**Item 1.01 Entry into a Material Definitive Agreement.**

On March 8, 2013, Spectrum Pharmaceuticals, Inc. (Spectrum) entered into a License Agreement (the License Agreement) with CyDex Pharmaceuticals, Inc., a wholly-owned subsidiary of Ligand Pharmaceuticals Incorporated (together with CyDex, collectively Ligand), and acquired exclusive global development and commercialization rights to Ligand's Captisol-enabled, propylene glycol-free (PG-free) melphalan. Pursuant to the terms of the License Agreement, Spectrum assumed the responsibility for all clinical and regulatory development of the program going forward, including the ongoing pivotal clinical trial. In consideration for the rights granted under the License Agreement, Spectrum paid Ligand an upfront license fee of \$3 million. Additionally, Ligand is eligible to receive an aggregate of more than \$50 million based upon the achievement of certain regulatory and sales milestones and significant double-digit royalties based on the net sales of licensed products in all territories worldwide. The License Agreement will remain in effect, on a country-by-country basis, until the expiration of Spectrum's obligation to pay royalties on net sales of the subject products in such country. Spectrum may terminate the Agreement at its election upon ninety days notice to Ligand. Additionally, either party may terminate the Agreement for an uncured material breach by the other party.

In connection with the transaction, the parties also entered into a supply agreement (the Supply Agreement) pursuant to which, subject to certain exceptions, Spectrum agreed to purchase its requirements of Captisol from Ligand. The term of the Supply Agreement is concurrent with the term of the License Agreement and may be terminated by either party for an uncured material breach by the other party.

The foregoing description of the License Agreement and the Supply Agreement does not purport to be complete and is qualified in its entirety by such Agreements, each of which will be filed as an Exhibit to Spectrum's next Form 10-Q. Spectrum intends to submit a FOIA confidential treatment request to the Securities and Exchange Commission pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended, requesting that it be permitted to redact certain portions of the License Agreement and/or the Supply Agreement. The omitted material will be included in the request for confidential treatment.

A copy of the press release announcing the transaction is attached hereto as Exhibit 99.1 and is hereby incorporated by this reference.
