Cautionary Note Regarding Forward-Looking Statements

This announcement contains forward-looking statements which address our expected future business and financial performance. These forward-looking statements are based on current expectations, estimates, forecasts and projections of future Company or industry performance, based on management's judgment, beliefs, current trends and market conditions, and involve risks and uncertainties that may cause actual results to differ materially from those contained in the forward-looking statements. Accordingly, we caution you not to place undue reliance on these statements. For Avago, particular uncertainties that could materially affect future results include global economic conditions and concerns; cyclicity in the semiconductor industry or in our target markets; quarterly and annual fluctuations in operating results; loss of our significant customers; increased dependence on the volatile, wireless handset market; our competitive performance and ability to continue achieving design wins with our customers; our ability to achieve the growth prospects and synergies expected from acquisitions we may make, including our planned acquisition of CyOptics, Inc.; delays, challenges and expenses associated with integrating acquired companies with our existing businesses; our dependence on contract manufacturing and outsourced supply chain and our ability to improve our cost structure through our manufacturing outsourcing program; prolonged disruptions of our or our contract manufacturers' manufacturing facilities or other significant operations; our dependence on outsourced service providers for certain key business services and their ability to execute to our requirements; our ability to maintain gross margin; our ability to maintain tax concessions in certain jurisdictions; our ability to protect our intellectual property and any associated increases in litigation expenses; dependence on and risks associated with distributors of our products; any expenses associated with resolving customer product and warranty and indemnification claims; and other events and trends on a national, regional and global scale, including those of a political, economic, business, competitive and regulatory nature. Our Quarterly Report on Form 10-Q filed on March 14, 2013 and other filings with the Securities and Exchange Commission, or SEC (which you may obtain for free at the SEC's website at <http://www.sec.gov>) discuss some of the important risk factors that may affect our business, results of operations and financial condition.
