We believe it is important to communicate our expectations to our stockholders. However, there may be events in the future that we are not able to accurately predict or over which we have no control. The risk factors and cautionary language discussed in this document outline examples of risks, uncertainties and events that may cause actual results to differ materially from the expectations described in the forward-looking statements, including among other things:

our business strategy and financial performance;

our exploration of all financial and strategic alternatives to maintain our business as a going concern, including, but not limited to, one or more transactions that may include a comprehensive financial reorganization of our company or a transaction such as a sale or merger of the Company;

refinancing or modifications to our capital structure; and

our restructuring reforms.

You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this document.

You should be aware that the occurrence of the events described in the Risk Factors portion of this Amendment and the Original Filing, the documents incorporated herein and our other Securities and Exchange Commission (the SEC) filings could have a material adverse effect on our business, prospects, financial condition or operating results.

Table of Contents

PART I

Item 1A. Risk Factors.

In addition to the other information set forth in this Amendment, the factors discussed in Part I Item 1A Risk Factors in our Original Filing could materially affect our business, financial condition, or operating results. The risks described in our Original Filing, this Amendment and any other SEC reports are not the only risks facing us. There are additional risks and uncertainties not currently known to us or that we currently deem to be immaterial that may also materially adversely affect our business, financial condition, or operating results. We include the following risk factors in addition and as updates to the risk factors previously provided:

Restructuring Risks

We may not be successful in our restructuring initiatives and even if successful, we may be required to effectuate a reorganization process.

In connection with our inability to maintain our leverage covenants under our Senior Secured Term Loan for our fiscal quarters ended October 27, 2012 and February 2, 2013, we obtained waivers from our Senior Secured Term Loan lenders, whereby the Senior Secured Term Loan lenders waived, among other things, any and all defaults or events of default which would otherwise occur under the Senior Secured Term Loan as a result of any failure by us to comply with the maximum adjusted leverage ratio covenant contained in the Senior Secured Term Loan for the respective fiscal quarters. The waiver provided for the fiscal quarter ended February 2, 2013, also provided for a waiver for our fiscal quarter ending May 4, 2013, and conditioned the waiver in its entirety on our continued compliance with certain terms and conditions, including achievement of a mutually acceptable agreement with the term loan lenders by May 1, 2013 relating to refinancing or modifications to our capital structure in a way that serves the best interests of all of our stakeholders. On April 26, 2013, such date was extended to June 30, 2013. Total debt of \$208.2 million has been classified as current liabilities as of February 2, 2013.

While we continue to address the terms of our restructuring with our Senior Secured Term Loan lenders, we cannot provide any assurances that we will reach agreement on the definitive terms of any restructuring. In addition, any restructuring may be effectuated under the supervision of a bankruptcy court. We cannot provide any assurances that any restructuring can be completed out-of-court, under the supervision of a bankruptcy court or at all. If we reorganize under the supervision of a bankruptcy court, it is expected that our equity holders would experience a complete loss of their investment.

In addition, while we anticipate continued compliance with the terms and conditions of the waiver while we address the terms of our restructuring, failure to comply with the terms and conditions of the waiver could cause the effectiveness of the waiver to terminate. In the event the waiver terminates, there would be a default under the Senior Secured Term Loan and, as a result, the lenders under the Senior Secured Term Loan could declare the outstanding indebtedness to be due and payable, in acceleration of the current maturity dates of December 21, 2013 and December 21, 2015. As a result of the cross-default provisions in our debt agreements, a default under the Senior Secured Term Loan could result in a default under, and the acceleration of, payments in the Senior Secured Credit Facility. If payments under our credit facilities were to be accelerated, we anticipate that we would seek protection under the Bankruptcy Code.

Risks Relating to Our Class A Common Stock and Preferred Stock and the Securities Market

We are not in compliance with NASDAQ's continued listing requirements. Accordingly, we may not be able to maintain our listing on the NASDAQ Capital Market.

