Introduction

Item 1. Security and Issuer

This Amendment No. 2 amends Items 1, 2, 4, 5, 6, and 7 of the Schedule 13D originally filed by The Williams Companies, Inc. (Williams) on December 20, 2012 (the Original Schedule 13D), as amended by Amendment No. 1 filed on June 16, 2014 (Amendment No. 1) and Amendment No. 2 filed on July 1, 2014 (Amendment No. 2). This statement on Schedule 13D (Schedule 13D) relates to common units representing limited partner interests (ACMP Common Units) of Access Midstream Partners, L.P. (the Issuer or ACMP). The Issuer is a Delaware limited partnership and its principal executive offices are located at 900 NW 63rd Street, Oklahoma City, Oklahoma 73118. Unless specifically amended hereby, the disclosure set forth in the Original Schedule 13D, as amended by Amendment No. 1 and Amendment No. 2, shall remain unchanged.

Common Units are issuable on a one-for-one basis upon the conversion of the Convertible Class B units representing limited partner interests of the Issuer (ACMP Class B Units).

Item 2. Identity and Background

The information previously provided in response to Item 2 is hereby amended and supplemented with the following:

(a) This Schedule 13D is filed by (i) Williams and (ii) Williams Gas Pipeline Company, LLC (Williams Gas Pipeline), a Delaware limited liability company (collectively, the Reporting Persons). Williams owns directly 100% of Williams Gas Pipeline; accordingly, the Reporting Persons are hereby filing a joint Schedule 13D.

(b) The business address of each of the Reporting Persons is One Williams Center, Tulsa, Oklahoma, 74172-0172.

(c) The principal business of Williams and its affiliates is to provide the energy infrastructure to connect North America's hydrocarbon resource plays to markets for natural gas, natural gas liquids and olefins.

(d) (e) During the past five years, none of the Reporting Persons has (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) nor (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of which was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Not applicable.

In accordance with the provisions of General Instruction C to Schedule 13D, information concerning the executive officers, board of directors and each person controlling the Reporting Persons, as applicable (collectively, the Listed Persons), required by Item 2 of Schedule 13D is provided on Schedule 1 hereto and is incorporated by reference herein. To the Reporting Persons' knowledge, none of the persons listed on Schedule 1 as a director or executive officer of Williams or Williams Gas Pipeline has been, during the last five years, (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment,

decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 4. Purpose of Transaction

The information previously provided in response to Item 4 is hereby amended and supplemented by adding the following:

On October 22, 2014, Williams transferred to Williams Gas Pipeline 101,680,962 ACMP Common Units and 12,800,906 ACMP Class B Units, representing 100% of the equity interest of the Issuer directly owned by Williams. As a result of this transfer, (i) Williams Gas Pipeline is the record owner of 101,680,962 ACMP Common Units and 12,800,906 ACMP Class B Units and (ii) Williams, as the direct 100% owner of Williams Gas Pipeline, may be deemed to beneficially own the 101,680,962 ACMP Common Units and 12,800,906 ACMP Class B Units held by Williams Gas Pipeline.

On October 24, 2014, ACMP entered into an Agreement and Plan of Merger (the Merger Agreement) with Access Midstream Partners GP, L.L.C. (ACMP General Partner), Williams Partners L.P. (WPZ), Williams Partners GP LLC (WPZ General Partner and, together with WPZ, the WPZ Parties), and VHMS LLC (Merger Sub and, together with ACMP and ACMP General Partner, the ACMP Parties). Pursuant to the Merger Agreement, (1) Merger Sub, a direct wholly owned subsidiary of ACMP, will be merged with and into WPZ, with WPZ being the surviving limited partnership (the Merger), and (2) WPZ General Partner will be merged with and into ACMP General Partner, with ACMP General Partner being the surviving limited liability company (the GP Merger).

