### **Item 1.01 Entry Into a Material Definitive Agreement**

On November 4, 2014, Lindsay Corporation (the Company) and Matterhorn Merger Sub, Inc., a new wholly owned subsidiary of the Company, entered into an Agreement and Plan of Merger (the Merger Agreement) with Elecsys Corporation, a Kansas corporation (NASDAQ: ESYS) ( Elecsys ), which will result in Elecsys becoming a wholly owned subsidiary of the Company upon closing of the transaction. Elecsys is a provider of machine-to-machine (M2M) technology solutions and custom electronic systems. Under the terms of the Merger Agreement, the Company will pay cash consideration of \$17.50 per share for each share of Elecsys common stock outstanding at closing, for a total purchase price of approximately \$70.5 million, which includes the cashing out of Elecsys equity compensation awards. While the Company has sufficient cash on hand to consummate this acquisition, the Company expects to take advantage of attractive debt market interest rates in support of this acquisition as it continues to execute on its capital allocation plan.

The Merger Agreement provides for customary representations, warranties and covenants by the Company and Elecsys and is subject to customary closing conditions, including approval by the stockholders of Elecsys. The Company expects the transaction to close in January 2015.

A copy of the Merger Agreement is filed as Exhibit 2.1 hereto and is incorporated herein by reference.