On May 8, 2013 we received written notice from the NASDAQ Stock Market indicating that we are no longer in compliance with the minimum stockholders' equity requirement for continued listing on the NASDAQ Capital Market. NASDAQ Capital Market Listing Rule 5550(b)(1) requires registrants to maintain a minimum of \$2,500,000 in stockholders' equity unless the registrant has met one of the alternative standards of market value of listed securities or net income from continuing operations. In the Company's Form 10-K for the period ended February 2, 2013, the Company reported a stockholders' deficit of \$30.6 million as a result of a net loss of \$33.6 million in the fourth quarter of 2012. In the notice, NASDAQ requested we provide our plan to regain compliance with the continued listing requirements before June 24, 2013. If NASDAQ accepts the plan, it can grant us an additional 180 days from the date of the notice to evidence compliance with Listing Rule 5550(b)(1). If NASDAQ does not accept the plan, we will have the opportunity to appeal any delisting decision to a NASDAQ Listings Qualifications Panel.

Table of Contents

If we fail to meet the continued listing standards of the NASDAQ Capital Market, our Common Stock could be delisted from the NASDAQ Capital Market. If our Common Stock is delisted by NASDAQ, then the market liquidity of our Common Stock would likely be negatively affected, which would make it more difficult for holders to sell our Common Stock in the open market. Investors would find it more difficult to dispose of or obtain accurate quotations as to the market value of our Common Stock, and the per share price of our Common Stock may be adversely affected. Delisting from NASDAQ would also result in negative publicity and may result in a loss of confidence by investors, customers, suppliers or employees.

No assurances can be provided that we will be able to regain or maintain compliance with the requirements for continued listing under the NASDAQ Listing Rules and maintain our NASDAQ Capital Market listing. In the event we were to effectuate a restructuring under the supervision of a bankruptcy court, we anticipate that our Common Stock would thereafter be delisted from the NASDAQ Stock Market.

Pursuant to the terms of the severance agreements, if the named executive officer is terminated by us without Cause or resigns for Good Reason, he will be placed on a severance-related leave of absence and will be entitled to receive the following severance payments and benefits: (i) 12 months of base salary continuation, subject to certain offsets, (ii) continued participation in all of our

Edgar Filing: ORCHARD SUPPLY HARDWARE STORES CORP - Form 10-K/A

benefit plans and programs (except for our long-term disability plan, flexible spending accounts, company-paid life insurance and 401(k) plan) as an active employee for 12 months, and (iii) outplacement services for up to 12 months. All such severance payments and benefits are subject to the named executive officer's execution of a release of claims. The severance agreements also provide that each named executive officer is subject to a perpetual confidentiality covenant and a post-termination non-solicitation of employees covenant for a period equal to the period of his or her respective salary continuation period opportunity, regardless of whether severance pay and benefits are payable under the severance agreement. For purposes of Mr. Baker's severance agreement, Cause generally means his insubordination, dishonesty, fraud, incompetence, moral turpitude, refusal to perform his duties or responsibilities for any reason other than illness or incapacity or

Table of Contents

unsatisfactory performance of his duties, as determined by our Board of Directors in its sole discretion. For purposes of the severance agreements with our named executive officers, Cause generally means (i) a material breach by the executive officer (other than due to disability) of his or her duties and responsibilities which breach is demonstrably willful and deliberate on his or her part, is committed in bad faith or without reasonable belief that such breach is in our best interest and is not remedied in a reasonable period of time after receipt of written notice from us specifying such breach, (ii) the commission by the executive officer of a felony involving moral turpitude or (iii) dishonesty or willful misconduct in connection with the named executive officer's employment.