Under the terms of the Merger Agreement, (i) each outstanding common unit representing limited partner interests in WPZ (WPZ Common Units) that is held by a unitholder other than Williams, Williams Gas Pipeline and their respective subsidiaries (collectively, other than ACMP and its subsidiaries and WPZ and its subsidiaries, the Williams Parties) will be converted into the right to receive 0.86672 newly issued ACMP Common Units (such exchange ratio, the Public Exchange Ratio) and (ii) each outstanding WPZ Common Unit held by the Williams Parties will be converted into the right to receive 0.80036 ACMP Common Units (the Williams Parties Exchange Ratio and, together with the Public Exchange Ratio, the Exchange Ratio), in each case in consideration for each WPZ Common Unit that such holder owns at the effective time of the Merger. All of the general partner interest in WPZ (the WPZ General Partner Interest) outstanding immediately prior to the effective time of the Merger will be converted into the right to receive ACMP general partner interests (the ACMP General Partner Interest) such that, immediately following consummation of the GP Merger, the ACMP General Partner's ACMP General Partner Interest will represent, in the aggregate, 2% of the outstanding ACMP partnership interest. Prior to the closing of the Merger, each Class D limited partner unit of WPZ (the WPZ Class D Units and together with the WPZ Common Units, the WPZ Units), all of which are held by Williams or its affiliates, will be converted into WPZ Common Units on a one-for-one basis pursuant to the terms of the WPZ partnership agreement.

Following the closing of the Merger, it is anticipated that WPZ will merge with and into ACMP, with ACMP surviving (the Subsequent Merger), and that ACMP will change its name to Williams Partners L.P.

As promptly as practicable following the satisfaction of specified conditions to closing set forth in the Merger Agreement, the ACMP General Partner intends to cause ACMP to effect a subdivision of each ACMP Common Unit into 1.06152 ACMP Common Units and of each ACMP Class B Unit into 1.06152 ACMP Class B Units (the ACMP Pre-Merger Unit Split). The record date and payment date for the ACMP Pre-Merger Unit Split will each be the business day immediately prior to the closing date of the Merger, and holders of WPZ Units will not be entitled to participate in the ACMP Pre-Merger Unit Split with respect to their WPZ Units.

The conflicts committee (the WPZ Conflicts Committee) of the board of directors of WPZ General Partner (the WPZ Partners Board) has unanimously in good faith approved the Merger Agreement and the transactions contemplated thereby, including the Merger, determined that they are advisable, fair and reasonable to, and in the best interests of, WPZ and the holders of WPZ Common Units that are not held by the Williams Parties (WPZ Public Common Units), and resolved to approve and recommend the approval of the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger, to the Williams Partners Board. Based upon such approval, the Williams Partners Board has unanimously approved and adopted the Merger Agreement and the transactions contemplated thereby, including the Merger, and directed that the Merger Agreement be submitted to a vote of holders of WPZ Units. The conflicts committee (the ACMP Conflicts Committee) of the board of directors of ACMP General Partner (the ACMP Board) has unanimously in good faith approved the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger, and determined that they are advisable, fair and reasonable to, and in the best interests of, ACMP and the holders of ACMP Common Units that are not held by Williams or its affiliates (ACMP Public Common Units) and resolved to recommend the approval of the Merger Agreement and the consummation of the transactions

contemplated thereby, including the Merger, to the ACMP Board. Based upon such approval, the ACMP Board (on behalf of ACMP and Merger Sub) has approved and adopted the Merger Agreement and the transactions contemplated thereby, including the Merger.

Completion of the Merger is conditioned upon, among other things: (1) the approval and adoption of the Merger Agreement and the Merger by holders of at least a majority of the outstanding WPZ Units; (2) all material required governmental consents and approvals in connection with the Merger having been made or obtained; (3) the absence of legal injunctions or impediments prohibiting the Merger Transactions; (4) the effectiveness of a registration statement on Form S-4 with respect to the issuance of ACMP Common Units in the Merger; (5) the conversion of all WPZ Class D Units into WPZ Common Units; (6) approval of the listing on the New York Stock Exchange, subject to official notice of issuance, of the ACMP Common Units to be issued in the Merger; (7) the occurrence of the ACMP Pre-Merger Unit Split; and (8) the adoption and effectiveness of Amendment No. 3 to the First Amended and Restated Agreement of Limited Partnership of ACMP.

