Information and Exchange Offer Instruction Form Relating to the Offer to Exchange

Zoetis Common Stock for Pfizer Common Stock

Background

In February 2013, Pfizer Inc. (Pfizer) sold approximately 19.8% of Zoetis Inc. (Zoetis) common stock in an initial public offering. Pfizer retained the remaining outstanding shares of, and a controlling stake in, Zoetis. Pursuant to the Prospectus, dated May 22, 2013 (the Prospectus), as amended, Pfizer is now offering holders of Pfizer common stock the opportunity to exchange shares of Pfizer common stock for the shares of Zoetis common stock owned by Pfizer (the exchange offer). The exchange offer is of a limited duration and will end on June 19, 2013, unless extended.

If you wish to exchange a portion or all of the shares of Pfizer common stock you hold in the **Pfizer Canada Inc. Employer Match Savings Plan** or the **Pfizer Animal Health Canada Inc. Savings Plan** for shares of Zoetis common stock, please carefully read the important information in this document.

As a Pfizer Canada Inc. or Pfizer Animal Health Canada Inc. (Zoetis) colleague holding shares of Pfizer common stock in the Savings Plans with Sun Life Financial, you are eligible to participate in the exchange offer. This means that you will have an opportunity to exchange all or a portion of your shares of Pfizer common stock held in the Savings Plans for shares of Zoetis common stock under a new Zoetis Stock Fund.

Key date

If you decide to exchange some or all of the shares of Pfizer common stock in your Savings Plan, you must complete and fax the enclosed form to Sun Life Financial **before 12:00 noon Eastern Time on June 17, 2013. The fax number is included on the enclosed form.**

If you do not want to exchange your shares of Pfizer common stock held in your Savings Plan, no action is required.

The Pfizer common stock in the Savings Plans is held in the Pfizer Stock Fund. In a similar manner, the Zoetis common stock will be held in the Zoetis Stock Fund.

For Pfizer colleagues

It is expected that the Zoetis Stock Fund will only be available in the **Pfizer Canada Inc. Employer Match Savings Plan** for one year. Furthermore, you will not be allowed to buy more shares of Zoetis common stock or instruct Sun Life Financial to invest new contributions in the Zoetis Stock Fund. After the exchange has been processed, you will be allowed to transfer in-kind any Zoetis share you may have to your personal brokerage account. After one year, the Zoetis Stock Fund will be eliminated from the **Pfizer Canada Inc. Employer Match Savings Plan**. At that time, if you have not transferred your shares of Zoetis common stock to your personal brokerage account, any balance you may hold in the Zoetis Stock Fund will be sold. Proceeds from this sale will be transferred within your account to the Savings Plan default investment fund, which is the Interest Income Fund.

For Pfizer Animal Health (Zoetis) colleagues

If you decide to keep your shares of Pfizer common stock in the **Pfizer Animal Health Canada Inc. Savings Plan**, note that you may be required to redeem these shares within one year. Additional details will be provided by Zoetis in advance of any changes.
