## Item 1.01. Entry into a Material Definitive Agreement

On July 23, 2014, Columbia Banking System, Inc., a Washington corporation ( Columbia ), entered into an Agreement and Plan of Merger (the Merger Agreement ) with Intermountain Community Bancorp, an Idaho corporation ( Intermountain ). The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, Intermountain will merge with and into Columbia (the Merger ), with Columbia continuing as the surviving corporation (the Surviving Corporation ). Immediately after the Merger, Panhandle State Bank, an Idaho state-chartered bank and wholly-owned subsidiary of Intermountain ( Panhandle State Bank ), will merge with and into Columbia State Bank, a Washington state-chartered bank and wholly-owned subsidiary of Columbia ( Columbia State Bank ) (the Bank Merger , and together with the Merger, the Mergers ). The Merger Agreement was approved and adopted by the Board of Directors of each of Intermountain and Columbia.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger, Intermountain shareholders will have the right to receive, at their election (but subject to customary proration and allocation procedures applicable to oversubscription and undersubscription for stock consideration), in respect of each share of Intermountain common stock cash, stock, or a unit consisting of a mix of (a) 0.6426 of a share of Columbia common stock and (b) \$2.2930 in cash, without interest, for consideration (the Merger Consideration ). The aggregate Merger Consideration is expected to be approximately (a) 4.2 million shares of Columbia common stock and (b) \$16.5 million in cash. The per share Merger Consideration payable at the effective time of the Merger will be a function of the daily closing volume weighted average price of Columbia common stock for the twenty trading day period beginning on the twenty fifth day before the effective time of the Merger. If the average closing price of Columbia s common stock for the twenty trading days beginning on the twenty fifth day before the effective time of the Merger has declined by more than 17.5% from the price of Columbia common stock on the day of the execution of the Merger Agreement, and Columbia s common stock underperforms the Keefe Bruyette & Woods Regional Banking Index by more than 17.5% during such period, Intermountain may terminate the Merger Agreement unless Columbia contributes sufficient additional cash consideration to offset any reduction in the value of the Merger Consideration attributable to such decline.

The Merger Agreement provides that, each outstanding and unexercised warrant to purchase shares of Intermountain common stock (each, a Warrant ) issued to Castle Creek Capital Partners IV, LP and affiliates of Stadium Capital Management, LLC, will be converted into the right to receive, in cash, an amount equal to the per share Merger Consideration for each share issuable upon exercise of a Warrant less the exercise price with respect to each such share. All Intermountain restricted stock awards (subject to certain exceptions) will vest immediately prior to closing and be treated the same as all other shares of Intermountain common stock as described above. Upon consummation of the Merger, each outstanding and unexercised Intermountain stock option will be cancelled without any consideration. Additionally, Columbia and Intermountain agreed to use reasonable best efforts to facilitate the purchase immediately prior to the closing of the Merger on terms reasonably satisfactory to Columbia of the warrant to purchase shares of Intermountain Common Stock issued to the Treasury Department on December 19, 2008 (the TARP Warrant ). If such purchase does not occur, then the TARP Warrant will be exchanged for a warrant for Columbia common stock in accordance with the terms of the TARP Warrant.

Consummation of the Merger is subject to customary conditions, including, among others, approval by Intermountain shareholders and receipt of required regulatory approvals.

Upon consummation of the Merger, the Board of Directors of Columbia will consist of the directors serving on the Board of Directors of Columbia prior to the effective time of the Merger plus one independent director from the Board of Directors of Intermountain, to be selected by Columbia's Nominating and Corporate Governance Committee.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Columbia, Intermountain, their respective affiliates or their respective businesses, the Merger Agreement and the Mergers that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 that will include a Proxy Statement of Intermountain and a Prospectus of Columbia, as well as in the Forms 10-K, Forms 10-Q and other filings that each of Columbia and Intermountain make with the Securities and Exchange Commission (the "SEC").

Concurrently with the execution of the Merger Agreement, Castle Creek Capital Partners IV, LP and affiliates of Stadium Capital Management, LLC (the "Principal Shareholders") have each entered into separate Warrant Transfer, Voting and Support Agreements with Columbia pursuant to which such Principal Shareholders have agreed, subject to the terms set forth therein, to tender and transfer to Columbia the Warrant issued to such Principal Shareholders and to vote their shares that are entitled to vote in favor of the Merger and related matters, and to become subject to certain transfer restrictions with respect to their holdings of Intermountain securities and to certain standstill restrictions with respect to Columbia. In addition, concurrently with the execution of the Merger Agreement, certain directors of Intermountain have entered into either a Voting and Non-Competition Agreement or a Voting and Non-Solicitation Agreement with Columbia and Intermountain pursuant to which such directors have agreed, subject to the terms set forth therein (and subject to certain exceptions), to vote their shares of Intermountain common stock in favor of the Merger and related matters, and to become subject to certain transfer, non-solicitation and non-competition restrictions. Each of these agreements terminates in accordance with its terms if the Merger Agreement is terminated, and in other specified circumstances. The foregoing summary of the agreements described above does not purport to be complete and is qualified in its entirety by the text of such agreements, which are attached as Exhibits 99.1 (Warrant Transfer, Voting and Support Agreement by and between Columbia Banking System, Inc. and Castle Creek Capital Partners IV, LP dated July 23, 2014), 99.2 (Warrant Transfer, Voting and Support Agreement by and among Columbia Banking System, Inc., Stadium Capital Qualified Partners, L.P. and Stadium Capital Partners, L.P. dated July 23, 2014), 99.3 (Form of Voting and Non-Competition Agreement by and among Columbia Banking System, Inc., Intermountain Community Bancorp and certain directors of Intermountain Community Bancorp dated July 23, 2014), 99.4 (Form of Voting and Non-Solicitation Agreement by and among Columbia Banking System, Inc., Intermountain Community Bancorp and certain directors of Intermountain Community Bancorp dated July 23, 2014) hereto and are incorporated herein by reference.

All statements other than statements of historical fact are forward looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: (i) the possibility that the Merger does not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all; (ii) changes in Columbia's stock price before closing, including as a result of the financial performance of Intermountain prior to closing, or more generally due to broader stock market movements, and the performance of financial companies and peer group companies, (iii) the risk that the benefits from the transaction may not be fully realized or may take longer to realize than expected, including as a result of changes in general economic and market conditions, interest and exchange rates, monetary policy, laws and regulations and their enforcement, and the degree of competition in the geographic and business areas in which Columbia and Intermountain operate; (iv) the ability to promptly and effectively integrate the businesses of Columbia and Intermountain; (v) the reaction to the transaction of the companies' customers, employees and counterparties to the

transaction; (vi) diversion of management time on merger-related issues; (vii) lower than expected revenues, credit quality deterioration or a reduction in real estate values or a reduction in net earnings; and (viii) other risks that are described in Columbia's and Intermountain's public filings with the SEC. For more information, see the risk factors described in each of Columbia's and Intermountain's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other filings with the SEC.