Pursuant to the terms of a Support Agreement, dated as of October 24, 2014, among ACMP, WPZ and Williams Gas Pipeline (the Support Agreement), Williams Gas Pipeline, which as of October 24, 2014, beneficially owned 279,472,244 WPZ Common Units and 26,475,507 WPZ Class D Units representing approximately 65.63% of the outstanding WPZ Units, has agreed to deliver a written consent adopting and approving in all respects the Merger Agreement and the transactions contemplated thereby, including the Merger (the WGP Written Consent). **The delivery of the WGP Written Consent (or, if applicable, vote) by Williams Gas Pipeline with respect to the WPZ Units it owns will be sufficient to adopt the Merger Agreement and thereby approve the Merger.**

The Merger Agreement also contains (i) customary representations and warranties of the WPZ Parties and the ACMP Parties, and (ii) covenants of the WPZ Parties and the ACMP Parties with respect to, among other things, certain actions taken prior to the closing of the Merger, cooperation with respect to regulatory issues and access to each other's information.

The Merger Agreement contains provisions granting both WPZ and ACMP the right to terminate the Merger Agreement for certain reasons, including, among others, if: (1) the Merger is not completed on or before April 30, 2015 (the Termination Date); (2) any governmental authority has issued an order, decree or ruling or taken any other action (including the enactment of any statute, rule, regulation, decree or executive order) enjoining or prohibiting consummation of the Merger; or (3) under certain conditions, there has been a material breach of any of the representations, warranties, covenants or agreements set forth in the Merger Agreement by a party to the Merger Agreement that is not cured by the Termination Date.

The foregoing description of the Merger, the GP Merger, the Merger Agreement and the Support Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement and Support Agreement, copies of which were filed as Exhibit 2.1 and Exhibit 99.2, respectively, to ACMP's Current Report on Form 8-K (file No. 001-34831) filed with the Commission on October 27, 2014, and the terms of which are incorporated herein by reference.

The Merger Agreement is incorporated herein by reference to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual or financial information about WPZ, ACMP, the other parties to the Merger Agreement or any of their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; may be subject to limitations

agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of WPZ, ACMP, the other parties to the Merger Agreement or any of their respective subsidiaries and affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by WPZ and ACMP. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information

regarding the companies and the Merger that will be contained in, or incorporated by reference into, the proxy statement/prospectus that the parties will be filing in connection with the Merger, as well as in the other filings that each of WPZ and ACMP make with the Securities and Exchange Commission (SEC).

Item 5. Interest in Securities of the Issuer

The information previously provided in response to Item 5 is hereby amended and restated by replacing the text thereof in its entirety with the following:

(a) Williams Gas Pipeline is the record and beneficial owner of (i) 88,880,056 ACMP Common Units and (i) 12,800,906 ACMP Class B Units. The ACMP Class B Units may be converted into ACMP Common Units on a one-for-one basis. If converted, Williams Gas Pipeline would be the record and beneficial owner of 101,680,962 ACMP Common Units, representing 49.9% of the outstanding ACMP Common Units, as calculated in accordance with Rule 13d-3(d)(1). Williams, as the direct 100% owner of Williams Gas Pipeline, may be deemed to beneficially own (i) 88,880,056 ACMP Common Units and (ii) 12,800,906 ACMP Class B Units. Williams may also, pursuant to Rule 13d-3, be deemed to beneficially own the 2% general partner interest and the incentive distribution rights (which represent the right to receive increasing percentages of quarterly distributions in excess of specified amounts) in the Issuer held by the ACMP General Partner, which is 100% owned by Williams. See Schedule 1 for the aggregate number and percentage of ACMP Common Units beneficially owned by the Listed Persons.

(b) The information set forth in Items 7 through 11 of the cover pages hereto is incorporated herein by reference. See Schedule 1 for the information applicable to the Listed Persons.

(c) Except as described in this Schedule 13D, none of the Reporting Persons or, to the Reporting Persons' knowledge, the Listed Persons, has effected any transactions in the ACMP Common Units during the past 60 days.

(d) The Reporting Persons have the right to receive distributions from, and the proceeds from the sale of, the Common Units reported on the cover pages of this Schedule 13D and in this Item 5.
