**Item 2.02. Results of Operations and Financial Condition.**

On February 21, 2013 Huron Consulting Group Inc. (the Company ) posted supplementary financial information on its website to reflect the quarterly and annual 2012 and 2011 segment and consolidated operating results and other operating data including the effect of the reorganization of the Company s internal financial reporting structure which took place in the first quarter of 2013. Under the new structure, the Company will begin reporting information as five operating segments: Huron Healthcare; Huron Education and Life Sciences; Huron Legal; Huron Financial; and an all other category.

Beginning in 2013, the current Health and Education Consulting segment will become two separate segments: Huron Healthcare and Huron Education and Life Sciences. These practices continue to share a significant number of academic medical center clients and will continue to closely collaborate in the market. The Legal Consulting segment will be referred to as Huron Legal and the Financial Consulting segment will be referred to as Huron Financial. The structure of the Legal Consulting and Financial Consulting segments remains unchanged. In addition, certain immaterial practices which were historically part of our Health and Education Consulting segment will be combined and disclosed in an all other category.

The revised presentation does not have any effect on the Company s previously reported consolidated statements of earnings and other comprehensive income, balance sheets, or cash flows.

A copy of the supplementary financial information is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
