**Item 8.01 Other Events**

On June 11, 2013, NuVasive, Inc. issued a press release announcing that it received a ruling from the U.S. District Court, Southern District of California in San Diego regarding ongoing royalty rates for Phase I of its patent litigation with Medtronic Sofamor Danek USA, Inc. and its related entities. A copy of this press release is furnished as Exhibit 99.1 hereto.

NuVasive cautions you that statements included in this press release that are not a description of historical facts are forward-looking statements that involve risks, uncertainties, assumptions and other factors which, if they do not materialize or prove correct, could cause NuVasive's results to differ materially from historical results or those expressed or implied by such forward-looking statements. The potential risks and uncertainties that could cause actual growth and results to differ materially include, but are not limited to: the risk that the District Court may issue additional rulings regarding our ongoing patent dispute with Medtronic, including with respect to ongoing royalty rates; the risk that the Federal Circuit Court of Appeals may ultimately rule against us; the risk of further adjustment, or unanticipated difficulty in selling products or generating expected profitability; and other risks and uncertainties more fully described in NuVasive's press releases and periodic filings with the Securities and Exchange Commission. NuVasive's public filings with the Securities and Exchange Commission are available at [www.sec.gov](http://www.sec.gov). NuVasive assumes no obligation to update any forward-looking statement to reflect events or circumstances arising after the date on which it was made.