For purposes of the severance agreements, including Mr. Baker's, Good Reason generally means (i) a reduction in more than 10% in the sum of the executive officer's annual base salary and target bonus, (ii) the executive officer's mandatory relocation to an office more than 50 miles from the primary location at which he or she is required to perform his or her duties or (iii) any other action or inaction that constitutes a material breach of the terms of the agreement, including failure of a successor company to assume or fulfill the obligations of the agreement. Mr. Baker also has Good Reason to quit if he is removed from our Board of Directors. In each case, the executive officer must provide us with written notice of the events giving rise to a claim of Good Reason within 30 days of its initial existence and we will have 60 days to remedy such event.

The severance agreements do not include single trigger change-of-control provisions which provide for payment or acceleration of equity awards based upon a change of control event in itself.

Using each named executive officer's current base salary, the maximum total payments by the Company to each named executive officer under the termination circumstances described above, as of February 2, 2013, the last day of Fiscal 2012, would be as follows:

Current Officers	Cash Severance (\$)(1)	Outplacement Services\$(2)	COBRA Premium(\$)	Unvested In-the-Money Options at February 2, 2013(#)/(\$)	Total Estimated Benefit (\$)
Mark R. Baker	625,000	24,000	23,096		672,096

- (1) Assumes service for a full year; outside directors who serve for less than the full year are entitled to receive a pro-rated portion of the applicable payment. Each year, for purposes of the Director Compensation Policy, begins on the date of our annual meeting of stockholders and ends on the date of our next annual meeting of stockholders. For the year beginning on the date of our 2012 annual meeting of stockholders, each director can elect, in lieu of their Board member cash compensation, to take an equally valued stock grant.
- (2) The annual restricted stock award is determined by dividing the award value of \$50,000 by the fair market value on the date of the annual meeting of stockholders. The shares will then vest over a period of one year, in four equal installments, at a rate of 25% of the shares vesting quarterly, subject to the outside director's continued Board service on each such date.
- (3) Members are compensated in the amount of \$7,500 per quarter, paid in advance per quarter, plus \$1,000 per meeting attended.

