**Item 8.01 Other Events.**

As previously announced on July 19, 2012, Georgia Gulf Corporation, a Delaware corporation ( Georgia Gulf ) and PPG Industries, Inc., a Pennsylvania corporation ( PPG ), entered into an Agreement and Plan of Merger, dated as of July 18, 2012 (as amended, the Merger Agreement ), by and among Georgia Gulf, PPG, Eagle Spinco Inc., a Delaware corporation and a wholly-owned subsidiary of PPG ( Splitco ) and Grizzly Acquisition Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Georgia Gulf ( Merger Sub ). In addition, PPG and Splitco entered into a Separation Agreement, dated as of July 18, 2012 (the Separation Agreement ), which together with the Merger Agreement provides for the combination of Georgia Gulf's business and substantially all of the assets and liabilities of the business of PPG relating to the production of chlorine, caustic soda and related chemicals to be transferred to Splitco (the PPG Chlor-alkali and Derivatives Business ). In connection with the transactions, PPG is offering to PPG shareholders the right to exchange all or a portion of their shares of PPG common stock, par value \$1.66 2/3 per share, for shares of Splitco common stock, par value \$0.001 per share, at a discount to the per-share value of Georgia Gulf common stock, par value \$0.01 per share, in an exchange offer. Immediately after the consummation of the exchange offer, Merger Sub will merge with and into Splitco, whereby the separate corporate existence of Merger Sub will cease and Splitco will continue as the surviving company and as a wholly-owned subsidiary of Georgia Gulf (the Merger ). In the Merger, each share of Splitco common stock will be converted into the right to receive Georgia Gulf common stock based on the exchange ratio set forth in the Merger Agreement.

On December 27, 2012, PPG announced that it has commenced an exchange offer for PPG common stock in the Merger. PPG's shareholders who exchange their shares of PPG common stock for shares of Splitco common stock are expected to receive approximately \$1.11 of Georgia Gulf common stock for every \$1.00 of PPG common stock tendered, subject to the upper limit described below. The exchange offer and withdrawal rights will expire at 8:00 a.m., New York City time, on January 28, 2013, unless the exchange offer is terminated or extended, after which expiration the parties expect to consummate the Merger. The transactions are subject to customary closing conditions, including Georgia Gulf stockholder approval.

PPG currently expects to issue approximately 35,236,010 shares of Splitco common stock in the exchange offer. However, the number of shares of PPG common stock that will be accepted will depend on the final exchange ratio, the number of shares of Splitco common stock offered and the number of shares of PPG common stock tendered. If the exchange offer is consummated but not fully subscribed, then the remaining shares of Splitco common stock owned by PPG will be distributed as a pro rata dividend to PPG shareholders whose shares of PPG common stock remain outstanding and have not been accepted for exchange in the exchange offer. Any PPG shareholder who validly tenders (and does not properly withdraw) shares of PPG common stock for shares of Splitco common stock in the exchange offer will waive their rights with respect to such shares to receive, and forfeit any rights to, shares of Splitco common stock distributed on a pro rata basis to PPG shareholders in the event the exchange offer is not fully subscribed.

***Calculation of Per-Share Value***

PPG will determine the prices at which shares of PPG common stock and shares of Splitco common stock (and ultimately Georgia Gulf common stock) will be exchanged by reference to the simple arithmetic average of the daily volume-weighted average prices of PPG common stock and Georgia Gulf common stock, respectively, on the New York Stock Exchange on each of the last three trading days of the exchange offer.

The exchange offer is designed to permit PPG shareholders to exchange their shares of PPG common stock for shares of Splitco common stock at a discount of 10 percent to the per-share value of Georgia Gulf common stock, subject to an upper limit of 3.9745 shares of Splitco common stock per share of PPG common stock. The Splitco common stock will then automatically convert into the right to receive one share of Georgia Gulf common stock following the Merger. The shares of Georgia Gulf common stock issued in this Merger are expected to represent approximately 50.5 percent of the Georgia Gulf common stock that will be outstanding after the Merger.

If the exchange ratio upper limit of 3.9745 shares of Splitco common stock per share of PPG common stock is reached, then the exchange offer will be subject to a mandatory extension of two trading days, as is described in the exchange offer materials being sent to PPG shareholders.
