**Item 1.01. Entry Into a Material Definitive Agreement.**  
***Third Amendment to the Credit Agreement***

On February 5, 2013, NCR Corporation ( NCR ) entered into a Third Amendment to that certain Credit Agreement, dated as of August 22, 2011, as amended and restated as of August 22, 2012 (the Credit Agreement ), with and among the lenders party thereto and JPMorgan Chase Bank, N.A., in its capacity as the administrative agent (the Third Amendment ). Amendments to the Credit Agreement that were effected by the Third Amendment include the following:

The incremental facility feature of the Credit Agreement was amended to permit NCR to request incremental term loans and/or revolving credit facilities with commitments in an aggregate amount not to exceed:

prior to the date that NCR obtains an investment grade rating, the greater of (i) the remaining existing incremental facility capacity (currently \$200,000,000), and (ii) an aggregate amount that would not cause the Secured Leverage Ratio (as defined in the Credit Agreement), calculated on a pro forma basis including the incremental facility and assuming that it and the revolver are fully drawn, to exceed 2.75 to 1.00; and

after the date that NCR obtains an investment grade rating, an aggregate amount that would not cause the Leverage Ratio (as defined in the Credit Agreement), calculated on a pro forma basis including the incremental facility and assuming that it and the revolver are fully drawn, to exceed a level that is 0.50 less than the then-applicable Leverage Ratio covenant.

The definition of Consolidated EBITDA was amended to allow NCR to give immediate effect to its eventual implementation of mark-to-market accounting for its pension and retirement plans (including by calculating Consolidated EBITDA on such basis for each fiscal quarter in the four quarter test period ending December 31, 2012).

The covenant on restricted payments was modified to permit share repurchases, dividends and other restricted payments in an amount not to exceed \$50,000,000 in any fiscal year, with the ability to carry forward unused amounts for share repurchases, dividends and other restricted payments in future fiscal years.

The existing baskets for sales of assets and incurrence of indebtedness in connection with securitizations and the use of securitization vehicles were increased, in each case, to \$200,000,000 from \$150,000,000.

Modifications were made to the covenant regarding asset sales to accommodate certain pre-existing stock options and rights at subsidiaries of Retalix, Ltd. ( Retalix ) that remained outstanding following the acquisition of Retalix by NCR.

Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Third Amendment which subsequent information may or may not be fully reflected in NCR's public disclosures.