- (3) The annual stock award is determined by dividing the award value of \$50,000 by the fair market value on the date of the annual meeting of stockholders. - (1) Consists of an aggregate of 925,752 shares held as follows: 482,230 shares of Class A Common Stock held by ESL Partners, L.P. (Partners); 215 shares held by ESL Institutional Partners, L.P. ESL Investments, Inc. is the general partner of RBS, the sole member of CRK and the manager of RBSIM. RBS is the general partner of Partners and the managing member of ESL Investors, LLC. RBSIM is the general partner of Institutional. Mr. Lampert entered into a letter agreement with Partners (a Lock-Up Agreement) that restricts the purchases and sales by Mr. Lampert of the shares. - (2) ACOF I LLC (ACOF) is owned by Ares Corporate Opportunities Fund, L.P. (ACOF Opportunities). The general partner of ACOF Opportunities is ACOF Management, L.P. (ACOF Management). The general partner of ACOF Management is ACOF Operating Manager, L.P. (ACOF Operating). The general partner of ACOF Operating is Ares Management, Inc. (Ares Inc.). Ares Inc. is owned by Ares Management LLC (Ares Management), which, in turn, is owned by Ares Management Holdings LLC (Ares Management Holdings). Ares Management Holdings is controlled by Ares Holdings LLC (Ares Holdings), which, in turn, is controlled by Ares Partners Management Company LLC (APMC) (APMC, ACOF, ACOF Opportunities, ACOF Management, ACOF Operating, Ares Inc., Ares Management, Ares Management Holdings, and Ares Holdings are collectively referred to in this footnote as the Ares Entities). APMC is managed by an executive committee comprised of Michael Arougheti, David Kaplan, Gregory Margolies, Antony Ressler and Bennett Rosenthal. Because the executive committee acts by consensus/majority approval, none of the members of the executive committee has sole voting or dispositive power with respect to any shares of Common Stock. Each of the members of the executive committee, the Ares Entities (other than ACOF and ACOF Opportunities with respect to the shares held directly by ACOF) and the directors, officers, partners, stockholders, members and managers of the Ares Entities expressly disclaims beneficial ownership of any shares of Common Stock and nothing herein shall be deemed an admission that any such person or entity is the beneficial owner of such shares.
- (3) Samana Capital, L.P. (SC) is the owner of the Class A Common Stock. Morton Holdings, Inc. (MH) is the general partner of SC. On February 6, 2013, SC entered into an investment management agreement with ZBI Equities, L.L.C. (ZBIE) (the IMA) pursuant to which SC has granted ZBIE investment and voting control over the Class A Common Stock. ZBIE is wholly-owned by Ziff Brothers Investments, L.L.C. (ZBI). As a result, each of ZBI and ZBIE may be deemed to beneficially own the Class A Common Stock. In addition, each of MH and Philip B. Korsant may be deemed to beneficially own the Class A Common Stock reported as a result of certain rights retained by SC under the IMA.
- (4) Consists of shares of Class A Common Stock owned, in the aggregate, by Bruce R. Berkowitz (Mr. Berkowitz) and various investment vehicles managed by Fairholme Capital Management, L.L.C. (FCM) of which 592,993 are owned by The Fairholme Fund and 8,070 are owned by The Fairholme Allocation Fund, each a series of Fairholme Funds, Inc. Because Mr. Berkowitz, in his capacity as the Managing Member of FCM or as President of Fairholme Funds, Inc., has voting or dispositive power over all shares beneficially owned by FCM, he is deemed to have beneficial ownership of all such shares. Each of Mr. Berkowitz, The Fairholme Fund, and FCM disclaim beneficial ownership of shares of Class A Common Stock for any purpose, except to the extent of any pecuniary interest therein.
- (5) Calculated on the basis of 4,830,147 shares of Class A Common Stock, par value \$0.01 per share, 8,644.06788 shares of Class B Common Stock and 1,194,000 shares of Class C Common Stock outstanding as of May 30, 2013, provided that any additional shares of Common Stock that a stockholder has a right to acquire within 60 days after May 30, 2013 are deemed to be held and outstanding for the purpose of calculating that stockholder's percentage of beneficial ownership but not the percentages of beneficial ownership of other stockholders.
- (6) The outstanding Class B Common Stock represent less than 0.2% of the total outstanding common stock of the Company and is not included in the table above. Each stockholder of Class B Common Stock is entitled to vote one-tenth of a vote for each share of Class B Common Stock held by him or her on all matters submitted to a vote of the Company's stockholders, except the election of directors. The Class C Common Stock and Class B Common Stock are entitled to elect, voting as a separate class, two directors to our Board of Directors.

ITEM 13. Certain Relationships and Related Transactions, and Director Independence.

The Company has adopted a written statement of policy regarding transactions with related persons, which we refer to as our Policy Statement on Related Party Transactions. Our policy requires that a related person (as defined in paragraph (a) of Item 404 of Regulation S-K) must promptly disclose to our General Counsel any related person transaction (defined as any transaction that is reportable by us under Item 404(a) of Regulation S-K in which we are or will be a participant and the amount involved exceeds \$120,000 and in which any related person has or will have a direct or indirect material interest) in which such related person has or will have a direct or indirect material interest and all material facts with respect thereto. The General Counsel will promptly communicate such information to our Audit Committee or another independent body of our Board of Directors. No related person transaction will be entered into without the approval or ratification of our Audit Committee or another independent body of our Board of Directors. It is our policy that directors who may have an interest in a related person transaction will recuse themselves from any such vote. Our policy does not specify the standards to be applied by our Audit Committee or other independent body of our Board of Directors in determining whether or not to approve or ratify a related person transaction, and we accordingly anticipate that these determinations will be made in accordance with principles of law generally applicable to directors of a Delaware corporation. Any request for us to enter into a transaction with an executive officer, director or employee, or any of such persons' immediate family members or affiliates, must first be presented to our Audit Committee for review, consideration and approval. In approving or rejecting the proposed agreement, our Audit Committee will review each such transaction for potential conflicts of interest or improprieties in a manner consistent with our Policy Statement on Related Party Transactions.

