connection with the closing of the sale of the 2021 Notes, the Company also intends to enter into a Registration Rights Agreement, among the Company, the Guarantors and the Representatives, relating to the 2021 Notes. In connection with the closing of the sale of the 2023 Notes, the Company intends to enter into (i) an Indenture, among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee, and (ii) a Registration Rights Agreement, among the Company, the Guarantors and the Representatives, each relating to the 2023 Notes.

The Notes are being offered and sold to the several initial purchasers pursuant to an exemption from the registration requirements under the Securities Act of 1933, as amended (the Securities Act). The initial purchasers intend to sell the Notes only to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to persons outside the United States pursuant to Regulation S.

The initial purchasers and certain of their affiliates have provided, and may in the future provide, financial advisory, investment banking and commercial banking services in the ordinary course of business to the Company, the Guarantors and certain of the Company's affiliates, for which they receive customary fees and expense reimbursement. Affiliates of the initial purchasers are lenders under the Company's senior credit facility.

The press release shall not constitute an offer to sell or the solicitation of an offer to buy the Notes, nor shall there be any sale of the Notes in any state in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state.
