We use the term twenty foot equivalent unit, or TEU, the international standard measure of containers, in describing the capacity of our containerships, which are also referred to as our vessels. We identify the classes of our vessels by the approximate average TEU capacity of the vessels in each class. However, the actual TEU capacity of a vessel may differ from the approximate average TEU capacity of the vessels in such vessel's class.

The information and the unaudited consolidated financial statements in this Report should be read in conjunction with the consolidated financial statements and related notes and the Management's Discussion and Analysis of Financial Condition and Results of Operations included in our Annual Report on Form 20-F for the year ended December 31, 2013, filed with the Securities and Exchange Commission, or the Commission, on March 11, 2014, or our 2013 Annual Report. Unless otherwise indicated all amounts in this Report are presented in U.S. Dollars, or USD. We prepare our consolidated financial statements in accordance with United States generally accepted accounting principles, or U.S. GAAP.