Indemnity Agreements. The Company has entered into indemnity agreements with its executive officers and directors which provide, among other things, that the Company will indemnify such executive officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of the Company, and otherwise to the fullest extent permitted under Delaware law and our Bylaws.

Sears Holdings Agreements. On December 30, 2011, we completed our spin-off (the Spin-Off) from Sears Holdings Corporation (Sears Holdings). In connection with the Spin-Off, the Company entered into a series of agreements with Sears Holdings, ESL Investments, Inc. and its related entities (ESL) owns 55.3% of the outstanding Common Stock of Sears Holdings, based on the Proxy Statement filed by Sears Holdings on March 28, 2013. The Company paid Sears Holdings approximately \$167,000 in Fiscal 2012 for providing certain support services pursuant to a transition services agreement. In Fiscal 2012, the Company paid Sears Holdings an aggregate of approximately \$2.2 million for sales of certain Sears Holdings-branded products pursuant to three brands license agreements.

Stockholders Agreement. In connection with the Spin-Off, the Company, ESL, Edward S. Lampert, William C. Crowley and ACOF entered into the Second Amended and Restated Stockholders Agreement (the **Stockholders Agreement**). The **Stockholders Agreement** was effective immediately following the Spin-Off and provides certain rights and obligations to the parties thereto, including certain voting rights, including board elections, protective provisions and consent rights, rights of first refusal and tag-along rights with respect to transfers by parties to the agreement, preemptive rights with respect to securities offerings by the Company, registration rights and certain restrictions on stock acquisitions by parties during the six-month period, subject to extension, following the Spin-Off.

Other than the foregoing, there were no relationships or related party transactions in or since the end of Fiscal 2012, or any proposed relationships or related party transactions, requiring disclosure herein.

Director Independence. The Board of Directors has determined that Kevin R. Czinger, Karen M. Rose and Susan L. Healy have no relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and each is an independent director as defined by the applicable NASDAQ rules and the rules and regulations of the Securities and Exchange Commission (the **SEC**). In determining the independence of our directors, the Board of Directors has adopted the independence standards that mirror the criteria specified by applicable law and regulations of the SEC and the NASDAQ.

Because William C. Crowley served as Executive Vice President and Chief Administrative Officer of Sears Holdings until January 2011, Mr. Crowley will not be an independent director until January 2014.

Item 14. Principal Accounting Fees and Services.

The following is a summary of the aggregate fees billed to us for the fiscal years ended January 28, 2012 and February 2, 2013 by our independent registered public accounting firm, Deloitte & Touche LLP:

	February 2, 2013	January 28, 2012
Audit fees (1)(2)	\$ 1,357,465	\$ 1,317,825
Audit related fees (3)	52,200	102,250
Tax fees	60,000	0
All other fees		0
Total	\$ 1,469,665	\$ 1,420,075

- (1) Audit fees consist of fees billed for professional services rendered for the audit of the Company's consolidated annual financial statements and the review of the interim consolidated financial statements for the quarterly reports, and other services that are normally provided by our independent registered public accountants in connection with statutory and regulatory filings or engagements.
- (2) Approximately \$296,118 of the Audit Fees billed by Deloitte related to Fiscal 2011 was paid by Sears Holdings as the costs were incurred in connection with the Spin-Off and were therefore reimbursable by Sears Holdings.
- (3) Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under Audit Fees.

The Audit Committee has considered whether the provisions of services described in the table above are compatible with maintaining auditor independence. Unless a type of service has received general pre-approval, it will require separate pre-approval by the Audit Committee. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval process. During Fiscal 2012 and Fiscal 2011, all fees paid to our independent auditors were pre-approved in accordance with this policy without exception.
